JPHS Essay Contest

High School history students in the Jackson Purchase Region of Kentucky and Tennessee are eligible to compete for awards and cash prizes by writing essays about national, regional, and family history in a contest sponsored by the Jackson Purchase Historical Society(JPHS) in conjunction with the Office of University Advancement and the Department of History of Murray State. Dr. Bill Mulligan, president of the Jackson Purchase Society, said "2018 is the beginning of the bicentennial for the treaty that established the Jackson Purchase and its also the 60th year of the founding of the Historical Society, which promotes interest in the history of the 12 counties involved. We saw this as a great opportunity to extend our outreach to high school history teachers and their students." History students in all four grade levels at high schools in the 12 counties that make up the Jackson Purchase, including Henry County, may submit essays in three categories: U.S. history, Jackson Purchase Regional History, or family history. History teachers at participating schools have the details on the essays. The deadline for submission is February 1 and there is no cost to participate. Judges will select winners in each category for each grade level with finalists receiving medallions and certificates. From those students, judges will then select the best overall essay in each category. The three winners will receive \$100 cash and will make a brief presentation on their essay at the April 2018 meeting of the JPHS. All three winning essays will also be published in the 2018 edition of Journal of the Jackson Pur-

Miss Pearl's Country Cookin'

Tuna Melt

2 5-ounce cans chunk light tuna drained
1 medium shallot, minced (2 tablespoons)
2 tablespoons low-fat mayonnaise
1 tablespoon lemon juice
1 tablespoon minced flat-leaf parsley
1/8 teaspoon salt

Preheat broiler. Combine tuna, shallot, mayonnaise, lemon juice, parsley, salt, hot sauce and pepper in a medium bowl. Spread 1/4 cup of the tuna mixture on each slice of toast; top with tomato slices and 2 tablespoons cheese. Place sandwiches on a baking sheet and broil until the cheese is bubbling and golden brown, 3 to 5 minutes.

Almond Crusted Chicken Fingers

Canola oil cooking spray
1/2 cup sliced almonds
1/4 cup whole-wheat flour
1 1/2 teaspoons paprika
1/2 teaspoon garlic powder
1/2 teaspoon dry mustard

Preheat oven to 475°F. Line a baking sheet with foil. Set a wire rack on the baking sheet and coat it with cooking spray. Place almonds, flour, paprika, garlic powder, dry mustard, salt and pepper in a food processor; process until the almonds are finely chopped and the paprika is mixed throughout. Drizzle in oil; process until combined. Transfer the mixture to a shallow dish. Whisk egg whites in a second dish. Add chicken tenders and turn to coat. Transfer each tender to the almond mixture; turn to coat evenly. Place the tenders on the rack and coat with cooking spray; turn and spray the other side. Bake the chicken fingers until golden brown and crispy 20 to 25 minutes.

Warm Snow Pea & Chicken Salad

1 pound boneless, skinless chicken breast, trimmed
1 14-ounce can reduced-sodium chicken broth
3 tablespoons rice vinegar
3 tablespoons reduced-sodium soy sauce
3 teaspoons toasted sesame oil, divided

Place chicken in a medium skillet or saucepan and add broth; bring to a boil. Cover, reduce heat to low, and simmer gently until cooked through and no longer pink in the middle, 10 to 12 minutes. Transfer the chicken to a cutting board to cool. Shred into bite-size pieces. (Cool and refrigerate the broth, reserving it for another use.) Meanwhile, whisk vinegar, soy sauce, 2 teaspoons sesame oil and tahini (or cashew butter) in a large bowl until smooth. Heat the remaining 1 teaspoon oil in a large nonstick skillet over medium-high heat. Add ginger and garlic and cook, stirring, until fragrant, about 1 minute. Stir in slivered peas and cook, stirring, until bright green, 3 to 4 minutes. Transfer to the bowl with the dressing. Add the chicken to the bowl with the peas; toss to combine. Serve sprinkled with cashews.

Peanut Butter Truffles

1/2 cup crunchy natural peanut butter
1/4 cup finely chopped salted pretzels

Combine peanut butter and pretzels in a small bowl. Chill in the freezer until firm, about 15 minutes. Roll the peanut butter mixture into 20 balls (about 1 teaspoon each). Place on a baking sheet lined with parchment or wax paper and freeze until very firm, about 1 hour. Roll the frozen balls in melted chocolate. Refrigerate until the chocolate is set, about 30 minutes.

Your Weekly Love Horoscope

Aries
March 21-April 19

You are on a self-defined mission today, but you could inadvertently stimulate resistance if others think your arrogance needs to be brought down a notch. You are so motivated that you might not stop to think about the impact of your headstrong style now. It's wiser to involve your coworkers as allies than turn them into enemies. However, you will surely push peoples emotional buttons if you assume control without earning it. Kenneth Blanchard wrote, The key to successful leadership today is influence, not authority.

Taurus
April 20-May 20

You may be reluctant to talk about your feelings because youre afraid that someone won't approve of your behavior. Ironically, if you take a risk and share something revealing, others may surprise you with their support. Nevertheless, you could convince yourself that people are only pretending to accept you as you are. Scientists often apply the logic of William of Ockham who theorized that shaving away the complexities of a problem left the simplest solution as the correct one. Theres no need to dream up unspoken hostilities. Respond to what you know and not what you fear.

Gemini
May 21-June 20

You might grow overly worried about a relationship at work if someone's behavior seems very abrupt today. People may distance themselves from you in a way that makes you feel uncomfortable in their presence. The current dynamics are stressful, but fortunately, they are just ripples in your awareness. You could inadvertently strengthen negative emotions by holding onto them, even if your intention is to sort them out. Observe your reactions in real time without becoming attached to them. Letting go enables you to move on.

Cancer
June 21-July 22

Although you thought things were slowing down, the pace picks up today when unforeseen events require you to shift into crisis management mode. There may be a growing resistance to your ideas from those closest to you, and its unwise to rock the boat. If someone in your immediate environment wants to take charge, let them. You will be more effective working behind the scenes or supporting others now. The most successful leaders know when to follow and others lead.

Leo
July 23-August 22

You are eager to get to work today, as if you have an important date with success. The cosmic momentum is building and your unwavering determination works in your favor. Keep in mind that this energy lasts for several days, giving you plenty of time to find your groove. Once you establish a sustainable rhythm, dont stop until you reach your destination. Hard work and persistence is an unbeatable combination.

Virgo
August 23-September 22

You are an integral part of your community and your mere presence helps everyone stay on course. Your creative energy is more obsessive and compulsive today than it is impulsive, enabling you to keep the ship steady no matter the conditions. Nevertheless, you have the ability to step into the center of attention, make your case and take charge, if thats whats required. Your confidence is your ticket to success.

Libra
September 23-October 22

It can feel like an act of futility to try to manifest the wonderful things that appear in your dreams. There is no doubt that powerful cosmic energies are converging on your life, creating the potential for success as well as stress. Unfortunately, you might be tempted to give up if you meet resistance now. Retreating to your safety zone helps you get through the day, but its not a practical prescription for building a happy life. Buddhist teacher Stephen Batchelor wrote, We cannot choose whether to engage with the world, only how to.

Scorpio
October 23-November 21

You arent ready to jump back into the fray, yet you might not have much of a choice in the matter. Whether you must return to work, school or your regularly scheduled routine, youre not interested in wasting your energy performing tasks to satisfy others now. Instead, you need time to assimilate recent experiences so you can apply them for the benefit of all. Mahatma Gandhi said, Live as if you were to die tomorrow. Learn as if you were to live forever.

Sagittarius
November 22-December 21

Your mind may be focused on improving your financial condition and, thankfully, you have the tools to do it. However, success could be elusive if you attempt to head out on your own today. Cosmic indications point to a powerful but relatively silent partner thats already floating around in your environment, even youre not aware of it yet. For now, continue to focus on your goals without being distracted by any recent setbacks. Be patient; help is on the way.

Capricorn
December 22-January 19

Finding professional satisfaction is an uphill battle these days. Even if your goals are well defined, you still may need to revamp them before completing the last part of your adventure. Someone very close to you could complicate your progress by presenting you with an emotional dilemma that distracts you from your agenda. Even if this problem isnt yours, you might be invited to participate in finding a solution -- and you cant really decline. Stephen Covey wrote, The key to life is not accumulation. Its contribution.

Aquarius
January 20-February 18

Your convictions are much stronger than anyone realizes today. In fact, your current optimism can hide the intensity of your optimistic ambitions. You have set your goals high and are quite determined to reach them, whatever the cost. However, your coworkers might write you off as a lightweight now because you dont appear to be all that invested in making your dreams come true. Dont waste time worrying about what others think of your efforts. Ultimately, the fruits of your labor will speak loudly and clearly all on their own.

Pisces
February 19-March 20

Maintaining your position within your work group requires extra diligence today. But if your mind wanders, you could miss something important, leading you to lose face amongst your peers. Oddly enough, the key to unwavering concentration is not managing what you focus on; its owning your sense of self-esteem. When you think less of yourself, you simply wont be able to give one hundred percent on the job. When you value who you are and what you do, everything else will fall into place.
