Finding the Truth
Date Setters

Men continue to set dates for the coming of Christ. It seems absurd that men would do this when Jesus himself said, **"But of that day and that hour knoweth no man, no, not the angels which are in heaven, neither the Son, but the Father."** (Mark 13:32)

William Miller set the year of 1844 for the Lord's return, but nothing happened. He reset the time of 1845, but still nothing happened.

Charles T. Russell set the date of 1914, but nothing happened. He, too, claimed he simply miscalculated and set the date of 1918, but nothing happened.

Judge Rutherford later wrote a book, Millions Now Living will Never Die, (Of which I have a copy) and set the date of 1925 as the Lord's return, but nothing happened.

The Shakers claimed the Lord would return in their lifetime and they would never die. The only three things left of this group are two museums located in Kentucky and one in Maine.

Jesus simply said, "but my Father only". Only a presumptuous person would even dare to set a date for the Lord's return. God has given us the true test of a prophet, **"When a prophet speaketh in the name of the Lord, if the thing follow not, nor come to pass, that is the thing which the Lord hath not spoken, but the prophet hath spoken it presumptuously; thou shalt not be afraid of him."** (Deuteronomy 18:22) **"The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so; and what will ye do in the end thereof? (Jeremiah 5:31)**
