# The Tabernacle Experience

Personal • Intimate • Narrated • Interactive • Educational • Spiritual

## Your Journey Awaits

Take a Life Transforming Journey through a  
Full Scale Replica of the Tabernacle of the Wilderness

The Tabernacle Experience is not a museum. It is not a theatre production. The Tabernacle Experience is an Encounter with the Living God!

One step inside the Tabernacle Courtyard will translate you into Old Testament times. You will experience a day in the life of an Old Testament priest as you engage in the duties and rituals within the Tabernacle.

The truths of the Tabernacle are life changing. The Tabernacle Experience is a tangible, multi-sensory encounter that will stir your emotions and faith in the person of Jesus Christ.

**October 21-29, 2017**  
**Eiffel Tower Park in Paris, TN (1020 Maurice Field Dr.)**  
**For more information call: 731.641.8822 or email: cgerrell@tvcc.us**

Tickets are free, but required for a set time. The experience lasts for about 45 minutes and is a self guided walking tour.

# Miss Pearl's Country Cookin'

### Apple Sauce

*original recipe makes 4 servings*

6 cups apples - peeled, cored, chopped  
3/4 cup water  
1/8 teaspoon ground cinnamon  
1/8 teaspoon ground cloves  
1/2 cup white sugar

In a 2 quart saucepan over medium heat, combine apples, water, cinnamon, and cloves. Bring to a boil, reduce heat, and simmer 10 minutes. Stir in sugar, and simmer 5 more minutes.

### Tatertot Bake

*Original recipe makes 6 servings*

1 pound ground beef  
1 onion, chopped  
salt and pepper to taste  
1/2 (32 oz) package tater tots  
1 (10.75 oz) can condensed cream of mushroom soup  
1/2 cup milk  
1 1/2 cups shredded Cheddar cheese

Preheat oven to 350 degrees F. In a large skillet over medium-high heat, brown the ground beef with the onions. Drain excess fat, and season with salt and pepper to taste. Spread the beef mixture evenly over the bottom of a 2 quart casserole dish. Arrange tater tots evenly over beef layer. In a small bowl, stir the soup into the milk until smooth; pour over tater tot and beef layers. Sprinkle Cheddar cheese evenly over the top. Bake in preheated oven for 30 to 40 minutes, until cheese is bubbly and slightly brown.

### Mini Cheesecakes

*original recipe makes 48 mini cakes*

1 (12 oz) package vanilla wafers  
2 (8 oz) packages cream cheese  
3/4 cup white sugar  
2 eggs  
1 teaspoon vanilla extract  
1 (21 oz) can cherry pie filling

Preheat oven to 350 degrees F. Line miniature muffin tins (tassie pans) with miniature paper liners. Crush the vanilla wafers, and place 1/2 teaspoon of the crushed vanilla wafers into each paper cup. In a mixing bowl, beat cream cheese, sugar, eggs and vanilla until light and fluffy. Fill each miniature muffin liner with this mixture, almost to the top. Bake for 15 minutes. Cool. Top with a teaspoonful of cherry pie filling. Pour cooled mixture into an ice cream maker, and freeze according to the manufacturer's instructions.

### Cheesesteak Egg Rolls

*original recipe makes 8 eggrolls*

1 tablespoon vegetable oil  
1 onion, chopped  
1 (12.5 oz) package frozen sandwich steak meat  
1 (14 oz) package egg roll wrappers  
4 slices American cheese, halved  
2 cups oil for frying, or as needed  
1/4 cup ketchup

Heat skillet with the tablespoon oil over medium heat. Add onion; cook and stir until onion is translucent, about 5 minutes. Break frozen steak pieces into skillet; cook and stir until steak is no longer pink, about 10 minutes. Remove from heat and set aside. Arrange egg roll wrappers on a flat surface; place a half slice of

cheese on each one. Layer an equal amount of steak mixture on top of each cheese slice. Roll up egg rolls according to package directions, and seal edges, wetting with water if necessary. Heat 1 inch of oil in a large skillet, or preheat a deep-fryer to 375 degrees F. Fry the rolls in the hot oil until golden brown on all sides, about 5 minutes. Remove; drain on paper towels. Serve warm with ketchup for dipping.

# Your Weekly Love Horoscope

**Aries**  
March 21-April 19

You're ready to jump into an uncomfortable relationship discussion because you believe your words can act as a healing balm. Giant Jupiter shifts into your 8th House of Deep Sharing, encouraging you to step beyond light-hearted chatter. You have no shortage of thoughts to discuss, but if your intervention just sounds like noise to the others involved, they might want you to stop talking. Zig Ziglar wrote, "People don't always need advice. Sometimes all they really need is a hand to hold, an ear to listen and a heart to understand them."

**Taurus**  
April 20-May 20

You might profess your attraction to someone, only to find your feelings thwarted. Romantic Venus opposes wounded Chiron in your 11th House of Social Networking, stressing the boundaries between friends and lovers. Thankfully, buoyant Jupiter moves into your 7th House of Others, inspiring you to look past any current uncertainties to see the positive potential of relationships. You probably won't reach the satisfaction you desire now, but you can salvage an awkward situation through honest dialogue. Novelist Rita Mae Brown wrote, "Language exerts hidden power, like the Moon on the tides."

**Gemini**  
May 21-June 20

Meaningful connections are elusive today, leaving you to wonder what you are missing. Everyone seems to be on your case, judging your behavior for no reason at all. However, the world is not necessarily out to get you; your current attitude has a larger impact on the reactions you receive than you realize. Nevertheless, you won't likely fix everything now, regardless of what you do. Thankfully, beneficent Jupiter takes up residence in your 6th House of Details, rewarding small steps in the right direction. Slow progress is still progress.

**Cancer**  
June 21-July 22

Explaining your feelings sounds like more trouble than it's worth today. You're content to pass your time hiding out under the covers, but unfortunately, the world might not let you escape so easily. You must push through your own resistance and step into the spotlight now. Luckily, auspicious Jupiters shift into your 5th House of Fun and Games means your party is ready to start. Unfortunately, managing your emotions is mandatory before you go out to play.

**Leo**  
July 23-August 22

You're happiest today when you are in the company of your closest friends and family. Jupiters move into your 4th House of Domestic Conditions resonates with your desire for emotional security. You're not interested in wasting your time or energy on irrelevant projects, but you are willing to do whatever is necessary to rejuvenate your system. Nevertheless, it's all too easy to be swayed by gloss and glitter because you're feeling so restless now. George Lucas said, "Always remember, your focus determines your reality."

**Virgo**  
August 23-September 22

When it's quiet today, you quickly long for a distraction. But when it's noisy, you remember how much you prefer silence. Either way, you want what you don't have. However, excessive Jupiter's entry into your 3rd House of Communication increases your need for heartfelt interactions. Unfortunately, satisfaction is impossible when you expect more than what is available. Thankfully, you can change your mind quickly now, enabling you to move with the fluctuating tides. Joseph Campbell wrote, "We must let go of the life we have planned, so as to accept the one that is waiting for us."

**Libra**  
September 23-October 22

An old emotional wound may resurface today, preventing you from realizing a dream. Spending time exploring your fantasies sounds like fun, but actualizing them requires a considerable amount of work. Fortunately, you can enjoy envisioning your next great adventure without actually going there yet. Optimistic Jupiter steps into your 2nd House of Self-Esteem, inviting you to consider the relationship between your long-term goals and your past accomplishments. Don't wait for the next opportunity to knock at your door. Fine-tuning your plan now ensures your future success.

**Scorpio**  
October 23-November 21

You are standing on the precipice of a wondrous journey. Joyful Jupiter enters transformational Scorpio and your 1st House of Self for a yearlong visit, closing one chapter of your life and opening the next. Reflect over the past year to reassess your successes and your failures. Take an inventory of all unfinished business so you can effectively allocate your time. More importantly, create a sweeping new list of ambitious goals for your future. You don't need to set sail today as long as you aim yourself in the right direction.

**Sagittarius**  
November 22-December 21

You have a new theme song today. Harry Nilsson sang, "Everybody's talking at me, but I can't hear a word they're saying, only the echoes of my mind." The loquacious Gemini Moon in your 7th House of Others might be enough to fill your world with an endless stream of verbal yammering. However, its boisterous Jupiters presence in your 12th House of Soul Consciousness that creates the psychic reverberations in the vast halls of your imagination. You have a choice to make now; let your dreams fade away or make them come true.

**Capricorn**  
December 22-January 19

There are so many items on your to-do list that you don't know where to start. It may even feel like a hopeless cause, since you surely won't be able to complete all of your work now. Thankfully, bountiful Jupiter enters your 11th House of Long-Term Goals, shifting your focus from the specifics of today's chores to the generalities of tomorrow's horizons. Nevertheless, you can't just walk out on your current responsibilities. Put your shoulder to the wheel and hold up your end of the deal.

**Aquarius**  
January 20-February 18

Although your mind is overflowing with a surplus of innovative thoughts today, they won't necessarily lead to a productive outcome. Nevertheless, propitious Jupiter moves into your 10th House of Career, increasing your chances for a promotion. Don't let an ingenious idea or ambitious plan fade back into the shadows of your subconscious mind before you have a chance to act on it. Instead of leaving your future in the hands of fate, take it into your own hands. Goethe wrote, "Whatever you can do, or dream you can do, begin it. Boldness has genius, power, and magic in it."

**Pisces**  
February 19-March 20

You try to avoid doing anything that creates unnecessary stress today. However, your personal life is a source of emotional turmoil now that romantic Venus opposes wounded Chiron in your sensitive sign. Meanwhile, journeying Jupiter enters your 9th House of Distant Horizons, and your immediate concerns dissipate as you look further into your future. But your optimism is not sufficient to put bread on your table. Author Alan Cohen wrote, "There is virtue in work and there is virtue in rest. Use both and overlook neither."
