Miss Pearl's Country Cookin'

Venezuelan Swirled Ham Bread

original recipe makes 10 servings

- 1/4 pound bacon
- 1/2 cup raisins
- 1/2 cup sliced stuffed olives
- 1/4 pound ham, diced
- 1/4 teaspoon ground cloves
- 1 (11 oz) package refrigerated crusty French loaf dough
- 1/2 cup apricot preserves

Place bacon in a large skillet and cook over medium-high heat, turning occasionally, until evenly browned, about 10 minutes. Drain the bacon slices on paper towels until cooled. Cut bacon into small pieces. Preheat oven to 350 degrees F. Grease a baking sheet. Combine bacon pieces, raisins, olives, ham, and cloves in a bowl. Roll dough onto a work surface and spread bacon mixture evenly over the top. Roll dough around the bacon filling, ensuring the edges match up to form a loaf-shape again. Place dough, seam-side down, onto the prepared baking sheet. Bake in the preheated oven until lightly browned, about 30 minutes. Cool bread for 10 minutes; slice into 1/2-inch pieces. Place apricot preserves in a microwave-safe bowl; heat in microwave, stirring at 30 second intervals, until melted and smooth, about 1 minute. Serve preserves on the side or drizzle over bread.

Lemon Rice with Peas

Original recipe makes 6 servings

- 1 1/2 cups uncooked long grain rice
- 1/4 teaspoon dried thyme
- 2 tablespoons margarine
- 1 (14.5 oz) can chicken broth
- 1 1/4 cups water
- 1/4 cup lemon juice from concentrate
- 1/4 teaspoon pepper
- 3/4 cup frozen peas
- 2 tablespoons sliced almonds, toasted

Cook and stir rice and thyme in hot margarine in medium-sized saucepan 5 minutes or until rice is lightly golden. Carefully stir in both, water, and pepper. Bring to a boil. Reduce heat; cover and simmer 15 to 18 minutes or until rice is tender and liquid is absorbed. Remove from heat. Stir in peas. Cover and let stand 5 minutes. Sprinkle with almonds. Optional: Top with garnish for added color.

Chicken Enchilada Pasta

original recipe makes 8 servings

- 1 (16 oz) package penne pasta
- 2 tablespoons olive oil
- 1 onion, diced
- 1 red bell pepper, diced
- 2 cloves garlic, minced
- 2 cooked chicken breasts, shredded
- 2 (10 oz) cans green enchilada sauce
- 2/3 cup red enchilada sauce
- 1 (4 oz) can diced green chiles
- 2 teaspoons chili powder
- 1 teaspoon ground cumin
- 1/2 teaspoon salt
- 2 cups shredded Colby-Monterey Jack cheese
- 1 cup sour cream

Bring a large pot of lightly salted water to a boil; add penne and cook, stirring occasionally, until tender yet firm to the bite, about 11 minutes. Drain and return pasta to the pot. Heat oil in a large, deep skillet over medium-high heat. Sauté onion in hot oil until slightly softened, 3 to 5 minutes. Stir red bell pepper and garlic into onion; sauté until fragrant and softened, another 3 to 5 minutes. Stir chicken, green enchilada sauce, red enchilada sauce, diced green chiles, chili powder, cumin, and salt into onion mixture; bring to a simmer, reduce heat to low, and simmer until flavors blend, 8 to 10 minutes. Add Colby-Jack cheese and stir until melted and heated through, 1 to 3 minutes. Reduce heat to low and stir sour cream into enchilada mixture; cook and stir until heated through. Pour enchilada mixture over penne pasta and toss to coat completely.

Mango Cake

original recipe makes 1 fluted tube pan Cake:

- 1 ripe mango
- 1 (18.25 oz) box yellow cake mix
- 3 eggs
- 1/2 cup water
- 1/4 cup vegetable oil
- 2 tablespoons lime zest

Glaze:

- 1 tablespoon butter, melted
- 1/2 lime, juiced
- 1 tablespoon golden rum (optional)
- 2 cups confectioners' sugar

Preheat oven to 350 degrees F. Grease a fluted tube pan (such as Bundt®). Peel mango with a vegetable peeler or paring knife. Cut flesh into small pieces and squeeze pit for juice. Collect all juice from chopping and squeezing pit and reserve for glaze. Smash mango in a bowl using a potato masher or fork. Measure 1 cup smashed mango, reserving the rest for the glaze. Beat 1 cup smashed mango, cake mix, eggs, water, vegetable oil, and lime zest together in a bowl using an electric mixer for 2 minutes; pour into the prepared pan. Bake in the preheated oven until a toothpick inserted in the center comes out clean, 40 to 50 minutes. Cool cake in pan for 5 minutes. Invert cake onto a wire rack to cool completely. Combine butter, lime juice, about 1 tablespoon reserved juice from mango, and rum together in a bowl. Stir confectioners' sugar into butter mixture until desired consistency is reached; fold smashed mango into glaze. Spoon glaze over cooled cake.

Your Weekly Love Horoscope

Aries March 21-April 19

You may wish you were somewhere else today, but you can still inspire others toward greater heights by simply using the words that roll off your tongue naturally. Your creativity abounds as you experiment with how to express what's playing out in your mind. But it's not enough to have an active fantasy life now, for your clever thoughts quickly fade back into the hazy dreams from where they came. Share your imaginative ideas without holding anything back. Dance like no one is watching while secretly hoping that your audience is impressed.

Taurus April 20-May 20

You could experience emotional discomfort today as you leave the certainty of a recent decision in the past. Although you were positive about your choice just a few days ago, you could start to question everything as circumstances unexpectedly shift. Let go of your stubborn desire to be steadfast; acting in a more flexible manner now enables you to successfully navigate through the changing landscape. Look for the cosmic signs to validate your direction.

Gemini May 21-June 20

You are identifying more with your feelings now, and they could pull you into confusing territory as the Moon's monthly visit to your sign activates your emotions. Even if you know exactly what you want today, it's still stressful if you can't figure out how to reach your goals. Thankfully, your unfulfilled desires won't weigh you down for long. Focus on your destination and the path will reveal itself just in the nick of time.

Cancer June 21-July 22

Memories are still lurking close to the surface but you're not feeling very vulnerable today. Your greatest strength now is your ability to see things with an objective eye, which helps you understand the differences between the past and the present. It's essential to stay emotionally available, even if you're afraid of being hurt. Keep your feelings out in the open and communicate your fears to a trusted ally. The power of your worries will diminish after they are brought into the light.

Leo July 23-August 22

It's annoying if you can't have everything that you want now; nevertheless, your problems could vanish in thin air if you can fool yourself into believing that all is wonderful in your world. Unfortunately, denial won't bring happiness and ignorance should not be mistaken for bliss. Do whatever is necessary to obtain the facts of the matter. Only after you've captured a clear picture of what's really happening will you be ready to make the best decision. Objectivity is the lens of clarity.

Virgo August 23-September 22

After a couple of days of practical thinking and scrupulous behavior, you're ready to loosen your grip on the mundane world. A whole new wave of information is heading your way today, potentially changing how you handle relationships. Enjoy the images floating through your mind, even if getting lost in your fantasies is somewhat out of character for you. No immediate action is required now except to explore your imagination; you never know what dream might plant a seed for future use.

Libra September 23-October 22

Although your energy is a bit scattered today, you're still rather optimistic about your prospects. However, you could be unclear as to which future vision you are working toward. Your imagination conjures up vivid thoughts now, but your friends find it difficult to understand exactly what you are trying to achieve. Go ahead and let your colorful dreams inspire your actions, but keep your message to others as simple as possible.

Scorpio October 23-November 21

Shallow conversations are often irritating because you know there are more crucial subjects that need to be discussed. Unfortunately, people seem to be steering clear of the same real issues that attract you, and there is little you can do to change their focus today. Thankfully, you don't have to settle for less in the long run. In the meantime, practice patience; it's difficult to wait for others to catch up but it's even more difficult to regret missing the chance to connect one way or another.

Sagittarius November 22-December 21

You are at a turning point in a relationship with the Moon spinning her wheels in your 7th House of Companions. Although you want to push your agenda forward, it still may take a week or so for the momentum to build up steam. Erratic flashes of doubt snap you out of your optimistic state of mind. Although these unexpected visions can be annoying at first, they won't last if you keep your eye on the prize. Concentrate on your long-range plans and don't let the details pull you off track.

Capricorn December 22-January 19

You are riding a wave of creativity today, but something significant has changed and you can't put your finger on it. You may seem less demanding of yourself and others, but your flexibility alone doesn't necessarily help you feel more comfortable. Trust in your dreams now; subtle messages from your subconscious can lead you back to what is meaningful. Ultimately, you are confined only by the walls you build yourself.

Aquarius January 20-February 18

Asserting yourself may take more effort today than you're willing to expend, even if you know exactly what you want. But rather than coming right out and expressing what's on your mind, adopting a passive-aggressive approach could temporarily leave you feeling like a victim. Any negativity on your part is simply a wake-up call, reminding you it's time for an attitude adjustment. Going over the facts with someone you admire can help to alleviate your fears once and for all.

Pisces February 19-March 20

You tend to see only the best in everyone now, so resist the urge to make life-changing relationship decisions. Although intellectual Mercury is sending good vibrations your way today, you can easily misinterpret the message. Nevertheless, the discrepancy between your thoughts and your desires triggers stressful memories from the past. Remember only what you need to know and then bring yourself back to the joys of the present moment.
