What's Happening?

Fall Softball Signups Fall softball signups will be held Saturday August 10th and Saturday August 17th from 10am to 2pm each day. The signups are at Hulme's Sporting Goods, on Hwy. 641 South.

Hummingbird Banding Event The Tennessee National Wildlife Refuge will hold a Hummingbird Banding Event from 9 a.m.-3 p.m. on Saturday, August 10th at the refuge Visitor Center located at 1371 Wildlife Drive in Springville. Banding will take place on the center's back patio, when there are birds available. Federally Licensed Master Bander Cynthia Routledge of Southeast Avian Research in Clarksville, will present a program on hummingbirds at 11 a.m. and 1 p.m. on Saturday. Routledge will also return to lead the banding demonstrations. Using specially designed tools, Routledge will band each captured hummingbird with a band that has a number that will be unique to that individual bird, much like a "bird social security number." She will then take a series of additional measurements to determine the age and sex of the hummingbird

and then the bird will be released. All of these measurements will be carefully recorded and all the information will be turned in to the Bird Banding Laboratory in Laurel, Maryland, the central database for all North American bird banding information. Researchers, such as Routledge, have gained valuable insight and information about the lives and habits of hummingbirds through banding such as migration routes, longevity, nesting habits, population trends, the effects of habitat loss and a warming world. The day will include fun for the whole family as arts and crafts, and other activities for children will occur throughout the event. This year out on the back patio, kids of all ages just might get "banded" as well in an effort to explain how banding works. In addition, the refuge will have a large obstacle course called "Bird Hurdles" for children to experience what birds go through during migration. During lunchtime, the Friends of Tennessee NWR will be have lunch meals and drinks available for sale on center's back patio. All proceeds will benefit hosting future environmental education programs for the public. For more information

Finding the Truth

John the Baptist

John the Baptist was born with a purpose. The angel announced his birth as a harbinger (forerunner) of the Christ. "And thou, child, shalt be called the prophet of the Highest: for thou shalt go before the face of the Lord to prepare his ways; to give knowledge of salvation unto his people by the remission of their sins." (Luke 1:76, 77)

John's message was, "Repent ye; for the kingdom of heaven is at hand." (Matthew 3:2) "John did baptize in the wilderness, and preach the baptism of repentance for the remission of sins." (Mark 1:4)

Some unique truths about John are very interesting and informative. He was "The Baptist": not a Baptist. This was a title peculiar to John and no other. John did not change any existing laws. He lived and died under the "Law of Moses."

John was not a Christian and never a member of the kingdom of Christ. No one in the Bible is ever called a Baptist Christian. John did no miracles, even though he was filled with the Holy Spirit. "And many resorted unto him, and said John did no miracle; but all things that John spake of this man were true. And many believed on him there." (John 10: 41, 42). John did not, nor claimed, to establish a church, even though men so teach.

"Verily I say unto you, among them that are born of women there hath not risen a greater than John the Baptist: notwithstanding he that is least in the kingdom of heaven is greater than he." (Matthew 11:11) John always gave the preeminence to Jesus Christ. "He must increase, but I must decrease." (John 3:30)

Miss Pearl's Country Cookin'

Grilled Bacon-Wrapped Chicken Tenders

8 chicken tenders
1 tablespoon BBQ rub (such as McCormick)
8 slices center-cut bacon, cut in half lengthwise
2 tablespoons honey
1 teaspoon water
Preheat an outdoor grill for medium heat and lightly oil the grate. Season chicken tenders with BBQ rub. Wrap each tender with 2 thin strips of bacon, tucking in the ends to secure. Mix together honey and water in a small bowl. Set aside. Place chicken tenders on the preheated grill and reduce heat to medium-low. Close lid and grill tenders, turning every 2 to 3 minutes, until bacon is browned and chicken has reached an internal temperature of 165 degrees Fahrenheit, 12 to 14 minutes. For crispier bacon, increase heat during the last 2 minutes of cooking. Move tenders to indirect heat and brush with honey mixture. Transfer to a plate and serve.

S'more Ice Cream Pie

1 1/2 cups finely crushed graham cracker crumbs
1/4 cup white sugar
6 tablespoons butter, melted
1 (28 ounce) package chocolate ice cream, slightly softened
2 cups miniature marshmallows, or enough to cover the top
Place graham cracker crumbs into a bowl, add sugar and melted butter, and mix until well combined. Transfer mixture into a 9-inch pie dish. Gently press graham cracker mixture into the bottom and up the sides of the pie dish using a spatula. Pat the edge and inside of the crust smooth with your fingers. Refrigerate crust until thoroughly chilled, at least 30 minutes. Fill crust with chocolate ice cream using a small ice cream scoop. Smooth the ice cream with a spatula. Place a ring of mini marshmallows around the inside of the crust and cover top of ice cream with remaining marshmallows. Gently press marshmallows into the ice cream. Freeze until very firm, at least 2 hours. Use a propane blow torch to toast the marshmallows, moving the torch quickly to brown the marshmallows. Marshmallows should have small charred spots. Return to freezer to chill the marshmallow topping, at least 3 hours; slice and serve.
