Atrial fibrillation, a common heart rhythm problem, was making Larry Forbess feel weak.

"I couldn't do much. I felt really faint, kind of drained, and unsteady on my feet."

He sure didn't feel like going for a ride with his wife on their Harley.

"I feel so much better and this was so easy."

- Larry Forbess

He chose Dr. Shawn Baldwin, an electrophysiologist with West Tennessee Heart and Vascular Center's Heart Rhythm Clinic, where they inserted a tiny balloon in a vein to freeze electrically active tissue in his heart. This minimally invasive procedure decreased Larry's symptoms and risk of stroke.

Larry and his wife now have more trips planned.

PERSON TO PERSON

Hi! WWCF, 56, 5'2", looking for a gentleman, preferably 60+, who loves God first and wants some company to do things with, like long drives in the country, traveling, camping in good weather and fishing if you bait my hook and take the fish off! I'm a non-smoker and nondrinker. I love animals of all kinds and have a few. Looks are not important to me, the heart is. I would like if you were comfortable talking, but just as comfortable not having to talk and be ok with each other's silence. I am interested in what you likes are too. We don't have to be soulmates to enjoy each other's company, but wouldn't it be nice if it turned out that way? PTP 473

SWM, 58, 5'11, looking for SWF, 40-60, for friendship and maybe more. I am disabled but not down. Looking for someone who doesn't smoke, drink or do drugs. I like flea markets, old cars, long drives, auctions. Tired of sitting at home. PTP300

WM Looking for good lady 75 to 85 to go out to eat and travel by vehicle, to help with the driving on trips and stay in motels - all to be paid for by me. I am retired with good income, own my own home and late model vehicle - all paid for. Not looking for sex or a home. I live in Murray, KY. 5'11", 169 lbs. some hair yet I am 80+, but will pass for 70 or so. Always happy. My wife passed on 7 years ago. Don't drink or smoke or do drugs. Don't have any cats or dogs to hold me back and hop you don't. PTP 476

White female, brown hair, green eyes, 5'4", 122 lbs., non-drinker, I do smoke. Interested in man wanting a long term relationship. Man between 55 to 69. I like playing Texas Hold 'Em, yard sales, fishing, taking rides together. Must like animals, I have a dog - part wolf. I have my own home. No cheaters or goldiggers - had one of those and he broke my heart. No bald men, no heavy set men, no salesmen. I live in Big Sandy, TN. Please be a nice man - send phone number. PTP 477

WWF, 55, strawberry blonde hair, green eyes, 5ft. plump. Looking for friendship for now, maybe something serious later. Any WM looking for some, will answer all. Any man who has old values that we grew up with, but somehow have forgotten. Honesty, truthfulness, faithfulness, respect. I smoke, so smokers okay, don't drink, but I don't mind social drinkers. Get in touch and find out how much we have in common. PTP 478

SWM looking for SWL Christian, 45-60, for friendship first and see where it goes. PTP377

SWF, looking for a SWM for a honest relationship. I'm 58, no children, old Southern woman, like the old music and loves to be outdoors. Tired of all the games and the cheaters, if you don't want a good woman then don't answer me. But if you want a good person from the old school who will be there for you then you need to talk to this pretty blonde, blue eyed woman. I live in Erin, TN, close to Dover and Paris. I'm a boat cook on the Mississippi River and I'm 5'6" and 150lbs. PTP 479

Your Weekly Love Horoscope

Aries March 21-April 19

Just as the bumps on the road of life seem to smooth out, another obstacle stops you in your tracks today. Maybe you miscalculated the amount of work on your plate or perhaps you missed a pertinent piece of information. No matter what, there's no reason to complain. You might be self-critical because you could have seen the potential trouble if you paid closer attention. But instead of wasting energy second-guessing things you can't change, take care of the most immediate concerns as quickly as possible. The good news is your I-can-do-it attitude is both constructive and contagious.

Taurus April 20-May 20

You might try to hide your actions today because you're afraid of others misjudging your behavior as frivolous. You may believe you don't have anything important to add to the conversation, but chances are you just need more time to decide how to express yourself clearly. Don't worry about how anyone else will react. Just tell the truth exactly as you see it now; it's unlikely that you will be faulted for speaking from your heart if your message is authentic.

Gemini May 21-June 20

Your serious mood can have a negative impact on your coworkers today while unresolved issues sneak back into your awareness to haunt you. Oddly enough, you may experience a weird mix of excitement and concern as memories are triggered by someone close to you. Your attempts to avoid a meaningful discussion probably won't be successful now. Act proactively and start a conversation about what's on your mind instead of trying to ignore the truth. Wake up and take the initiative; it might as well be you who gets the ball rolling.

Cancer June 21-July 22

People may think you're being overly critical today, though you might not see yourself in this light. Your current sobering perspective stems from an apparent weak link in someone's story, and you're not willing to support a plan based upon sloppy logic. Don't try to bury your feelings; instead, just change the tone of your words. You can be honest without blaming anyone else in the process. Honoring your integrity is all that truly matters now.

Leo July 23-August 22

You could reach a turning point today as you secretly obsess about your shortcomings. Naturally, everyone has a regret or two; there are always things you could have done better or, perhaps shouldn't have done at all. Instead of pursuing perfection now, it's wise to just accept your limitations and admit that you are a flawed human. There's no time to throw a pity party. Shift your trajectory by compiling a list of everything you do well. The power of positive thinking tips the scales in your favor.

Virgo August 23-September 22

Your renowned analytical skills are operating on overdrive now that an exacting electric Mercury-Uranus alignment focuses your mind like a laser beam. Unfortunately, controlling the energy is out of the question today. There's no reason to undermine others with your sharp criticism; nothing is currently gained by nitpicking their work. Providing constructive feedback enables you to suggest potential improvements without resorting to negativity. Use your power of discernment wisely to bring out the best in everyone.

Libra September 23-October 22

You may feel stuck in a rut of routine in spite of your current craving for excitement. In fact, you could grow rather disillusioned today about your future prospects. Although a recent disappointment might deepen your malaise, don't make despondency a regular habit because your life is about to change for the better. Instead of reminiscing about an event in the past, switch your focus now and imagine the best possible scenario that could be waiting for you just around the next corner.

Scorpio October 23-November 21

Understanding where your life is leading these days is a real mystery; nevertheless, you believe you would be happier if you knew where to look for answers. Your pessimistic outlook weighs heavily on your heart and the burden of responsibilities you feel may not even be your own. Unfortunately, you can't invent an easy remedy to cure your current blues today. Believe it or not, simply accepting your current uncertainty could be enough to transform your despair into hope. Don't lose faith in your dreams; the clouds will dissipate and the Sun will come out sooner than you think.

Sagittarius November 22-December 21

People seem to come out of the woodwork to tell you exactly what's wrong with your new plan today -- even if you're not asking for any feedback. Unfortunately, others aren't necessarily tactful in their assessment of your ideas. Additionally, you could be so sensitive now that you might make matters worse by responding ungraciously. Don't dwell on the negative; you have too much to do and there's no point in entertaining unproductive thoughts. Things will quickly improve once you stop talking and start listening.

Capricorn December 22-January 19

You're motivated to put extra time and effort on the job today or, perhaps, you're eager to add your expertise to a community project. Either way, your optimism is flagging now, leaving you with a sense of vulnerability about your future. Although you might wonder if all your hard work is actually worth it, it's not wise to retreat. Abandoning your plans won't help anyone; just be more realistic about your expectations so you can actually reach your goals on schedule. All is not lost if you keep a healthy perspective.

Aquarius January 20-February 18

Thinking about having fun is nearly impossible today while the dynamics at work are so serious. You might give up your dream for an upcoming getaway because you don't have enough time. It's prudent to focus your energy on something more practical that contributes to your stability, rather than escaping on a whimsical adventure. Sticking close to home makes good sense now; so don't push beyond safe limits until you feel as if you're back on more stable ground. Taking care of unfinished business is your first step to regaining control of your life.

Pisces February 19-March 20

If someone delivers a harsh message today, you really don't have to blindly accept his or her interpretation of reality. Nevertheless, if you trust the source, you may be overly susceptible to what you hear. Listen carefully to what others say now, but don't take anything too personally. Luckily, you can put whatever you learn into motion to improve your game if you assimilate the facts without an emotional charge. Remember, those close to you might truly have your best interests at heart.

PERSON TO PERSON

DWM, 5' 7.5", 200lbs., age 55, looking for WF 45-55. I like yard sales & flea markets, eating out at times. I don't smoke but I do drink, not heavy. If interested write and enclose photo if possible. PTP 480

WWF, age 70 but told I look 60. I love traveling, reading, music, yard sales, computers. Love to cuddle and give lot of attention to one special man. I am very honest, loyal, one man woman. I am fully retired so have lots of time on my hands. I do not smoke and I am "allergic" to all smoke, including cigars. I do occasionally like to have on of those frozen drinks or a glass of red wine but I'm not a regular drinker. I love the beach, mountains, etc. I live in Jackson, TN but I have a camper on KY Lake in Springville and I love to spend time there. Just a country girl at heart and I am a retired nurse. Love cruises as they are so "romantic" and been on several and want to go again. I am not interested in smokers, heavy drinkers or "druggies". Also no "gold diggers". Forgot to say I'm 5'7" tall, reddish blonde hair, and full figure (not fat). I dress stylish and never see a stranger. I have 2 small dogs that are seniors and sleep all day. They are clean, non-shed, well trained and well mannered. I lost my chihuahua to congestive heart failure very recently! I will call all that leave me a phone number. I am not into fun, casual relationships, only serious older gentlemen that are very romantic and know what they want. PTP 474

DWM, 60's, retired, looking to meet WF, 55-65, non-smoker of average height and weight with good sense of humor. I like to travel, go to auctions, go to church. I am a dog owner. Will respond to all letters. Looking forward to hearing from you. PTP384
