Who Needs Christmas?

<p>December 3: Kevin Does - Home Alone</p> <p>December 10: The Grinch Does - Heart Change</p>	<p>December 17: Clark Griswold Does - "Huge Expectations"</p> <p>December 24: Ralphie Does - Hope Misplaced</p>
---	---

- Services at 8am, 9:30am, & 11am -

At TVCC this holiday season, we're asking the question, "Who needs Christmas?" As it turns out, we all do. So we've decided to have some fun by looking into the lives of 4 very familiar Christmas movie characters.

Through the eyes of Kevin, who is Home Alone, we'll examine the loneliness one can experience this time of the year. Through the eyes of The Grinch, we'll examine some heart issues we may have in our own lives. Through the eyes of Clark, we'll examine some of our unrealistic expectations, especially prevalent during the Christmas season. And finally, through the eyes of Ralphie, we'll examine what happens if we fail to focus on the right gift.

If you need Christmas to be different this year, the "Who Needs Christmas" will be the best gift you give yourself. Join us as we endeavor to have a little fun, yet at the same time empathize with Kevin, The Grinch, Clark, and Ralphie! We ALL need Christmas - so be sure to invite everyone!

Miss Pearl's Country Cookin'

Tuna Melt

2 5-ounce cans chunk light tuna drained
1 medium shallot, minced (2 tablespoons)
2 tablespoons low-fat mayonnaise
1 tablespoon lemon juice
1 tablespoon minced flat-leaf parsley
1/8 teaspoon salt

Preheat broiler. Combine tuna, shallot, mayonnaise, lemon juice, parsley, salt, hot sauce and pepper in a medium bowl. Spread 1/4 cup of the tuna mixture on each slice of toast; top with tomato slices and 2 tablespoons cheese. Place sandwiches on a baking sheet and broil until the cheese is bubbling and golden brown, 3 to 5 minutes.

Almond Crusted Chicken Fingers

Canola oil cooking spray
1/2 cup sliced almonds
1/4 cup whole-wheat flour
1 1/2 teaspoons paprika
1/2 teaspoon garlic powder
1/2 teaspoon dry mustard

Preheat oven to 475°F. Line a baking sheet with foil. Set a wire rack on the baking sheet and coat it with cooking spray. Place almonds, flour, paprika, garlic powder, dry mustard, salt and pepper in a food processor; process until the almonds are finely chopped and the paprika is mixed throughout. Drizzle in oil; process until combined. Transfer the mixture to a shallow dish. Whisk egg whites in a second dish. Add chicken tenders and turn to coat. Transfer each tender to the almond mixture; turn to coat evenly. Place the tenders on the rack and coat with cooking spray; turn and spray the other side. Bake the chicken fingers until golden brown and crispy 20 to 25 minutes.

Warm Snow Pea & Chicken Salad

1 pound boneless, skinless chicken breast, trimmed
1 14-ounce can reduced-sodium chicken broth
3 tablespoons rice vinegar
3 tablespoons reduced-sodium soy sauce
3 teaspoons toasted sesame oil, divided

Place chicken in a medium skillet or saucepan and add broth; bring to a boil. Cover, reduce heat to low, and simmer gently until cooked through and no longer pink in the middle, 10 to 12 minutes. Transfer the chicken to a cutting board to cool. Shred into bite-size pieces. (Cool and refrigerate the broth, reserving it for another use.) Meanwhile, whisk vinegar, soy sauce, 2 teaspoons sesame oil and tahini (or cashew butter) in a large bowl until smooth. Heat the remaining 1 teaspoon oil in a large nonstick skillet over medium-high heat. Add ginger and garlic and cook, stirring, until fragrant, about 1 minute. Stir in slivered peas and cook, stirring, until bright green, 3 to 4 minutes. Transfer to the bowl with the dressing. Add the chicken to the bowl with the peas; toss to combine. Serve sprinkled with cashews.

Peanut Butter Truffles

1/2 cup crunchy natural peanut butter
1/4 cup finely chopped salted pretzels

Combine peanut butter and pretzels in a small bowl. Chill in the freezer until firm, about 15 minutes. Roll the peanut butter mixture into 20 balls (about 1 teaspoon each). Place on a baking sheet lined with parchment or wax paper and freeze until very firm, about 1 hour. Roll the frozen balls in melted chocolate. Refrigerate until the chocolate is set, about 30 minutes.

Your Weekly Love Horoscope

Aries

March 21-April 19

You may be alarmed when you find yourself pulled into deep water today. Complex emotions swirl over your head as relationship dynamics intensify. The magnetic Scorpio New Moon charges your 8th House of Intimacy and Transformation, urging you to sink into your feelings rather than run away from them. Your fears arise when you realize you're not in control. Thankfully, sticking with the process brings the priceless reward of increased self-awareness. Thoreau wrote, Things do not change. We change.

Taurus

April 20-May 20

You might not understand the complicated needs of a friend or lover today, but you're drawn to the energy like a moth to a flame. The mysteries of the unknown are thoroughly enchanting and you're a more-than-willing participant in the magic. Although left to your own devices you may choose a simpler path, the Scorpio New Moon activates your 7th House of Partners, shifting your focus onto someone else. Don't fight against the emotional tides; be courageous and let go of your resistance. Joseph Campbell wrote, The cave you fear to enter holds the treasure you seek.

Gemini

May 21-June 20

Your physical wellbeing is inextricably connected to your emotional and spiritual health. Although its challenging to stick with a program, the benefits make it a worthwhile investment. The intense Scorpio New Moon lands in your 6th House of Logistics, motivating you to adopt a new routine and adhere to it. Don't be overly concerned if you choose a difficult path. Acting on your intentions now makes a strong statement to the cosmos; expect to receive support in mysterious ways over the days ahead.

Cancer

June 21-July 22

Allowing others in can be challenging now, especially if you feel emotionally self-sufficient. The evocative Scorpio New Moon falls in your 5th House of Creativity, encouraging you to express your passion through an artistic endeavor. Although you are quite serious about your goals today, you don't want to minimize the role of play in your current activities. It's all too easy to be dragged down by the heavy emotional energy. Thankfully, changing your attitude changes everything. Author Tom Robbins wrote, Its never too late to have a happy childhood.

Leo

July 23-August 22

You are at the threshold of change and you know you can't go back to the way things were. But others can't see the transformation yet because its taking place within your brain rather than in the world. In fact, the Scorpio New Moon plants a seed of intention in your 4th House of Roots, ensuring that the magic initially occurs hidden beneath the ground. You aren't convinced that you want to go on this journey, but you have no more choice in the matter than a caterpillar has when it chooses to become a butterfly. Stop fighting the inevitable; you will be soaring high on your new wings soon.

Virgo

August 23-September 22

Everything and everyone might seem too intense today. Passionate conversations about issues basic to your very existence are prompted by the Scorpio New Moon as it energizes your 3rd House of Communication. Even trivial interactions can become critical when you believe you're in the middle of a life or death situation. Although your survival is not in question now, you may be required to let certain patterns die so new ones can grow in their place. At this time, the only danger your face is the unwanted fallout from your unwillingness to grow. Psychologist Carl Jung wrote, What you resist, persists.

Libra

September 23-October 22

You are deeply committed to living in harmony with your values now. In fact, the Scorpio New Moon intensifies your 2nd House of Self-Esteem, motivating you to reevaluate the direction of your life and make corrections to your trajectory as needed. But your current career fixation does not involve making any changes today. You derive greater benefits from kicking off your boots, putting your feet up and reviewing all the possibilities ahead before choosing one. Thought before action empowers your success.

Scorpio

October 23-November 21

Creating a bucket list for each month of the year is a valuable exercise that teaches you about the efficacy of your decisions, both the good and the bad. Meanwhile, the passionate Scorpio New Moon validates your 1st House of Self, making it doubly important to check in with your heart to reassess your personal aspirations. In fact, you don't need to wait until next year to itemize your resolutions. There is no time like the present to create the life you want.

Sagittarius

November 22-December 21

Your life is on the launch pad again but this time the rocket ship could actually reach escape velocity. The Scorpio New Moon reinforces your 12th House of Destiny, sending off a ripple of synchronicities while preparing you for an intervention by the Flying Fickle Finger of Fate. But its dangerous to jump to outrageous conclusions, especially once the Moon flies into optimistic Sagittarius. You're so eager to start your new adventure that your spontaneity could cause trouble. Ben Franklin said, "Motivation is when your dreams put on work clothes."

Capricorn

December 22-January 19

Your social network -- both online and offline -- is an anchor that prevents you from drifting aimlessly into space now. The passionate Scorpio New Moon enhances your 11th House of Community, inspiring you to raise the stakes in your interactions with others. You might even grow possessive of a particular friend, only to find that he or she isn't interested in analyzing or labeling relationships. There is wisdom in this simple philosophy. Cherish the people who mean the most to you and don't worry about what anyone else thinks. Stop looking back, unless that's where you are heading.

Aquarius

January 20-February 18

You are strangely quiet today, but your presence seems larger than life to others. The unrelenting Scorpio New Moon concentrates the cosmic energy in your 10th House of Status, but the most profound transformations are occurring out of everyone else's sight. Nevertheless, everything will become obvious once you put your action plan into motion. Your ambitious goals are within reach; all you need to do is stretch your wings. Dr. Albert Schweitzer wrote, Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful.

Pisces

February 19-March 20

You might be feeling dissatisfied with your current lot in life today, and you're eager to seize every intriguing opportunity that passes your way. The powerful Scorpio New Moon triggers your 9th House of Big Ideas, connecting your emotions with far-reaching plans. You won't be happy until you have exceeded your wildest dreams. However, anything seems possible now, especially because you know that reality is molded and shaped by the brain. Having faith in yourself is half the battle.
