Henry County Republican Party Reorganization Meeting On Tuesday, February 26, 2019, the Henry County Republican Party will hold its 2019 Reorganization meeting at 6:00pm at the SkyVue Room, Quality Inn, 1510 East Wood Street in Paris. This meeting will begin with presentations from Republicans serving in Henry County offices and will then proceed to the business of electing a slate of officers to serve the Henry County Republican Party during the 2019-2020 timeframe.

Shepherd's Table The Shepherd's Table, the Community Kitchen created by the volunteers at the First Presbyterian Church of Huntingdon, serves more and more guests with each passing month. They will be hosting their next supper on Tuesday, February 19th, at their Fellowship Hall located at 19835 E. Main Street, in Huntingdon. Dining will begin promptly at 5 pm and the kitchen will remain open until 6:45pm. The menu for the February meal will include a delicious homemade baked Ziti, salad, and freshly baked breadsticks. The dessert will be red velvet cake with cream cheese icing. Milk, tea and water will be available for everyone, as well. Everyone that attends The Shepherd's Table is treated as a guest and served restaurant style. Volunteers greet the guests at the door and lead them to a table. They take their drink orders, deliver their meals to them, and take care of the clean up. The mission of the Community Kitchen is to serve as many people in need of a hot meal as possible. Their success is dependent upon guests attending, volunteers serving and monetary donations. If you know of someone that needs a hot

meal or would just prefer to not eat alone please inform them about The Shepherd's Table or better yet bring them by and join. More information about volunteering or donating to the Shepherd's Table may be obtained by calling The First Presbyterian Church of Huntingdon at (731) 986-5642. If no answer, please leave a message, someone will get back to you. The Shepherd's Table will have supper every third Tuesday of the month.

1/3 cup sugar
1/2 teaspoon vanilla extract

In a food processor, combine the flour, confectioners' sugar, and lemon and orange zest. Add butter; cover and process until mixture forms a ball. Pat into a greased 13x9-in. baking pan. Bake at 350° for 12-14 minutes or until set and the edges are lightly browned. In a large bowl, combine all the filling ingredients. Pour over hot crust. Bake for 14-16 minutes or until set and lightly browned. In a small bowl, combine topping ingredients. Spread over filling. Bake 7-9 minutes longer or until topping is set. Cool on a wire rack. Refrigerate overnight. Cut into bars just before serving. Store in the refrigerator.

Your Weekly Love Horoscope

♈ Aries March 21-April 19	♉ Taurus April 20-May 20	♊ Gemini May 21-June 20	♋ Cancer June 21-July 22	♌ Leo July 23-August 22	♍ Virgo August 23-September 22
Realizing a long-term goal challenges the limits of your current capacity. Your dream draws close enough to touch, yet it requires much more from you than you initially estimated. Dig deep into your reserves to see what else you can muster. Consider letting colleagues add their talents to your efforts. Your force multiplies when you get the right team on board. Recruit the perfect players and hit the ball out of the park.	Your private and your public sides battle for priority today. You could easily while away precious hours daydreaming or ruminating on your favorite subjects. Your ambitions rail against mental meanderings and request your full attention. Your professional needs compete with the splendor of your personal life. Something has to give. Find a dynamic way to integrate your passion pursuits into your official tasks so that the hidden rebellious streak in you does not have to foment dissent. Do what you love and you'll never work another day in your life.	You crave swift motion but something slows you down and holds you in place today. You may feel as though you are wading through molasses, which seems to react with extra tenacity the harder you try to stir it. Unfortunately, the situation might be too powerful to just push your way through. Relax, lower your expectations of speed, and notice that stopping helps you go faster than pushing ahead unthinkingly. Lao Tzu wrote, "To the mind that is still, the whole universe surrenders."	Withdraw into the safety of your tribe when pressure mounts. Old, unresolved matters bubble up, bidding for your attention. Anticipation has a curious way of shutting you down if it is based in fear. Although you may be feeling taciturn today, seeking out your close companions is a healthy recourse. Being in the company of those you trust nourishes your soul. Your friends and loved ones remind you of your true nature, giving you the courage you need to overcome adversity.	Your consistent efforts at work start to show in your career status. The stability of your position takes your confidence to the next level. Any collaborators in your orbit notice, and so do your opponents. In fact, you may not feel you have worthy competition now, because in your mind you stand in a league of your own and act accordingly. However, the brighter you shine, the darker your shadow can grow. Carry a message of cooperation and coexistence to those who seek to block you. A little goodwill goes a long way to further your success.	You have taken your passion project as far as you can on your own. You need guidance and wisdom from others now. Showcasing your talents to people unfamiliar with your situation provides you with fresh vantage points. This input is affirming today, especially if you feel unappreciated for your recent contributions. A major breakthrough is progressing right in front of your nose. Venture out into the unknown.
♎ Libra September 23-October 22	♏ Scorpio October 23-November 21	♐ Sagittarius November 22-December 21	♑ Capricorn December 22-January 19	♒ Aquarius January 20-February 18	♓ Pisces February 19-March 20
You flip the table on how you relate to others. Independence is not a request now, it is a demand. The longer you let your needs take second place, the more pressure builds up to a massive explosion of energy. Your impatience stems from an imbalance in investment. It's likely you have been putting more of your resources in than your counterparts. It's time for this inequity to change. Calmly convey what you believe would satisfy a proper restoration of parity. Artist Ai Weiwei said, "To express yourself needs a reason, but expressing yourself is the reason."	Unwanted visitors enter the picture today. You might choose to be polite, but you also want your sense of security restored. Follow the trail of how these interlopers found their way to you. An omission of critical data is surely to be the reason. You will soon discover what the missing piece of information is, and it may be a shocker. Retreat and talk things over with a supportive confidant. Once you see this situation as an opportunity for positive change, everything will start to make sense. Author Eckhart Tolle wrote, "The awakening of consciousness is the next evolutionary step for mankind."	Turbulence in your immediate environment disrupts your beloved routines today. Your everyday habits contribute to your wellbeing and it may frustrate you when you cannot exercise your normal patterns. When interruptions occur, activate your ability to be impulsive in other areas of your life. Nature has a way of toying with you if you're too attached or controlling. You will be back to your regular schedule before you know it. Never forget there is strength in flexibility.	You take deep pleasure in creating lasting treasure. You shape your environment, decorate it, and leave possessions and creations in your path. Your attention sinks into your masterpieces, but their demand on your resources could stress your nerves today. However, the hole burning in your pocket is a mirage. Any value you channel from one source into another remains constant, only the form changes. Your commitment to excellence shines on.	Your living space must radiate beauty and coziness now for you to feel like yourself. If anything is out of place, you hurry to recalibrate the balance to reinstate harmony. Nothing can deter you once you bring into action. Synchronize any recent changes to your personal appearance with your home zone, which might sound like a challenging task at first. Nevertheless, the slightest rearrangement or addition catalyzes renewed comfort, as quickly as your concept of domestic bliss may be. Neil Barningham wrote, "The grass is greener where you water it."	You are at a loss for words now, simply because copious distractions keep tugging you away from composing your thoughts. Thankfully, one of your oldest associates may be able to step in to help you today. Ask for assistance in aiming your attention at your message. If you cannot immediately connect with your friend, merely imagining them next to you might provide the nudge of discipline you need to put pen to paper, or finger to keyboard. The support of a true ally, even when invisible, can inspire you to reclaim your voice.
