your severe weather plan at home, school, and work. It’s a chance to ensure you can receive critical severe weather information in time to take action to protect yourself.

NOAA Weather Radio is one of the best ways to receive watch and warning information. NOAA Weather Radio is a 24-hour continuous broadcast of weather information directly from NWS offices. Weather radio receivers have alarms that activate when a watch or warning is issued for your county. Weather radios may be purchased at some department and home improvement stores, and on-line. Make sure that your weather radio has a battery backup, and the SAME (county-specific) capability.

NWS Offices are now posting weather information on Twitter and Facebook. Facebook is used mainly for outlooks, summaries, and general weather information. Twitter is used mainly for fast-breaking information such as warnings and storm updates.

The addresses are:  
facebook.com/NWSMemphis , and  
twitter.com/NWSMemphis , and the  
Twitter handle is @NWSMemphis .

All of our watch and warning information is posted on the website, weather.gov/memphis . The website also features radar and satellite images, climate data, safety and preparedness information.

## Miss Pearl's Country Cookin'

### Apple Ladybug Treats

*original recipe makes 4 servings*

- 2 red apples
- 1/4 cup raisins
- 1 tablespoon peanut butter
- 8 thin pretzel sticks

Slice apples in half from top to bottom and scoop out the cores using a knife or melon baller. If you have an apple corer, core them first, then slice. Place each apple half flat side down on a small plate. Dab peanut butter on to the back of the 'lady bug' then stick raisins onto the dabs for spots. Use this method to make eyes too. Stick one end of each pretzel stick into a raisin, then press the other end into the apples to make antennae.

### Macaroni Salad

*original recipe makes 10 servings*

- 2 cups macaroni
- 2 (6 oz) cans tuna, drained
- 1 onion, chopped
- 1 green bell pepper, chopped
- 2 stalks celery, chopped
- 2 tablespoons garlic powder
- 1 1/2 cups mayonnaise
- 2 tablespoons prepared mustard
- salt to taste
- ground black pepper to taste

Rinse under cold water, and drain. Mix tuna, onion, bell pepper, celery, garlic powder, mayonnaise, salt and pepper, and mustard together in a large bowl. Add pasta, and mix well. Cook noodles in a large pot of boiling water until al dente.

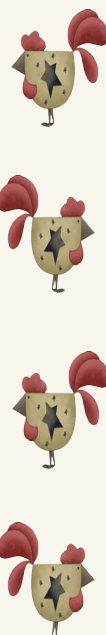

### Pineapple Chicken Tenders

*Original recipe makes 10 servings*

- 1 cup pineapple juice
- 1/2 cup packed brown sugar
- 1/3 cup light soy sauce
- 2 lbs chicken breast tenderloins or strips

In a small saucepan over medium heat, mix pineapple juice, brown sugar, and soy sauce. Remove from heat just before the mixture comes to a boil. Place chicken tenders in a medium bowl. Cover with the pineapple marinade, and refrigerate for at least 30 minutes. Preheat grill for medium heat. Thread chicken lengthwise onto wooden skewers. Lightly oil the grill grate. Grill chicken tenders 5 minutes per side, or until juices run clear. They cook quickly, so watch them closely.

### Toffee Brickle Cookies

*original recipe makes 42 cookies*

- 2 large eggs
- 1/2 cup margarine, softened
- 1 (15.25 oz) package yellow cake mix
- 1 (6 oz) package toffee baking bits
- 1/2 cup chopped pecans
- 1 tablespoon water

Preheat oven to 350 degrees F. Beat eggs and margarine together in a bowl until smooth. Add cake mix, toffee bits, pecans, and water; stir until batter is blended. Drop tablespoonfuls of batter onto a large baking sheet. Bake in the preheated oven until golden brown, 15 to 17 minutes. Allow cookies to cool for 5 minutes before removing from baking sheet.

## Your Weekly Love Horoscope

**Aries**  
**March 21-April 19**

You're excited about putting in a day of hard work today, but attending to all the details may require too much time for your liking. If you become bogged down by a minor matter, consider that this isn't where your attention is most needed. Take a long hard look before pouring your heart into a situation of questionable importance. Observe the signs around you; when your energy flows without resistance, you know you're doing the right thing at the right time.

**Taurus**  
**April 20-May 20**

Although others might seem uptight or nervous today, you feel confident and cool as a cucumber. Your optimistic attitude and polished appearance make a great impression on your peers. You have a relaxed competence that puts people at ease, so take advantage of this creative phase by discussing your ideas with those whose approval you seek. There's no need to hold back now so let your natural talents sparkle and shine.

**Gemini**  
**May 21-June 20**

You may feel exceptionally clever today, and are up for the challenge of getting your life back in order. But a problem may start close to home with something relatively unimportant. Unfortunately, the tiniest loose thread can unravel the largest piece of fabric. Handling nearly any situation successfully requires you to find the right balance between concern and detachment. Show how much you care without trying to control the outcome or expecting anything in return.

**Cancer**  
**June 21-July 22**

Using your heightened perceptions as a weapon today is less honorable than just telling the truth. Be careful not to settle into a defensive posture if it feels like someone is attacking you. Emotions lurking just beneath the surface might be the result of deeper issues that aren't being discussed openly. Rely on your analytical powers to discern whether anyone is trying to manipulate you, and then react accordingly. Taking the high road is almost always the best route to maintaining your integrity.

**Leo**  
**July 23-August 22**

You can accomplish so much more than you expect today if you simply focus on just one thing at a time. Unfortunately, it's all-too-easy to be pleasantly lured off track when pets or children are in the picture. You have a wide range of talents and interests, but cashing in requires you to concentrate on what you value most. Mastering a single skill means that you really don't have time to waste. Remember, precision counts more now than anything else.

**Virgo**  
**August 23-September 22**

You prefer it when everything fits neatly into place but you might end up with a few round pegs and square holes today. Don't expend precious energy being self-critical about how you might have contributed to the mess because getting the job done now is more important than anything else. Take a chance and dive into the challenges; put all your intensity into solving each problem. Even if you must leave a few loose ends untied at the end of the day, you'll be able to walk away knowing you gave it everything you could. Success is the sum of each small effort over time.

**Libra**  
**September 23-October 22**

Creating balance is what you Libras do best since you prefer remaining rational and reasonable under all circumstances. However, if someone gets under your skin and agitates your nerves today, you might not keep your gut reaction to yourself. Pay attention to your feelings and notice where they take you. You have an excellent chance to work through whatever comes up now as long as you don't get stuck in one spot. Exploring uncharted emotional territory expands your heart, allowing more love to flow in and out.

**Scorpio**  
**October 23-November 21**

People may attempt to convince you to do something that just doesn't sound like the smartest move now. It's very important that you trust your instincts over someone else's judgment today, even if you have to stand up for your beliefs. Nevertheless, be careful not to create more conflict than necessary, for others might be quick to take your disagreement as a direct challenge. Negotiation is certainly better than confrontation if you want to keep the peace.

**Sagittarius**  
**November 22-December 21**

A laissez-faire approach might land you into a big pile of trouble at work today, especially if you try to avoid the most logical solution. The smartest strategies now are the simplest ones, so don't turn molehills into mountains or you'll eventually have to climb them. Listen to the cool voice of reason, especially if it comes from your boss or another authority figure. Practicing self-discipline in the first place is the most successful proactive move you can make.

**Capricorn**  
**December 22-January 19**

Thankfully, nearly everything in your life feels a bit calmer today while the Moon is moving through earthy Virgo. Try to make choices that stabilize a current situation while simultaneously planning for your future. Unfortunately, it may be tricky to balance your immediate needs with your long-term goals. Don't let your unfettered ambitions dictate your decisions or you'll end up wasting time and energy. Step back, ground yourself, and operate from a practical perspective.

**Aquarius**  
**January 20-February 18**

Slowing down enough to give your feelings time to express can be an uphill battle today. You may be uncomfortable when you are feeling vulnerable, yet emotional intimacy is key to your personal growth. Don't try to intellectualize everything you experience now. Instead, resolve to push through your awkwardness by freely opening your mind and heart to the world around you. Start slowly by sharing one of your deepest fears with someone you trust; you might be pleasantly surprised with where the conversation leads.

**Pisces**  
**February 19-March 20**

You might try to do your best to avoid tackling a difficult family issue today, but it's likely better for everyone if you face an existing conflict head on. Instead of following your intuition, let the facts be your guide for a change. Analyze the situation from multiple points of view and then make an objective decision that benefits all involved. No one can find fault in your actions if you stick with clear logic in your pursuit of doing what's right.

Recently I've noticed that people are buying used boats, motors and trailers and are not having them checked out by a professional or

closely inspecting the items themselves. This can result in costing a person a whole lot of money. You should do this just like you do when

you purchase a car. You could save yourself a lot of time, effort and dollars by taking the boat, motor and trailer to a shop in your neighborhood and have it checked out.

A few things that a person can do on his own is to check out the trailer by just jacking up the wheels and

spinning the tires. Listen for noisy bearings in the wheels. Also, make sure the wench works properly. Have them hook up the lights to make sure they work and make note of any visible signs of rust.

When checking out the boat, take a piece of hard plastic or a small

hammer and tap on the transom. If it has a hollow sound to it that means the transom is bad and that is a very expensive repair. A good transom has a solid sound when tapped on. Check the floor for soft spots. A soft spot means the floor is worn out and that, also, can be a costly repair.

As far as the motor is concerned, unless you are a professional, it really should be taken to a reputable shop in your neighborhood. A pro will know that the compression and the cylinders need to be double checked. If the compression is uneven or you have a bad cylinder your are talking about a motor that needs to be rebuilt. That can cost you major

Any boat that you purchase should be taken to the lake and test run to make sure everything is shifting and running properly. Make sure all components like gauges, pumps and the electrical system are functioning as they should. Too many people run the motor on a hose thinking that shows that everything is OK. Dinner is served starting on Wednesday night! The Fish Tent opens at 5pm with a few remarks from this year's General Manager, Loria Plunk, the introduction of the Jaycees President and the tossing of the first hushpuppy by the Hostess Princess. Just to clear up any confu-

sion, the “fish tent” is the traditional name of where the fish is served, a throw back to the early Fish Fry days. The fish is actually served in the new, clean and air conditioned commercial building at the Henry County Fairgrounds. Adults pay \$12, and children, ages 6 to 12, pay \$8 for all-you-can-eat catfish, french fries, white beans, cole slaw, hush-puppies and soft drinks! Fish tent hours are Wednesday and Thursday, 5pm to 9pm; and Friday and Saturday, 11am to 9pm. This year's Fish Tent is sponsored by Holley Credit Union. There is also a Christian Concert on Wednesday night. Enjoy the music and testimony of Daniel Doss at the

Henry County Fairgrounds. Admission for everyone is \$5.

All of Henry County's young Anglers head to Williams Lake in Paris to participate in the Jr. Fishing Rodeo. This is open to children up to age 12 and free to the public. Prizes are awarded in many fun categories and age groups. The Jr. Fishing Rodeo gets started at 11am, Saturday, April 30th.

# Win Big Money at the Paris-Henry County Chamber of Commerce's Water Fun Run

by John Wambles

What do you get when you add Kentucky Lake with your favorite watercraft and a good hand of Poker? You get the Paris - Henry County Chamber of Commerce's Annual Water Fun Run, of course! Go ahead and mark your calendar now for Saturday, July 16th - you will be spending that day on the lake with your family and friends. And... if you're lucky, bringing home some cold hard cash!

The Chamber's Water Fun Run is

played like a Poker Run but with a few twists. It's easy to get started. The chamber will start selling Registration Packets in June for \$20. You will want to pick these up as soon as possible, Registration on the day of the Water Fun Run is \$25. Inside of that packet will be everything you need to participate.

Like any Poker Run you will have destinations to visit. In the Chamber's Water Fun Run, it is the beautiful resorts located around the majestic Kentucky Lake.

But here's the first twist - you won't get a card when you stop. Instead, you will have a sheet in your registration packet that you will use to collect stamps or stickers. The more destinations you visit, the more stamps or stickers you get. Now, here is the next twist, when you check in at the final destination the "professional" poker dealers will shuffle their deck of cards with precision and deal you the number of cards that match the number of resorts you visited. You can draw

up to 10 cards, if you visit all of the stops, find the "party boat," and buy an extra card, that is available at the final checkin. From those 10 cards will you will pick five to create your best hand.

Sounds easy right? You just have a 649,739:1 odds of drawing a Royal Flush, the best poker hand possible! But, the pay day is awesome, the top prize for the best poker hand of the day is \$1,000. You don't have to know what a Royal Flush, or any hand in poker, is to

play - the Chamber provides local "experts" to help you determine your best hand from the cards you are dealt. The Water Fun Run begins at 9am and has a firm deadline at 4pm for check-in. You do not want to be late and miss your chance at winning \$1,000.

Win or lose, the Water Fun Run is an experience not to be missed. There is always a fun theme every year. The theme makes for some interesting tee shirts, too! Because they have become like a badge of

honor for past Fun Runners they sell out fairly quickly. Goody Bags are always a big hit at the Fun Run, too. You never know what surprise you may find inside of them! Sunscreen, sunglasses, blow-up beach balls, leis, water guns and snacks are just a few of the things that have been discovered inside of them in years before! Past popular themes have included That's the Way I Lake It - a disco theme, Gilligan's Island - after the popular TV series, and Luau on the Lake - where

everyone received a lei!

Start tuning up your jet ski, and go on your own, or get the pontoon boat ready and take a crowd - either way you don't want to miss the Paris - Henry County Chamber of Commerce's Water Fun Run. More information about the Fun Run, or any of the other Chamber events, may be obtained by contacting Jennifer or Monica at (731) 642-3431. Or visit their website at [www.paristnchamber.com](http://www.paristnchamber.com).

### ANNUAL EVENTS:

Freedom Fest, an Independence Day celebration, is Murray's oldest and most popular festival. Taking place on July 4, the event includes a parade, fireworks, free concerts, kid's activities, the Veteran's Remembrance Ceremony and more.

As the summer weather begins to cool, locals look forward to one of their favorite events: the Ice

Cream Festival. What could be better than free ice cream? Four different coolers on the court square serve dozens of different unique flavors of ice cream. The event has plenty for the kids to do, with inflatables, a karaoke contest, a car show and other fun activities.

Every Saturday in May through October, Murray's court square is filled with local farmers and vendors for the Downtown Farmers Market. Warm summer mornings are the perfect time to browse the square, catch up with friends and neighbors, and buy produce for the

week. The market also offers items like fresh breads, pies, meat, flowers and handcrafted items.

### KENTUCKY LAKE:

Murray is only a short drive from Kentucky Lake and Land Between the Lakes, one of Kentucky's top tourist destinations. Kentucky Lake is perfect for an outdoor adventure such as boating, kayaking,

canoeing, fishing or paddle boarding. LBL is home to attractions like the Elk and Bison Prairie, Golden Pond Planetarium, Nature Station and The Homeplace, a 1850s working farm.

The beautiful 841 acre **Paris Landing State Park**, founded in 1945 is located about 15 miles from Paris on Kentucky Lake's western shore. It's name was taken from the 1880's steamboat and freight landing that once served as a shipping point for the region. The park features pavilions, cabins, swimming pool, playgrounds, tennis courts, campgrounds, golf course, marina and access to numerous boating, fishing and water activities.

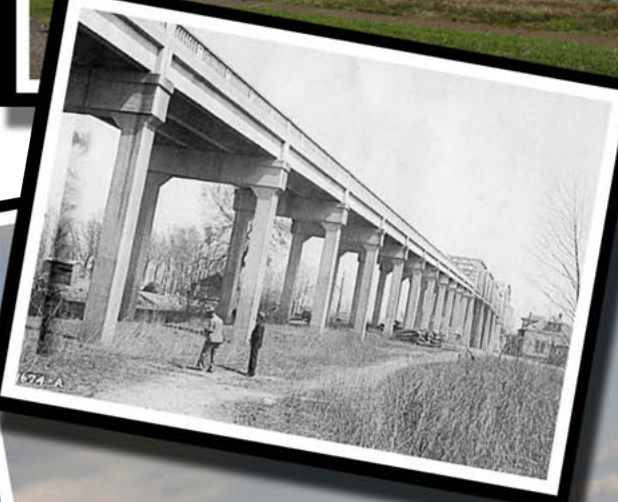

The **Paris Landing Inn**, features 100 rooms with balconies overlooking Kentucky Lake, gift shops and the Riverboat Restaurant which is noted for its excellent buffet of delicious catfish and other southern cuisine. The restaurant serves people and has massive views of the lake. Information can be obtained by phone 731-641-4465 or [tnstateparks.com/paris-landing](http://tnstateparks.com/paris-landing).

**Fort Donalson** is a MUST SEE! General Ulysses S. Grant, upon the surrender of Confederate Fort Donalson wrote; "Fort Donalson will hereafter be marked in Capitals on the map of our United Country...". The Union victory at Fort Donalson changed the course of the Civil War. Visitors to the Fort will be amazed at the history contained within the 6-mile self guided tour of the Battlefield and visitor center. The handicap accessible and child friendly Visitor Center is open 8 am to 4:30 pm daily and contains a bookstore, museum, Civil War artifacts and various exhibits exploring the Civil War. Located 120 Fort Donalson Shores Road, Dover, TN phone: 931-232-5706. A schedule of events may be found at [www.nps.gov/fodo/planyourvisit/events.html](http://www.nps.gov/fodo/planyourvisit/events.html).

The first bridge across the Tennessee River at Paris Landing was constructed between 1927 and 1929. The state authorized \$1,029,390.66 to build a bridge north of the Sandy River near Fort Henry. Originally built as a toll bridge connecting Henry County to Stewart County, state employees lived in a toll house near the bridge to collect the fares. Since the tolls did not generate enough revenue to offset the costs of the toll employee and pay the anticipated 2% cost of the bridge, tolls were removed in 1947. Around 1948 when Kentucky Dam caused water levels to rise, the Paris Landing Bridge was vertically extended to increase its height. It was then named The Scott Fitzhugh Bridge in honor of a former Speaker of the House from Paris. The bridge was considered unusually large in scale and contained more truss spans than any bridge in Tennessee. This bridge was demolished in 1989 and the new 4,734 foot long, 20 feet wide roadway was opened in 1992. At this time the bridge was re-named **The Ned Ray McWherter Bridge** in honor of the governor who served Tennessee from 1987 to 1985 and was a resident of Henry County. A section of the original bridge now serves as a memorial display at the Paris Landing State Park's Marina.

# Have a grand 'ole time at Murray's Freedom Fest 2016

by John Wambles

It may be too early to think about what you are going to do on the Fourth Of July. The folks in Murray, Kentucky, think about that big day all year long. Independence Day is on a Monday this year so cap off a nice long weekend spending the day at Murray's Freedom Fest 2016.

Freedom Fest has a full day of activities planned. Beginning at 7am, the Primary Care 5K Run will kick off the day with a fun Run/Walk at the Primary Care Medical Center in Murray. Register early so you can wear your tee shirt for the run and be ready to go when

the race begins.

Freedom Fest is all about celebrating the independence and freedom of America. That would not have happened without the sacrifice of our men and women in the military. There will be a Veteran's Remembrance Ceremony at 7:30am,

in Chestnut Park. Music and testimonies will mark this special occasion as one to never forget. Honor the work of our service men and women and remember those that have made the ultimate sacrifice at the Veteran's Remembrance Ceremony.

Briggs and Stratton will again partner with the Murray Tourism Commission and Freedom Fest to host the Main Street Mile run. The Main Street Mile will begin at 8:45 am and line up at Sparks Hall on the campus of Murray State

University. There will be awards given in many different age categories for the best timed runs. Put on your running shoes and see how you stack up against others in your age category or come out and cheer on your favorite sprinter! The Briggs and Stratton Main Street Mile is sure to get your adrenaline flowing!

You just can't celebrate Independence Day without having a Grand Parade! Murray's Freedom Fest has one of the grandest parades you will find in any community in north-

west Tennessee or southwest Kentucky. The FNB Bank Freedom Fest Parade makes its way down Main Street in Murray starting at 9:30am. The parade always features a patriotic theme and is chock full of floats, decorated cars, marching units, beauty queens and local dignitaries. If you're not in the parade you will definitely want to attend. Come early and bring a lawn chair to secure a good spot and settle in for viewing the big event. They close the streets early so keep that in mind when trav-

eling to the parade. The young and the young at heart all enjoy a festive parade and the FNB Bank Freedom Fest Parade will never disappoint!

Stewart Stadium, on the MSU campus, is the home of the Top Gun Cruise-In Car Show. This is an excellent opportunity to see the classic cars and trucks along with the new detailing features of modern vehicles. Check out the restoration projects that take years and the new paint, rims and wheels of the newer models. Big sound systems are always a hit and new car accessories are always popular, too. The Top Gun Cruise-In Car Show is from 4pm to 9pm on Monday, July 4th, at Stewart Stadium in Murray.

The Murray Bank Family Night is a highlight of Freedom Fest. This year will be no exception. Central Park will be filled with all kinds of fun for everyone in the family. You will find a petting zoo with animals, big and small, for the little ones to visit. There will be games all over the park for kids

of every age with prizes just waiting to be taken home. The big fun comes with the inflatable playground. The kids love the big slides, obstacle courses and jumping houses. Local "artists" will be on hand doing their best works on the canvas of cheeks with their face painting. Every where you turn will be the yummiest food and cold drinks. You can always find music at the outdoor amphitheater, too. The Murray Bank Family Night in the Park is from 6pm to 10pm.

The Town and Gown Community

Band performance will begin at 8pm at Lovett Auditorium at Murray State University. The Community Band is made up of more than 100 musicians and vocalists from Murray and the surrounding area, and the ages range from school age to retirees. The concert is free and features a variety of patriotic tunes that are sure to inspire your inner American Spirit! The Community Band works months on their performance. When you see the show you will know that the time put in was well worth it.

The perfect Fourth of July always ends

with a spectacular fireworks show. Freedom Fest and Briggs and Stratton provide a Fireworks Extravaganza! The skies over Murray literally light up like it's day time when the fireworks start going off. Red, white and blue can be seen for miles. The Briggs and Stratton Fireworks Extravaganza doesn't start until 9:30pm so you don't have to miss any of the other activities or concerts to see the show. Murray has thought of everything so you will have a perfect Independence Day experience.

## Bodies Revealed Traveling Exhibition at Discovery Park of America

Premier Exhibitions, Inc. has announced that Bodies Revealed will be on display at Discovery Park of America in Union City, TN, through May 1, 2016.

Discovery Park of America is one of this nation's newest attractions, opening on November 1st, 2013 in this rural Northwest Tennessee town. The park recently celebrated its 570,000th visitor in just over two years. CEO Jim Rippy said that

founder Robert Kirkland would be thrilled with Bodies Revealed being on display at Discovery Park. "Our mission is education, and this is one of the most fascinating exhibits I have ever seen," Rippy said.

Bodies Revealed will provide the public with an opportunity to see inside carefully preserved real anatomical specimens and learn the detailed structure and function of the

human body. The Exhibition takes visitors through galleries providing an up-close look inside the skeletal, muscular, reproductive, respiratory, circulatory and other systems of the human body. Many of the whole body specimens are dissected in vivid athletic

poses, allowing the visitor to relate to everyday activities. In addition, authentic human specimens illustrate the damage caused to organs by overeating and lack of exercise. A healthy lung is featured next to a black lung ravaged by smoking in a vivid comparison more

powerful than any textbook image.

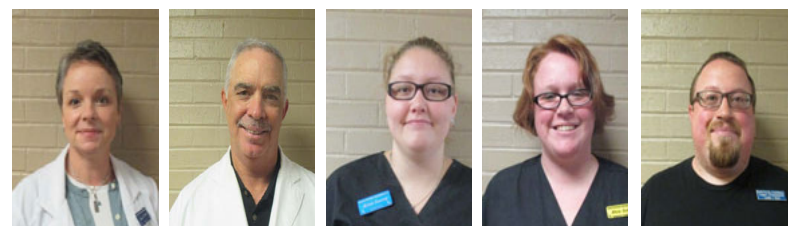

The human body specimens in the exhibition are preserved through a revolutionary technique called polymer preservation. In this process, human tissue is permanently preserved using liquid

# Garland's Eagles Nest Campground: Live the good life at our private campground getaway!

A peaceful RV campground awaits you and your loved ones just outside Buchanan, TN, near Paris Landing. You can stroll to Kentucky Lake - just grab your rod and reel for an afternoon of fishing. Enjoy the abundance of nature in the nearby Paris Landing State Park. At night your RV

door will reconnect you with family and friends, and you can take life at a slower pace.

The number of people living full or part-time in campgrounds is growing by leaps and bounds every year. Many are retired or about to retire. Others are part of the expanding group of working age folks who are embracing a location independent lifestyle.

Are you considering taking the leap from a traditional home to living in a

campground? Do you dream of life on the open road, but are not quite sure if you're ready to make the commitment? If so, an RV, camper or travel trailer may be your ticket!

- Spend more time with nature.
- Less Chores, No Yardwork.
- Visit the beach or the mountains.
- Clean a lot less.
- Million Dollar Views for less than \$20 per night.
- Make new friends.
- Visit your relatives often.

Once you live in a campground (and have sold your home), you will no longer be listed on a property tax web site, for all junk mailers to see and to come after you! Further, you will no longer need accounts with utility companies, as RV parks provide the utilities. And, even better, since the RV is your primary residence, the interest is currently deductible as mortgage interest on a primary home!

Get your RV, camper, travel trailer or toyhauler serviced

at Garland's RV Mega Center. We service all makes and models. Come see us for all your RV and Camper servicing needs. Need to winterize? We can do it! Need to summerize? No problem.

So, with all these pros, and hardly any cons if you're in the market for a new RV, fifth wheel, travel trailer, camper or toyhauler, come see us today at Garland's RV Mega Center 5400 Fort Blvd., Hopkinsville, Kentucky or call 270-886-9362.
