Miss Pearl's Country Cookin'

Chicken & Bacon Tart
1/4 pound bacon strips, cut into thirds
2 medium onions, halved and thinly sliced
2 medium apples, peeled and thinly sliced
1 package (9 ounces) ready-to-serve roasted chicken breast strips
1/4 cup jalapeno pepper jelly
1/2 teaspoon dried thyme
1/4 teaspoon salt
1 sheet frozen puff pastry, thawed
3/4 cup shredded cheddar cheese
1/4 teaspoon pepper
1 tablespoon minced fresh parsley
In a large skillet, cook bacon over medium heat until crisp. Remove to paper towels with a slotted spoon. Sauté onions and apples in drippings until tender. Stir in the chicken, jelly, thyme and salt. On a lightly floured surface, unfold puff pastry. Roll into a 10-in. x 9-in. rectangle. Transfer to a 15x10x1-in. parchment paper-lined baking sheet. Prick with a fork. Spread chicken mixture over pastry to within 1 in. of edges. Sprinkle with cheese and pepper. Press edges with a fork, forming a decorative border. Bake at 425° for 10 minutes. Sprinkle with bacon; bake 5-10 minutes longer or until golden brown. Sprinkle with parsley.

Calzone Pinwheels
1/2 cup shredded part-skim mozzarella cheese
1/2 cup part-skim ricotta cheese
1/2 cup diced pepperoni
1/4 cup grated Parmesan cheese
1/4 cup chopped fresh mushrooms
1/4 cup finely chopped green pepper
2 tablespoons finely chopped onion
1 teaspoon Italian seasoning
1/4 teaspoon salt
1 package (8 ounces) refrigerated crescent rolls
1 jar (14 ounces) pizza sauce, warmed
Preheat oven to 375°. In a small bowl, mix the first nine ingredients. Unroll crescent dough and separate into four rectangles; press perforations to seal. Spread rectangles with cheese mixture to within 1/4 in. of edges. Roll up jelly-roll style, starting with a short side; pinch seam to seal. Using a serrated knife, cut each roll into four slices; place on a greased baking sheet, cut side down. Bake 12-15 minutes or until golden brown. Serve with pizza sauce.

Your Weekly Love Horoscope

Aries March 21-April 19	Taurus April 20-May 20	Gemini May 21-June 20	Cancer June 21-July 22	Leo July 23-August 22	Virgo August 23-September 22
Impulsiveness is a theme as the core of your being sparks up to switch the status quo. Yesterday's eclipse was a clearing, and today your essential value is in question. Is your external life a match for the internal success of which you know you are worthy? Or perhaps what you own in the physical is no longer congruent with your innermost longings. Forge a new path and worry not about the final destination. Redefining success inspires you to achieve it.	Transformation is cyclical, and yours on the brink again. Today's planetary mix calls for reinvention of your identity and clearly expressing your desires is critical to your growth. Make a radical new choice that aligns with your quest for inner peace. Stagnation is no longer a viable option. Stretching beyond your previous norms might be scary at first but experiencing the exhilaration that exploration can bring whets your appetite for more. Listen for subtle encouragement from your direct spheres of influence. Author Robin Sharma wrote: The fears we don't face become our limits.	Sometimes it's hard to see the forest for the trees. Your inner emotional world squares off with your outer revolution-ary today, and this may contribute to a doubting, over-analytical mind. You're at a crossroads and feel an insistent urge to make a drastic change, but don't do anything rash just yet. Your mercurial nature is happier with snap decisions, but riding the cosmic waves until you have more clarity enables you to choose from a place of confident peace.	Service, not selfishness, dear nurturing one. After a jarring eclipse, yours in a new space that may feel like a rare chance to forget all others and focus on yourself. The planet of innovation lighting up your realm of social networks indicates you're better served to grow as a leader by remembering the well-being of the greater good. Stand as an example of quality of excellence in a family, organization, or community. The world needs your visionary gifts.	Channeling your creativity properly sets the stage for a positive change in your career. Your intuitive faculties don't have to be at odds with the more practical aspects of your public platform. Work with all the energies that present themselves today, however conflicting they may seem. You can readily assess what is sustainable or not and can convey your perceptions in a motivating manner. Integrating the body, mind, and soul allows for a more well-rounded expression out in the world.	Trust yourself, especially in the face of change. The planetary vibes are tumultuous for your higher mind, especially relative to your function in any larger group. Tune in to your facets of mental, emotional, and spiritual intuition to remain calm in any dynamic situation. Higher consciousness is accessible when you practice self-containment and spiritual expansion. You don't have to sacrifice your strength for your softness nor your softness for your strength.
Libra September 23-October 22	Scorpio October 23-November 21	Sagittarius November 22-December 21	Capricorn December 22-January 19	Aquarius January 20-February 18	Pisces February 19-March 20
You possess profound inner strength to handle forces that seem beyond your control. Outside influences may impact your professional life, but you are the common denominator. Life's curve-balls often relate to a beast within that needs conquering. The manner in which you creatively handle your challenges dictates the direction of your life. Your beauty rests in overcoming fears related to the past and showing up powerfully in the outside world.	Sorrow only comes from negative mental patterns. Any triggering of fears in your realm of partnerships today stems from beliefs you inherited long in the past. If you experience a breakdown of sorts, know this is occurring because you are committed to something - otherwise you wouldn't even care enough to make a fuss. Remove yourself from the vicious cycle to stop this exhausting pattern. Rather than immediately operating from your instinctual nature, make a choice to respond with the spirit of excellence.	Be quiet and clear the chatter in your brain. You are used to covering a lot of cerebral ground just for the sake of a lively debate, but too many mental gyrations can turn into an illusory tale. If your daily routine feels stifling or external obligations seem too burdensome, meditate for a moment and release your self-criticism. Trust that obstacles are not an indication of a lack of capability. Completing unfinished business allows you to break any unproductive thought cycle with the proper amount of introspection and determination.	You're a champion at manifesting in the realms of love, creativity, and connection now. However, you may experience outbursts and irrational expressions today; know this cosmic storm will pass and stand in your presence as a witness to any chaos. Be wary of anything or anyone trying to box you in or manipulate your emotions. When the puzzles present themselves to be solved, bring your heart into the work and make it fun. Finding all the answers won't necessarily be easy, but you have the power in your hands to change the world.	Renovation and restoration are essential priorities today. Your personal health and your familial roots are at the forefront now. In fact, you're in a process of shedding old skin to express a new and expanded way of being. Reevaluate outmoded ideas, people, and environments, particularly in the aftermath of chaos and disorder. The old has been dismantled; sense what was out of balance and wake up to your power. You grow more in touch with your true nature through emotional detachment and creative visualization. The healing starts within.	Integration, synthesis and synergy are your tasks today. Your post-eclipse life is open to new creation and the union of seemingly conflicting energies. Plunge into imaginative endeavors that you've never before considered. Whether in romance, parenting, or relating emotionally to your friends and family, take care to add an element of beauty to everything you do. It is through your colorful visions and creative manifestation that you can fully express the artistry of your existence.

Paris, TN - The 9th Annual Ice Cream Social & Antique Car & Tractor Show will fill historic downtown Paris on the last Saturday in July, July 28th, from 4:00 – 6:30 pm. Sponsored by the Downtown Paris Association (DPA), the event benefits the Downtown Paris Association and the Historic Atkins Porter Neighborhood Association.

"This has become an end-of-summer tradition that folks of all ages look forward to," said DPA Executive Director Kathy Ray.

"Everyone with an event wristband can enjoy free ice cream from each booth, kids' bouncers, giant slides, and crazy contests; it's definitely the coolest fundraiser around, no pun intended." Wristbands are available for a minimum donation of \$10 for adults or \$5 for children 12 and under. They can be purchased from the DPA, the Historic Atkins Porter Neighborhood Association, ice cream booth partners, and at the event.

The Antique Car Show brings ve-

hicles in from four states and there will be 80 to 90 classic cars, according to Chairperson Vicky Muzzall. Registration is a minimum donation of \$10 which includes an event wristband. "Votes (25 cent donations) are tallied throughout the event," said Muzzall. "At 6:30 pm the car with the most votes will win the Peoples' Choice Award Trophy."

The Antique Tractor Show is relatively new to the event. Last year brought out several tractors and we hope to showcase more this

year. Registration process is the same as the Car Show. There will also be a Peoples’ Choice Award Trophy for the favorite tractor

presented based on votes and all proceeds go to the beneficiaries. Also, for a donation of \$5, you can

get in some fun contests!

• 5:00 PM: Adults Ice Cream Eating Contest

• 5:30 PM: Kids Frozen T-Shirt Contest sponsored

MAKE LASTING MEMORIES AT A FESTIVAL NEAR YOU

by John Wambles

Nothing says a good time like a family friendly festival. North-west Tennessee is known for its fun gatherings and unique events. Get out your family planner and mark these weekends now so you won't miss the opportunity to create lasting family memories.

The town of Big Sandy is the host for the Waterfowl Festival and the TWRA Duck Blind Drawing on Saturday, August

4th. Thousands of folks gather at the City Park located on Ballpark Road in Downtown Big Sandy for demonstrations, exhibits,

good food and fun! Exhibitors and vendors from all over will be on hand selling hunting equipment and accessories. There will also be hunting dog and duck call demonstrations. Come early to register for the TWRA Duck Blind locations in the Kentucky Lake Region. Registra-

tion begins just after sunrise and the festival goes on all day. If you enjoy duck hunting this is the place to be. For more information about the Waterfowl Festival and TWRA Duck Blind Drawing visit www.tnvacation.com.

Benefitting the Historic Atkins Porter Neighborhood Association and the Downtown Paris Association

celebrates Pioneer Day every third Saturday in September! The Henry Volunteer Fire Department coordinates the event at the Henry Civic Center. Pioneer Day is jam packed with fun activities for everyone in your family. The day gets started at 10am with a Pioneer Day Parade. Floats, automobiles and walking units gather to show their respect and pride to the community of Henry.

Immediately following the parade will be games and concessions on the Civic Center Lawn. The volunteer fire department holds a big fish fry and an old-fashioned cake walk. The sale of fish plates and the sale of the desserts helps raise money for the fire department in Henry. The rest of the afternoon is filled with demonstrations by the Paris-Henry County Rescue Squad and Air Evac. Come night

fall you can chose your entertainment. At past events you could pick professional wrestling or listen to a local band. No matter what you chose to do, everyone has a good time. Make sure and visit Henry, Tennessee on Saturday, September 15th for this year's Pioneer Day!

One of the newest events to come to our area is the Southern Fried and Sweet Tea Festival in McKenzie, Tennessee. August 24th and 25th spend your days enjoying what the south does best – frying good food and making sweet tea! Downtown McKenzie is jam-packed with food, music, games and fun for the whole family! Events and activities include pageants, concerts, games, face painting, inflatables, a petting zoo and lots of eating and drinking sweet tea! The opening ceremonies get

underway Friday evening around 6pm and run all day Saturday! For more information visit their Facebook page.

The Huntingdon Heritage Festival is a special occasion in Carroll County. The city of Huntingdon stops to take a moment and celebrates its citizens, businesses and agriculture along with having a really good time. The Heritage Festival will be held Saturday, September 22nd, on the Court Square in downtown Huntingdon. Each year the coordinators of the festival recognize a Pioneer Family and an Outstanding Citizen. Recent families to be celebrated were the Hilliard Family, the Butler Family and the Williams Family. Outstanding Citizens that have been recognized have included Ray Smith, Dr. Jerry Atkins and Ethel Louise Sparkman.

Visit this year's festival to find out who will be the current recipients. The themes also play a big part in the festival – usually acknowledging a different industry or professional group in Carroll County. Past themes have included School Days – Our Education Heritage,

Down On The Farm – Our Agriculture Heritage and Honoring Our Civil War Heritage.

All around the Court Square you will find many events going on. There is plenty of arts and crafts, story telling, a petting zoo, delicious food and live entertainment. The Huntingdon Heritage Festival is always on the

fourth Saturday in September. Make plans to celebrate their history with them on that day! Visit www.huntingdon.com for more information at their annual Heritage Festival.

Despite being basically a rural area, there is always a lot going on! Lots of volunteer time and effort is put into each one of the these events.

It would be such a waste to not visit them and take full advantage of everything they have to offer! So fill the car up with gas, load up the family and take a short road trip and visit as many of these local festivals as you can. It won't take you long to get there, the day will come and go, but the memories you create will last a lifetime!

Scarecrows are coming To The Court Square

“Scarecrows on the Square” is sponsored by the Downtown Paris Association (DPA). Kathy Ray, DPA Executive Director said, “This is our third year for this event. It has added a festive, seasonal look to our beautiful downtown Court Square. It is a great opportunity to let your creativity take hold and have some fun. We encourage you to be environmentally conscious and recycle items to fit with the theme of your group, school, or business.

Use a theme and name that fits your group’s personality or celebrate Paris history with a historic Paris figure!” Carly Wheat, DPA Committee chair said, “Scarecrows will be judged the first week of October. Scarecrows will be judged on originality, construction, and presentation. Cash prizes will be awarded for People’s Choice, Most Original, Best Constructed, and Best in Show. Winners will be announced on October 20th
