## TN NWR Bald Eagle/Waterfowl

**Tour** The Tennessee National Wildlife Refuge will once again host the annual Bald Eagle Waterfowl Tour Saturday January 7th from Noon to 5pm. The refuge will offer a free event for the public to enjoy an afternoon to view waterfowl and wildlife on the refuge at the Duck River Bottoms, just south of New Johnsonville. The refuge will open up several roads and areas that are seasonally closed during the winter to limit disturbance to the visiting waterfowl. There will be a two mile self guided tour at the Blue Goose Blvd wildlife drive area and guided bus tours with refuge staff will once again be available this year. The public will meet buses and get information at the refuge sub-headquarters area, and it can be accessed by following the paved road past Pintail Point Observation Deck and turning right at the intersection. Typically each year about 400 people attend the tours and get to see all kinds of waterfowl and bald eagles. It is highly recommended you bring a pair of binoculars to enhance your viewing opportunities. For more information call 642-2091.

**Miss Pearl's Country Cookin'**

**Cheese Fondue**  
*original recipe makes 5 servings*

1 cup dry white wine  
1/2 pound shredded Swiss cheese  
1/2 pound shredded Gruyere cheese  
2 tablespoons all-purpose flour  
1/4 teaspoon salt  
1/4 teaspoon ground nutmeg  
1 (1 lb.) loaf French bread, cut into 1 in. cubes

Simmer wine in fondue pot. Add Swiss cheese, Gruyere cheese, 1/4 pound at a time. Stir after each addition of cheese until melted. Stir in flour. When all the cheese has melted, stir in salt and nutmeg. Serve with cut-up French bread.

**Spare Ribs**  
*original recipe makes 4 servings*

1 (10.75 oz) can condensed tomato soup  
1 onion, chopped  
3 cloves garlic, minced  
1 tablespoon brown sugar  
1 tablespoon Worcestershire sauce  
2 tablespoons soy sauce  
2 pounds pork spareribs  
1 teaspoon cornstarch (optional)  
1/4 cup cold water (optional)

Place ribs in a large stock pot, and cover with water. Bring to a boil, and cook for 15 minutes. In a mixing bowl, mix together soup, onion, garlic, brown sugar, Worcestershire sauce, and soy sauce. Remove ribs from water, and transfer to a slow cooker. Pour sauce over ribs. Cover, and cook on Low for 6 to 8 hours, or until ribs are tender. If sauce is too thin when cooking time is done, drain sauce from ribs, and pour into a sauce pan. Combine 1 teaspoon cornstarch with a small amount of cold water, stir into sauce, and bring sauce to boil. Cook until sauce has reached desired thickness.

**Broccoli Cheese Casserole**  
*original recipe makes 8 servings*

1 (10.75 oz) can cream of mushroom soup  
1 cup mayonnaise  
1 egg, beaten  
1/4 cup finely chopped onion  
3 (10 oz) packages frozen chopped broccoli  
8 oz shredded sharp Cheddar cheese  
salt to taste  
ground black pepper to taste  
2 pinches paprika

Preheat oven to 350 degrees F. Butter a 9x13 inch baking dish. In a medium bowl, whisk together condensed cream of mushroom soup, mayonnaise, egg and onion. Place frozen broccoli into a very large mixing bowl. (I like to use my large stainless steel bowl to mix this recipe thoroughly.) Break up the frozen broccoli. Using a rubber spatula, scrape soup-mayonnaise mixture on top of broccoli, and mix well. Sprinkle on cheese and mix well. Spread mixture into prepared baking dish, and smooth top of casserole. Season to taste with salt, pepper and paprika. Bake for 45 minutes to 1 hour in the preheated oven.

**Pumpkin Chocolate Chip Cookies**  
*Original recipe makes 2 dozen*

1 cup canned pumpkin  
1 cup white sugar  
1/2 cup vegetable oil  
1 egg  
2 cups all-purpose flour  
2 teaspoons baking powder  
2 teaspoons ground cinnamon  
1/2 teaspoon salt  
1 teaspoon baking soda  
1 teaspoon milk  
1 tablespoon vanilla extract  
2 cups semisweet chocolate chips  
1/2 cup chopped walnuts (optional)

Combine pumpkin, sugar, vegetable oil, and egg. In a separate bowl, stir together flour, baking powder, ground cinnamon, and salt. Dissolve the baking soda with the milk and stir in. Add flour mixture to pumpkin mixture and mix well. Add vanilla, chocolate chips and nuts. Drop by spoonful on greased cookie sheet and bake at 350 degrees F for approximately 10 minutes or until lightly brown and firm.

# Your Weekly Love Horoscope

**Aries**  
March 21-April 19

A growing sense of compassion helps you let go of recent conflicts and enjoy the pleasurable experiences to be found within your imagination today. Your mental toughness dissipates once affectionate Venus glides into velvety Pisces and your 12th House of Dreams, redirecting your focus to the awe of spiritual mysteries. Tune into your tender spots instead of pushing your emotions aside for the sake of convenience. Believe it or not, vulnerability reveals your strength. Rumi wrote, "As you live deeper in the heart, the mirror gets cleaner and cleaner."

**Taurus**  
April 20-May 20

Your ideals can blur with the object of your fantasy today, clearing a path to a new romance or rekindling an old one. Thankfully, you pick up solid support and meaningful inspiration from friends and associates when your ruling planet, Venus, enters sympathetic Pisces and your 11th House of Teamwork. But this cosmic generosity is a two-way street; giving selflessly to your peers is a win-win proposition. Ryunosuke Satoro advises, "Let your dreams outgrow the shoes of your expectations."

**Gemini**  
May 21-June 20

Although you might hand over some of your power to those around you, their acknowledgement of your contributions means the world to you now. Fortunately, you may find the recognition you seek once resourceful Venus moves into your 10th House of Status. However, you still must remain singularly focused on your objectives or you'll quickly fall from grace. Don't turn down your ambition just because someone is uncomfortable with the volume. Legendary coach Vince Lombardi taught, "Winners never quit and quitters never win."

**Cancer**  
June 21-July 22

Nurturing relationships and keeping everyone happy can be exhausting, prompting you to plan your great escape. It's all too tempting to think about running away when alluring Venus slips into your 9th House of Faraway Places. Imagine foreign lands where you are free from the responsibilities and complications of your current life. Take these impressions as inspirations for future travel but don't lose touch with the realities of the present moment. You can dream all you want but you must live in the here and now if you want to maintain your integrity.

**Leo**  
July 23-August 22

You can advance your hopes with the help of a supportive partner today, but you must be willing to blend cool logic with impassioned desire. Sweet Venus shifts into dreamy Pisces and your 8th House of Deep Sharing, highlighting a romantic component to partnerships, which can be more about feelings than facts. A cosmic message of compassion smooths the hard edges of your judgment, raises trust and increases your chances for developing more meaningful relationships. Having a soft heart in a cruel world takes real courage.

**Virgo**  
August 23-September 22

Allow yourself the pleasure of sharing time with someone who has no ambition other than to enjoy your company. Instead of building a relationship on hopeful expectations, simply be open to learning from the dance of give and take. Fortunately, kind Venus reveals the power of love and respect as she glides into your 7th House of Partnerships today, attracting compassionate individuals who don't require you to be perfect. As Leonard Cohen sang, "There is a crack in everything, that's how the light gets in."

**Libra**  
September 23-October 22

Balancing your dreams with reality seems to be within reach today but you must work extra hard to achieve the results you desire. Venus enters psychic Pisces and your 6th House of Self-Improvement, helping you figure out what you must do to reach your goals. However, you may be reminded of a hurtful situation from your past, increasing your vulnerability now. Stay strong and resist the urge to run; the potential rewards are well worth the emotional process. Author Robert Collier wrote, "Success is the sum of small efforts, repeated day in and day out."

**Scorpio**  
October 23-November 21

The magic of attraction happens when you are less focused on a goal and simply open yourself up to enjoy whatever or whomever comes your way. The sweet pleasures of love and play are spellbinding once desirable Venus drifts into dreamy Pisces and your 5th House of Romance. Pursuing creative experiences that incorporate music, art or dance enrich your life in countless ways now. Thoreau wrote, "The world is but a canvas to the imagination."

**Sagittarius**  
November 22-December 21

You can work yourself into a state of unhappiness if you continue to look elsewhere for emotional satisfaction. You're not interested in worldly pursuits today; you just want a luxurious taste of peace and quiet. Thankfully, gentle Venus swims into the imaginative waters of Pisces and your 4th House of Security, providing you with a safe and dreamy environment at home. Ram Dass says, "The quieter you become, the more you can hear."

**Capricorn**  
December 22-January 19

You may be lost in a lovely fantasy now, which encourages blind faith and a hyper-positive attitude. Kindness and compassion take priority over duty and deadlines when it comes to matters of the heart. Although you might feel a bit disoriented as sensual Venus begins her dance in spiritual Pisces and your 3rd House of Information today, reconnecting with your dreams replenishes your creativity. Carl Jung wrote, "Your vision will become clear only when you can look into your own heart."

**Aquarius**  
January 20-February 18

The unwavering power of love outshines the emotional rollercoaster ride of yesterday. The ardent Leo Moon heats up your 7th House of Relationships, infusing your personal interactions with an enticing magnetism. As wrapped up as you might be in adoring your partner and being adored right back, don't get carried away by romantic illusions. Somber Saturn steps in to warn you to keep a larger perspective, even when it's hard to tear your gaze from what's right in front of you.

**Pisces**  
February 19-March 20

The stark contrast between romantic ideals and interpersonal realities can initiate a fierce debate between your head and your heart today. Several planets in pragmatic Capricorn convince you to let reason take center stage. However, graceful Venus twirls into your poetic sign, creating waves of emotion and inspiring romantic fantasies. Fortunately, you appear irresistibly desirable now, inviting plenty of attention from others. Prioritizing your personal interests balances your tendency to make too many sacrifices for the sake of a harmonious relationship. Don't surrender your power for love.
