Carter Allison, 2nd grader at Rhea Elementary, was recognized by the Henry County Sheriff's Office for his quick response and thinking in helping save his younger brother's life. Back on Sunday afternoon March 5th, Carter and his two younger brothers were playing outside at their home along with their dad. Carter's 16 month old brother had gotten close to the pond and fell in. Carter didn't panic, instead alerted their father, then helped him pull his younger brother out of the pond. Carter was given the Life Saving Award and Sheriff's Office Challenge Coin for his efforts. He is pictured with Sheriff Monte Belew, Chief Deputy Damon Lowe, Sgt. Michele Brewer, and K9 Si, who gave him a lick on the face for his work.

DUN-FOUND-IT GAME FOR MARCH 16, 2017

Name: _____ Phone: _____

Miss Pearl's Country Cookin'

Tuna Melt

2 5-ounce cans chunk light tuna drained
1 medium shallot, minced (2 tablespoons)
2 tablespoons low-fat mayonnaise
1 tablespoon lemon juice
1 tablespoon minced flat-leaf parsley
1/8 teaspoon salt

Preheat broiler. Combine tuna, shallot, mayonnaise, lemon juice, parsley, salt, hot sauce and pepper in a medium bowl. Spread 1/4 cup of the tuna mixture on each slice of toast; top with tomato slices and 2 tablespoons cheese. Place sandwiches on a baking sheet and broil until the cheese is bubbling and golden brown, 3 to 5 minutes.

Warm Snow Pea & Chicken Salad

1 pound boneless, skinless chicken breast, trimmed
1 14-ounce can reduced-sodium chicken broth
3 tablespoons rice vinegar
3 tablespoons reduced-sodium soy sauce
3 teaspoons toasted sesame oil, divided

Place chicken in a medium skillet or saucepan and add broth; bring to a boil. Cover, reduce heat to low, and simmer gently until cooked through and no longer pink in the middle, 10 to 12 minutes. Transfer the chicken to a cutting board to cool. Shred into bite-size pieces. (Cool and refrigerate the broth, reserving it for another use.) Meanwhile, whisk vinegar, soy sauce, 2 teaspoons sesame oil and tahini (or cashew butter) in a large bowl until smooth. Heat the remaining 1 teaspoon oil in a large nonstick skillet over medium-high heat. Add ginger and garlic and cook, stirring, until fragrant, about 1 minute. Stir in slivered peas and cook, stirring, until bright green, 3 to 4 minutes. Transfer to the bowl with the dressing. Add the chicken to the bowl with the peas; toss to combine. Serve sprinkled with cashews.

Almond Crusted Chicken Fingers

Canola oil cooking spray
1/2 cup sliced almonds
1/4 cup whole-wheat flour
1 1/2 teaspoons paprika
1/2 teaspoon garlic powder
1/2 teaspoon dry mustard

Preheat oven to 475°F. Line a baking sheet with foil. Set a wire rack on the baking sheet and coat it with cooking spray. Place almonds, flour, paprika, garlic powder, dry mustard, salt and pepper in a food processor; process until the almonds are finely chopped and the paprika is mixed throughout. Drizzle in oil; process until combined. Transfer the mixture to a shallow dish. Whisk egg whites in a second dish. Add chicken tenders and turn to coat. Transfer the tenders on the rack and coat with cooking spray; turn and spray the other side. Bake the chicken fingers until golden brown and crispy 20 to 25 minutes.

Peanut Butter Truffles

1/2 cup crunchy natural peanut butter
1/4 cup finely chopped salted pretzels
Combine peanut butter and pretzels in a small bowl. Chill in the freezer until firm, about 15 minutes. Roll the peanut butter mixture into 20 balls (about 1 teaspoon each). Place on a baking sheet lined with parchment or wax paper and freeze until very firm, about 1 hour. Roll the frozen balls in melted chocolate. Refrigerate until the chocolate is set, about 30 minutes.

Your Weekly Love Horoscope

Aries
March 21-April 19

You're skipping through your day with a smile on your face. Although today's events are nothing to write home about, everything seems like a game when the playful Leo Moon is brightening your 5th House of Recreation. But sooner or later, a lunar shift to exacting Virgo reminds you that there's work waiting with your name on it. Anticipating the shift in gears will help you maintain your good mood even after it appears the party is over. Gratitude changes everything.

Taurus
April 20-May 20

You relish the opportunity to breathe a sigh of relief, knowing that your feet are back on solid ground again. Reestablishing your center of gravity enables you to feel more confident in your decisions. Although basking in your comfort zone is a nice reprieve, you naturally want to direct your energy toward something productive now. Find a hands-on activity to occupy your creativity before the Moon enters service-oriented Virgo later on. Leave the world more interesting than you found it.

Gemini
May 21-June 20

Your positive message is believable today because it's coming from a place of true optimism. You're happy to offer uplifting words to anyone who needs them, knowing it reinforces your good mood as well. However, when you're back inside your familiar four walls at home it could seem like the light that brightened your disposition is just illuminating all the chores that must be done. Rather than being discouraged by this sudden change in the atmosphere, whistle while you work. Expect nothing and appreciate everything.

Cancer
June 21-July 22

Your positive message is believable today because it's coming from a place of true optimism. You're happy to offer uplifting words to anyone who needs them, knowing it reinforces your good mood as well. However, when you're back inside your familiar four walls at home it could seem like the light that brightened your disposition is just illuminating all the chores that must be done. Rather than being discouraged by this sudden change in the atmosphere, whistle while you work. Expect nothing and appreciate everything.

Leo
July 23-August 22

People gravitate to you like a bonfire on a chilly night because your warmth is so inviting. You're happy to be generous at first, picking up the lunch tab and lending a friendly ear to someone who needs it. But you may grow more antsy as the clock ticks, recognizing your own house needs to be put in order. You start to realize how much you give away now that you need the resources yourself. Pacing yourself from the beginning prevents you from having to shift into crisis management mode later on.

Virgo
August 23-September 22

You may begin the day with a plan to cut yourself some slack; honestly, you of all people deserve to take it easy sometimes. But oddly enough, you pick up speed throughout the day and before you know it you're searching for more things to do. The productive Virgo Moon enlivens your 1st House of Self, putting you in your element and pushing you to reshuffle your priorities. There is no substitute for hard work. No rest is worth anything, except the rest that is earned.

Libra
September 23-October 22

It's not easy to turn down an intriguing invitation, but recharging your batteries sounds like a better idea today. Social commitments you made earlier may hold little appeal after the virtuous Virgo Moon moves into your 12th House of Rest. There's no harm in canceling your plans now, but don't let unfounded anxiety keep you from connecting with others. An old English proverb cautions, "Worrying is like sitting in a rocking chair. It gives you something to do but it doesn't get you anywhere."

Scorpio
October 23-November 21

You feel like a superstar when your peers recognize you for a job well done. Your industrious efforts are paying off now, and you're ready to ride this wave of accomplishment to even greater heights. However, your confidence can only carry you so far. The Moon's move into shrewd Virgo allows little room for subjectivity and a reality check could be disheartening if you have wandered too far off track. An objective evaluation of your goals early in the day improves your chances for success. Wake up with determination; go to bed with satisfaction.

Sagittarius
November 22-December 21

You can see a gleaming future in your mind's eye but it's up to you to move toward your ultimate goal as you navigate through the real world. Sometimes doing the required work is less invigorating than imagining the end product, but both are required in order to make progress. Thankfully, the Moon's shift into your 10th House of Responsibility empowers you to intuitively make the right choices that lead to success. Joseph Campbell wrote, "Follow your bliss and the universe will open doors where there were only walls."

Capricorn
December 22-January 19

Traversing your inner world is a major endeavor, but it can also give you a greater appreciation of yourself. Once you take a courageous step in the direction of self-acceptance, it's rewarding to see the speed at which you progress. Thankfully, you will be ready to reestablish yourself in the material world when your quest comes to an end. Sinking your teeth into an activity that grounds your energy aids in your process of self-actualization.

Aquarius
January 20-February 18

Playful banter lifts your spirits, but something changes when the conversation goes deeper. The energy isn't the same once you start to explore the logistics of a relationship, and it could be disconcerting at first. It might seem like you're talking to a different person once the dialogue heats up to an uncomfortable temperature. Nevertheless, authenticity is more important now than emotional security. It's pointless to judge each other's behavior when neither one of you is perfect. The Dalai Lama teaches, "Love and compassion are necessities, not luxuries. Without them humanity cannot survive."

Pisces
February 19-March 20

You keep saying yes today, because the longer your to-do list, the more excited you feel about accomplishing every last task. You might even volunteer to help someone else tie up their loose ends, feeling certain that luck is on your side. However, when the picky Virgo Moon moves into your 7th House of Others, your previous obligations demand your attention. You may need to let a friend down because you put too much on your own plate, compromising your ability to be in two places at once. Managing your time wisely is the best way to prevent over-commitment and under-delivery.
