DUN-FOUND-IT GAME FOR DECEMBER 22, 2016

Miss Pearl's Country Cookin'

Homemade Vanilla Pudding

original recipe makes 5 servings

- 2 cups milk
- 1/2 cup white sugar
- 3 tablespoons cornstarch
- 1/4 teaspoon salt
- 1 teaspoon vanilla extract
- 1 tablespoon butter

In medium saucepan over medium heat, heat milk until bubbles form at edges. In a bowl, combine sugar, cornstarch and salt. Pour into hot milk, a little at a time, stirring to dissolve. Continue to cook and stir until mixture thickens enough to coat the back of a metal spoon. Do not boil. Remove from heat, stir in vanilla and butter. Pour into serving dishes. Chill before serving.

Mozzarella Puffs

original recipe makes 10 biscuits

- 1 (7.5 oz) package refrigerated buttermilk biscuit dough
- 1 teaspoon dried oregano
- 3 ounces mozzarella cheese, cut into 3/4 inch cubes
- 2 tablespoons pizza sauce

Preheat oven to 375 degrees F. Make an indentation in the top of each uncooked biscuit. Fill indentations with oregano and a mozzarella cube. Pinch the dough around the mozzarella cubes. Place the biscuits, pinched side down, on a medium, ungreased baking sheet. Cover with pizza sauce. Bake in the preheated oven 10 to 12 minutes, or until golden brown.

Chicken Spaghetti

original recipe makes 6 servings

- 1 (12 oz) package angel hair pasta
- 1 (10 oz) can diced tomatoes with green chile peppers
- 1 (10.75 oz) can condensed cream of chicken soup
- 3/4 (8 oz) package processed cheese, cubed
- 2 cups chopped cooked chicken breast
- 1/2 (4 oz) jar sliced mushrooms, drained
- salt and pepper to taste

Bring a large pot of lightly salted water to a boil. Add pasta and cook for 8 to 10 minutes or until al dente; drain and return to pot. To the pasta add the diced tomatoes with green chile peppers, cream of chicken soup, processed cheese, chopped chicken, mushrooms, salt and pepper. Cook and stir over low heat until cheese is melted and mixture is heated through.

Sweet Dinner Rolls

Original recipe makes 16 rolls

- 1/2 cup warm water (110 degrees F)
- 1/2 cup warm milk
- 1 egg
- 1/3 cup butter, softened
- 1/3 cup white sugar
- 1 teaspoon salt
- 3 3/4 cups all-purpose flour
- 1 (.25 oz) package active dry yeast
- 1/4 cup butter, softened

Place water, milk, egg, 1/3 cup butter, sugar, salt, flour and yeast in the pan of the bread machine in the order recommended by the manufacturer. Select Dough/Knead and First Rise Cycle; press Start. When cycle finishes, turn dough out onto a lightly floured surface. Divide dough in half. Roll each half into a 12 inch circle, spread 1/4 cup softened butter over entire round. Cut each circle into 8 wedges. Roll wedges starting at wide end; roll gently but tightly. Place point side down on ungreased cookie sheet. Cover with clean kitchen towel and put in a warm place, let rise 1 hour. Meanwhile, preheat oven to 400 degrees F. Bake in preheated oven for 10 to 15 minutes, until golden.

Your Weekly Love Horoscope

Aries

March 21-April 19

After confronting some rather major emotional challenges, you step out of your door, ready to crank up the volume on life today. The Moon proudly marches into lively Leo, setting a boisterous tone for the day. However, there might be a cosmic noise complaint coming from strict Saturn's direction, reminding you to not go overboard when it comes to indulging in pleasurable pursuits or outrageous behavior. Orson Wells said, "The enemy of art is the absence of limitations."

Taurus

April 20-May 20

Happily, the insecurity of yesterday fades away as the Sun rises to create a bright new day. The bold Leo Moon grounds you in the quiet certainty that you are doing everything it takes to achieve your dreams. Be wary of your pride in your work turning into haughtiness while sobering Saturn is on guard to check your ego at the slightest provocation. Humility is the balloon, confidence is the hot air -- your balloon must be intact for the hot air to send you skyward.

Gemini

May 21-June 20

You're excited to jump back on the proverbial track again after an unexpected emotional detour yesterday. In fact, you can't wait to tell people about your fascinating new idea, and everyone is eager to gather around and listen. However, speak responsibly and without hyperbole today, because your enthusiasm is under the watchful eye of stern Saturn. Methodically pace yourself and modify your trajectory so you don't derail your plans before they even get off the drawing board.

Cancer

June 21-July 22

The mood has lightened immensely today, allowing you to breathe a sigh of relief and let down your guard. The passionate Leo Moon inspires you to feel generous in all directions, but make sure you don't completely ignore the clock or your wallet. Although you have more energy to put into the things that really matter to you now, your obligations still loom in the shadows and it's unwise to go to extremes to prove your invincibility. Stick to your schedule so you can end your day without regret.

Leo

July 23-August 22

The King of the Jungle is proud to make his presence known, and you Leos are no different when you are ready to roar. The Moon returns to your expressive sign today, pumping up your passionate exuberance. This cosmic ego boost could blast you with such a shot of confidence that you might sound cocky if you exaggerate your abilities. You may need to make a few hasty adjustments after running into a sobering speed bump or two placed in your path by karmic Saturn. Proactive measures prevent problems from spinning your day out of control.

Virgo

August 23-September 22

You might have hit a rough patch yesterday, but today you're feeling more like your calm and collected self. Your sense of humor is back in action, and any problems you encounter now don't seem quite as dire as they would have just a few days ago. Although you may believe you're capable of accomplishing all you set out to do, make sure not to overextend yourself or bossy Saturn will punish your mistakes. Small steps are the secret to your success.

Libra

September 23-October 22

You may have been questioning the motives of your heart yesterday, but now it's time to lighten up and have some fun. The generous Leo Moon inspires you to feel sanguine and social, creating special memories with your friends hits the spot. However, you could experience some friction from pragmatic Saturn, requiring you to enjoy responsibly because your to-do list still has plenty of items which need to be crossed off. Moderation is your friend if you want to earn the respect of others.

Scorpio

October 23-November 21

Thankfully, your doubts and fears dissolve into the past as you approach the day with renewed fervor. You feel a reinvigorated sense of purpose and are anxious to pursue your goals as the audacious Leo Moon strides into your 10th House of Career. Luna fuels your bold ambitious and colorful dreams, but utilitarian Saturn tempers any excessive zealotry with a quick burst of karma. Stay humble as you conquer the world.

Sagittarius

November 22-December 21

You've spent more time than you wanted coming to grips with some emotional revelations recently, but today you're ready to put your heart into something productive again. The vibrant Leo Moon energizes your 9th House of Higher Truths, harmonizing with your natural big-picture mindset and encouraging you to reach for your dreams. However, stable Saturn solidifies the energy and demands that you speak with integrity. A perfect balance between passion and practicality wins the prize.

Capricorn

December 22-January 19

It's a welcome relief to get back to business after a brief stop to attend to some worrisome matters of the heart. The self-directed Leo Moon adds subjectivity to issues pertaining to shared resources, which may have you feeling possessive about certain assets, or insecure about the longevity of the partnership. A tense aspect from imposing Saturn can prompt you to overreact, but it's prudent to simply make the needed alterations to alleviate tension as soon as time permits.

Aquarius

January 20-February 18

The unwavering power of love outshines the emotional rollercoaster ride of yesterday. The ardent Leo Moon heats up your 7th House of Relationships, infusing your personal interactions with an enticing magnetism. As wrapped up as you might be in adoring your partner and being adored right back, don't get carried away by romantic illusions. Somber Saturn steps in to warn you to keep a larger perspective, even when it's hard to tear your gaze from what's right in front of you.

Pisces

February 19-March 20

Yesterday's emotional turbulence fades in the dawn of a new day and the icy waters of doubt recede to be replaced with hope and warmth. There's an optimistic filter over everything now, and you approach your duties and obligations with extra enthusiasm. Stoic Saturn still lurks in the shadows to remind you that while dedication is important, attaching your ego to your work can turn passion into fanaticism. Less is more is a motto worth striving for in today's climate of excess.
