**FireFan App** A sports fan app is making watching sports more fun and can help raise money to support Henry County Relay for Life at the same time. The app, FireFan, is free to download and it allows you to follow along with your favorite sporting events such as NFL playoffs, college basketball, NBA hoops, and Major League Baseball once the season starts. Once you enter information, join the Henry County Relay League and an invitation will be sent to you from a Henry County RFL organizer before certain games. You can join the games and make picks based on the games, such as total yards, scores etc throughout the games that are played. To be sure Henry County Relay gets credit, enter the code parisrelay when downloading the app. To download the APP so HCRFL gets credit for it click this link, then click the link on the next page to go to the APP store to download Download here: [firefan.com/?code=parisrelay](http://firefan.com/?code=parisrelay). Relay for Life earns a few pennies off of each person playing the game. The more people involved and playing using the App, the more Henry County Relay will benefit. For more information on the FireFan app contact Greg Pierce by email at [greg@whatnext.com](mailto:greg@whatnext.com).

# Miss Pearl's Country Cookin'

## Fudge Crinkles

original recipe makes 30-48 cookies  
1 (18 1/4 ounce) box devil's food cake mix

1/2 cup vegetable oil  
2 large eggs  
confectioners' sugar or granulated sugar, for rolling

Preheat oven to 350°. Stir (by hand) dry cake mix, oil and eggs in a large bowl until dough forms. Dust hands with confectioners' sugar and shape dough into 1" balls. Roll balls in confectioners' sugar and place 2 inches apart on ungreased cookie sheets. Bake for 8-10 minutes or until center is JUST SET. Remove from pans after a minute or so and cool on wire racks.

## Garlic Rice

original recipe makes 4-6 servings

2 tablespoons olive oil  
1 medium onion, chopped fine  
3 garlic cloves, minced fine  
1 cup long grain rice  
2 cups chicken broth  
1/2 teaspoon dried thyme  
1 bay leaf

1/4 cup parsley, chopped  
Put the oil in a skillet and saute the onions & garlic until golden. Add rice, broth, thyme & bay leaf. Bring to a boil uncovered, turn heat to low cover and simmer about 25 minutes or until the liquid is absorbed, give a little stir after 15 minutes. Remove bay leaf & stir in the parsley.

## Southwestern Egg Rolls

2 tablespoons vegetable oil  
1 skinless, boneless chicken breast half  
2 tablespoons minced green onion  
2 tablespoons minced red bell pepper  
1/3 cup frozen corn kernels  
1/4 cup black beans, rinsed and drained  
2 tablespoons frozen chopped spinach, thawed and drained

Rub 1 tablespoon vegetable oil over chicken breast. In a medium saucepan over medium heat, cook chicken approximately 5 minutes per side, until meat is no longer pink and juices run clear. Remove from heat and set aside. Heat remaining 1 tablespoon vegetable oil in a medium saucepan over medium heat. Stir in green onion and red pepper. Cook and stir 5 minutes, until tender. Dice chicken and mix into the pan with onion and red pepper. Mix in corn, black beans, spinach, jalapeno peppers, parsley, cumin, chili powder, salt and cayenne pepper. Cook and stir 5 minutes, until well blended and tender. Remove from heat and stir in Monterey Jack cheese so that it melts. Wrap tortillas with a clean, lightly moist cloth. Microwave on high approximately 1 minute, or until hot and pliable. Spoon even amounts of the mixture into each tortilla. Fold ends of tortillas, then roll tightly around mixture. Secure with toothpicks. Arrange in a medium dish, cover with plastic, and place in the freezer. Freeze at least 4 hours. In a large, deep skillet, heat oil for deep frying to 375 degrees F. Deep fry frozen, stuffed tortillas 10 minutes each, or until dark golden brown. Drain on paper towels before serving.

## Spaghetti Carbonara

1 pound spaghetti  
6 slices bacon, diced  
1 cup milk  
2 large eggs plus 2 egg yolks  
1/2 teaspoon salt  
1 tablespoon all-purpose flour  
3/4 cup grated Parmesan cheese  
1 1/2 teaspoons freshly cracked black pepper

Bring a pot of lightly salted water to a boil. Add spaghetti and cook 10 minutes or as per package directions. Drain, reserving 1 cup of the pasta water. Meanwhile, add bacon to a large saute pan. Cook over medium heat 6 minutes or until slightly crispy. Drain on paper towels, reserving 2 tbsp of the drippings. Blend milk, eggs, egg yolks and salt. Heat bacon drippings over medium heat. Whisk in flour; cook 1 minute. Quickly pour in milk mixture, whisking constantly to keep eggs from scrambling. Cook 2 to 3 minutes until thickened. Remove from heat and whisk in 1/2 cup of the cheese. Toss drained pasta with sauce, bacon, remaining 1/4 cup cheese and some of the reserved pasta water. Sprinkle with black pepper just before serving.

# Your Weekly Love Horoscope

## Aries

March 21-April 19

You are operating with conflicting agendas today and might be unable to resolve the differences. On one hand, you want to retreat from the outer world and spend the day in quiet contemplation. It's not that you're lazy; you just need some time to reflect on your life so you can decide what you want to do next. On the other hand, there are places to go and people to see. You can't imagine wasting the day with nothing to show for it by nightfall. Finding the right mix between productivity and relaxation is the trick.

## Taurus

April 20-May 20

You're unclear about your role with your friends and associates today. At work, you might not know where you best fit into the group process, or it may seem awkward to participate in social events. There's no reason to fake enthusiasm if you're not feeling a connection now. It's easier to establish your rhythm when you're not trying to dance to someone else's drum beat. Sometimes you just need to disconnect and enjoy your own company. Time alone can be time well-spent.

## Gemini

May 21-June 20

You might have your day mapped out in great detail, only to discover that you must change your schedule when something happens that's beyond your control. But perhaps you need to reconsider your overall goals before you simply shuffle a few appointments around. Rather than getting caught up in the tiny details, take a few steps back to review your current position, where you're coming from and where you wish to go. Actor Scott Caan says, "Good things happen when you set your priorities straight."

## Cancer

June 21-July 22

You might have your day mapped out in great detail, only to discover that you must change your schedule when something happens that's beyond your control. But perhaps you need to reconsider your overall goals before you simply shuffle a few appointments around. Rather than getting caught up in the tiny details, take a few steps back to review your current position, where you're coming from and where you wish to go. Actor Scott Caan says, "Good things happen when you set your priorities straight."

## Leo

July 23-August 22

You may be mildly annoyed with others today, especially if your creative muse is nowhere to be found. It's tempting to blame someone for your shortcomings, but your unhappiness is likely more about you than anyone else. You could be irritated because concentration is challenging when your emotions get in the way of logic. However, you won't solve this dilemma overnight; acknowledge your changing moods and accept responsibility for your actions. Going through the motions allows you to fake it until you make it.

## Virgo

August 23-September 22

Misinterpreting someone's signals today could land you in a heap of trouble. Coworkers and friends can contribute to your confusion if they are not clear about their own goals. Remember, it's all too easy to jump to a conclusion based upon a faulty assumption when you don't have all the facts at your disposal. Thankfully, preventing a misunderstanding before it happens takes very little effort on your part if you simply ask the right questions along the way.

## Libra

September 23-October 22

You know you can be more productive if you work alone today, but you're willing to sacrifice some overall efficiency for the sake of your team. But just pretending to be a part of the group won't achieve the results you seek; you must be willing to fully participate, even if it means getting your hands dirty. A half-hearted promise isn't the same as a real commitment. There are only two options: you're either in or you're out.

## Scorpio

October 23-November 21

You're in a no-nonsense mood when it comes to business today -- or so you say. You may attempt to do all the right things in order to demonstrate how serious you are now. Nevertheless, you might be unable to deny your inner child of its need to come out and play. Unfortunately, the more you restrict the fun and games, the less productive you are. Thankfully, responsibility and joy are not mutually exclusive. If you play your cards right, you can have your cake and eat it too.

## Sagittarius

November 22-December 21

Sometimes, you just can't help but show the world your true colors, even if it doesn't further your cause. Your mind is not on work today; instead, you're dreaming of flying to Mars or conquering a Tibetan mountain. Unfortunately, your visions of the future are not grounded in reality, yet you talk about them as if they are already in the works. No doubt, everyone loves your I-can-do-it attitude, but only if you can discern the difference between fact and fancy. Benjamin Franklin wrote, "Well done is better than well said."

## Capricorn

December 22-January 19

Although your definition of success may change month by month, achieving your dreams is on your agenda now. Nevertheless, it might seem as if the window of opportunity is closing so fast that you could lose your chance before you can make something happen. Ironically, true satisfaction isn't always found by attaining measurable results. Instead of basing your happiness on material wealth, go deep within to find an abundance of joy. Albert Einstein wrote, "Not everything that counts can be counted."

## Aquarius

January 20-February 18

Love is in the air, but it seems as if you must meet someone else's expectations in a very specific manner if you want the approval you seek. However, being acknowledged by others won't fill the longings of an empty heart. Thankfully, your self-esteem scars when you reexamine your core values and choose a path based upon expressing them in the real world. Nevertheless, you can still enjoy the company of someone special as long as you untangle your sense of dependency from your wellbeing. Don't let anyone's actions steal your happiness.

## Pisces

February 19-March 20

Paradoxically, you can be optimistic about your future even if you can't keep your feelings straight today. Instead of running the risk of high stress and irrepressible frustration, temporarily shift your focus away from your emotions and toward your daily routine. Concentrate on those activities that you perform day in and day out, without worrying about anything else. Limiting your actions narrows your thinking and frees you from a vicious cycle. Your attitude determines your direction.
