Hello out there! I'm a 62 yr. young female. I'm 5'5", around 170lbs., green eyes, short streaked hair. I am not a foo-foo woman - meaning I don't care about getting my hair or nails done, and I'm not big on makeup. When you see me at night, I look the same when I wake up. I'm an outdoor woman, play rough and don't mind getting dirty. I'm looking for a man between 55-65. Race is open, requirements are: Able body, someone who likes to putter around the house and yard, likes home cooked meals rather than fast food, spontaneous and an animal lover, as I do rescue. I'm looking for someone that likes board games and cards, flea markets and walks. A man that still like to hold hands and prefers the old ways. I'm looking for a friend first and foremost. Looking for a man that smells good and takes pride in how he looks. I come with no baggage and I want none. I drink a little, never smoked. I'm loyal, fun, caring and a great cook. I live in Weakley Co., so someone close would be a plus. PTP342

Your Weekly Love Horoscope

Aries

March 21-April 19

Your confidence is your best weapon for calming any resistance you might face in relationships now. The proud Leo Moon forms mutual trines with both cautious Saturn and rebellious Uranus, giving you the perfect balance between conservative and radical behavior. Invest your energy wisely today so you can use it effectively over the weeks ahead. Metaphysician Manly P. Hall wrote, "Moderation is the secret of survival."

Taurus

April 20-May 20

Your confidence is your best weapon for calming any resistance you might face in relationships now. The proud Leo Moon forms mutual trines with both cautious Saturn and rebellious Uranus, giving you the perfect balance between conservative and radical behavior. Invest your energy wisely today so you can use it effectively over the weeks ahead. Metaphysician Manly P. Hall wrote, "Moderation is the secret of survival."

Gemini

May 21-June 20

Vulnerable feelings linger from unresolved interpersonal tensions today. You want to glide through the weekend without delving too deeply into your emotions, but this short-term strategy might not work as well as you wish. A relationship may hang in the balance of what you say now. However, your hesitation won't last long since irrepressible Uranus enters the picture to spur you on. Setting your goals too high invites disappointment if you're unable to reach them. Nevertheless, you can't change what you refuse to confront.

Cancer

June 21-July 22

You exude a graceful balance when interacting with people today, combining a fierce independence with a large dose of respect for cooperation. Practical behavior works wonders as the lively Leo Moon harmonizes with hardworking Saturn and ingenious Uranus. Temper your flights of enthusiasm with smart thinking. Even if you want to focus on the good news, don't be afraid of exploring the dark shadows for the treasures they offer. Greek philosopher Heraclitus wrote, "A hidden connection is stronger than an obvious one."

Leo

July 23-August 22

Your desires originate from a deeper place within you today, encouraging you to play for keeps in all you do. However, you may be so excited that you misjudge the amount of effort and commitment required to achieve satisfaction. Thankfully, the radiant Leo Moon harmonizes with deliberate Saturn and brilliant Uranus, blessing you with the ability to consider all your options prior to making the best possible choice. Vincent van Gogh wrote, "Great things are not done by impulse, but by a series of small things brought together."

Virgo

August 23-September 22

Demonstrating your maturity is a simple matter today as long as you overlook petty issues so you can focus on your priorities. A friendly trine between the responsive Moon and responsible Saturn brings an abundance of common sense into your life. However, the lunar connection to irrepressible Uranus suddenly reveals too many choices to pursue. You won't have any problems if you watch your boundaries. Nevertheless, you'll never know your capabilities unless you push past your fears. If the sky is the limit, there wouldn't be human footprints on the Moon.

Libra

September 23-October 22

Accidentally spilling the beans may prove to be socially embarrassing, so monitor what you say and keep a playful conversation from turning too serious. Nevertheless, even the most innocent flirting could stir fearful emotions and provoke a jealous response today. Conflicting planetary signals make it tricky to decide which course of action is the most sensible one. Although you're free to make whatever choice you want, you're not free from the consequences of your choice. Tennessee Ernie Ford said, "Know yourself -- and know your audience."

Scorpio

October 23-November 21

A strange mixture of positive and negative energy morphs into steady progress today. The performance-driven Leo Moon is moving through your 10th House of Status, urging you to reflect on your current place in the outer world along with your goals. The Moon harmonizes with sobering Saturn and independent Uranus, giving you a clear and self-directed view of reality. Your feelings are based on practical issues now, so don't let anyone talk you out of your perceptions when you know what's best. Tune into your heart and follow your intuition.

Sagittarius

November 22-December 21

Your unwavering enthusiasm empowers you to drive a hard bargain because others are no match for your courage and follow-through today. In fact, you become unbeatable once you dig in your heels. Unfortunately, your uncharacteristic rigidity can also anchor you to an incorrect assumption or a bad decision if you're not open to the possibility of being wrong. Thankfully, an ingenious Moon-Uranus trine enables you to change your mind and raise the level of your game. Take care of business with more brains and less bravado.

Capricorn

December 22-January 19

Your practical nature inspires you to skillfully untangle a complicated situation today, while still allowing your intuition to guide your overall strategy. Friends or colleagues who have been at odds with one another just might find a solution now with your sensible advice. A smooth Moon-Saturn trine empowers you to accomplish a lot without working too hard or turning into an arrogant authoritarian. Self-discipline is the key to managing even the fastest-moving situations with calm confidence.

Aquarius

January 20-February 18

A well-considered evaluation of your goals offers real possibilities for success ahead. The expressive Leo Moon creates easy trines with methodical Saturn and spontaneous Uranus, inspiring you to balance these opposite planetary principles to maximize your chances for satisfaction. Work toward building structures that will endure, for Saturn rewards extra effort. But don't wait around forever or you'll lose the singular power of now.

Pisces

February 19-March 20

A brilliant move on your part might inflate your self-esteem, encouraging you to take on more than you can handle. Thankfully, the demonstrative Leo Moon trines inventive Uranus, enabling you to rush to the rescue at the very last moment with unconventional solutions. Fortunately, an emotionally constructive Moon-Saturn trine provides additional strength as long as you maintain integrity in all that you do. Do what is right and not what is easy.

The Candlelight Advent Walk ushers in the Christmas season Wednesday evening, November 30th from 6:30 p.m. to 7:30 p.m. Worshipers will hear the message of Advent in beautifully decorated churches while proceeding by family friendly candlelight

through the historic downtown area.

“This is a very unique way to usher in the Advent Season,” said First United Methodist Church Minister, Dr. Rob Martin, who chairs the 2016 Advent Walk Committee. “It’s a great op-

portunity to worship with other churches, enjoy their meaningful decorations of the season and stroll through our charming Victorian town square while visiting with our friends and neighbors.”

Participat- ing downtown

churches and the Downtown Paris Association sponsor the annual event. According to the DPA Executive Director, Kathy Ray, "This year we are focusing on Preparing for Advent with Three Simple Rules." Each of the stations will speak about one of the Simple Rules. With three stops during the walk, the Advent Walk program will conclude by 7:30 p.m.

The service begins at the Main Entrance of the Henry County Courthouse on Washington Street with fam-

ily friendly candles provided by the Downtown Paris Association. Worshipers will hear Dr. Rob Martin discuss the meaning of Advent. Dr. John Dandridge will speak about Simple Rule Number One, "Do Good." We will walk south on Market Street to the First Presbyterian Church to hear Rev. Cory Glover speak about Simple Rule Number Two, "Avoid Evil." We will then proceed to the final destination of the First United Methodist (East Blythe Street) and hear Dr. Trent Bullock talk about Sim-

ple Rule Number Three, "Stay in love with God". For more information on Christmas events downtown, log on www.VisitDowntownParis.com

Auction items range from baked goods to gift baskets, home décor to gift certificates, jewelry to clothing. Make a bid and see what you can take home! and features live animals, trackless train rides, crafts, stories and tasty treats, as well as a visit from the jolly old elf.

"I'll roll in with Mrs. Claus, my elves, and Rudolph," said Santa. "While they're visiting with me, the youngsters can have their photos made by my Band Booster Elves, but that's just the beginning of the fun,"

he said.

"Stores will be open for shopping while my pals from R.E.A.L. Hope have games for children, Youth Villages will have a Christmas golf game, Paris! Magazine will help them make Christmas ornaments and bookmarks and my 4 H Friends will make a unique hand print Santa, as well as icicle, angel, and star

Christmas ornaments, explained Claus. Leslie Sensing's "reindeer goats" also will be on hand around Santa's house to visit with the children."

There will be a trackless train ride as well as face painting. For those who

need a break from the chilly weather, one of Santa's favorite fellows, Monroe Robbins, will be reading Christmas stories inside Jack's Java and free hot chocolate from 3 to 4 will be available for children at Jack's Java.

Other tasty

treats around the square that evening include s'mores courtesy of the Paris Fire Department according to Kathy Ray, Executive Director of the Downtown Paris Association, and sponsor of the holiday event. The Festival will be followed by the Holly Jolly

Electric Christmas Parade at 5:00 p.m.
