Chicago Cubs Pitcher and UT-Martin Alum to Speak at Baseball Fundraiser

The University of Tennessee at Martin baseball program will hold its annual First Pitch Dinner at 7:30 p.m., Jan. 26, in the Boling University Center's Duncan Ballroom. This year's featured speaker is Chicago Cubs right-handed pitcher Alec Mills, who is the first Skyhawk baseball alum to play in the major leagues. Mills began his UT Martin career as a walk-on before blossoming into the staff ace. He made his MLB debut with the Kansas City Royals in 2016 after being selected in the 22nd round of the 2012 MLB Draft, and he is now entering his third season with the Cubs organization. The Skyhawks return 21 players and welcome 13 newcomers for the upcoming 2019 campaign, which starts Feb. 15. Tables for the First Pitch Dinner are available for \$200 and single tickets are available for \$30. All tips during the evening will benefit the UT Martin baseball program. Those interested in attending are asked to send an RSVP email to Lora McDonald at lmcdon13@utm.edu. Cash, check and credit cards are accepted. For more information, contact Ryne Rickman, UT Martin director of sports information, at 731-881-7632 or rrickman@utm.edu.

Finding the Truth

Buy Truth and Sell It Not

The wise man said, **“Buy the truth and sell it not; also wisdom and instruction, and understanding.” (Proverbs 23:23)** The most valuable commodity found in any market place is the truth of God. No price is too high in possessing the pearl of great price. The truth is one treasure that must be bought regardless of the cost or price. It is possible to obtain the truth. The gospel is for all.

Obtaining the truth is a personal responsibility. The heart must be set on obtaining and possessing the truth, the whole truth, and nothing but the truth of God.

A desire for the truth is necessary in obtaining it. A submission of man's will is part of the purchase price. Sometimes the cost in purchasing the truth is very high. There can be no compromise and no bargaining. The price must be met. Sometimes much must be given up to have the truth. In fact, all must be given. The cross of Christ must be borne daily.

“Only the truth (Gospel) is God's power to save.” (Romans 1:16) **“When it is changed it produces a tare, that is only fit to be burned. (Matthew 13:30)**

Buy the truth and sell it not. Life is short and Hell is forever.

Your Weekly Love Horoscope

 Aries March 21-April 19 A philosophy that relies too much upon luck could produce some unrealistically high hopes today. But set the stage for success through the time-honored combination of hard work and healthy sacrifice, and your ambition morphs into a horse of a different color. Fortune is on the side of the bold, especially in areas involving travel, education, broadcasting, or the accumulation of goods. Abundance may not fall out of the sky at your feet, but you sure can go out and claim it.	 Taurus April 20-May 20 Making a joint decision can prove to be as easy as one, two, three today. Some form of prosperity is sure to follow when cooperation is flowing smoothly. It could arrive in classic style as money or a gift. Or maybe your good fortune is something less tangible but more substantial like peace, love, or joy. Bring an open spirit to negotiations from the get-go and you can walk away with a victory that is a win-win from every angle. Leo Tsu wrote, The heart that gives, gathers.	 Gemini May 21-June 20 You feel like you've got the world on a string today. In fact, it's safe to bet that flirtation, romance, or love has something to do with your upbeat mood. When a libbit of encouraging news from a sweetheart is enough to snap you out of a funk, imagine what a tsunami-like surge of positive attention from someone special can do. The truth is even a fantastical dream or lingering event can have you floating on a cloud now. There is no need to overanalyze your feelings; it's all good when Cupids in charge.	 Cancer June 21-July 22 Your main objective is simplicity today. Casting procrastination aside, you're determined to complete a useful task with a minimum of fuss. But whether this efficient execution is doublet left entirely up to you. Kids, coworkers, or even your spouse could plunk a formidable spoiler right into the middle of your plans. If that's the case, you know the drill. Suck it up, shift gears, and respond when duty calls. Your dream of unimpeded, streamlined efficiency just might come true on another day when you're not in such demand.	 Leo July 23-August 22 You are perfectly capable of resisting if someone is trying to cajole you into tagging along on an adventure or to join in on some harmless mischief. However, you might be in trouble if he or she happens to know that your kryptonite is a well-phrased dare. You practically salivate when presented with a challenge now, and it's even more appealing if it shatters a mold. You could find yourself out on a limb at some point today, and truth be told, that just might be exactly where you secretly want to be. She who dares, wins.	 Virgo August 23-September 22 The bug that bites you today is likely to be of the restless variety. The four walls of your everyday life that typically provide a sense of reassuring security suddenly seem to cramp your style. Binging home-improvement videos or trying to choose a paint color for a room remodel can be a decent salve. But the balm that might best soothe your restive yearnings probably involves travel, expansion, or setting up altogether new digs. There's excitement on the horizon if you're willing to embrace the uncertainty of change.
 Libra September 23-October 22 Good news takes on a life of its own today. For a change, if there is a thread of gossip making the rounds, it's likely about success, happiness, or celebration. However, its smart to take this message with a grain of salt until it can be reliably verified. Just as it happens in the childish game of telephone, any story can shape-shift with each retelling, upbeat ones included. Don't immediately buy into fairy tales. Rely on facts instead.	 Scorpio October 23-November 21 In some ways, you might feel more like the temporary guardian of a material or spiritual treasure than its owner. And from the broadest possible perspective, that is just as it should be now. Although this gift comes to you from another, you stand ready to pass it along when the time is right. Your emotional connection with forefathers or ancestors is exceptionally strong today, and a source of both comfort and pride. Awaken your innermost spirit and honor those who paved the path before you.	 Sagittarius November 22-December 21 Carefully cultivating your image through impeccable grooming and tasteful style is for you a reflection of healthy self-esteem. There's nothing selfish about it. Ignore any critical barbs pelled by the jealous. Those that spout negativity tend to fall behind because focusing on bad vibes holds them back. You are going places if you embrace the commitment to live your best life and make choices that build up your confidence. Your drive for excellence is nothing short of awesome.	 Capricorn December 22-January 19 You're unusually drawn toward whatever is sentimental, inspirational, or sacred to you today. A quick glance back over your shoulder might let you catch a glimpse of the many times a guardian angel has seemingly had your back. There is mystery and magic even in everyday routine and down-to-earth interactions. Tune into the warmly protective vibes that are simultaneously exhilarating and humbling. An attitude of gratitude is a wonderful guide.	 Aquarius January 20-February 18 Take a temporary timeout today. Instead of struggling to manipulate the ups and downs or ups and downs of an off-kilter situation, it might be more productive to direct your energy toward something that's already going well. Confidence and pointers picked up by studying what's working can provide big insight to carry along when you reenter the high-drama arena. Recoup and refocus. Things look different when viewed through refreshed eyes.	 Pisces February 19-March 20 The bigger you dream, the more you can achieve. This could serve as an excellent mantra of positive thinking as you, your team, or significant other begins an ambitious endeavor. However, there's no logical reason for putting an arbitrary ceiling on how high you can climb. Following your passion is a time-tested formula for success. Author Norman Vincent Peale wrote, Shoot for the Moon. Even if you miss, you'll land among the stars.
