Blast from the Paris 5k & 1 Mile Fun Run In honor of Bethel University's 175th year, this year's homecoming 5k will be a Blast From The Past run. Dress in your favorite attire from the 90's, 60's, or even from the 1840's! Bethel's been through all of them! Participants can choose to run in the traditional 5k, or take part in our 1-mile fun-run. This event is sponsored by the Bethel University Physician Assistant Program. All proceeds are benefiting the NBIA Disorders Association, an organization that supports the families and children affected by this rare brain disorder. The race will begin on Saturday, October 22nd at 8 am. Registration will begin at 7:30 am. Registration for the 5k is \$20, and registration for the 1-mile fun-run is \$10. If you pre-register online you will receive a \$5 discount. Pre-register at <https://paco2018.eventsmart.com/events/blast-from-the-past>. Please contact Bethel Physician Assistant Program with any questions at 731-407-7660 or orahartung47@bethelu.edu.

The Trinity United Methodist Church in Paris experienced another milestone Tuesday with the installation of the steeple and the Methodist Church's unique cross and flame insignia atop the building. The original church was destroyed by fire last year and following community fund-raising efforts, is being rebuilt by the Wyatt Owens Construction Co. in Paris. Architects and contractors had estimated the new church will be completed by Thanksgiving and it appears to be on target for that.

DUN-FOUND-IT GAME FOR OCTOBER 13, 2016

Name: _____ Phone: _____

Miss Pearl's Country Cookin'

Baked Zucchini Chips

Original recipe makes 4 servings

3 small zucchini, sliced into 1/4-inch rounds
2 tablespoons olive oil
1/2 cup Italian-seasoned bread crumbs
2 tablespoons grated Parmesan cheese
2 teaspoons fresh oregano

Preheat oven to 350 degrees F. Place zucchini in a bowl. Drizzle olive oil over zucchini and stir to coat; add bread crumbs and toss to coat. Spread coated zucchini onto a baking sheet. Sprinkle Parmesan cheese and oregano over coated zucchini. Bake in the preheated oven until zucchini are tender and cheese is browned, about 15 minutes.

Frosted Banana Bars

original recipe makes 3 dozen

1/2 cup butter, softened
1 1/2 cups white sugar
2 eggs
1 cup sour cream
1 teaspoon vanilla extract
2 cups all-purpose flour
1 teaspoon baking soda
1/4 teaspoon salt
1 cup mashed ripe bananas
1 (16 oz) container cream cheese frosting

Preheat oven to 350 degrees F. Grease a 10x15 inch jellyroll pan. In a large bowl, cream together the butter and sugar until smooth. Beat in the eggs, one at a time, then stir in the sour cream and vanilla. Combine the flour, baking soda and salt; stir into the batter. Finally, mix in the mashed banana. Spread evenly into the prepared pan. Bake for 20 to 25 minutes in the preheated oven, until a toothpick inserted into the center comes out clean. Allow bars to cool completely before frosting with the cream cheese frosting.

Bacon Stuffed Mushrooms

original recipe makes 6 servings

4 slices bacon
2 (12 oz) packages fresh white mushrooms
3 tablespoons butter, melted
6 pitted black olives, finely chopped
1/4 cup finely chopped green onion
1 teaspoon oil-packed minced garlic
1/2 teaspoon salt
1/4 teaspoon ground black pepper
1 pinch cayenne pepper
1 tablespoon all-purpose flour
1/4 cup milk
4 slices Swiss-flavored American cheese, chopped
3 tablespoons grated Parmesan cheese

Preheat oven to 375 degrees F. Place bacon in a large skillet and cook over medium-high heat, turning occasionally, until evenly browned, about 10 minutes. Transfer bacon slices to paper towels, reserving bacon drippings in the skillet. Crumble bacon when cooled. Remove stems from mushrooms and set stems aside. Place mushrooms, hollow sides up, on a baking sheet; brush the insides with melted butter. Chop mushroom stems; cook and stir chopped stems, black olives, green onion, and crumbled bacon in the bacon drippings over medium heat until mushroom stems release their liquid, about 5 minutes. Add garlic, salt, black pepper, and cayenne pepper; stir to coat. Tilt the skillet slightly; move vegetable-bacon mixture to one side, allowing the bacon drippings to pool to the other side. Whisk flour into bacon drippings until smooth and paste-like; slowly stir in milk until gravy is smooth. Mix vegetable-bacon mixture into the gravy. Add American cheese and Parmesan cheese; cook and stir until cheeses melt, about 5 minutes. Spoon filling into mushroom caps. Bake in the preheated oven until mushrooms are tender and filling is lightly browned, about 20 minutes. Remove mushrooms from baking sheet and cool on platter for 2 minutes before serving.

Pizza Shepherd's Pie

original recipe makes 6 servings

1 pound lean ground beef
2 (14.5 oz.) cans diced tomatoes with garlic and basil, drained
1/4 teaspoon ground black pepper
2 cups shredded mozzarella cheese
3/4 pound frozen pizza dough, thawed
Preheat oven to 375 degrees F. Cook and stir beef in a large skillet over medium-high heat, stirring occasionally and breaking up lumps, until no longer pink, 3 to 4 minutes. Drain beef and return to skillet. Add tomatoes and black pepper to beef; bring to a simmer and cook until slightly thickened, about 5 minutes. Spoon mixture into a 9-inch deep-dish pie plate. Scatter mozzarella cheese over the top. Stretch pizza dough over top with your hands, pressing it onto the edge of the pie plate. Bake in the preheated oven until crust is golden brown, about 30 minutes. Let stand 10 minutes before cutting.

Your Weekly Love Horoscope

Aries
March 21-April 19

Let someone who enters your life now show you what you've been missing. Talkative Mercury joins broad-minded Jupiter in your 7th House of Others, widening your horizons of thought and opening vistas of infinite possibilities. There's no reason to be resistant to new ideas, even if you think you know better. Ultimately, what you learn today will be beneficial in ways you cannot yet realize as long as you rein in your current tendency to exaggerate. The best teachers are students for life.

Taurus
April 20-May 20

Your mind expands with big ideas today, but too much information coming at you too fast leaves you dizzy. Multiple streams of incoming data can be overwhelming, so don't expect to understand everything right away. Your inclination to over-explain adds confusion when brevity would help you make your point. In fact, you can create the strongest impact now by tempering your enthusiasm enough to maintain a practical approach to everything you do.

Gemini
May 21-June 20

A noticeable change in the cosmic weather widens your perceptions, allowing you to see opportunities you previously missed. Your confidence grows as waves of excitement invite you to explore new methods of self-expression. Logical Mercury's collision with buoyant Jupiter inspires you to be optimistic about your future. You have no problem imagining how your life can improve now, so share your story with people who can help you achieve your dreams. Mahatma Gandhi said, "The future depends on what you do today."

Cancer
June 21-July 22

Recent disappointments quickly fade into the past as clever Mercury joins lucky Jupiter to tell a happy tale. Thankfully, you can make your case with an imaginative flare as long as it rings true with your feelings. This joyful conjunction activates your 4th House of Roots, attracting you to memories of your past. However, you may feel uncertain until you integrate your history with the potential of the present moment. Remember, it's not about where you begin, but where you are going. Rather than re-playing old tapes, create a new playlist for your next big adventure.

Leo
July 23-August 22

Your generosity of spirit creates enough space to discuss conflicting beliefs in an open-minded way today. Nevertheless, a chatty Mercury-Jupiter conjunction in your 3rd House of Communication prompts you to justify your intentions, although you may add more confusion than clarity. Even if you have all the facts at your disposal to prove your theory, you could inundate others with too much information. If you realize you're not making headway today, back off until you settle down emotionally. Being selective in your presentation is more effective than saying everything at once.

Virgo
August 23-September 22

Optimism overrules common sense today, but it's not enough to simply believe you are right. A bombastic Mercury-Jupiter conjunction insists that you tell others everything you know but you may grow less confident of your conclusions as the day unfolds. Share what's on your mind while visionary Jupiter is still brushing away any doubts, enabling you to clearly communicate your highest ideals. In order to succeed, you must first believe you can.

Libra
September 23-October 22

You can readily break down complex subjects into simple concepts today, making you an exceptional student and a highly effective teacher. The communication planet Mercury joins outspoken Jupiter in your sign to kick your thinking up another notch. Routine tasks may become especially boring as you seek intellectual stimulation from innovative ideas. People will listen when you speak as long as you tailor your comments to their level of interest and ability. Every performer knows how important it is to connect with the audience to create a memorable experience.

Scorpio
October 23-November 21

Grandiose ideas flow quickly, making it difficult to miss the positive inspiration that you bring to others now. However, analytical Mercury's conjunction with philosophical Jupiter can make you more opinionated than ever. If you're looking for a good debate, then speak up today. However, Jupiter tends to inflate your feelings, so small slights can feel like major insults. Nevertheless, your generosity and idealism shine through your words if you concentrate on spreading love and kindness.

Sagittarius
November 22-December 21

Changing your attitude now is the simplest way to improve your future. You are blessed with an irrepressible desire to manifest your dreams as intellectual Mercury joins jolly Jupiter in your 11th House of Long-Term Goals. Even if you don't have a specific plan, you believe that everything will work out for the best. Just remember that overconfidence can easily lead to arrogance today, possibly stirring up opposition from those who would be better allies than enemies. A grateful mind keeps your ego in check.

Capricorn
December 22-January 19

Your mental landscape is brilliant but erratic now as wonderful insights combine with totally outrageous ideas. You're swamped with wild speculations about your career potential, even if the details of your plans are still sketchy. Pushing the limits of your potential can feel awkward today at first, but that doesn't mean it's the wrong thing to do. Remember that you're not out to prove your point, but to effect change as best you can. Your power of persuasion is strong as long as you're able to temper your optimism with realism.

Aquarius
January 20-February 18

The last vestiges of discouragement dissipate today, and once again you can clearly see where you are going. Nevertheless, intelligent planning is key to your current success. Although you want others to play a role in your agenda, you're not prepared to share too many details. Too much information makes it harder for anyone to know where to jump in; rambling on only dilutes your important message. William Shakespeare wrote, "Brevity is the soul of wit."

Pisces
February 19-March 20

Sometimes it's better to let go and start all over than to stick with a plan whose time has passed. Thankfully, fresh ideas enable you to leave old ones behind when mental Mercury joins positive Jupiter. Your capacity to understand new concepts about intimacy may be enhanced by a skillful teacher since this conjunction occurs in your 8th House of Deep Sharing. Ultimately, your enthusiasm convinces others to surpass their own limits, infusing more passion into any partnership.
