### Artichoke Dip

Original recipe makes 8 servings

- 1 (14 oz) can artichoke hearts in water, drained
- 1/2 cup grated Parmesan cheese
- 1/3 cup mayonnaise
- 1/3 cup sour cream
- 1 clove garlic, or more to taste, minced
- 1 squeeze fresh lemon juice
- 1 pinch salt and ground black pepper

Blend artichoke hearts, Parmesan cheese, mayonnaise, sour cream, and garlic in a blender until smooth; transfer to a serving bowl. Stir lemon juice, salt, and pepper into the dip.

### Lemon Cake

original recipe makes 2 8-inch cakes

- 2 1/2 cups all-purpose flour
- 1 tablespoon lemon zest
- 1 teaspoon salt
- 1/2 teaspoon baking powder
- 1/2 teaspoon baking soda
- 1 cup unsalted butter, softened
- 1 1/2 cups white sugar
- 2 large eggs
- 3 egg yolks
- 2 tablespoons fresh lemon juice
- 1 cup low-fat buttermilk

Preheat oven to 350 degrees F. Butter and flour two 8-inch cake pans, tapping out excess flour. Whisk flour, lemon zest, salt, baking powder, and baking soda together in a bowl. Beat butter in a large bowl using an electric mixer until light and fluffy. Beat eggs and egg yolks, 1 at a time, into creamed butter on low speed, beating well after each addition before adding the next. Beat lemon juice into butter mixture. Beat flour mixture, alternating with buttermilk, into butter mixture until batter is just combined. Divide batter between the prepared cake pans. Bake in the preheated oven until cake pulls away from sides of pan, 32 to 35 minutes. Cool cakes in pans for 10 minutes. Run a knife around the edges of pan and invert cake onto a wire rack to cool.

### Mongolian Beef

Original recipe makes 6 servings

- 1/4 cup cornstarch
- 1 1/2 pounds beef flank steak
- 3/4 cup water
- 3/4 cup soy sauce
- 3/4 cup brown sugar
- 1/2 cup shredded carrots
- 3 green onions, chopped
- 2 tablespoons olive oil
- 2 cloves garlic, minced
- 1/2 teaspoon minced fresh ginger root

Spread cornstarch into a wide, shallow bowl. Dredge flank steak in the cornstarch to coat completely; put into a large resealable plastic bag. Stir water, soy sauce, brown sugar, carrots, green onions, olive oil, garlic, and ginger together in a bowl; pour into the bag with the beef and seal. Put bag of marinating beef in the freezer until the day before you wish to prepare it. Remove bag from freezer and put bag into a bowl and place in refrigerator to thaw, at least 24 hours before you wish to prepare the beef. Empty bag into the crock of a slow cooker. Cook on High until the beef is tender, 2 to 3 hours. Alternately, you can cook this on Low for 4 to 5 hours.

### Quinoa Fried Rice

original recipe makes 6 servings

#### Quinoa:

- 1 1/2 cups water
- 1 cup quinoa
- salt to taste

#### Sauce:

- 2 1/2 tablespoons soy sauce
- 1 1/2 tablespoons teriyaki sauce
- 3/4 teaspoon sesame oil

#### Fried Quinoa:

- 1 tablespoon olive oil, divided
- 2 carrots, peeled and chopped
- 1/4 onion, chopped
- 3 scallions, chopped, divided
- 3 cloves garlic, minced
- 1/2 teaspoon minced fresh ginger
- 2 eggs, beaten
- 1/2 cup frozen peas

Bring water and quinoa to a boil in a saucepan; season with salt. Reduce heat to medium-low, cover, and simmer until quinoa is tender and water has been absorbed, 15 to 20 minutes. Remove saucepan from heat and let sit for 5 minutes; fluff quinoa with a fork. Refrigerate until cool, 8 hours to overnight. Mix soy sauce, teriyaki sauce, and sesame oil together in a bowl until sauce is evenly mixed. Heat 1 1/2 teaspoons oil in a large skillet over high heat; saute carrots and onion for 2 minutes. Add 2 scallions, garlic, and ginger; saute until fragrant, about 2 minutes more. Add the remaining 1 1/2 teaspoons oil and quinoa; cook until heated through, about 2 minutes. Stir sauce into quinoa mixture; cook and stir until evenly coated, about 2 minutes. Make well in the center of the quinoa mixture. Pour eggs into the well; cook and stir until eggs are scrambled and cooked through, 2 to 3 minutes. Add peas and cook until heated through, 2 to 3 minutes. Add remaining scallion.

## Your Weekly Love Horoscope

**Aries**  
**March 21-April 19**

You want to squeeze as much out of life now as you possibly can, and are willing to do whatever is necessary to maximize your experiences. Thankfully, your perceptions are razor sharp and you manage your time with great finesse today. But don't waste precious energy talking about your plans. The early bird gets the worm, so figure out which adventure is calling your name the loudest and quickly answer with a resounding yes.

**Taurus**  
**April 20-May 20**

You're not sure why everyone makes the simplest tasks so complicated today. It's much easier for you to function effectively when you can singularly focus on your work, prompting you to avoid unnecessary emotional drama. You might not have much to add to the conversation, but playing the strong-and-silent type doesn't work in your favor now. Without judgment or malice, kindly explain why you need to withdraw from the noise of the crowd. Taking the time for respectful communication minimizes the odds of offending anyone and gives you the best chance of establishing peace and quiet.

**Gemini**  
**May 21-June 20**

You possess the power to take charge of a situation today, even if everything seems to be running amok. It's not only that your words carry extra weight now; you can also immediately grasp the current complexities, formulate a viable plan and persuade others to do their part. Fortunately, adopting a practical approach enables your coworkers to trust your intentions. Although finishing a job is important, don't close your creativity off from the magic of your imagination. Your dreams often produce your greatest insights.

**Cancer**  
**June 21-July 22**

You might be a happier camper if only you could stay at home and turn off the phone today, but you'll feel more like yourself once you get out in the fresh air. In fact, you could be highly productive now if you temporarily set aside your desire for solitude. Don't worry; you can sneak in a bit of private time this evening to indulge in your fantasies. Taking care of business first enables you to cozy into your nest with a true sense of accomplishment later on.

**Leo**  
**July 23-August 22**

Set aside your childish ways and take yourself more seriously today. You might not have your feet as firmly planted on the ground tomorrow, so focus on practical matters while you have the chance. Set attainable goals and then channel all of your energy toward achieving them. Encountering uncertainty doesn't mean you're on the wrong track now; you just need to have enough faith in your skills to get you over this hump. Your sheer determination is the secret to your success.

**Virgo**  
**August 23-September 22**

Although you may have many things to do now, it's crucial to set clear priorities and eliminate all but the most essential tasks. Thankfully, you are well-equipped to cut through the fuzzy dreams, sort through the noise and hone in on the critical pieces of the puzzle. Fortunately, there's no urgency to complete everything today; you only need to decide what's most important and the rest will easily fall into place. Discernment is your friend in times of chaos and confusion.

**Libra**  
**September 23-October 22**

You might have stepped out of line recently or had to deal with someone who let you down. Either way, you must find the inspiration to put things back together today, with or without help from anyone else. You're not interested in achieving lofty goals now; accomplishing something that has an immediate impact on your life is more gratifying. It's better to hold your ground than idly dreaming about a destination that's totally out of reach. Establish sensible limits and your game plan can't fail.

**Scorpio**  
**October 23-November 21**

You wish everyone would just leave you to your own devices today, unless they have something constructive to offer that's pertinent to your current activities. However, you probably won't take the time to inform anyone of your plans because you're afraid to disperse your energy. Luckily, your attraction to your unexpressed dreams and your powerful intention to realize them is an unbeatable combination now. Choosing your goals wisely is your first step to lasting satisfaction.

**Sagittarius**  
**November 22-December 21**

A well-intended colleague may ask you what's wrong today because it seems as if you are acting out of character. Although you might not express the effusive warmth that people often expect from you, it's only because you're preoccupied with important matters now. Thankfully, you have enough sense to realize there is a narrow margin for error and your disinterest in trivial pursuits stems from your desire to give your very best performance. Perfection is both a blessing and a curse; the sooner you accept you're only human, the better.

**Capricorn**  
**December 22-January 19**

Your peers are perceptive enough to look right past your smile today because they can tell something's bothering you. Although you might attempt to give off a casual air at first, you begin to realize how much effort is required to sustain your cheerful facade. Fortunately, your logical thinking enables you to understand that others don't necessarily share your ambitions. Everyone can draw different conclusions from the same data. Honoring each individual perspective as valid is the only way to keep the peace.

**Aquarius**  
**January 20-February 18**

You attempt to steer clear of abstract thinking today, but keep getting pulled back into your orbit of dreams. Normally, you like to push the edges of the intellectual envelope, but you could take it too far now. Rather than becoming lost in fantastic concepts and unrealistic visions, bring every idea into sharp focus with the question, "How can this be applied in the present moment?" Don't worry about what anyone thinks of your unconventional methods; time will likely prove you right if you keep things real.

**Pisces**  
**February 19-March 20**

You're looking forward to stealing some time away from work to pursue an amazing adventure. Nevertheless, your impatience can get the best of you now because you have responsibilities to fulfill before you're allowed to escape. Embracing the order of things graciously makes the difference between happiness and frustration. Your methodical approach to your work early in the day all but guarantees that you'll be able to thoroughly enjoy your metaphysical exploits later on.
