Helping Hand Auction 2019

The annual Henry County Helping Hand radio auction is set to begin Monday January 7th and continue thru February 27th with a new radio broadcast home and new auction home this year. The auction will be held at the Paris Convention Center each day, instead of the Enoch Building, a decision made by Helping Hand, Inc. to move to the Convention Center to enhance the auction experience for everyone. Helping Hand will also be broadcast over new radio channels this year. Each week day beginning at 12:30pm you can tune in to hear Helping Hand on WRQR 97.5FM and AM 1000. Saturday daytime actions begin at 12 Noon. There will also be a few radio night auctions on Saturdays. You will also be able to hear the auction streaming from wmufardio.com and on your phone by calling 605-781-3169. Due up on January 7th will be the Lakeway Kiwanis Club, Paris Lions Club, and Paris Lioness Club. Tuesday January 8th is the Martha Chapter OES, Paris Lodge, Buchanan Lodge, Masonic Lodge, Forever Friends Animal Sanctuary, and Henry County Fair Association. Wednesday January 9th the Medical Community, Paris Surgical Specialists, West TN Bone and Joint, East Wood Clinic, Tomorrow's Hope, and Dialysis Clinic. Thursday January 10th is the DPA, Quota, Quail Forever, Carey Counseling, and R.E.L. Asphalt Seal Coating. Friday January 11th is Paris Rotary Club, Osage/Airport Community, Paris PI, Party Bounce and Jump. The Pleasant Hill Community will be the first Saturday auction on January 12th.

Deadline to Enter Citizens

Police Academy Applications are being sought as the Paris Police Department and Henry County Sheriff's Office have teamed up to bring the Citizens Police Academy back to Henry County. The Academy will begin in February and continue thru May for 10 weeks of bringing together the community and law enforcement. The Academy will be 10 weeks of intense training, excitement, and fun. Anyone interested and can pass a background check, may pick up applications at Paris City Hall in the Records Division. The Applications must be filled out and returned to either the Paris Police Department or Henry County Sheriff's Office by January 10th, 2019. The Academy is just a small part of bringing together law enforcement and citizens and will be a learning experience for everyone. For questions contact Capt. Ricky Watson at the Paris Police Department or Sgt. Eddie Crosser at the Henry County Sheriff's Office.

Four Patriot FB Players Named to All State Team Several Henry County High School football players were named to the Tennessee Football Coaches Association (TnFCA) All State Team for Class 5A. On Offense, Running Back Jayln Foster and Wide receiver Ethan Thompson were both named to the All State Team along with offensive lineman Nick Metzinger. Miss Pearl's Country Cookin'

Strawberry & Avocado Salad
2 tablespoons white sugar
2 tablespoons olive oil
4 teaspoons honey
1 tablespoon cider vinegar
1 teaspoon lemon juice
2 cups torn salad greens
1 avocado - peeled, pitted and sliced
10 strawberries, sliced
1/2 cup chopped pecans
In a small bowl, whisk together the sugar, olive oil, honey, vinegar, and lemon juice. Set aside. Place the salad greens in a pretty bowl, and top with sliced avocado and strawberries. Drizzle dressing over everything, then sprinkle with pecans. Refrigerate for up to 2 hours before serving, or serve immediately.

Greek Lemon Chicken and Potato Bake
4 chicken leg quarters
1 (24 ounce) bag small potatoes
1/2 cup olive oil 2 lemons, juiced, divided
2 tablespoons dried basil
2 tablespoons dried oregano
1 tablespoon salt
1 tablespoon ground black pepper
2 tablespoons lemon and herb seasoning
1 (12 ounce) package fresh green beans
Preheat oven to 425 degrees F. Grease a large baking sheet with sides. Place chicken quarters on prepared baking sheet. Stir potatoes, olive oil, juice of 1 lemon, basil, oregano, salt, pepper, and lemon herb seasoning together in a large bowl to coat potatoes. Arrange potatoes around chicken on baking sheet. Pour about 3/4 of oil mixture over chicken, reserving remaining oil; drizzle remaining lemon juice over chicken and potatoes. Bake in the preheated oven for about 30 minutes; shake baking sheet to loosen potatoes, then continue baking for 15 minutes. Place green beans in reserved oil mixture; toss to coat. Remove chicken mixture from oven; pour green bean mixture over chicken and potatoes. Return pan to the oven; bake until green beans are tender with a bite, chicken is no longer pink at the bone and juices run clear, about 15 minutes. An instant-read thermometer inserted near the bone should read 165 degrees F.

Your Weekly Love Horoscope

Aries March 21-April 19	Taurus April 20-May 20	Gemini May 21-June 20	Cancer June 21-July 22	Leo July 23-August 22	Virgo August 23-September 22
Your instincts tell you when it is time to buckle up and head out full throttle in pursuit of a dream. While you can attempt to explain it to others, the deepest essence of why this is so important to you is a private and wordless matter. Don't focus overly long on how far away the finish line might be now, instead of wringing every drop of joy from each step of the journey. Win, lose, or draw, there are rewards that can only come from following your heart. Claim the adventure that belongs to you.	Time a well impulse to ditch an obligation that you know deep down is best honored today. Its only natural to crave freedom from pressures, but your integrity shines when you exceed the expectations of others in the here-and-now. As the big picture takes shape, immediate gratification is just a speck compared to the masterpiece of pride and self-esteem that meaningful action creates. Winston Churchill said, The price of greatness is responsibility.	A temporary repair can be successfully made today, but there's no reason to just stop there. No matter how useful, a band-aid is just the start of a larger trend set in motion as an individual or as part of a group effort. Step one of an overhaul is a correct assessment of what's not working now. Make your voice confidently heard when you're ready to share your ideas and contribute your resources. Its empowering to be in on the ground floor of mind-breaking change. The possibilities are endless and real.	Avoid jumping to conclusions about a relationship that is difficult to read now. Its prudent to rely upon straightforward, no-nonsense communication to bring things to light. Shadows can effectively be dispersed with maturity, responsible truth-seeking while the radiant Sun and conservative Saturn team up in your 7th House of Relationships. If you want to better understand where things stand, take a deep breath and simply ask. Sunlight is an awesome disinfectant.	Study the basic contours of any problem you're trying to solve today. Stripped to the barebones, it very likely comes down to a simple either/or decision. Glitter, ribbons, bells, and whistles amount to little more than flashy distractions when you peer into the heart of the matter. Less is more can be a super-empowering mantra now. And it doesn't hurt when a boss, teacher, or significant other marvels at your detective skills, either. Think as simple as ABC and 123 to find the answers you seek.	A strong hankering for success turns your attention toward a work in progress today. The stuff of everyday life can be unusually inspiring as the resplendent Sun and reserved Saturn join forces in your 5th House of Self-Expression. Something uniquely yours can be created by building on a pre-existing framework. Ingenuity combined with a hardy work ethic moves a project from the half-way point to the finish line with all sorts of power and potential. A calculated risk isn't risky if you're willing to be relentless in the pursuit of your goals.

Dull exists only in the eye of the beholder today. Those that say otherwise have agendas far different from what your motivations are all about. Things don't have to be completely over the top for you to be energetic and enthusiastic in your personal life, travels, education, or career. Your can-do attitude is about rising to challenges, large and small. Leave the complaining to others while you make the most of whatever you encounter. Your sense of gratitude is fuel for success.	Concentrated effort produces tangible results today. The independent spirit you bring to whatever you do is second to none. When combined with laser-like focus, your ability to disintegrate obstacles becomes a superpower. Concentration is at the top of the list of qualities needed by any successful entrepreneur. Demonstrate the best of your talents by keeping your mind in the game and your eye on the prize. Persistence pays.	Your grip upon possessions grows tighter and resilience closes up shop when you're feeling insecure, nervous, or on edge. The hubbub of external strains can sneakily seep into your psyche when you're under stress. Double-check your attitude if you catch yourself hunkering down too far today. Protective shields are meant to keep negativity out, not hold back your own positive energy. Let nothing dim the bright glow of your authenticity. Choose to share.	Although you are busy doing so much for others, its important to give yourself thoughtful understanding too. Be mindful of what your inner dialogue is telling you today. Replace harsh self-criticism with reasoned compassion. Nurture the kind of self-love that promotes personal growth. When mistakes are treated as learning experiences, your wisdom becomes your most valuable asset. You deserve kindness just like everyone else.	Your sixth sense is so cloaked in symbolism today that its signals are nearly impossible to logically decipher. Studying metaphysical materials, journaling your dreams, and practicing regular meditation can each provide hints and clues, but the most valuable proof is in the pudding of everyday living. As you go about your daily routine with the best of intentions, trust that whatever messages are supposed to come through will do so in their own ways. Have faith in your good instincts. Insight unfolds according to its own rhythm.	Its a true test of bravery to put the products of your creativity out there for the world to see. But the only way forward includes the risk of rejection. Try not to bind your confidence to initial impressions or to be scared off by a challenge. The more original or innovative the idea, the longer it may take others to come around. But positive feedback from those that immediately get your vision is energizing, indeed. Your courage makes you an automatic winner.
