Miss Pearl's Country Cookin'

Loaded Cauliflower Casserole

original recipe makes 8 servings

6 slices turkey bacon, or more to taste
1 large head cauliflower, cut into florets

1/2 cup sour cream

1/2 cup mayonnaise

1 clove garlic, minced

1/2 teaspoon salt

1/4 teaspoon ground black pepper

2 cups shredded Colby-Monterey Jack cheese, divided

1 (8 oz) package baby bella mushrooms, roughly chopped

6 tablespoons chopped fresh chives, divided

Preheat oven to 425 degrees F. Grease a 9x13-inch baking dish. Place turkey bacon in a large skillet and cook over medium-high heat, turning occasionally, until evenly browned, about 10 minutes. Drain the bacon slices on paper towels and crumble. Place a steamer insert into a saucepan and fill with water to just below the bottom of the steamer. Bring water to a boil. Add cauliflower, cover, and steam until tender, 15 to 20 minutes. Combine sour cream, mayonnaise, garlic, salt, and black pepper in a large bowl; add cauliflower, 1/2 of the bacon, 1 cup Colby-Monterey Jack cheese, mushrooms, and 3 tablespoons chives and mix well. Transfer mixture to the prepared baking dish and top with remaining bacon and cheese. Bake in the preheated oven until bubbling and cheese is melted, about 20 minutes. Sprinkle remaining chives over casserole.

Chicken Saltimbocca

Original recipe makes 8 servings

6 slices turkey bacon, or more to taste

1 large head cauliflower, cut into florets

1/2 cup sour cream

1/2 cup mayonnaise

1 clove garlic, minced

1/2 teaspoon salt

1/4 teaspoon ground black pepper

2 cups shredded Colby-Monterey Jack cheese, divided

1 (8 oz) package baby bella mushrooms, roughly chopped

6 tablespoons chopped fresh chives, divided

Preheat oven to 425 degrees F. Grease a 9x13-inch baking dish. Place turkey bacon in a large skillet and cook over medium-high heat, turning occasionally, until evenly browned, about 10 minutes. Drain the bacon slices on paper towels and crumble. Place a steamer insert into a saucepan and fill with water to just below the bottom of the steamer. Bring water to a boil. Add cauliflower, cover, and steam until tender, 15 to 20 minutes. Combine sour cream, mayonnaise, garlic, salt, and black pepper in a large bowl; add cauliflower, 1/2 of the bacon, 1 cup Colby-Monterey Jack cheese, mushrooms, and 3 tablespoons chives and mix well. Transfer mixture to the prepared baking dish and top with remaining bacon and cheese. Bake in the preheated oven until bubbling and cheese is melted, about 20 minutes. Sprinkle remaining chives over casserole.

Mushroom Turnovers

original recipe makes 10 servings

1 (8 oz) package cream cheese

1 cup butter

1 1/2 cups all-purpose flour

2 tablespoons butter

3/4 pound fresh mushrooms, finely chopped

1/2 medium onion, chopped

1/8 teaspoon dried thyme

1/4 teaspoon salt

1/2 teaspoon ground black pepper

1 1/2 teaspoons all-purpose flour

1/2 cup sour cream

In a medium bowl, mix together the cream cheese and 1 cup of butter until well blended. Mix in the flour until fully incorporated. Pat into a ball, and refrigerate while you make the filling. Melt 2 tablespoons of butter in a large skillet. Add the mushrooms and onion.

Season with thyme, salt and pepper. Cook and stir until tender, about 5 minutes. Sprinkle the flour over everything then reduce the heat to low, and stir in the sour cream. Heat just until thickened, then remove from the heat. Preheat the oven to 350 degrees F. On a lightly floured surface, roll the dough out to about 1/4 inch thickness. Cut into 3 inch rounds. Place a small amount of the mushroom mixture on one side of each circle, then fold the dough over and press to seal. Prick the tops with a fork to vent steam, and place the pastries on a baking sheet. (They can also be frozen at this time until needed.) Bake for 15 minutes in the preheated oven, or until golden brown. If baking frozen turnovers, it may take an additional 5 minutes.

Cherry Limeade Pie

original recipe makes 1 8-inch pie

2 (8 oz) packages cream cheese, softened

4 ounces frozen limeade concentrate, thawed

2 tablespoons white sugar

1 (9 in) prepared graham cracker crust

1 (21 oz) can cherry pie filling

1/2 cup whipped cream, or to taste

Beat cream cheese in a bowl using an electric mixer until smooth and creamy. Add limeade concentrate and sugar and beat until light and fluffy, at least 5 minutes. Spoon mixture into graham cracker crust; refrigerate until chilled, at least 4 hours. Top pie with cherry pie filling and whipped cream.

Lease-purchase was established as an alternative to mini-warehousing. Our no-strings plan allows you to have your own storage facility for your backyard or business, when and where you need it. The low monthly rental rates are comparable to mini-warehousing rates per square foot. You are not required to fill out a credit application, nor are you required to keep your building. Your Weekly Love Horoscope

Aries
March 21-April 19

You're enjoying the cosmic momentum today, but you might not be so happy when circumstances stop your progress. Rather than just accepting the resistance you encounter, you want to do battle with anyone who stands in your way. Unfortunately, fighting the opposition of an authority figure only exacerbates the stress. It's smarter now to collaborate than to compete. Fortunately, an adversary will likely come around to your perspective, bringing a resurgence of optimism. Patient determination is your most efficient path to success.

Taurus
April 20-May 20

Your moods are all over the map today and it may be helpful to share your feelings with someone you can trust. Stay open to the possibility that there are good things waiting in the wings, even if they haven't made their entrance onto your life stage yet. However, there might be a rough patch when the headstrong Aries Moon catches up to erratic Uranus, creating some uncomfortable psychological turmoil. Author Alice Walker wrote, "Hard times require furious dancing."

Gemini
May 21-June 20

You and your friends are on a roll, solving all the world's problems today, but progress is slowed when someone speaks up and warns against jumping to conclusions. Sobering words can be a buzzkill, but it's wise to heed them anyway. Don't worry, lucky Jupiter lends a helping hand to the willful Sun now, so your enthusiasm won't slump for long. Finding the right mix between compassion and practicality allows you to make a positive difference.

Cancer
June 21-July 22

You're driven by professional ambitions today, and you know you have what it takes to climb the ladder of success. However, it can be a drag when your physical body can't keep up with your groundbreaking ideas. Your lack of stamina may hinder you in the early afternoon, but don't throw in the towel just yet. When you take time to rest, you'll go farther in the long run. Fortunately, a second wind comes along just in time to carry you to your destination.

Leo
July 23-August 22

You're intent on soaring higher than ever before, but sometimes a successful launch requires a delay for an evaluation of the quality of your work. Unless you understand the wisdom of slowing down, you may feel like you're hurrying up just to wait. Luckily, sensible Saturn is offering constructive criticism from your 5th House of Self-Expression, preparing you to put your best foot forward. A Danish proverb reminds us, "Delayed is preferable to never."

Virgo
August 23-September 22

All you want to do is push a task to completion today, yet unexpected changes require more caution than insistence. Authoritative Saturn stops you for an unexpected pop quiz in order to determine what else you need to know before continuing on. Don't fret over lost time; it's not really lost if you become more efficient in the long run.

Libra
September 23-October 22

Hot and cold, stop and go -- the flipping and flopping of energy today is mildly infuriating. One moment you're given the green light and the next you're pulled over for speeding. As unpleasant as it is to deal with restrictions and limitations, sometimes it's a blessing in disguise that keeps you from rushing into an unwise decision. The dynamic Aries Moon parties with unpredictable Uranus in your 7th House of Relationships, so don't be surprised if things heat up with your partner or a new attraction rattles your cage.

Scorpio
October 23-November 21

There's plenty of work to get done today, and you're fully prepared to power through it all. Paradoxically, problems that surface now may actually be for the best, because they reveal larger issues that could grow into showstoppers later on. Meanwhile, you're tempted to overpower any resistance with brute force as the brash Aries Moon rumbles with rebellious Uranus. Pace yourself wisely and conserve your energy so you come out on top. Buddha said, "It is to the one who endures that the final victory comes."

Sagittarius
November 22-December 21

On one hand, you're ready to play the day away, but on the other hand, you know it's in your best interest to keep your shoulder to the wheel. One minute you're enjoying the lighter side of life; the next it feels like you're sabotaging your own success. Luckily, your stress is only temporary because the buoyant Sun-Jupiter sextile reminds you of how far you can fly when you take the time to fully prepare for your journey. Accepting that your present actions determine your future happiness is a sign of wisdom and maturity.

Capricorn
December 22-January 19

You are nothing if not persistent, so even if you encounter frustrating setbacks today, you're still dead set on accomplishing your goal. The radiant Sun collaborates with jovial Jupiter, encouraging you to go big or go home. Although the bulk of the work you do might not be acknowledged now, the legacy and reputation you build will both precede and outlast you. Motivational author Napoleon Hill wrote, "Effort only fully releases its reward after a person refuses to quit."

Aquarius
January 20-February 18

Your friendly demeanor may suffer today if you let your anxiety grow out of hand. It seems as if one person after another blocks your progress as you strive to complete your tasks. Try not to lash out in frustration if you feel overly constricted. Hurting someone's feelings won't advance your cause and it leaves a bad taste in your mouth. Surprise your haters with a smile and your success; work for the cause, not for the applause.

Pisces
February 19-March 20

Although one part of you wants to let loose, you're still determined to get serious about taking care of business. Escaping into fantasyland often lurks as an attractive temptation in your life, but the current planetary focus on your 10th House of Career won't allow you to wander too far off track. Nevertheless, extravagant Jupiter is telling you that buying something you covet will lead to satisfaction. This internal tug of war may be frustrating, but if you keep a tight leash on your impulses today, your wallet will thank you tomorrow.
