What's Happening?

Shepherd's Table The Shepherd's Table will be having their next supper on Tuesday, October 16, at the First Presbyterian Church of Huntingdon, located at 19835 E. Main Street. Dining will begin promptly at 5pm and the kitchen will be open until 6:45pm. Anyone hungry or seeking fellowship for a meal is invited. The Shepherd's Table is a Community Kitchen created by the members, volunteers and friends of the First Presbyterian Church of Huntingdon. Lead by Co-chairmen and church members, David Ray Carter and his wife, Suzanne, the group achieves its mission each month of feeding all that come through the door. Everyone that attends The Shepherd's Table is treated as a guest and served restaurant style. Guests are taken to a table and seated by a volunteer that takes their order for supper and their drink. The October meal will be a delicious home-cooked entree with various side items and a iced tea or water. A special addition to supper this month will be pies and cobblers furnished by the The Pie Lady, Nicki Cronkright. The volunteers do all of the cleanup, as well. The guests are asked to simply enjoy a delicious meal compliments of the hard-working kitchen staff. The mission of the Community Kitchen was to serve as many people in need of a hot meal as possible. The community kitchen's success is dependent upon guests attending, volunteers and donations. If you know of someone that needs a hot meal or would just prefer to not eat alone please inform them about The Shepherd's Table or better yet bring them by and join. More information about volunteering or donating to the Shepherd's Table may be obtained by

calling The First Presbyterian Church of Huntingdon at (731) 986-5642. If no answer, please leave a message, someone will get back to you as soon as possible. The next supper has already been planned for November 20th, the third Tuesday of the month, at the First Presbyterian Church Of Huntingdon.

HAPNA in the Park Fall Festival

The Historic Atkins Porter Neighborhood Association, or HAPNA, will hold a Fantastic Fall Festival this Saturday October 13th on the grounds of the AP Rec Center at the corner of Walnut and Highland Streets. The free event is sponsored by HAPNA and runs from 11am to 3pm rain or shine. The “Touch a Truck” area features all sorts of emergency vehicles, construction vehicles, and even the Air Evac Lifeteam helicopter. Kids of all ages can get up close to these machines and see what they look like on the inside and out. The Henry County Sheriff’s Office will be grilling lunch, from 11am-1pm, and includes hot dogs, chips, water, and cookies while they last. Donations for lunch are accepted to help the Association fund its many neighborhood activities. Another way to help the association is by downloading the Kroger App, which offers savings plus an opportunity to donate to HAPNA through the Kroger Community Rewards Program. Store employees will be on site during the festival to help attendees work the app. The festival will also feature local arts and crafts vendors, activity booths, Birds of Prey from Paris Landing, and K-9 demonstration from Sheriff Monte Belew and his K9 Si. There’s also a cake walk, photo booth, pumpkins and other grown fall décor for sell, and more. For more information on HAPNA In the Park email Vickey Roberts at vicekyroberts@msn.com or call Mary Hickman at 336-3373. Be sure and like their Facebook page as well.

Name: _____ Phone: _____

Miss Pearl's Country Cookin'

Stuffed Chicken Rolls
6 boneless skinless chicken breast halves (8 oz each)
6 slices fully cooked ham
6 slices Swiss cheese
1/4 cup all-purpose flour
1/4 cup grated Parmesan cheese
1/2 teaspoon rubbed sage
1/4 teaspoon paprika
1/4 teaspoon pepper
1/4 cup canola oil
1 can (10-3/4 ounces) condensed cream of chicken soup, undiluted
1/2 cup chicken broth
Chopped fresh parsley, optional
Flatten chicken to 1/4-in. thickness; top with ham and cheese. Roll up and tuck in ends; secure with toothpicks. In a shallow bowl, combine the flour, cheese, sage, paprika and pepper; coat chicken on all sides. In a large skillet, brown chicken in oil over medium-high heat. Transfer to a 5-qt. slow cooker. Combine soup and broth; pour over chicken. Cover and cook on low for 4-5 hours or until chicken is tender. Remove toothpicks. Garnish with parsley if desired. Freeze option: Cool chicken mixture. Freeze in freezer containers. To use, partially thaw in refrigerator overnight. Heat through slowly in a covered skillet, stirring occasionally, until a thermometer inserted in chicken reads 165°. Yield: 6 servings.

Three Cheese Potatoes
3 large potatoes, peeled and thinly sliced
1 medium onion, chopped
3 tablespoons grated Parmesan cheese
1 tablespoon minced chives
1/2 teaspoon seasoned salt
1/4 teaspoon pepper
2 tablespoons butter
1/2 cup crumbled cooked bacon
1/2 cup shredded mozzarella cheese
1/2 cup shredded cheddar cheese
In a large bowl, combine the first six ingredients. Transfer to a double thickness of greased heavy-duty foil (about 18 in. square). Dot with butter. Fold foil around potato mixture and seal tightly. Grill, covered, over medium heat for 30-35 minutes or until potatoes are tender, turning once. Carefully open foil. Sprinkle bacon and mozzarella and cheddar cheeses over potato mixture. Grill 3-5 minutes longer or until cheese is melted. Yield: 4-6 servings.

Your Weekly Love Horoscope

♈ Aries March 21-April 19	♉ Taurus April 20-May 20	♊ Gemini May 21-June 20	♋ Cancer June 21-July 22	♌ Leo July 23-August 22	♍ Virgo August 23-September 22
A person or project that's new in your life may prove to be a key factor in the flow of events today. Longing for completeness is natural in the human condition. It might prove to be the shared impulse that energizes the evolution of this relationship or enterprise. The quality of your companionship with others reinforces the deep knowledge that you are part of a larger whole, and that your choices matter. Ascep wrote: No act of kindness, however small, is ever wasted.	New modes of operation can be helpful in navigating the ups and downs of daily life today. You might not be as interested in a proposition as others seem to be now, because you easily spot the pitfalls to which virtually everyone else seems oblivious. You may wind up being hailed as miraculously insightful just for pointing out what naturally occurs via your common sense. Graciously accept the compliment and gracefully move on.	Do battle with that little portion of your personality that wants to opt for the easiest possible choice without any interference. Thankfully, with mature evaluation you can decide which option presents the best way to accomplish the job at hand. This choice may or may not be the simplest one, but you can't know for sure unless you consider the full range of possibilities. Coworkers will be suitably impressed by your self-discipline. Send good vibes rippling through the team by setting an example everyone wants to follow.	The pride you take in a heartening presentation is well-earned. Few can match your ability to put an eye-catching amount of personal style in whatever you do, create, or share now. Decorating, cooking, and socializing activities are plentiful in these days of harvest. Thankfully, communication in a parent-child relationship or between siblings may reach a welcome point of a new beginning. The air of spontaneity is refreshing when you follow your natural instincts.	Knowledge of all kinds tends to leap to life today. Words jump right off the page with special fervor, as if there are big secrets that are eager to reveal themselves to your eyes only. Your ability to read between the lines in conversations and text communications is also enhanced, and there could be an almost psychic quality to the effortless way in which you process information. You delight in the depths of wisdom in the energy field. Intellectual receptivity is your greatest ally now.	Each person's attitude toward spending is different today. A lot about an individual's personality may be revealed by an examination of what is said and done about finances. The care or carelessness a person brings to resource management can reflect how other areas of life are treated as well. Look at your own inner world to spot the many ways that material and spiritual values intersect. A meaningful lesson about your values is like a treasure waiting to be discovered. Money is just one form of power.
♎ Libra September 23-October 22	♏ Scorpio October 23-November 21	♐ Sagittarius November 22-December 21	♑ Capricorn December 22-January 19	♒ Aquarius January 20-February 18	♊ Pisces February 19-March 20
Self-understanding is a lifelong process. Needs and interests naturally change. Catching up with your evolving sense of identity is at the top of your list. You can clearly see there are things about your current lifestyle that you're outgrowing. A job or relationship that previously fit just right may feel constraining now. There is no time like the present when adjustments must be made. Creating room in your garden allows you to plant more seeds for personal growth.	A blur is spied from the corner of your eye or an image rages at your subconscious. These little brushes of the otherworldly are commonplace today, putting you in touch with energy that feels magical and mystical to your soul. It's not always the obvious which grabs the most attention. Japanese author Junichiro Tanizaki wrote: Find beauty not only in the thing itself but in the pattern of the shadows, the light and dark which that thing provides. Deep insight is stirred and your curiosity is piqued to new heights.	A lot of running can be done today, but not a lot of hiding. By facing an awkward issue or necessary challenge head-on, you can bring more grit and energy to it than by frittering away your vitality in avoidance. Affirmation comes by working your way through to victory, translating into an invigorating boost to your self-esteem now. And in strictly practical terms, it's really nice to get that annoying weight of dreaded responsibility off your shoulders. A big win can be aced if you're willing to do the work.	Encouraging signals about your status or the future of a creative venture are abundant now. It is said that fortune favors the bold, and there are a lot of ways that the truth of that proverb applies as you go about your daily activities and interactions with others. Do out the sincere respect that you wish to receive and magic can happen in the unlikelyst places. Actively participating in the creation of good karma enables you to sleep better at night.	Looking at something from this angle, that angle, and yet another angle keeps the mind busy. But production demands results today. Sure, there's a lot of guesswork, speculation, and planning that goes into the process of materializing an abstract idea. But if intuition unarguably tells you that the time for making something tangibly real has arrived, suck in a deep breath and take that empowering plunge. Dive while the water is deep.	An interesting talk with a trusted group of friends or a heart-to-heart with someone admired can move your outlook in an optimistic direction today. It might appear like a problem or challenge is specific to you and to you alone now. But if you ask around, you'll almost certainly discover that many others have gone through something similar. The ways they've achieved success can trigger plenty of good ideas about how you can do the same. Learning from others' experience saves you time and energy. There's no need to reinvent the wheel when your talents are in demand elsewhere.
