Refuge Discovery Series "Let it Snow" The Tennessee National Wildlife Refuge is welcoming back the Refuge Discovery Program this Saturday February 9th at 1pm. This event will be "Let it Snow" and feature visiting critters from the Land Between the Lakes Nature Station. Hendrix Scholarship This spring, one deserving high school senior will win full tuition, room and board at Bethel University, thanks to the Hendrix Scholarship. Established in 1988, the Hendrix Scholarship Competition was the brain-child of late Nashville businessman Willard R. Hendrix, who dreamed of connecting qualified and dedicated faculty with outstanding and deserving students. As the grandson of former Bethel University President W.W. Hendrix, the younger Hendrix also wanted to pay tribute to his grandfather, an outstanding educator who reopened the school on a new McKenzie, TN campus after the Civil War. Willard Hendrix established the trust just two months before his death in August 1988. Worthy students have competed for -- and benefitted from -- the prestigious award ever since. The competition, which will be held in March of 2019, is a two-day event in which students' academic abilities will be tested with a written exam, an academic exam, and an interview. Lodging and meals will be provided on the Bethel campus. Additional activities include a meet-and-greet with current Honors students, interaction with faculty, a campus

Finding the Truth
Conversion of Lydia (Acts 16:14, 15)
How did God open Lydia's heart? The Lord opened Lydia's heart, but how? It was not by a direct operation of the Holy Spirit. It was by the Holy Spirit, but how did the Holy Spirit do this? Paul took “the sword of the Spirit, which is the Word of God (Eph. 6:17), that sharp two-edged sword (Heb. 4:12).” Paul did open heart surgery with the Faith (Col. 2:12; Eph. 1:13; 1 Thes. 2:13). The Gospel is God's power to save (Rom. 1:16). The Word (Gospel) is so powerful it convicts of sin and brings one to repentance and baptism unto the remission of sins (Acts 2:38, 41, 47). At this very instance God writes our name in Heaven (Heb. 12:22-24). Lydia now has a good conscience (1 Pet. 3:21).

Lydia reached the cleansing blood of Jesus at baptism (Rom. 6:3, 4; Acts 22:16) after heeding the things spoken by Paul (Acts 16:14, 15). Lydia was free of sin and the Old Testament Law that could not take away sin. One can be free of sin and denominationalism today by obeying the Gospel of Christ. There are no Christians today without the Gospel obeyed. Those that do not obey the Gospel are lost (II Thes. 1:7-9).

If one is saved today it will be exactly the same as Lydia's salvation. She simply heard the Gospel, believed, and was baptized for salvation. Jesus said, “Go into all the world and preach the Gospel to every creature. He that believeth and is baptized shall be saved. He that believeth not shall be damned” (Mark 16: 15,16). “But he that believeth not is condemned already” (John 3:18b).

2 eggs
1/3 cup vegetable oil
1 teaspoon lemon extract
1/3 cup confectioners' sugar for decoration
Preheat oven to 375 degrees F. Pour cake mix into a large bowl. Stir in eggs, oil, and lemon extract until well blended. Drop teaspoonfuls of dough into a bowl of confectioners' sugar. A heart-to-heart exchange with a friend can teach you something surprising about yourself. The more you talk things through, the more you learn for the future crystallize and give you a direction to pursue. Your conversation may inspire you to spend the evening on your own diving into what has been there all along. Secrets are only secrets until they are revealed. In the words of Plutarch, there is nothing outside of yourself, look within. Everything you want is there.	You sense something special around the corner. You cannot quite put your finger on it. A flash of insight helps to shed light on your public status and how people see you. An untapped approach promises a healthy boost in your profile. Take any zany intuitions seriously. You may not implement them immediately, but they will come in handy later. Share your perceptions with your best buds. Your mates are a good first testing ground for anything you might do to improve your standing. Anticipation is just your intuition calling.	Let your mind wander amiably today. You usually focus on gathering as many facts and details as possible. Try to see a much bigger picture now. When you expand your scope, you take unknown sights into view that give you untapped sources of inspiration, leading your storehouse of aspirations. Use this added context to alter some of your tricks and keep something unpredictable up your sleeve for the future. Fashion icon Diana Vreeland said, Give them what they never knew they wanted.	Word is spreading about your unconventional approach. The waves you make are starting to land on receptive shores. Patrons come out of the woodwork to aid you, and together you drive innovation to an unanticipated level. The challenge lies in taking the time to integrate this development. Sudden growth, especially when it involves so many people, can be daunting. Catch your breath and appreciate your eclectic crew. Helen Keller wrote, Life is either a daring adventure or nothing at all.	You might indulge in deep conversations today that have the capacity to revolutionize your union. Thankfully, your partner is more forthcoming than usual, and you uncover unconventional directions you would like to go together as a unit. This desire to collaborate applies as much to a business associate as a romantic companion. You need a sidekick who is quirky enough to add something unique to your already stunning charisma. Working in unison amplifies your brilliance.	Information flows as if from a fire hose. Life suddenly seems like one interminable meeting today. The exchanges between colleagues propel things forward, though, so there is a payoff to all this talk. You have some excellent contributions to add to the discussion, and perhaps even the makings of a new ally in your endeavors. Your talent lies in cutting the wheat from the chaff, and your team needs you for that. Your discerning eye is one of your undeniable strengths.
♎ Libra September 23-October 22	♏ Scorpio October 23-November 21	♐ Sagittarius November 22-December 21	♑ Capricorn December 22-January 19	♒ Aquarius January 20-February 18	♈ Pisces February 19-March 20
Being yourself is a highly addictive habit. Once you get over others' opinions of you, you can have a blast simply revealing your genuine individuality. You still love reflecting the motley characters you assemble around you, and entertaining them in the process. Each person adds a colored thread to your tapestry, but that tapestry -- and how you weave it -- is all yours. You are a social maestro, and right now is your time to be on center stage. Dance to the music in your mind.	Mundane matters demand your attention today. You are dealing with so much paperwork that you could build a fort out of it and hide. Think of all the trees and ink that were shed for this project. And yet, the only way out is through. Press on. Read the fine print. Get clear on all the terms and conditions being negotiated; sign on the dotted lines where required. Once you get going, your work may not be as overwhelming as it seems, and you'll be well on your way to an enjoyable evening. Taking care of business lights your road.	Nearly every contact you have reaches out to you almost all at once. There are not enough hours in the day to heed all the requests and get your needs met, too. Nested somewhere in the flurry of messages is a wonderful gem of a proposal that will catalyze something artistic in you. If you are too pre-occupied, you might miss it. Stay open and see what lands. The busy buzz will seem to resolve on its own. Don't lose a diamond while chasing glitter.	Freedom is at the core of your fiscal concerns. Accumulating money for its own sake is not the point, it is what you're able to do with it. A messenger brings good tidings in this arena, and you can finally pull the trigger on a change you have been wanting to make at home. This expenditure improves your property, and the results could turn out even better than expected. Anything can happen, though, so make sure you stay involved every step of the way. From little acorns, mighty oak trees grow.	Your revolutionary way of seeing the world captures all of your monad. You may feel beholden to get something -- anything at all -- started. Be careful that your enthusiasm does not land you into trouble today. You love to instigate mischief, and sometimes your rebellious attitude can backfire. It is better to win the hearts and minds of people who join your cause first. Cooperation clears a path to lasting change. Your task is to rally the troops to manifest your vision.	Although there are so many thoughts swirling in your mind, choosing which ones to express can be a tough call. You may feel beholden to keep your musings secret, for now at least. Perhaps there are nonverbal ways you can encode your ideas that will enable people to connect to the emotional core of your sentiments. Thankfully, you are an expert at alternative forms of communication. There's an extra bonus: whatever you create could give you a potential source of income. Prosperity comes in many shapes and sizes.
