Finding the Truth

The Doctrine of Faith Only
The doctrine of salvation by faith only is not a biblical teaching. This doctrine or teaching had its beginning with notable reformer, Martin Luther. In his protest against Catholicism and its system of works, indulgences and rituals, Martin Luther went to the opposite extreme. His conclusion was that salvation (justification) is by faith only. Therefore we have the ever so popular doctrine today that faith only is a most wholesome doctrine and full of much comfort. This teaching had its beginning about 1530 A.D.

The Bible teaches that salvation is by faith, but never by faith only. "Ye see then how a man is justified by works, and not by faith only." (James 2:24)

The truth is that salvation is by a faith that obeys. "By faith Abraham, when he was called to go into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went." (Hebrews 11:8)

Christ is our example of faithful obedience. "Though he were a Son, yet learned he obedience by the things which he suffered; and being made perfect, he became the author of eternal salvation unto all them that obeys him." (Hebrews 5:8,9)

Faith must work by love, "For in Jesus Christ neither circumcision availeth anything, nor uncircumcision; but faith which worketh by love." (Galatians 5:6)

There is no salvation by faith only. Faith only is a man made doctrine, found nowhere in Holy Writing. Contact SC Wilson at cocwilson54@gmail.com

the creativity of the locals like the Arts and Crafts exhibits. Located in the Enoch Building at the Henry County Fairgrounds are some of the beautiful masterpieces of our local artists. They are not to be missed. Arts and Crafts Exhibit hours are Thursday, April 25th, 5pm to 9pm, and Friday and Saturday, April 26th and 27th, from 11am to 9pm.

It is said that the World's Biggest Fish Fry Grand Parade is one of the largest in West Tennessee. It can draw nearly 50,000 people to the area. It includes professionally and homemade decorated

floats, marching bands, marching units, color guards, decorated cars, trucks and boats, beauty queens, local politicians, and so much more. It begins promptly at 10am, rain or shine. Be there early to get a good viewing spot.

Area Streets are usually closed by 9am, so keep that in mind if you are traveling from out of town to attend. Other area festivals try to rival the Fish Fry parade but they simply do not compare. You must come see it for yourself!

So much work goes into the World's Biggest Fish Fry every year— it would be a shame to miss it. So mark off on your calendar the whole last week in April and head to Paris, Tennessee. You will not leave disappointed.

Tons of Catfish Served at The World's Biggest Fish Fry in Paris, TN

It couldn't be called the World's Biggest Fish Fry without some delicious fried fish! That's exactly what the Jaycees serve up every year at the "Fish Tents" located at the Henry County Fairgrounds, in Paris Tennessee. They have been known to cook more than 6 tons of catfish during a 4 day frying fest. That is a lot of food!

And that doesn't even count all of the fixin's that are prepared either. What the Jaycees want you to know is when you come to the Fish Fry, you need to come hungry!

The "Fish Tent" is a term used for the new commercial building at the Henry County Fairgrounds. It is a friendly reminder of how far the

World's Fish Fry has come over the years. Once upon a time the fish was served under tents in the early days. Now it has grown so that the commercial building sometimes fills up to capacity.

Carry plates are available, but to get the full advantage of all-you-can-eat you should "dine in." \$12 will get you unlimited deli-

cious fried catfish, golden fried hush puppies and French fries, creamy mayo and tangy vinegar slaw and homemade white beans. Professional fish fryers are brought in for this special occasion and cooks from local churches provide the white beans. You meal also includes, soda, water and iced tea. To keep from waiting too long in line, the Jaycees provide

a special line just for those wanting to go back for seconds, or thirds. Or fourths? You've been told - come hungry and ready for some catfish! The World's Biggest Fish Fry may be a week long event but the Fish Tent isn't open until Wednesday, April 24th. At that time there is a special opening ceremony lead by the General Manager of the Fish Fry. A prayer is said and then traditionally the serving begins when the Hostess Princess tosses out the first hush puppy. It take a huge number of volunteers to serve all of that food. Members of local civic groups, churches,

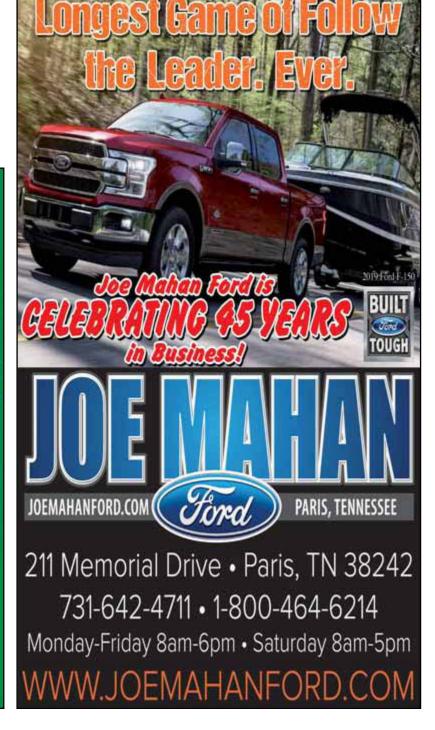

cians gladly take on the job. Serving hours are Wednesday and Thursday, April 24th and 25th , 5pm to 9pm, and Friday and SaturGenerally service ends when either the guests stop coming or they run out of catfish.

The fish is always

ence if you want to dine in early or come by late, the Jaycees will have supper ready for ya! You don't want to be left out of the World's Biggest Fish Fry!

Downtown Paris Hosts Several Fish Fry Events

Downtown Paris serves as host for some of the World's Biggest Fish Fry's most popular and unique events! Not only are they some of the most entertaining events of the week they are also all free and open to the public!

Before Fish Fry Week even gets started you are invited to the Bed Races on Saturday, April 20th. Teams made up of four people will decorate and race a bed on wheels around the designated downtown streets. Winners win heats and move on until there is only one bed left standing, even if the runners are ready to fall into it! This new tradition was a huge hit last year

Fish Fry Week officially kicks off with a Street

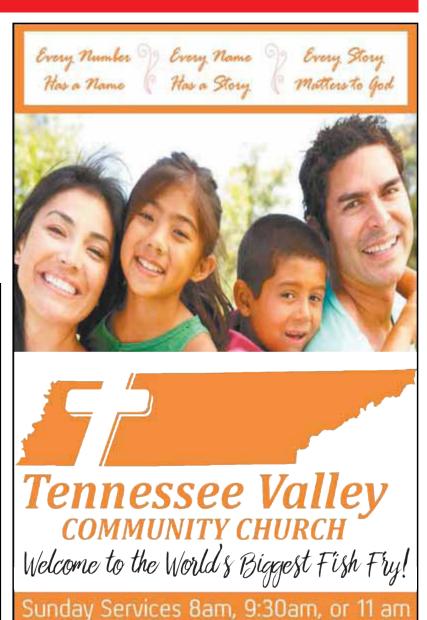

Dance on Monday, April 22nd, starting at 7pm. Local bands set up on the courthouse lawn and play music late into the night. Everyone is welcome to either dance their socks off or to bring a lawn chair and relax. It is also a great opportunity to do a little window shopping around the court square.

Saturday, April 27th is a big day for Fish Fry and downtown Paris. It gets started with the Small Fry Parade. It make be a mini-version of the big parade but no less grand. Children are dressed in homemade costumes and march while singing and playing music. Only hand pulled "floats" are allowed or pedal driven vehicles. Everyone meets and lines up at the First United

Methodist Church in downtown Paris. The Small Fry Parade circles the Court Square beginning around 10am.

Immediately following the Small Fry Parade is the Story Telling sponsored by the Paris Post Intelligencer. Elementary school children write stories about the catfish that are participating in the Catfish Races. The stories are always creative and inventive and remind us how imaginative the minds of our youth really are.

After the tall tales have been told it is time for the most unique event at the World's Biggest Fish Fry – the Catfish Races.

Specially designed waterways were

built just for our swimming champs. Various members of the community volunteer to pick a catfish and hold them at the starting line of their waterway until their heat

begins. The catfish that gets to the end first moves on to the next heat. The catfish race until there is only one winner. Every precaution is taken to make sure the catfish are not harmed during this event. The winner takes home not only a the title of champion but a beautiful prize trophy!

The budding artists in our area may want to take a break from the races and come draw on the sidewalk with colored chalk. The Chalk Crawl for Kids, sponsored by the Downtown Paris Association and K and B Supplies for Success, provides free colored

chalk and artistic assistance during this event. The children are invited to draw and color in beautiful fish or anything they want. Each child also gets a strand of fish beads and a snack for participating. Bring your camera and take pics and post them of your child's fabulous art work. It only lasts til the next big rain - and it is April so that may not be long.

Check out all of the World's Biggest Fish Fry events happening the last full week in the month of April, all throughout Paris, TN. Please visit downtown Paris, they are ready to serve you!
