Miss Pearl's Country Cookin'

Mexican Rice

original recipe makes 4 servings

- 3 tablespoons vegetable oil
- 1 cup uncooked long-grain rice
- 1 teaspoon garlic salt
- 1/2 teaspoon ground cumin
- 1/4 cup chopped onion
- 1/2 cup tomato sauce
- 2 cups chicken broth

Heat oil in a large saucepan over medium heat and add rice. Cook, stirring constantly, until puffed and golden. While rice is cooking, sprinkle with salt and cumin. Stir in onions and cook until tender. Stir in tomato sauce and chicken broth; bring to a boil. Reduce heat to low, cover and simmer for 20 to 25 minutes. Fluff with a fork.

Chicken & Bacon Shish Kabobs

original recipe makes 6 servings

- 1/4 cup soy sauce
- 1/4 cup cider vinegar
- 2 tablespoons honey
- 2 tablespoons canola oil
- 10 large mushrooms, cut in half
- 2 green onions, minced
- 3 skinless, boneless chicken breast halves cut into chunks
- 1/2 lb. sliced thick cut bacon, cut in half
- 1 (8 oz.) can pineapple chunks, drained

In a large bowl, mix the soy sauce, cider vinegar, honey, canola oil, and green onions. Place the mushrooms and chicken into the mixture, and stir to coat. Cover, and marinate in the refrigerator at least 1 hour. Preheat grill for high heat. Remove the mushrooms and chicken from the marinade and shake off excess. Pour the marinade into a small saucepan and bring to a boil over high heat. Reduce heat to medium-low and simmer for 10 minutes; set aside. Wrap the chicken chunks with bacon, and thread onto skewers so that the bacon is secured. Alternate with mushroom halves and pineapple chunks. Lightly oil the grill grate. Arrange skewers on the prepared grill. Cook 15 to 20 minutes, brushing occasionally with remaining soy sauce mixture, until bacon is crisp and chicken juices run clear.

Peaches & Cream Pie

Original recipe makes 1 - 10 inch pie

- 3/4 cup all-purpose flour
- 1/2 teaspoon salt
- 1 teaspoon baking powder
- 1 (3 oz) package non-instant vanilla pudding mix
- 3 tablespoons butter, softened
- 1 egg
- 1/2 cup milk
- 1 (29 oz) can sliced peaches, drained and syrup reserved
- 1 (8 oz) package cream cheese, softened
- 1/2 cup white sugar
- 1 tablespoon white sugar
- 1 teaspoon ground cinnamon

Preheat oven to 350 degrees F. Grease sides and bottom of a 10 inch deep-dish pie pan. In a medium mixing bowl, mix together flour, salt, baking powder and pudding mix. Mix in butter, egg and milk. Beat for 2 minutes. Pour mixture into pie pan. Arrange the peach slices on top of the pudding mixture. In a small mixing bowl, beat cream cheese until fluffy. Add 1/2 cup sugar and 3 tablespoons reserved peach syrup. Beat for 2 minutes. Spoon mixture over peaches to within 1 inch of pan edge. Mix together 1 tablespoon sugar and 1 teaspoon cinnamon, and sprinkle over top. Bake in preheated oven for 30 to 35 minutes, until golden brown. Chill before serving.

Pot Stickers

original recipe makes 15 servings

- 1/2 pound ground pork
- 1/2 medium head cabbage, finely chopped
- 1 green onion, finely chopped
- 2 slices fresh ginger root, finely chopped
- 2 water chestnuts, drained & finely chopped
- 1/2 teaspoon white sugar
- 1 teaspoon sesame oil
- 1 (14 oz) package wonton wrappers
- 5 tablespoons vegetable oil
- 3/4 cup water
- 1 tablespoon chili oil
- 1 tablespoon soy sauce
- 1 teaspoon rice vinegar

Crumble pork into a large, deep skillet. Cook over medium high heat until evenly brown. Drain and set aside. In a medium bowl, mix together the pork, cabbage, green onion, ginger, water chestnuts, salt, sugar and sesame oil. Chill in the refrigerator 6 to 8 hours, or overnight. Place a tablespoon of the pork mixture into each of the wonton wrappers, and seal the edges with a moistened fork. In a large, deep skillet, heat 3 tablespoons vegetable oil over medium high heat. Place the pot stickers into the oil seam sides up. Heat 30 seconds to a minute. Pour water into the skillet. Gently boil 7 to 8 minutes, until oil and water begins to sizzle, then add remaining oil. When the bottoms begin to brown, remove pot stickers from heat. In a small serving bowl, mix together the chili oil, soy sauce, and vinegar, adjusting proportions to taste.

Your Weekly Love Horoscope

Aries

March 21-April 19

Planning out your day enables you to make the most of your time. It seems like nothing could go wrong when you have every detail in place, but you soon find that your narrow focus allows broader considerations to be left out of the picture. Aligning the small with the large is the only way to proceed successfully now, even if it seems like you could get more done by ignoring the future in favor of the present. The Moon's shift into affable Libra lightens your mood and alleviates mental strain. Henri Matisse wrote, "What I dream of is an art of balance."

Taurus

April 20-May 20

Your mind is set on riding your hobby horse to your heart's content. You don't want to give up any of your spare time to other obligations today, but your fixation on your projects may be placing stress on the people closest to you. The industrious Virgo Moon is challenged by responsible Saturn in your 8th House of Shared Resources, revealing how much you're taking away from others to feed your own pursuits. Whether it's time or money, you must create a healthy balance of giving and receiving for everyone to be satisfied.

Gemini

May 21-June 20

Once you hit your stride organizing your ideas, you don't want to slow down until you have everything just right. However, promises to people hang over your head, and you feel like you must choose between tending your own garden and watering someone else's. Until you find a way to accommodate your plans and the needs of others, you probably won't get much done. Luckily, a special connection between your key planet Mercury and innovative Uranus delivers a creative solution just in the nick of time.

Cancer

June 21-July 22

One task leads to another today, and before you know it you're tweaking little things that you typically don't even notice. It feels constructive to tend to the tiniest details while the efficient Virgo Moon sorts through your 3rd House of Immediate Environment. However, you can't help but realize that your nit-picking detracts from your normal routine when stern Saturn steps in. The challenge is to satisfy your need for perfection without falling behind on daily chores. Discernment and discipline are your key ingredients for success.

Leo

July 23-August 22

Anything you invest time or money in must be worth your while. You don't see a reason to compromise your high standards today, and all purchases need to pass your strict evaluation. You're willing to go above and beyond to find the perfect fit as the shrewd Virgo Moon emphasizes your 2nd House of Material Possessions. However, Luna's encounter with mature Saturn warns you that trying to score the best deal isn't always in your best interest. Happily, establishing middle ground is easier when the Moon relaxes into gracious Libra, reminding you that the best things in life are not things.

Virgo

August 23-September 22

Putting extra effort into your personal presentation is at the forefront of your mind now. You hope to give the right impression and may spend more time in front of the mirror today, making sure every hair is in place. It's not that you want to steal the show, but you believe improving your image might cast you in a more favorable light. Focusing so much on your appearance distracts you from more important matters. Fortunately, a brilliant Mercury-Uranus connection delivers a sudden insight that frees your mind from its self-imposed cage. Be beautiful from the inside out.

Libra

September 23-October 22

A mental block may keep you from verbally expressing your feelings today. Your brain is tied in a knot, and the harder you pull the tighter it gets. The good news is that you won't have to struggle with this tangled mess for long. Once Luna moves out of her contentious alignment with suppressive Saturn and into your charming sign, your communication troubles will be a thing of the past. In fact, radical new ideas begin to arrive out of nowhere, renewing your confidence in your creative powers. Breakthroughs require equal amounts of faith and risk.

Scorpio

October 23-November 21

A special insight is hiding in the noise of the day, so subtle and quiet that you might miss it if you're not paying attention. This gift from a creative Mercury-Uranus connection sends you into long-term planning mode, and you're ready to sign the dotted line and board the train to your dreams. However, you may have to rearrange your budget to accommodate new expenses to make these hopes a reality. This isn't a deal-breaker, but if you ignore this piece of the equation you will need to start over from scratch down the line. Establish a solid financial framework first before launching your plan into space.

Sagittarius

November 22-December 21

Your professional goals are top priority as you appear to have a sharper vision for all things work-related today. Your quest for excellence appears to falter, and in your search for the reason why you may not think to look in the mirror. If your heart isn't in resonance with your ambitions, you could be the one holding yourself back. Happily, fluidity returns as the Moon moves from worrisome Virgo to light-hearted Libra, and problems won't seem so insurmountable. Zig Zigar wrote, "It's your attitude, not your aptitude, that determines your altitude."

Capricorn

December 22-January 19

Your bags are all packed for your next big adventure, but something keeps you from walking out your door. Sometimes taking a step back from all the facts allows them to fall into place. The rational Virgo Moon urges you to control every moving piece, but a square from austere Saturn in your 12th House of Privacy warns that you must spend some time alone to allow your thoughts to coalesce. Fortunately, Luna's shift to cooperative Libra introduces a greater sense of mobility. Everything you say or do in life is a choice.

Aquarius

January 20-February 18

Your pals are the first to notice that something is off today, and getting through a conversation is a challenge on both sides. It might seem like you're stuck in a stalemate until you find a way to share what's going on inside emotionally. Fortunately, an inventive connection between communicative Mercury and your key planet Uranus gives you the right words to express just what you mean. Expect the unexpected to come out of your mouth. Spontaneity is your friend.

Pisces

February 19-March 20

It seems like no matter how hard you try to lay out all the details, no one really understands what you mean. In fact, the more you explain, the deeper you dig yourself into a hole. The fastidious Virgo Moon promises that additional facts will prove your point, but a stressful square from serious Saturn warns you to pare down your over-justification. Fortunately, integration becomes possible when the Moon moves from compulsive Virgo to conciliatory Libra and your 8th House of Intimacy. Making your case is more about timing than anything else.
