## Fried Sweet Bananas

*original recipe makes 16 slices*

- 3 firm bananas, halved lengthwise
- 1/2 cup white sugar
- 1 1/4 teaspoons ground cinnamon
- 3 tablespoons butter

Cut each banana half into 3 or 4 pieces. Mix sugar and cinnamon together in a shallow bowl. Melt butter in a skillet over medium-low heat; add banana slices and cook until golden brown, 5 to 10 minutes. Transfer banana slices to a paper towel-lined plate. Coat banana slices, 1 at a time, with cinnamon-sugar.

## Hashbrown Sliders

*original recipe makes 5 servings*

- 1 (20 oz) package shredded hash brown potatoes
- 2 large eggs, beaten
- 1/2 cup shredded mozzarella cheese
- 1/4 teaspoon ground black pepper
- 1/2 teaspoon salt
- 2 teaspoons olive oil, divided
- 3 small avocados, peeled and pitted
- 1 pinch garlic salt
- 4 ounces thinly sliced serrano ham
- 8 ounces mozzarella cheese, sliced

Place hash browns, eggs, shredded cheese, pepper and salt in a large bowl. Mix the ingredients using your hands, making sure everything is well coated. Add 1 teaspoon of olive oil to a large nonstick saute pan over low to medium heat. Grab a handful of the potato mixture, about 1/4 cup, and create a ball. Place it down on the pan and carefully pat it down to create a flat disc shape. Cook for 3 to 4 minutes and then flip it over and cook for an additional 3 to 4 minutes. Remove and place on a paper towel. Repeat until all hash browns have been used. In a small bowl, mash the avocados and sprinkle with a little garlic salt. Place a spoonful of the mixture onto a hash brown stack. Top with half slice of Serrano ham and a slice of mozzarella cheese. Top it with another hash brown stack.

## Quesadilla Burgers

*Original recipe makes 4 Burgers*

**Southwest Sauce:**

- 1/2 cup sour cream
- 1/4 cup ranch dressing
- 1/4 cup taco sauce

- 4 (4 oz) hamburger patties
- 1 dash Worcestershire sauce, or to taste
- 8 flour tortillas
- 2 cups shredded sharp Cheddar cheese
- 2 cups shredded Colby-Jack cheese
- 1/2 head lettuce, shredded, or to taste
- 3 tablespoons picante sauce, or to taste

Mix sour cream, ranch dressing, and taco sauce together in a bowl until Southwest sauce is smooth. Cover bowl and refrigerate for flavors to blend. Preheat an outdoor grill for medium-high heat and lightly oil the grate. Cook hamburger patties in the preheated grill for 5 minutes, seasoning with Worcestershire sauce. Flip patties. Arrange tortillas on the grill and lower heat to medium-low under tortillas. Add Cheddar cheese and Colby-Jack cheese to tortillas; cook until cheeses melt, 2 to 4 minutes. Continue cooking hamburger patties until cooked through, about 5 minutes more. An instant-read thermometer inserted into the center should read at least 160 degrees F. Spread Southwest sauce onto 1/2 of the tortillas; top with lettuce and picante sauce. Place 1 hamburger patty on top of picante sauce layer and top patty with a tortilla, creating a sandwich.

## Ranch Baked Vegetables

*original recipe makes 6 servings*

- 1/2 cup olive oil
- 1 (1 oz) package dry ranch dressing mix
- 4 large potatoes, peeled and coarsely chopped
- 2 zucchini, coarsely chopped
- 3 stalks celery, coarsely chopped, or more to taste
- 1 onion, coarsely chopped (optional)
- 1/2 cup seasoned bread crumbs
- 1 pinch garlic salt

Preheat oven to 350 degrees F. Mix olive oil and ranch dressing mix together in an 8-inch square baking pan. Add 1/2 of the potatoes, 1/2 of the zucchini, 1/2 of the onion, and 1/2 of the onion; stir to coat. Add remaining potatoes, zucchini, celery, and onion; stir to coat. Sprinkle bread crumbs and garlic salt over the top. Bake in the preheated oven until vegetables are tender, 50 to 60 minutes.

# PERSON TO PERSON

Hi! WWCF, 56, 5'2", looking for a gentleman, preferably 60+, who loves God first and wants some company to do things with, like long drives in the country, traveling, camping in good weather and fishing if you bait my hook and take the fish off! I'm a nonsmoker and non-drinker. I love animals of all kinds and have a few. Looks are not important to me, the heart is. I would like if you were comfortable talking, but just as comfortable not having to talk and be ok with each other's silence. I am interested in what your likes are too. We don't have to be soulmates to enjoy each other's company, but wouldn't it be nice if it turned out that way? PTP 473

SWM, 48 yrs old, looking for SWF, 35 to 55 yrs. old (no kids please), chubby to full figure ladies who likes to cuddle and spend quality time together. Must love dogs. If disabled, you can reply too. If you can, please send a photo but it is not necessary. PTP 475

I am retired with good income, own my own home and late model vehicle - all paid for. Not looking for sex or a home. I live in Murray, KY. 5'11", 169 lbs. some hair yet I am 80+, but will pass for 70 or so. Always happy. My wife passed on 7 years ago. Don't drink or smoke or do drugs. Don't have any cats or dogs to hold me back and hop you don't. PTP 476

DWM, 5' 7.5", 200lbs., age 55, looking for WF 45-55. I like yardsales & flea markets, eating out at times. I don't smoke but I do drink, not heavy. If interested write and enclose photo if possible. PTP 480

WWF, age 70 but told I look 60. I love traveling, reading, music, yard sales, computers. Love to cuddle and give lot of attention to one special man. I am very honest, loyal, one man woman. I am fully retired so have lots of time on my hands. I do not smoke and I am "allergic" to all smoke, including cigars. I do occasionally like to have on of those frozen drinks or a glass of red wine but I'm not a regular drinker. I love the beach, mountains, etc. I live in Jackson, TN but I have a camper on KY Lake in Springville and I love to spend time there. Just a country girl at heart and I am a retired nurse. Love cruises as they are so "romantic" and been on several and want to go again. I am not interested in smokers, heavy drinkers or "druggies". Also no "gold diggers". Forgot to say I'm 5'7" tall, reddish blonde hair, and full figure (not fat). I dress stylish and never see a stranger. I have 2 small dogs that are seniors and sleep all day. They are clean, non-shed, well trained and well mannered. I lost my chihuahua to congestive heart failure very recently! I will call all that leave me a phone number. I am not into fun, casual relationships, only serious older gentlemen that are very romantic and know what they want. PTP 474

## Your Weekly Love Horoscope

| <br><b>Aries</b><br>March 21-April 19  | <br><b>Taurus</b><br>April 20-May 20   | <br><b>Gemini</b><br>May 21-June 20  | <br><b>Cancer</b><br>June 21-July 22  | <br><b>Leo</b><br>July 23-August 22  | <br><b>Virgo</b><br>August 23-September 22   |
|---|---|---|--|---|---|
| Although current challenges may go unresolved today, it might seem as if you are on a temporary holiday. It's not that the pressing predicaments have disappeared into thin air; it's just your spirits soar with the Sagittarius Moon, allowing you to fly above the troubles that complicate your life. You're free to dream about visiting your own future, even if it's only a figment of your imagination. Luckily, your positive thoughts can have more of an uplifting impact on your life than you could ever expect. | You are inspired by your dreams this week but this doesn't mean that every wish will automatically manifest according to your favorite fantasy. Nevertheless, practical thinking isn't the answer now because your imagination can help you envision what you want. Acknowledging your extreme idealism might not help you reach your goals, but it minimizes disappointment from setting in when you confront the limits of reality. Dream big, work hard and stay humble. | Relationship tensions might be exacerbated by your unrealistic ideas today. Ambitious plans won't necessarily create problems all by themselves; the real difficulty stems from the apparent impossibility of living out your adventures in the real world. Nevertheless, it isn't constructive to needlessly worry about what will happen next. Simply make sure everyone realizes you know the difference between the facts and your fantasies. Muhammad Ali said, "The man who has no imagination has no wings." | Someone turns the passion up enough that you might change your mind today, preventing you from sinking into a deep emotional stew. However, your current discomfort is alleviated when you rise above the drama by refocusing on a project you put aside a few days ago. Remember, you're not escaping from responsibility; the unresolved issues will still be there upon your return. Feelings are like waves; you can't stop them, but you can choose which ones to surf. | Gentle breezes blow through the hidden backwaters of your mind. This new awareness stimulates memories of something you really wanted in the past but life required you to put it on the back-burner. The refreshing movement is actually a sign that you're not as trapped as you believed. Although the changes you desire won't happen overnight, you should feel better just knowing that they're not as far away as you thought. The trick is to never forget that you are the master of your own destiny. | You might feel like you're stuck in an invisible eddy of cosmic energy today, even if others are supporting you. However, the help you currently receive doesn't necessarily improve the circumstances that ultimately need to change. Your closest friends may honestly believe their behavior is nurturing, but they could be exerting too much emotional control. Thankfully, this imbalance won't last long, so rather than making waves just go along with the present conditions for now. Today's frustration leads to tomorrow's satisfaction. |
| <br><b>Libra</b><br>September 23-October 22  | <br><b>Scorpio</b><br>October 23-November 21   | <br><b>Sagittarius</b><br>November 22-December 21  | <br><b>Capricorn</b><br>December 22-January 19  | <br><b>Aquarius</b><br>January 20-February 18  | <br><b>Pisces</b><br>February 19-March 20  |
| You're less self-contained today and you may experience a strong urge to communicate your thoughts and feelings to others. Your current restlessness might get the best of you now, prompting you to take action. Heading out into the real world is a good start; anything that stirs up the energy will also elevate your mental game. Seek out like-minded souls who also want to make positive changes and exchange ideas for further inspiration. People coming together as a community can make things happen.          | Your life is taking on the appearance of a great adventure and although this can be scary territory, it is also exciting to dance with the unknown. Your higher self knows that you are on a path meant for you alone. Meanwhile, the fiery Sagittarius Moon offers you a fresh perspective on all the powerful emotions you've been experiencing lately. Be careful what you wish for today, since your current desires help to crystallize your future.                   | Any encouragement received today is good for your mental outlook. Unfortunately, you may not be getting all the rest you need since free-floating anxiety still lingers in the atmosphere. Fortunately, the Moon's current visit to your sign symbolizes emotional rejuvenation, especially if you've recently experienced some turmoil. Accept the fact that there isn't a quick fix to your dilemma. Slowing down and living in the present moment frees you to also create the life you want.                    | A chapter in the book of your life is drawing to a close. However, there are still many elements to be prioritized before launching your next project. Most importantly, give yourself enough time to focus on your closest relationships. Regardless of any current interpersonal struggles you might be embroiled in now, take a few minutes to smell the flowers when you get the chance. Yesterday's the past, tomorrow's the future, but today is a gift.               | You can't avoid the myriad of things you need to do today, but at least you can see some light at the end of the tunnel. The notion of finally coming out on the other side is thrilling because it seems you've been subterranean long enough. You're more than ready for the fresh air and blue sky, but everyone else's schedules may prevent you from reaching your destination until later in the week. There's no need to hurry; rest assured you are on the right track.                                 | You are acutely aware of the role you are to play today, but you might not be able to deliver on all of your promises. Thankfully, your intentions are honorable and you inspire others with your cheerful willingness to champion nearly any good cause. However, you might inadvertently leave your own needs out of the mix. Taking care of yourself isn't being selfish; attending to your health and well-being now enables you to continue helping others.  |
