Miss Pearl's Country Cookin'

Butterfinger Pie

6 (2 1/8 oz.) butterfinger candy bars, crushed
1 (8 oz.) package cream cheese
1 (12 oz.) carton Cool Whip
1 graham cracker crust

Mix first three ingredients together. Put it in pie crust. Chill.

BLT Past Salad

1 cup mayonnaise or 1 cup salad dressing
1/4 cup lemon juice concentrate
2 teaspoons sugar
2 teaspoons chicken flavor instant bouillon
1 (7 oz.) package rotini pasta, cooked and drained
8 slices bacon, cooked and crumbled
1 large tomatoes, seeded and chopped
1/4 cup green onion, sliced
4 cups lettuce, thinly sliced

Combine mayonnaise, lemon juice, sugar and bouillon for the dressing. Combine rotini, bacon, tomato, and green onion. It's recommended to wait until you are ready to serve before mixing in the lettuce.

Honey Pecan Chicken

1 lb skinless chicken piece
1/2 cup all-purpose flour
3 tablespoons margarine, divided
1/4 cup honey
1/4 cup chopped pecans

Dredge the cutlets in flour, shaking off excess. Heat two tablespoons margarine in a heavy skillet over medium heat. Add the cutlets and brown on both sides, about 5-6 minutes. Stir together the remaining tablespoon margarine, honey and pecans. Add to the skillet, stir gently. Cover and simmer gently for 7-8 minutes. Remove cutlets from skillet, pour sauce over and serve.

No Bake Granola

2 1/2 cups crispy rice cereal
2 cups quick-cooking rolled oats
1/2 cup raisins
1/2 cup firmly packed brown sugar
1/2 cup light corn syrup
1/2 cup peanut butter
1 teaspoon vanilla

In large bowl, combine cereal, rolled oats and raisins; set aside. In small saucepan, combine brown sugar and corn syrup. Bring to a boil, stirring constantly. Stir in peanut butter and vanilla; blend until smooth. Pour over cereal mixture; mix well. Press into ungreased 13"x 9" pan. Cool; cut into 24 bars.

Cheesy Garlic Bread

1 loaf French bread, unsliced
1/2 cup butter
2 garlic cloves, halved
1 teaspoon dried parsley
1/3 cup grated parmesan cheese
Preheat oven to 375F degrees. Cut slices down the length of bread loaf at 1 inch intervals, without cutting all the way through. Rub slices and top of loaf with cut sides of garlic. Mince garlic. Combine butter, garlic, parsley and Parmesan. Spread butter mixture between bread slices and on top of loaf. Wrap bread in foil leaving top partially uncovered. Bake until heated through, about 15 minutes.

MWM - Looking for a part-time lover. I am 60 years old, 195lbs.. Where are all the Cougars? Are all women over 50 all cold and no longer want a man? Write me cougars, 55-?. I'm writing for you. Name/Number/Address. Will Answer All. Henry Area Only. PTP 481

I'm 6'2", about 220lbs. I'm very tall and country type of guy. I love to fish at KY lake or anything. I don't smoke, go to bars, or drink, but if I did it would be wine. I lost my dad this last year and moved back in with my mom. I don't work, I'm on disability month by month. I'm a slow learner on certain things in life. I'm very outgoing and loveable, laughable person. I rather tell the truth about me instead of lying to you. I'm 40 years old. and I have one son. I get my son every other weekend but no ex drama whatsoever. I do love to slow dance and I enjoy cuddling, kissing, and holding hands. I do enjoy taking walks. I want someone to love me for me and me love them for them. I don't have a current picture of me but I'll send you a old picture that is like 2 years old. I have changed a lot since then. Please send me a picture of you and your number if you are interested in talking to one another. PTP 461

December 3:
Kevin Does - Home Alone

December 10:
The Grinch Does - Heart Change

December 17:
Clark Griswold Does - Huge Expectations

December 24:
Ralphie Does - Hope Misplaced

- Services at 8am, 9:30am, & 11am -

At TVCC this holiday season, we're asking the question, "Who needs Christmas?" As it turns out, we all do. So we've decided to have some fun by looking into the lives of 4 very familiar Christmas movie characters.

Through the eyes of Kevin, who is Home Alone, we'll examine the loneliness one can experience this time of the year. Through the eyes of The Grinch, we'll examine some heart issues we may have in our own lives. Through the eyes of Clark, we'll examine some of our unrealistic expectations, especially prevalent during the Christmas season. And finally, through the eyes of Ralphie, we'll examine what happens if we fail to focus on the right gift.

If you need Christmas to be different this year, the "Who Needs Christmas" will be the best gift you give yourself. Join us as we endeavor to have a little fun, yeast at the same time empathize with Kevin, The Grinch, Clark, and Ralphie! We ALL need Christmas - so be sure to invite everyone!

Now I'm buying my home on Hwy 105 here at Trezevant but my ceilings are low and Tina and Jimmy had ceiling fans put in each room. I love it out here in the country. So Mr. if you need a nice place to stay, I'm a loving older lady. I do go to church every Sunday and enjoy that. Bro. Adam preaches every Sunday and he's good. Mike Corley is the Sunday School teacher and he is also good. Mr., please write me, let's meet before 2017. My husband died 12-23-06, so he'll be gone 10 years in December. Your Weekly Love Horoscope

**Aries**
March 21-April 19

Your agenda may clash with someone else's today, yet you do not feel like compromise is in your vocabulary. Instead of searching for ways to establish common ground, you are fixating on the differences as the Moon-Mars alignment prompts you to take control. Although your intentions are clear, open conflict won't necessarily bring the results you seek now. Resist your natural urge to resolve a disagreement with a show of power. Knowing when to walk away reveals your true intelligence.

**Taurus**
April 20-May 20

You wish that everyone would just speak the truth without beating around the bush, but complex interpersonal politics make real communication unlikely now. You're particularly sensitive to the feelings of those around you today. In fact, you can derive just as much meaning from what they don't say as from what they tell you. But you're not interested in extracting the hidden message one question at a time. Ironically, taking a few steps back gives the other person enough room to come out of their shell without feeling threatened. Confucius wrote, When anger rises, think of the consequences.

**Gemini**
May 21-June 20

You are so focused on finishing whatever you start today that you are likely to miss something important when it enters your field of awareness. Although you're often distracted by shiny objects and sparkly ideas, your power of concentration is so intense now that it will take a significant event to pull you off course. Fuel your ambition by reevaluating your priorities and goals to avoid ending up at the wrong destination. Historian John Maynard Keynes wrote, When the facts change, I change my mind.

**Cancer**
June 21-July 22

Although you already have a busy work schedule today, you can't ignore your muse when she stops by for a visit. You might not like the timing of your creative urges, but something tells you that you must respond immediately when the waves of inspiration wash over you. Nevertheless, you can't walk away from your regular responsibilities since they won't take care of themselves on their own. Cicero wrote, Whether its public or private life, nothing is devoid of moral obligations.

**Leo**
July 23-August 22

There are many conflicting emotions rattling around in your head today and the more you focus on them, the more irritated you become. You might feel as if you're nearing your boiling point, yet you don't want to lose your temper. Unfortunately, turning the energy inward in an attempt to avoid creating a scene only amplifies your frustration. It's been said that holding onto your anger is like drinking poison and expecting the other person to die. Express your concerns without asking for anything in return. Allow others the time to respond authentically.

**Virgo**
August 23-September 22

You don't want to miss a chance to clearly state your position on a personal matter. However, you can't seem to find the right words to make your point. It's almost as if the cosmos is conspiring against you now. But you're unwilling to give up so quickly while the passionate Scorpio Moon teams up with warrior Mars in your 3rd House of Communication. In fact, woe to anyone who dares to impede your progress today. Dr. Albert Schweitzer wrote, One who gains strength by overcoming obstacles possesses the only strength which can overcome adversity.

**Libra**
September 23-October 22

You are part of a group that must make a practical decision today. Although people may stereotype you as an indecisive Libra, its essential to share your opinion now. You know exactly what you want to say and you hope everyone hears your message. Unfortunately, you might be so confident with your conclusions that you trample over someone else's considerations. Softening your approach allows your words to come through loudly and clearly. Simply put, you can catch more flies with honey than with vinegar.

**Scorpio**
October 23-November 21

When you speak today, everyone else listens because of the authority your voice carries. The potent Scorpio Moon joins forceful Mars in your 1st House of Self, encouraging you take an issue under your wing and let the world know the truth. But rather than playing to their emotions, its crucial to stick with the facts now. Quietly engaging a few people in a meaningful dialogue has greater influence than shouting your message from the mountain top. E.E. Cummings wrote, I'd rather learn from one bird how to sing than teach ten thousand stars how not to dance.

**Sagittarius**
November 22-December 21

Attempts to put your best foot forward are admirable, but your actions might not create the impact you seek. Naturally, you want others to see you shine, but it may be more useful for them to encounter the true you rather than the polished version of you. Suppressing your emotions for the sake of expediency is not a sensible strategy in the long-run. Expressing your anger or fear can improve the possibility for real intimacy, but you must be willing to be honest for the process to work.

**Capricorn**
December 22-January 19

Participating in a group project isn't always easy. You have a very specific strategy in mind to reach your idealistic goals. Your dilemma stems from the fact that setting your standards so high can alienate friends and associates whose dreams are not as ambitious. This level of excellence is difficult to maintain if they don't share your work ethic. Nevertheless, you might choose to fly solo since you don't want to water your plans down just to include others. Walt Disney said, If you can dream it, you can do it.

**Aquarius**
January 20-February 18

You can see things that aren't really there, yet these invisible apparitions influence your actions. You may be so close to the success you are striving for now that you believe its possible to reach out and grab it. However, each time you try, you come back empty-handed. Nevertheless, you're motivated by the thought of professional recognition and won't stop until you achieve your goal. B.J. Gupta wrote, Hard work doesn't guarantee success, but improves its chances.

**Pisces**
February 19-March 20

You have put a lot of research into your personal ideology and won't easily change your position today, even in the light of new data. Although your assumptions are well-informed, there are many ways to interpret the same set of facts. Be wise and consider all the possible factors before writing off the opinions of everyone else. Aristotle wrote, "It is the mark of an educated mind to be able to entertain a thought without accepting it."
