Miss Pearl's Country Cookin'

Salsa Chicken

Original recipe makes 4 servings
4 skinless, boneless chicken breast halves
4 teaspoons taco seasoning mix
1 cup salsa
1 cup shredded Cheddar cheese
2 tablespoons sour cream (optional)

Preheat oven to 375 degrees F
Place chicken breasts in a lightly greased 9x13 inch baking dish. Sprinkle taco seasoning on both sides of chicken breasts, and pour salsa over all. Bake at 375 degrees F for 25 to 35 minutes, or until chicken is tender and juicy and its juices run clear. Sprinkle chicken evenly with cheese, and continue baking for an additional 3 to 5 minutes, or until cheese is melted and bubbly. Top with sour cream if desired, and serve.

Sopapilla Cheesecake Pie

original recipe makes 1 - 13x9 inch pan
2 (8 ounce) packages cream cheese, softened
1 cup white sugar
1 teaspoon Mexican vanilla extract
2 (8 ounce) cans refrigerated crescent rolls
3/4 cup white sugar
1 teaspoon ground cinnamon
1/2 cup butter, room temperature
1/4 cup honey

Preheat an oven to 350 degrees F. Prepare a 9x13 inch baking dish with cooking spray. Beat the cream cheese with 1 cup of sugar and the vanilla extract in a bowl until smooth. Unroll the cans of crescent roll dough, and use a rolling pin to shape each piece into 9x13 inch rectangles. Press one piece into the bottom of a 9x13 inch baking dish. Evenly spread the cream cheese mixture into the baking dish, then cover with the remaining piece of crescent dough. Stir together 3/4 cup of sugar, cinnamon, and butter. Dot the mixture over the top of the cheesecake. Bake in the preheated oven until the crescent dough has puffed and turned golden brown, about 30 minutes. Remove from the oven and drizzle with honey. Cool completely in the pan before cutting into 12 squares.

Oven Fries

Original recipe makes 6 servings
2 1/2 pounds baking potatoes
1 teaspoon vegetable oil
1 tablespoon white sugar
1 teaspoon salt
1 pinch ground cayenne pepper

Preheat oven to 450 degrees F. Line a baking sheet with foil, and coat well with vegetable cooking spray. Scrub potatoes well and cut into 1/2 inch thick fries. In a large mixing bowl, toss potatoes with oil, sugar, salt and red pepper. Spread on baking sheet in one layer. Bake for 30 minutes in the preheated oven, until potatoes are tender and browned. Serve immediately.

Cocktail Meatballs

original recipe makes 10 servings
1 pound lean ground beef
1 egg
2 tablespoons water
1/2 cup bread crumbs
3 tablespoons minced onion
1 (8 ounce) can jellied cranberry sauce
3/4 cup chili sauce
1 tablespoon brown sugar
1 1/2 teaspoons lemon juice

Preheat oven to 350 degrees F. In a large bowl, mix together the ground beef, egg, water, bread crumbs, and minced onion. Roll into small meatballs. Bake in preheated oven for 20 to 25 minutes, turning once. In a slow cooker or large saucepan over low heat, blend the cranberry sauce, chili sauce, brown sugar, and lemon juice. Add meatballs, and simmer for 1 hour before serving.

Hello, I'm a white male, 57 years old. I'd like to meet a nice lady, mid 40s to low 50s for friendship, if there is one who can avoid the stupid Teeny Bopper games. Hello out there! I'm a 62 yr. young female. I'm 5'5", around 170lbs., green eyes, short streaked hair. I am not a foo-foo woman - meaning I don't care about getting my hair or nails done, and I'm not big on makeup. When you see me at night, I look the same when I wake up. I'm an outdoor woman, play rough and don't mind getting dirty. I'm looking for a man between 55-65. Race is open, requirements are: Able body, someone who likes to putter around the house and yard, likes home cooked meals rather than fast food, spontaneous and an animal lover, as I do rescue. I'm looking for someone that likes board games and cards, flea markets and walks. A man that still like to hold hands and prefers the old ways. I'm looking for a friend first and foremost. Looking for a man that smells good and takes pride in how he looks. I come with no baggage and I want none. I drink a little, never smoked. I'm loyal, fun, caring and a great cook. I live in Weakley Co., so someone close would be a plus. PTP342

Your Weekly Love Horoscope

Aries
March 21-April 19

You're pleased to find that your vigor has returned just in time to start the week, and you're eager to up your game. It's your job to direct your strength in the most productive way possible when the ardent Aries New Moon activates your 1st House of Self. You're likely to be so zealous that you throw yourself into the first thing that strikes you as relevant. While you're anxious to make the most of the day, you must also think in terms of the long haul instead of rushing toward instant gratification. Do something today that your future self will thank you for.

Taurus
April 20-May 20

Your imagination is wide awake and you can't wait to put it to good use. You're convinced that your efforts will result in something marvelous when magical Neptune casts a spell on macho Mars in your sign. Applying your energy now will have effects that outlast the creations you produce while the pioneering Aries New Moon highlights your 12th House of Destiny. You're planting seeds today, whether or not you're aware of it, so make sure your projects are birthed from positive intentions. Stop watering the weeds in your life and start watering the flowers.

Gemini
May 21-June 20

There are some considerations that you prefer to leave in the back of your mind for a time when you feel more ready to tackle them. But frittering away today's cosmic gifts to escape into a private fantasy isn't in your best interest, even if doing anything else sounds like too much trouble. You won't regret pulling it together when the passionate Aries New Moon blesses your 11th House of Hopes and Wishes, inviting you to sketch your dreams and create a bold plan to achieve them. You can rest easy once you know you're investing wisely in your future.

Cancer
June 21-July 22

You're beginning to realize that yearning isn't enough and you need to give your dreams substance to make them real. Fortunately, the courageous Aries New Moon lands in your 10th House of Ambitions, reigniting your sense of purpose and motivating you to get down to business. Hold your head high today and face the future with greater certainty. There's no limit to what you can achieve with an iron will and a golden vision.

Leo
July 23-August 22

There is always more you could learn in this ever-expanding world, but it's time to consolidate your knowledge and transform it into a plan for action. The enterprising Aries New Moon broadens your 9th House of Vision, where conceptual understanding becomes a fuel source for realistic progress. Aldous Huxley wrote, "Dream in a pragmatic way." Shoot high enough to push yourself, but low enough to guarantee victory.

Virgo
August 23-September 22

It's all too easy to listen selectively when there are matters that seem too complicated to unravel on a normal day. But you have a chance to set things right by choosing a healthier way to cope when the Aries New Moon falls in your 8th House of Intimacy. Although discomfort may be unavoidable when broaching sensitive subjects, everyone will feel better once they understand the complexities of the situation. Nat Turner said, "Good communication is the bridge between confusion and clarity."

Libra
September 23-October 22

You're willing to go to considerable lengths to keep others happy, but your ability to compromise can be utilized in a more productive manner. Your own needs must factor into the equation when the Aries New Moon galvanizes your 7th House of Others, even if it seems like altruism is the solution. You may find yourself putting your foot down today, fortifying your boundaries or simply reinstating a policy of honesty with someone close to you. A promise of perfection isn't worth as much as a promise you can keep, no matter how small.

Scorpio
October 23-November 21

It's tempting to let someone persuade you to indulge in some worldly pleasures today. But you have an obligation as custodian of your own body to take better care of yourself. There's no more time for excuses now that the dauntless Aries New Moon energizes your 6th House of Health. Strengthen your resolve, kick bad habits, and immediately replace them with good ones. However, your plan must be sustainable for you to benefit from it; start slow and finish strong.

Sagittarius
November 22-December 21

You're secretly wondering if anyone would care if you flaked on your responsibilities today. You might figure it everyone else pitches in, no one will notice you're missing from the action. Although you could feel invincible when the daring Aries New Moon fires up your 5th House of Play, you're likely to get caught if you skip out on your boss or coworkers. If you just stick to your work until it is finished, your free time will be all that much better. Dorothy Parker wrote, "Creativity is a wild mind and a disciplined eye."

Capricorn
December 22-January 19

It seems as if things are coming full circle on the home front. There may be remaining static in the air, but happily it can be channeled into a new plan to move forward when the Aries New Moon catalyzes your 4th House of Home and Family. A shift in dynamics could be as simple as giving someone a chance to vent their frustrations or finding creative ways to have more fun with the ones you love. Regardless, it feels good to finally address the issue directly instead of tiptoeing around it. Amma says, "We are all beads strung together on the same thread of love."

Aquarius
January 20-February 18

You're often so self-sufficient that you honestly forget that there are valuable assets other people can offer you. You may already have a project in mind when the Aries New Moon pulsates in your 3rd House of Information, but the cosmos encourages you to ask a friend to assist you in your new endeavor. You can pull it off if you step out of your research lab every once in a while to get an outside opinion. Expanding your horizons ensures the success of anything you touch.

Pisces
February 19-March 20

You're living by the motto, "If you don't stand for something, you'll fall for anything," and you're passionate about letting people know how you feel today. The Aries New Moon in your 2nd House of Values reinvigorates your desire to recommit to your highest priorities, and naturally you want to share your excitement with others. But make sure to verify your sources before you spread the word. Although attitude is important, so are the facts. If you don't do your research now, you may lose credibility; integrity is the name of the game.
