# What's Happening?

## BPU, City of Paris Tree Seedlings

**Give Away** The Board of Public Utilities and the City of Paris will be giving away tree seedlings beginning at 11 am on Friday, March 22. The event will be held at two locations with members of the BPU staff set up in the alleyway by their main office at 117. E. Washington St. and staff from the City of Paris set up at Eiffel Tower Park. Trees will be distributed on a first-come, first-served basis, while supplies last. Available tree varieties will include: Red Oak, Pine, Fruit or flowering variety and Redbud or similar species. The trees are between eight and 24 inches tall and have been harvested when dormant without soil around the roots, making them easier to transport and plant. Trees beautify our neighborhoods and when planted in the right spot, they can even help lower your energy bills. But the wrong tree in the wrong place can be a hazard-especially to power lines. Along with the seedlings, individuals will receive a brochure that explains the importance of planting the

right tree in the right place and BPU's commitment to protecting our environment. "We are very excited to be partnering with the city on this project," said Terry Wimberley, BPU General Manager. "From time to time we do have to trim or cut down trees to ensure we are able to provide customers with safe and reliable power, with this project, not only are we able to educate our customers on best practices for tree planting but also help generate new tree growth in the community." Also included in the brochure is information about the City's Preserve Paris Program and the City's MS4 Recognition. Preserve Paris is a neighborhood revitalization, preservation and clean-up initiative that began in early 2016. The city believes this giveaway accomplishes two things in preserving our neighborhoods- it improves the aesthetics as well as the water quality in our community. Kim Foster, City Manager stated, "we are pleased to offer this tree giveaway for our spring, 2019 Preserve Paris Event. In the past we concentrated on specific neighborhoods. We are excited that all residents can benefit from this upcoming event. Please join us on Friday and plant a tree!"

**Donkey Basketball Game** Donkey Basketball is once again coming to the Central Community Service Center on Saturday, March 23rd at 7 p.m. Prominent local people ride stubborn and tricky donkeys, all while playing basketball. Admission is \$8 at the gate and advance tickets can be purchased at Take Me Back Café for \$6. For more information visit [www.donkeyball.net](http://www.donkeyball.net) or for event bookings, please contact Circle A Donkey Ranch at 731-243-3326.

## Finding the Truth

### Christ and the Church

The world hears so much about religious bodies called churches, it must be wondering if Christ ever had a church and if He has one today. Where is Christ's church and how could one find it today? "And I say unto thee, that thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it." (Matthew 16:18) Out of the many churches in the world today, which one did Jesus Christ build? Which one did he purchase with his own blood? (Acts 20:28)

The only way of determination must be by identity or certain marks or characteristics. If the church is lost to so many it must be found. The only way to find it is by identification based on New Testament description. Just being similar to the New Testament church will not do.

The church today is produced by the word to God, and exists wherever men and women have obeyed it. "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost." (Acts 2:38) "Then they that gladly received His word were baptized: and the same day there were added unto them about three thousands souls." (Acts 2:41) "And the Lord added to the church daily such as should be saved." (Acts 2:47)

"And He is the head of the body, the church." (Col. 1:18) "There is one body." (Eph. 4:4) Therefore if there is one body and the body is the church, then there is one church. The church must be scriptural in doctrine, name, worship, and work as set forth in the New Testament.

"The churches of Christ salute you." (Romans 16:16)

# Your Weekly Love Horoscope

 <b>Aries</b> March 21-April 19 Professional kudos are set to arrive at any minute -- and not a moment too soon. It turns out you weren't being ignored or overlooked by authority figures after all, just being pushed to see what you're capable of when the heat is on. Thankfully, you can turn the tables by using this moment to demonstrate your drive for success. A modest celebration is definitely in order now, so kick back and enjoy this well-deserved validation. Treat yourself to a nice meal, your favorite music, and the perfect companion. Soccer star Leo Messi said, "There is no winning without hard work."	 <b>Taurus</b> April 20-May 20 If anyone deserves a pat on the back today, it's you. Despite having to redo almost every aspect of a personal project at least once, it's finally over. The hurdles you jumped and the unexpected obstacles you faced may have caused doubt in the minds of some, but those who know you well expected nothing less. After all, once you sign on to a mission -- any mission -- you're thorough, resolute, and even stubborn about seeing it through to the end. There's nothing more satisfying than sitting back and realizing you got it right.	 <b>Gemini</b> May 21-June 20 You might stop to reconsider a recent emotional decision today, yet you remain convinced that you are following the most sensible path. However, the tougher the situation, the less you may want to share your feelings now. Don't feel obligated to talk about it until you're ready, no matter how long that takes. The next step is to come up with a plan, but there's no reason to rush it. You need time to adjust to the idea that your life will soon be very different. Be gentle with yourself. Remember, change is a process, not an event.	 <b>Cancer</b> June 21-July 22 Against all odds, you are managing to adapt -- and nicely, too -- to circumstances beyond your control. You may not be especially pleased with this state of affairs, but you're determined to keep on handling things until the trouble is over. In the meantime, find a way to reward yourself for coming through with flying colors. Putter around the kitchen, spend some time with the kids, or do a bit of unnecessary shopping. Whatever you like. A little pampering will do your heart a lot of good.	 <b>Leo</b> July 23-August 22 Your coworkers and superiors are impressed with your ability to make tireless determination look easy. What they don't know is that you learned a long time ago how to make the best of whatever life tosses your way. Your secret weapon is the fact that once you decide you want something, you are relentless in the pursuit of your prey. Its why so many of you Lions have become not just famous, but household names. Babe Ruth said, "It's hard to beat a person who never gives up."	 <b>Virgo</b> August 23-September 22 You're excited to learn something new about a hobby or pastime you adore. It may not have been easy to make time for this activity in the past, but the universe has seen fit to pave your way by freeing up your schedule now. Your first reaction might be to dig into finishing other tasks but give yourself a break today. Your chores won't go anywhere. Besides, following your heart lifts your spirits and puts a spring in your step, despite making you more productive in the process. Joy is the most magnetic force in the universe.
 <b>Libra</b> September 23-October 22 You're busy restoring peace in your kingdom after dealing with a domestic dispute for far too long. The truth is it wasn't an easy process, and there were times when you were pretty sure resolution might not happen. Thankfully, you notice several signs of teamwork within the ranks today. You still must keep an eye on things for a while longer, but it seems the worst of the tension is finally over. Take a deep breath and enjoy the tranquility while it lasts. Spiritual leader Shri Radhe Maa said, "To live in a peaceful home is to experience paradise on earth."	 <b>Scorpio</b> October 23-November 21 You may be happily surprised to find a practical and civil way to resolve a misunderstanding today. The cosmic energy encourages everyone to communicate without shouting, placing blame, or making accusations. Sit down and initiate an uncomfortable conversation you no longer wish to avoid. If you're still a little nervous about the encounter, meeting your opponent in public or talking on the phone might not be a bad idea. Clear the air with as little drama as possible. Think of the relief you'll feel when the past actually becomes the past.	 <b>Sagittarius</b> November 22-December 21 Your motivation might be lacking today, but your positive attitude quickly returns once you start moving. You have come to realize that anything left undone or half-done gives you a case of the guilts, which interferes with your ability to relax and play. As the zodiacs number one fan of recreation, it stands to reason that obstacles in the way of your fun absolutely must be dealt with before anything else. Besides, playtime is always sweeter when you know you deserve it.	 <b>Capricorn</b> December 22-January 19 A plan is coming together beautifully, and truth be told, you're rather proud of yourself. To be fair, you may have received quite a bit of help from others who recognized your creative potential and supported you every step of the way. Its time to thank your allies properly and reward their loyalty. If they won't accept anything of substance, insist on sharing the credit and assure them they will be an integral part of your next successful venture. Work hard; dream big.	 <b>Aquarius</b> January 20-February 18 Refuse to be distracted by counterfeit facts, no matter how skillfully they're presented today. Your instincts are quite keen now, and entirely reliable when it comes to discerning the truth. Be especially aware of anyone who seems to be trying too hard to sell you on something or push you in a certain direction. This doesn't mean you should automatically mistrust a friendly new acquaintance but be cautious until you verify all the details to their story. Watch their behavior for the missing clues. Honest hearts produce honest actions.	 <b>Pisces</b> February 19-March 20 You may feel supported by good friends now -- the kind who always have your back, no matter what. If their unwavering encouragement has helped you through a tough time, let them know how much they are appreciated. Create a special moment where you celebrate their presence in your life.
