Miss Pearl's Country Cookin'

Mexican Rice

original recipe makes 4 servings

- 3 tablespoons vegetable oil
- 1 cup uncooked long-grain rice
- 1 teaspoon garlic salt
- 1/2 teaspoon ground cumin
- 1/4 cup chopped onion
- 1/2 cup tomato sauce
- 2 cups chicken broth

Heat oil in a large saucepan over medium heat and add rice. Cook, stirring constantly, until puffed and golden. While rice is cooking, sprinkle with salt and cumin. Stir in onions and cook until tender. Stir in tomato sauce and chicken broth; bring to a boil. Reduce heat to low, cover and simmer for 20 to 25 minutes. Fluff with a fork.

Chicken & Bacon Shish Kabobs

original recipe makes 6 servings

- 1/4 cup soy sauce
- 1/4 cup cider vinegar
- 2 tablespoons honey
- 2 tablespoons canola oil
- 10 large mushrooms, cut in half
- 2 green onions, minced
- 3 skinless, boneless chicken breast halves cut into chunks
- 1/2 lb. sliced thick cut bacon, cut in half
- 1 (8 oz.) can pineapple chunks, drained

In a large bowl, mix the soy sauce, cider vinegar, honey, canola oil, and green onions. Place the mushrooms and chicken into the mixture, and stir to coat. Cover, and marinate in the refrigerator at least 1 hour. Preheat grill for high heat. Remove the mushrooms and chicken from the marinade and shake off excess. Pour the marinade into a small saucepan and bring to a boil over high heat. Reduce heat to medium-low and simmer for 10 minutes; set aside. Wrap the chicken chunks with bacon, and thread onto skewers so that the bacon is secured. Alternate with mushroom halves and pineapple chunks. Lightly oil the grill grate. Arrange skewers on the prepared grill. Cook 15 to 20 minutes, brushing occasionally with remaining soy sauce mixture, until bacon is crisp and chicken juices run clear.

Peaches & Cream Pie

Original recipe makes 1 - 10 inch pie

- 3/4 cup all-purpose flour
- 1/2 teaspoon salt
- 1 teaspoon baking powder
- 1 (3 oz) package non-instant vanilla pudding mix
- 3 tablespoons butter, softened
- 1 egg
- 1/2 cup milk
- 1 (29 oz) can sliced peaches, drained and syrup reserved
- 1 (8 oz) package cream cheese, softened
- 1/2 cup white sugar
- 1 tablespoon white sugar
- 1 teaspoon ground cinnamon

Preheat oven to 350 degrees F. Grease sides and bottom of a 10 inch deep-dish pie pan. In a medium mixing bowl, mix together flour, salt, baking powder and pudding mix. Mix in butter, egg and milk. Beat for 2 minutes. Pour mixture into pie pan. Arrange the peach slices on top of the pudding mixture. In a small mixing bowl, beat cream cheese until fluffy. Add 1/2 cup sugar and 3 tablespoons reserved peach syrup. Beat for 2 minutes. Spoon mixture over peaches to within 1 inch of pan edge. Mix together 1 tablespoon sugar and 1 teaspoon cinnamon, and sprinkle over top. Bake in preheated oven for 30 to 35 minutes, until golden brown. Chill before serving.

Pot Stickers

original recipe makes 15 servings

- 1/2 pound ground pork
- 1/2 medium head cabbage, finely chopped
- 1 green onion, finely chopped
- 2 slices fresh ginger root, finely chopped
- 2 water chestnuts, drained & finely chopped
- 1/2 teaspoon white sugar
- 1 teaspoon sesame oil
- 1 (14 oz) package wonton wrappers
- 5 tablespoons vegetable oil
- 3/4 cup water
- 1 tablespoon chili oil
- 1 tablespoon soy sauce
- 1 teaspoon rice vinegar

Crumble pork into a large, deep skillet. Cook over medium high heat until evenly brown. Drain and set aside. In a medium bowl, mix together the pork, cabbage, green onion, ginger, water chestnuts, salt, sugar and sesame oil. Chill in the refrigerator 6 to 8 hours, or overnight. Place a tablespoon of the pork mixture into each of the wonton wrappers. Fold the wrappers, and seal the edges with a moistened fork. In a large, deep skillet, heat 3 tablespoons vegetable oil over medium high heat. Place the pot stickers into the oil seam sides up. Heat 30 seconds to a minute. Pour water into the skillet. Gently boil 7 to 8 minutes, until oil and water begins to sizzle, then add remaining oil. When the bottoms begin to brown, remove pot stickers from heat. In a small serving bowl, mix together the chili oil, soy sauce, and vinegar, adjusting proportions to taste.

Your Weekly Love Horoscope

**Aries**
March 21-April 19
Nothing is more thrilling to you pioneering Aries than the anticipation of change. Just the thought of a new lease on life is enough to get your adrenaline flowing today. However, restlessness could turn to frustration if you feel trapped by your current circumstances. Thankfully, the Aries Sun bumps into irrepressible Uranus, sending shockwaves through those parts of your world that have grown stagnant. The currents are moving fast; push away from the safety of the shore and ride the rapids downstream. John A. Shedd wrote, "A ship in port is safe but that's not what ships are built for."

**Taurus**
April 20-May 20
A lingering feeling of dissatisfaction is driving you right to the edge today. Perhaps you've wandered from your established course and realize that something must be done to set your life back on track. The fear of coming up short has your mind racing with brilliant ideas and unconventional desires that may seem crazy. Rest assured that you don't need to have all the answers now; everything doesn't have to follow according to your plan. Instead of judging yourself against some arbitrary standard, loosen the reins of control. Toni Morrison wrote, "If you want to fly, you have to give up the things that weigh you down."

**Gemini**
May 21-June 20
Life seems to be growing more unpredictable now and you're not sure whether you like it or not. It's difficult to be productive when your coworkers are not as reliable as you expect, especially if you're counting on their support. Nevertheless, you still must deliver on your promises even if you can't rely on others. Don't get sidetracked by self-doubt and worry; simply continue on your own without expecting outside help. British novelist Margaret Drabble wrote, "When nothing is sure, everything is possible."

**Cancer**
June 21-July 22
Something is about to shift in your community or professional life. An unexpected change of position could come out of the blue, for better or for worse. A setback is the cosmos' way of showing you what needs to be improved. However, the universe can just as well acknowledge your brilliance by pushing you into a leadership role. In either case, you must let go of the status quo today. Holding onto the past is like running into the future with shackles on your legs. As Gandhi taught, "Be truthful, gentle and fearless."

**Leo**
July 23-August 22
Maintaining your efficiency is challenging today because you're caught between following your gut instincts and listening to the voice of reason. But attempts to stick to logic won't solve the problem; the more you resist the future, the quicker it will arrive. You can try to block out the noise that's coming from over the horizon, but you actually want to have all the new information at your disposal now, even if it's overwhelming. President Barack Obama said, "Fear, uncertainty and discomfort are your compasses toward growth. If you run you stand a chance of losing, but if you don't run, you've already lost."

**Virgo**
August 23-September 22
Unknowable mysteries are made known today, satisfying your current fascination with the perpetual riddles of life. Fortunately, your mind is lightning-quick to grasp a new concept. But don't make the mistake of closing down your heart as a matter of convenience while you're opening your mind. Adding your emotional perspective ensures that your current breakthrough will endure. Tony Robbins said, "For changes to be of any true value, they must be lasting and consistent."

**Libra**
September 23-October 22
Unknowable mysteries are made known today, satisfying your current fascination with the perpetual riddles of life. Fortunately, your mind is lightning-quick to grasp a new concept. But don't make the mistake of closing down your heart as a matter of convenience while you're opening your mind. Adding your emotional perspective ensures that your current breakthrough will endure. Tony Robbins said, "For changes to be of any true value, they must be lasting and consistent."

**Scorpio**
October 23-November 21
Managing extreme emotions can be really tricky for Scorpios today, especially while the wild Sun-Uranus conjunction rattles your 6th House of Trivial Matters. Everything seems to be too much or not enough, making it nearly impossible to gain a clear perspective on a situation before making a decision. Although your healthy sense of self-restraint works in your favor now, it's best to cultivate and nurture your plans before making them public. Don't rush the process. Jean-Jacques Rousseau wrote, "Patience is bitter but its fruit is sweet."

**Sagittarius**
November 22-December 21
You've lost any semblance of being practical today, especially if you're enchanted by a new social cause or a romantic attraction. Luckily, you might be able to escape your work-related responsibilities, but you could go overboard in your quest for fun. You don't need to follow every whim; you can seek alternative avenues of expression through a favorite hobby or a team sport. Nevertheless, the game of life has two participants: spectators and players. Pick one.

**Capricorn**
December 22-January 19
When life becomes too predictable, it's Uranus that arrives on the scene to disrupt an otherwise regular pattern that is keeping you in a rut. Thankfully, your home and family create an emotionally safe environment where it seems you can freely express your restlessness. Unfortunately, you might make a mess because words and actions flow quickly once the floodgates of the dam are opened. Life may be uncomfortable for a while as you respond to the radical changes. Although the interpersonal dynamics appear unstable, clearing the air of tension feels good to everyone. If anyone can create order out of chaos, it is you.

**Aquarius**
January 20-February 18
Your unflinching sense of duty helps you stay focused on your career now. However, you're no longer interested in repeating old performances; in fact, you're cruising for something completely off the map. The radical Sun-Uranus partnership shakes up your 3rd House of Communication, daring you to take risks in all forms of interactions today. When you think you're being original, step even further away from the center. The biggest mistake you could ever make is being too afraid to make one.

**Pisces**
February 19-March 20
Embracing an activity that pulls you off balance may not be such a good idea today, since throwing distractions into the picture is the cosmos' way of keeping you guessing. Ultimately, your current dilemma is all about your core beliefs: when they are in flux, so is your entire life. You are being gifted with a unique opportunity to heal a wound you have carried around inside you for a long time. Soften your hard edges and trust your compassionate heart. Acknowledging the truth allows you to move on.

HISTORY OF THE WORLD'S BIGGEST FISH FRY

The "Fish Fry" evolved from "Mule Day," which originated in 1938 with the Paris Post Intelligencer as the first sponsor. Farmers came to town on the first Monday in April to trade their mules and other farm products, do their shopping, and enjoy the fellowship of their friends. Early in the 1950's, the Chamber of Commerce took over "Mule Day" and the tractors took the place of mules. The Chamber of Commerce started looking for another event to replace "Mule Day."

In 1953, the Chamber of Commerce held the first, "Fish Fry." The event was not as successful as hoped. The fish were not taken from Kentucky Lake and just did not please the fish eating public. The parade was short but sweet, and the event was held on Barton Field for one day and night.

In 1961, the Paris-Henry County Jaycees took over the "Fish Fry" from the Chamber of Commerce. The "Fish Fry" was starting to grow too much for the Chamber to handle, so the Jaycees (Junior Chamber of Commerce) took over the event, taking the name of "World's Biggest Fish Fry," an event that truly lives up to its name. Since 1961, the "World's Biggest Fish Fry" has grown considerably - from 1,600 pounds to over 5 tons of catfish being cooked and served at the Robert E. "Bobby" Cox Memorial Fish Tent.

Community participation and support of the "World's Biggest Fish Fry" unites the community in many ways. Community involvement by attending one of the six beauty pageants, buying souvenirs, eating fish dinners, attending the rodeo, entering or watching the Grand Parade or the Small Fry Parade, and going to the carnival makes the event successful and bigger and better each year.
