Bookstore Needs Donations The Friends of the Library Bookstore located at W.G. Rhea Public Library on W. Washington in Paris is looking for gently used books. Books are sold to make extra money to support the many programs at Rhea Library such as adult computer classes, computer coding classes for young adults, children's programs, and technology improvements. We are planning our Spring Sale which will be May 8th through May 12th in the meeting room at the library and are hoping to have a wide variety of books for customers to choose from. If you have wondered how to help support the community, this is one of the ways. An added bonus is that you can do some Spring cleaning and get rid of books you no longer want around. Books can be dropped off at the bookstore Tuesday through Friday 9-4 and Saturday 9-2. If you need help carrying them in, please don't hesitate letting the manager or volunteers know. Thank you for supporting W.G. Rhea Library!

Farmer’s Market Moving Back to Fairgrounds Spring and summer months mean homegrown fruits and vegetables at the local Henry County Farmers Market. This year, the market will depart its downtown location and return to the Henry County Fairgrounds. “We’ve enjoyed having the market downtown and promoting the farmers,” said Kathy Ray, executive director for the Downtown Paris Association, “but at the end of the day, the market has outgrown its location on the corner of Ruff and North Market. The fairgrounds, with its additional space and pavilion will be a better fit.” When the market moved downtown there were two vendors, according to Ray. “With the help of our Downtown Paris App, Facebook page and increased highway visibility, they were able to swell their numbers to 28 vendors in 2017,” she said. Available items included corn, tomatoes, okra, beans, squash, cantaloupe, watermelon, cucumbers, eggplant, peaches, and potatoes, as well as local meat, eggs, honey, homemade jellies, jams, breads and heirloom vegetables. For questions regarding the 2018 market, contact Ranson Goodman at the UT Extension office at 731-642-2941.

Lady Pats Spring Sprint 5K The Henry County Lady Patriots Softball team will hold their 5th Annual Spring Sprint 5K Run/Walk on March 24th. Entry fee is \$20, pre-registration deadline is March 10th. Trophies will be awarded to the top male and female finishers and the top 3 finishers in each age bracket. For more information call any softball booster club member.

City of Paris Seeking Splash Pad Feedback The City of Paris is seeking public feedback on a project as the city is considering the construction of a splash pad at Eiffel Tower Park. The City plans to hold public input meetings on the issue with the first meeting set for Thursday March 22nd at 11am at Atkins Porter Recreational Center at the corner of S. Highland and Walnut Street. The 2nd public input meeting will be Thursday April 5th at 4pm at the Paris Henry County Chamber of Commerce prior to the April Paris City Commission meeting. Anyone that can’t attend either meeting but would like to provide feedback can find information on the City of Paris Facebook page and leave feedback there.

Rocky Bolen Memorial 5K Run/Walk A 5K run/walk to benefit the Rocky Bolen Memorial Scholarship Fund is planned for Saturday, March 31st starting at 9am. Early registration fee for the event is \$20 per participant. Entry fee the day of the event will be \$25. Contact Tammy Bunn at 731-234-4683 or Linda Bolen at 731-415-0568 for more information

Miss Pearl's Country Cookin'

Stuffed Chicken Rolls

6 boneless skinless chicken breast halves (8 oz each)
6 slices fully cooked ham
6 slices Swiss cheese
1/4 cup all-purpose flour
1/4 cup grated Parmesan cheese
1/2 teaspoon rubbed sage
1/4 teaspoon paprika
1/4 teaspoon pepper
1/4 cup canola oil
1 can (10-3/4 ounces) condensed cream of chicken soup, undiluted
1/2 cup chicken broth
Chopped fresh parsley, optional

Flatten chicken to 1/4-in. thickness; top with ham and cheese. Roll up and tuck in ends; secure with toothpicks. In a shallow bowl, combine the flour, cheese, sage, paprika and pepper; coat chicken on all sides. In a large skillet, brown chicken in oil over medium-high heat. Transfer to a 5-qt. slow cooker. Combine soup and broth; pour over chicken. Cover and cook on low for 4-5 hours or until chicken is tender. Remove toothpicks. Garnish with parsley if desired. Freeze option: Cool chicken mixture. Freeze in freezer containers. To use, partially thaw in refrigerator overnight. Heat through slowly in a covered skillet, stirring occasionally, until a thermometer inserted in chicken reads 165°. Yield: 6 servings.

Three Cheese Potatoes

3 large potatoes, peeled and thinly sliced
1 medium onion, chopped
3 tablespoons grated Parmesan cheese
1 tablespoon minced chives
1/2 teaspoon seasoned salt
1/4 teaspoon pepper
2 tablespoons butter
1/2 cup crumbled cooked bacon
1/2 cup shredded mozzarella cheese
1/2 cup shredded cheddar cheese

In a large bowl, combine the first six ingredients. Transfer to a double thickness of greased heavy-duty foil (about 18 in. square). Dot with butter. Fold foil around potato mixture and seal tightly. Grill, covered, over medium heat for 30-35 minutes or until potatoes are tender, turning once. Carefully open foil. Sprinkle bacon and mozzarella and cheddar cheeses over potato mixture. Grill 3-5 minutes longer or until cheese is melted. Yield: 4-6 servings.

Your Weekly Love Horoscope

 Aries March 21-April 19 Your current confusion could catalyze your actions as you shake yourself awake from a dream. You know that time is running out and you must put your plan into motion, but you're afraid you might rush off in the wrong direction. Don't fall victim to fabricated concerns when there are plenty of real world issues to handle today. Focus on what you can control, not what you can't. Author Graham Greene wrote, "Ordinary life goes on that has saved many a man's reason."	 Taurus April 20-May 20 You may be obstinate today because you don't want to set aside your own needs in favor of everyone else's. However, you might struggle to understand the true intentions of your group of friends or coworkers. You're more than likely operating without all the facts now, tempting you to jump to an incorrect conclusion. Unfortunately, taking shortcuts won't work in your favor, so settle in for the long haul. Former Prime Minister of Singapore Lee Kuan Yew wrote, "If you want to reach your goals and dreams, you cannot do it without discipline."	 Gemini May 21-June 20 You are less interested in accomplishing your goals today than you are in daydreaming about your future success. You could easily waste your valuable energy and limited time by chasing one unrealistic fantasy after another. You must navigate a course through visions that inspire you to greater heights without becoming overly attached to any of them. Thankfully, you will suffer fewer disappointments when you learn to accept instead of expect. An attitude of gratitude saves the day.	 Cancer June 21-July 21 There is no immediate cure for your high level of idealism now. You're unwilling to accept reality as the arbiter of what you can and cannot do. Nevertheless, you are unable to avoid the circumstances of the moment, except when you escape into your dreams. But metaphysical solutions can be delusional, unless they impact the three-dimensional world in a positive manner. Historian Daniel Boorstin wrote, "The greatest enemy of knowledge is not ignorance, it is the illusion of knowledge."	 Leo July 22-August 22 Your current relationship situation could have you jumping through hoops because it demands so much of your time. But you are fully committed to the process of personal evolution. You're ready to do whatever is necessary to make the most of any opportunity for growth now. You know that change is, in fact, dependent on your ability to see reality from new perspectives. Activist Bryant McGill wrote, "Real transformation requires real honesty. If you want to move forward - get real with yourself!"	 Virgo August 23-September 22 Sharing your truth is quite tricky since people won't hear what you say now; instead they will hear whatever they want. But the current communication dynamic works both ways, prompting you to reinterpret someone's words, too. Everyone seems to be captivated by the magic of their own dreams today, making it difficult to separate the reality from illusion. Landscape architect Russell Page wrote, "A discerning eye needs only a hint, and understanding leaves the imagination free to build its own elaborations."
 Libra September 23-October 22 The spiritual component of medicine is being explored at universities around the world, but you might do your own private research now. The connection between the metaphysical and the physical realms is so strong today that you can cure an ailment by resolving a conflict or by creating a harmonious environment. Naturally, diet, exercise and plenty of rest all have a positive impact on your health, but the largest single factor may be your attitude. Change your mind, change your body.	 Scorpio October 23-November 21 It could be one of those days when you get up on the wrong side of the bed, but don't judge the big picture on your morning mood, for your negativity will likely dissipate as positive feelings blow in on a pleasant breeze. Adopting an optimistic outlook enables you to avoid the trap of remaining stuck in the past and ruminating on regret. Fortunately, it's your choice; many variables lie outside the realm of your control, but you decide your future by how you respond to external events.	 Sagittarius November 22-December 21 You might be on the verge of panic now as you run around trying to beat the clock. Although it's a great idea to finish as much as possible before action-oriented Mars leaves your sign tomorrow, your world won't fall apart if there are still a few loose ends to tie up. Nevertheless, don't hesitate because the more you complete today, the better off you will be in the days ahead. John C. Maxwell wrote, "Dreams don't work unless you do."	 Capricorn December 22-January 19 You may be struggling to grasp the subtle interpersonal dynamics at work today. Thankfully, your interactions with friends and coworkers can radically shift your perspective on a current situation. However, you must keep an open mind that's free of predetermined conclusions in order to benefit from a meaningful discussion now. Softening your stance helps to create an environment where others can share their previously unspoken concerns. Greek philosopher Epictetus wrote, "We have two ears and one mouth so that we can listen twice as much as we speak."	 Aquarius January 20-February 18 Your thoughts drift toward your finances today as you imagine different ways to increase your income. However, your current daydreams aren't likely tied to reality; they are just idle wanderings of your mind. Nevertheless, freed from the restraints of common sense, you might just stumble onto a fantastic money-making idea that could actually work. Your job is to sort through your fantasies with a pragmatic eye that enables you to focus more attention on a plan with real potential. Computer engineer An Wang wrote, "Success is more a function of consistent common sense than it is of genius."	 Pisces February 19-March 20 Although your current thinking may not be very practical, people enjoy being around you because you can be so inspiring when you dream out loud. However, attempts to turn your thoughts into concrete plans could be a study in frustration today. Sometimes, it's a gift to be able to free your mind from the mundane world. Nevertheless, you can't ignore your previous commitments. Fortunately, you can balance your philosophical pursuits with responsible behavior if you're willing to sacrifice a little sleep. Dr. Orson Marden wrote, "All men who have achieved great things have been great dreamers."

SWM, 61 years old, 6'2", 210 lbs., I'm semi-retired but I'm very active. I love working on my property; I own my home. I exercise regularly and try to eat right. I don't smoke or drink, I'm in fairly good shape, I feel compelled to be a better American, I want to be part of the solution, not part of the problem. Just think how lucky we are to live in this country that so many people have died for us. But I realize that behind every man is a good woman. I'm not looking for a one night stand. And I will not be bogged down or distracted from my goals in life. I'm looking for a special kind of woman, the things I'm wanting are that she must love America, must love God and commit herself to some church going, must want to be involved in our community, and she must be tired of bad and go-nowhere relationships. She must want to do better and feel good about herself and she must want a man to treat like the woman that she is. She must be high on life without mind altering chemicals, and be mature and know what she wants in a relationship. I have a lot to offer the right woman. Don't let that female pride get in your way, contact me, I'm real! PTP 499
