DUN-FOUND-IT GAME FOR NOVEMBER 3, 2016

Miss Pearl's Country Cookin'

Venezuelan Swirled Ham Bread

original recipe makes 10 servings

1/4 pound bacon
1/2 cup raisins
1/2 cup sliced stuffed olives
1/4 pound ham, diced
1/4 teaspoon ground cloves
1 (11 oz) package refrigerated crusty French loaf dough
1/2 cup apricot preserves

Place bacon in a large skillet and cook over medium-high heat, turning occasionally, until evenly browned, about 10 minutes. Drain the bacon slices on paper towels until cooled. Cut bacon into small pieces. Preheat oven to 350 degrees F. Grease a baking sheet. Combine bacon pieces, raisins, olives, ham, and cloves in a bowl. Roll dough onto a work surface and spread bacon mixture evenly over the top. Roll dough around the bacon filling, ensuring the edges match up to form a loaf-shape again. Place dough, seam-side down, onto the prepared baking sheet. Bake in the preheated oven until lightly browned, about 30 minutes. Cool bread for 10 minutes; slice into 1/2-inch pieces. Place apricot preserves in a microwave-safe bowl; heat in microwave, stirring at 30 second intervals, until melted and smooth, about 1 minute. Serve preserves on the side or drizzle over bread.

Lemon Rice with Peas

Original recipe makes 6 servings

1 1/2 cups uncooked long grain rice
1/4 teaspoon dried thyme
2 tablespoons margarine
1 (14.5 oz) can chicken broth
1 1/4 cups water
1/4 cup lemon juice from concentrate
1/4 teaspoon pepper
3/4 cup frozen peas
2 tablespoons sliced almonds, toasted

Cook and stir rice and thyme in hot margarine in medium-sized saucepan 5 minutes or until rice is lightly golden. Carefully stir in both, water, and pepper. Bring to a boil. Reduce heat; cover and simmer 15 to 18 minutes or until rice is tender and liquid is absorbed. Remove from heat. Stir in peas. Cover and let stand 5 minutes. Sprinkle with almonds. Optional: Top with garnish for added color.

Chicken Enchilada Pasta

original recipe makes 8 servings

1 (16 oz) package penne pasta
2 tablespoons olive oil
1 onion, diced
1 red bell pepper, diced
2 cloves garlic, minced
2 cooked chicken breasts, shredded
2 (10 oz) cans green enchilada sauce
2/3 cup red enchilada sauce
1 (4 oz) can diced green chiles
2 teaspoons chili powder
1 teaspoon ground cumin
1/2 teaspoon salt
2 cups shredded Colby-Monterey Jack cheese
1 cup sour cream

Bring a large pot of lightly salted water to a boil; add penne and cook, stirring occasionally, until tender yet firm to the bite, about 11 minutes. Drain and return pasta to the pot. Heat oil in a large, deep skillet over medium-high heat. Sauté onion in hot oil until slightly softened, 3 to 5 minutes. Stir red bell pepper and garlic into onion; sauté until fragrant and softened, another 3 to 5 minutes. Stir chicken, green enchilada sauce, red enchilada sauce, diced green chiles, chili powder, cumin, and salt into onion mixture; bring to a simmer, reduce heat to low, and simmer until flavors blend, 8 to 10 minutes. Add Colby-Jack cheese and stir until melted and heated through, 1 to 3 minutes. Reduce heat to low and stir sour cream into enchilada mixture; cook and stir until heated through. Pour enchilada mixture over penne pasta and toss to coat completely.

Mango Cake

original recipe makes 1 fluted tube pan Cake:

1 ripe mango
1 (18.25 oz) box yellow cake mix
3 eggs
1/2 cup water
1/4 cup vegetable oil
2 tablespoons lime zest

Glaze:

1 tablespoon butter, melted
1/2 lime, juiced
1 tablespoon golden rum (optional)
2 cups confectioners' sugar

Preheat oven to 350 degrees F. Grease a fluted tube pan (such as Bundt®). Peel mango with a vegetable peeler or paring knife. Cut flesh into small pieces and squeeze pit for juice. Collect all juice from chopping and squeezing pit and reserve for glaze. Smash mango in a bowl using a potato masher or fork. Measure 1 cup smashed mango, reserving the rest for the glaze. Beat 1 cup smashed mango, cake mix, eggs, water, vegetable oil, and lime zest together in a bowl using an electric mixer for 2 minutes; pour into the prepared pan. Bake in the preheated oven until a toothpick inserted in the center comes out clean, 40 to 50 minutes. Cool cake in pan for 5 minutes. Invert cake onto a wire rack to cool completely. Combine butter, lime juice, about 1 tablespoon reserved juice from mango, and rum together in a bowl. Stir confectioners' sugar into butter mixture until desired consistency is reached; fold smashed mango into glaze. Spoon glaze over cooled cake.

Your Weekly Love Horoscope

Aries
March 21-April 19

Although the central plot of your story may be unfolding as expected, you still need to take the time to reassess your plans for the next few months. You can no longer avoid an inconvenient truth that keeps you from moving forward. There's a point at which whatever you were trying to escape finds you anyhow. Stop running and see what you can discover once the noise settles down. Too much looking often blinds the eye that seeks yet never finds.

Taurus
April 20-May 20

You might think you can cleverly skip over the most intense parts of a conversation with your close friend or lover. However, reality has other plans for you today. The cosmos requires you to attend to the deeper issues that are simmering close to the surface before pursuing more pleasurable experiences. Eventually, you will realize that there's a lesson for you to learn, but you still need to dig for the truth now; it won't come to you on its own. Taking personal responsibility is the most reliable path to success.

Gemini
May 21-June 20

It's no fun when someone you respect fails to support your actions. You might misread the signals and believe that he or she is on your side only to uncover a significant source of negativity. Although you may think that the best way to overcome this resistance is to dance around it, it's better to confront the problem directly. But rather than wasting energy defending yourself today, just reevaluate your plans, make the necessary corrections and try again. You can improve your game now if you listen to the valuable feedback you receive and act on it decisively.

Cancer
June 21-July 22

Maintaining your daily rhythm is more critical now if something isn't going just right. It's not the time to experiment with alternative methods or turn your world upside with a radical solution to a lingering problem. Fall back on your regular routine whether you are chasing wild geese, running into obstacles or just feeling a bit under the weather. Not only will you gain comfort from familiar patterns, you'll emerge stronger and more determined to reach your goals.

Leo
July 23-August 22

You have an important message to deliver today and won't let anyone stand in your way. Your creativity may seem stifled as the reflective Moon conjuncts austere Saturn in your 5th House of Self-Expression. You might be short on presentation magic, but your performance can still be awesome if your information is in order. Don't let the lack of fiery energy derail your success now. Set your intentions by establishing specific milestones and concentrating on manifesting your destiny.

Virgo
August 23-September 22

You might hold your feelings a little closer to your chest today. Your insecurities are peaking at a critical point; your anxiety can actually prevent you from being as effective as you imagine. But self-restraint also works in your favor because emotional expression pulls you away from your regular duties. As long as you're busy defending your passions, you're not working productively on the job. Proactively putting your softer side on display empowers you to take responsibility for your feelings. Vulnerability is the gateway to intimacy.

Vulnerability is the gateway to intimacy.

Scorpio
October 23-November 21

You can be your own harshest critic, especially if you fall short of your plans to finish a specific project this morning. You may have too many things you want to accomplish, only to see the list grow longer rather than shorter throughout the day. In either case, you're not happy with your own performance today. But your self-criticism reaches a point where it's not helpful. You can decide to cut yourself some slack for your human failings or continue to beat yourself up. Nevertheless, it is said that out of suffering comes the strongest souls.

Sagittarius
November 22-December 21

Your current moodiness gets on everyone's nerves today as you swing from hot to cold and right to left. But you actually believe that nothing is different and others are making a big deal out of a minor issue. Sooner or later you realize it's in your best interest to change some variables on your trajectory. Revealing your vulnerability can help, but it also could backfire if you say too much now. Share your fears with an appropriate audience, but stop before you take it to the point of no return.

Capricorn

Aquarius
January 20-February 18

You may think that your friends aren't living up to their end of the deal now while they might believe everything is copacetic. Unfortunately, interrogating others won't help you learn anything useful; it's probably better to just back away from social interactions until tomorrow if you're not feeling welcome today. Most of the time, an honest discussion bridges an emotional gulf, but now it's better to announce a temporary retreat. Start fresh again after you're feeling on top of your game.

Pisces
February 19-March 20

Showing your enthusiasm at work isn't easy if you're not feeling aligned with your daily grind. You've been ruminating on the purpose of life lately, and may be concerned that your current job isn't supporting your overall life goals. But don't make any changes impulsively. It's wiser to stick it out for now while you continue to consider all your options. The results won't be favorable if you initiate action too soon. Make sure you have your plan locked in place before turning your life into a chaotic mess. Timing is everything.
