Atrial fibrillation, a common heart rhythm problem, was making Larry Forbess feel weak.

"I couldn't do much. I felt really faint, kind of drained, and unsteady on my feet."

He sure didn't feel like going for a ride with his wife on their Harley.

**"I feel so much better and this was so easy."**

- Larry Forbess

He chose Dr. Shawn Baldwin, an electrophysiologist with West Tennessee Heart and Vascular Center's Heart Rhythm Clinic, where they inserted a tiny balloon in a vein to freeze electrically active tissue in his heart. This minimally invasive procedure decreased Larry's symptoms and risk of stroke.

Larry and his wife now have more trips planned.

### Honey Grilled Pork Chops

*Original recipe makes 6 servings*

1/2 cup honey  
6 tablespoons soy sauce  
3 tablespoons lemon juice  
2 teaspoons minced garlic  
6 pork chops

Whisk honey, soy sauce, lemon juice, and garlic together in a bowl until marinade is smooth. Pour marinade into a resealable plastic bag, reserving about 1/4 of the marinade in a bowl for basting. Add the pork chops to the bag, coat with the marinade, squeeze bag to remove excess air, and seal the bag; marinate in the refrigerator at least 5 hours. Preheat grill for medium heat and lightly oil the grate. Remove pork chops from the marinade, and shake off excess. Discard remaining marinade. Grill pork chops on the preheated grill, basting with the reserved marinade during the last few minutes, until pork chops are cooked through, 15 to 20 minutes. An instant-read thermometer inserted into the center should read 145 degrees F. Let pork chops rest for 3 minutes before serving.

### Cinnamon Coffee Cake

*original recipe makes 18 servings*

cooking spray  
1/4 cup cinnamon sugar

**Streusel Mixture:**  
1 cup firmly packed light brown sugar  
3/4 cup chopped walnuts  
1/4 cup butter, softened  
1/4 cup all-purpose flour  
2 1/2 teaspoons ground cinnamon

**Batter:**  
3 cups all-purpose flour  
3 1/2 tablespoons baking powder  
1 teaspoon salt  
2 eggs  
1 1/2 cups white sugar  
2/3 cup butter, melted  
1 cup milk  
1/4 cup sour cream  
2 teaspoons vanilla extract

Preheat oven to 375 degrees F. Spray a 9x13-inch baking dish with cooking spray. Sprinkle cinnamon sugar into the bottom of prepared baking dish. Combine brown sugar, walnuts, softened butter, 1/4 cup flour, and cinnamon in a bowl using a fork until streusel is crumbly. Mix 3 cups flour, baking powder, and salt together in a separate bowl. Beat eggs in a third bowl using an electric mixer until frothy; add white sugar and melted butter and beat until creamy. Add milk, sour cream, and vanilla extract and beat until smooth. Stir flour mixture into milk-butter mixture until batter is well blended. Spread 1/2 of the batter into the prepared baking dish; top with 1/2 of the streusel mix. Spread remaining batter over streusel layer and top with remaining streusel. Place dish on the center rack in the preheated oven; bake until a fork inserted in the center comes out clean, 15 to 20 minutes.

### Twice Baked Potato Casserole

*original recipe makes 8 servings*

Crisco® Original No-Stick Cooking Spray  
1 1/2 lbs. small red-skinned potatoes, scrubbed, unpeeled  
3 teaspoons salt, divided  
3 tablespoons All-Vegetable Shortening  
2 tablespoons All Purpose Flour  
1 cup milk  
1/2 teaspoon pepper  
1 teaspoon paprika  
1 cup sour cream  
4 tablespoons chopped fresh chives, divided  
2 cups shredded Cheddar cheese, divided  
4 strips bacon, cooked and crumbled

Heat oven to 350 degrees F. Coat a 2-quart casserole dish lightly with no-stick cooking spray. Cut potatoes into quarters. Place in large saucepan. Cover potatoes with water. Add 2 teaspoons salt. Bring to a boil. Cook about 15 to 20 minutes or just until potatoes are fork-tender. Drain. Place in prepared dish. Melt shortening in medium saucepan over medium heat. Add flour. Whisk until well combined. Gradually whisk in milk. Whisk in 1 teaspoon salt, pepper and paprika. Bring to a boil, whisking constantly. Remove from heat. Stir in sour cream, 3 tablespoons chives and 1 cup cheese. Pour evenly over potatoes. Top with remaining cheese and crumbled bacon. BAKE 20 to 25 minutes or until bubbly and golden brown. Let stand 10 minutes before serving. Garnish with remaining chives.

### Baked Apple Chips

*original recipe makes 8 servings*

2 tablespoons white sugar  
1 tablespoon ground cinnamon  
4 Granny Smith apples, cored and sliced into very thin rounds

Preheat oven to 250 degrees F. Line two baking sheets with parchment paper. Whisk sugar and cinnamon together in a large bowl. Add apple slices and toss to coat. Arrange apple slices in a single layer on prepared baking sheets. Bake apples in the preheated oven until browned and just crisped, about 2 hours. Cool completely.

## Your Weekly Love Horoscope

### Aries March 21-April 19

Everything is quite simple as long as you don't allow the facts to stand in the way of having fun. The problem is that fantasy continues to rule your world now, even though the truth usually wins out in the end. Luckily, if you can imagine something today, you might actually be able to think it into existence. Nevertheless, cooperating with reality instead of avoiding it makes the road ahead easier to navigate. Taking life a little more seriously leads you down the right path.

### Taurus April 20-May 20

It's nearly impossible to clearly define your strengths and weaknesses now, but your lack of objectivity won't impede your success. Even if your current role in the world is a bit muddled, your identity can be based more on your ideal vision rather than on the actual circumstances of your life. Give yourself permission to dream but don't lose track of the truth in the process. Incorporating the most meaningful parts of your fantasies into your daily routine makes life a more joyful experience.

### Gemini May 21-June 20

You can't wait to escape into the beauty of an intellectual creation, whether or not you have a captive audience. Try your hand at writing poetry today or find a poem that touches your soul and read it aloud. In fact, music, art or any other creative outlet might do the trick. If you're feeling inspired, you could lose yourself in the moment and consciously invite your imagination to reveal a hidden treasure. Metaphysical riches are waiting beyond the rational world if you're willing to suspend your disbelief and explore the unknown.

### Cancer June 21-July 22

Although meditation is a wonderful part of a healthy daily routine, too much contemplation might inadvertently lead you into a deep rut now. This mental trap lures you into experiencing powerful feelings that haven't yet bubbled into awareness. If you become overwhelmed or sad, step outside for some fresh air and a short walk. Gentle movement prevents your imagination from tilting in a negative direction today. Your spirituality can be the source of great inspiration if your head is in the right place.

### Leo July 23-August 22

A close friend might send mixed signals today, making it difficult to decipher what is expected of you. Your confusion may impact an intimate relationship or a group dynamic, but you can't waste energy worrying about what others think. Your most sensible course of action now is to clear up any misunderstanding by asking questions and sorting out the facts. Acting on your compassion for those you love while still honoring your responsibilities in the mundane world allows you to cover all the bases. Sleep will have to wait.

### Virgo August 23-September 22

It's like you are seeing the whole world through rose-colored glasses today, challenging you to admit that you don't have a clue as to what is real and what is an illusion. Your routine might fall to the wayside as you are enticed to step outside the narrow confines of your commitments. The trick is to realize you have more time than you think to finish up your chores and fulfill your obligations. Exploring the rainbow of possibilities is a lot more fun now than worrying about the logistics.

### Libra September 23-October 22

Your admirable intention is to foster peace and harmony on this planet by ensuring that everyone around you is happy. Although others see you as sweet and friendly, you don't feel as if anyone understands your true motivation. The more you want good things to happen, the more resistance you seem to encounter today. Keep your hopes up even if you're not sure that things are going your way now. Above all, remember that the power of positive thinking can help you conquer your doubts and make the world a better place.

### Scorpio October 23-November 21

A relationship dilemma currently stems from an imbalance of passion now. You long to share your emotions with someone you love, but everyone seems to prefer splashing around in the shallow end of the pool instead of swimming out into the deeper emotional waters. It's not that you need to hide your feelings, but it's tough to find someone who can match your intensity. Nevertheless, carefully considering the mood of your chosen audience enables you to successfully unburden your heart when the time is right.

### Sagittarius November 22-December 21

You thought you knew everything there is to know about your relationship world, but now you realize that a significant piece of information may have been missed in the translation. Toss your old assumptions aside because they are irrelevant to the current circumstances. But all is not lost; everything should work out to your advantage if you can be flexible enough to go with the flow today. Whatever you do, don't try to force reality into your predetermined agenda when the universe has something so much better in store for you.

### Capricorn December 22-January 19

It's a perfect day to fall in love with the idea of falling in love, but finding romance in the real world can be a cruel and fickle game. Beauty appears in many forms all around you now, but it's ultimately a reflection of what's within your mind. Be careful about confusing your subjective experience with the objective world. Maintaining a balanced perspective increases your chances of transforming your whimsical illusions into lasting reality. Let your heart shine brightly and others will be drawn to your light.

### Aquarius January 20-February 18

Think your plans through extremely carefully if you are considering a major purchase. Unfortunately, you may be a little short on funds or common sense today. Even if you go ahead and open your wallet, remember that you can easily misjudge the value of what you are buying now. Finding something that is aesthetically pleasing is only half the battle. Beauty is in the eye of the beholder, but you still have to pay for your object of desire with real money. Performing a quick reality check will put your priorities in order.

### Pisces February 19-March 20

A minor miscommunication between family members could twist the entire day out of shape before you know it. Nebulous Neptune may run amok with your life, but oddly enough, you still should be able to avoid trouble if you remain sensitive to the needs of others. Even if you must backtrack later to clear up a misunderstanding, make sure you straighten out any wrinkles on the home front before moving on. Taking the high road allows your compassionate nature to run the show.
