Benefit for family of James Wayne Gates

James Gates lost his courageous battle with lung cancer on March 22nd, 2018 with his daughter Breanne Gates by his side. As you know, the cost of funeral arrangements and burial is overwhelming. Join us at Three Oaks Bar on May 12th at 2pm for a BBQ benefit and auction, all proceeds going to help the Gates family with their expenses. BBQ plates with all the fixings will be \$8 and the auction will start at 3pm. If you have items to donate towards the auction or have any questions, please call 731-593-1000. Three Oaks Bar is located at 11577 Hwy. 69 S. in Springville, TN. Thank you in advance for your support!

It is recommended that participants bring their own fishing gear and tackle, however, fishing gear will be provided for those who don't have any available. Bait will also be provided by the Friends group. It is also recommended if you want to keep the fish you catch, to bring a stringer or a bucket to take the fish home. For those that don't want to keep the catch, we will have a cooler to donate your catch to help feed the critters at the LBL Nature Station. To get to the Kids Fishing Derby from Paris, take Highway 641 N. At mile marker 19 turn left onto Park Hill Road. At the end of the road, turn left onto Foundry Hill Road. At the fork, bear left and the derby location will be .5 mile past the fork on the right. Directional signs will be available leading you from Highway 641.

Free Kids Fishing Derby

The event will be held at a private pond brimming with large-mouth bass and bluegill to insure a full stringer! Derby registration will begin at 9:30 am with fishing from 10:00 – 12:00. All hooks out of the water at 12:00 pm at which time prizes will be awarded. All participants much pre-register at the refuge office at 1371 Wildlife Drive in Springville, or by phone at 731-642-2091 or by email at Joan_Howe@fws.gov. This event will be free for kids ages 12 and under, but children must have an adult with them. will go to the World Wildlife Fund and Nature Conservancy. As a life-long conservationist, Dr. Kimberlin’s goal was to use the power of the lens to promote the natural and cultural wonders of planet Earth, and to teach others to cherish and protect them. He wants to introduce the reader to a vast array of traditions and cultures and to blur the barriers of race and nationality. He longs for our understanding that our differences may define us but do not have to separate us. “From Sea to Shining See: Postcards from Puka-Puka” is now available for purchase. More information about the book and book signing may be obtained by visiting his website: dannykimberlin.com.

Sheperd’s Table Community Kitchen The Shepherd’s Table, the community Kitchen created by the volunteers at the First Presbyterian Church, will be serving a delicious hot meal, on Tuesday, May 15th, in their Fellowship Hall located at 19835 E. Main Street. Dining will begin promptly at 5:15pm and the kitchen will be open until 6:45pm. Anyone hungry or seeking fellowship for a meal is invited. Mary Lodge, a volunteer with The Shepherd’s Table, and wife of Minister Arthur Lodge, said, “This month’s meal will be tacos, chips and salsa, refried beans, vanilla ice cream and chocolate chip cookies.” The food is freshly prepared for each meal and all guests are served restaurant style. Each guest is welcomed to come in, take a seat at the table and someone will come and take their drink order and deliver their food to them. “It may not be fine dining, but it is dining at its finest,” said John Wambles, a volunteer. The Shepherd’s Table’s first meal was a huge success. More than 30 meals were served to guests, volunteers and

local dignitaries that came by to support the First Presbyterian Church’s efforts. “We had guests that came by to eat that left and brought back other guests,” said Mary. The community kitchen’s success is dependent upon guests, volunteers and donations. If you know of someone that needs a hot meal or would prefer to not eat alone for at least one meal please inform them about The Shepherd’s Table or better yet bring them by and join them for a meal. More information about volunteering or donating obtained by calling The First Presbyterian Church of Huntingdon at (731) 986-5642. If no answer, please leave a message, someone will get back to you as soon as possible.

Your Weekly Love Horoscope

 Aries March 21-April 19 There is little room in your day for anything other than business. The sobering Moon-Saturn conjunction falls in your 10th House of Career, focusing your attention on furthering your ambitions and distinguishing yourself at work or in your community. Although public recognition requires a serious commitment, you're ready to do whatever it takes now. You have the taste of success on the tip of your tongue and you are eager to make an entire meal of it.	 Taurus April 20-May 20 You may find yourself in an awkward situation where others are looking to you as a source of knowledge now. Unfortunately, you might think you don't know as much as you should in order to be taken as an authority on the subject at hand. However, your uncertainty could motivate you to learn everything you can as quickly as possible. There's nothing wrong with working harder to be at the top of your game. Any effort you put in today will pay off for a long time to come. Expand your mind, expand your world.	 Gemini May 21-June 20 Unspoken emotional undercurrents complicate an otherwise functional relationship today. Unexpected resistance from a close friend seems out of place at first, leaving you unsure of their motives. It may even feel as if something is being left unsaid and you want to get to the bottom of the situation. Follow your instincts and ask whatever questions you think will give you the answers you want. Ultimately, your worries will likely prove to be unfounded. Nevertheless, your desire to uncover the truth could be a much-needed catalyst that breaks through existing boundaries to deepen a lasting partnership.	 Cancer June 21-July 21 You might feel as if you're being unjustly singled out today when someone criticizes your performance or throws a roadblock in front of your plans. However, it's a mistake to take a friend's lack of support as a personal attack when no one is actually out to get you. There may be a genuine difference of opinion when it comes to judging the best way to do a job. Rather than slipping into a defensive mode, listen to what you're being told. Your chances of success are enhanced if you can use what you learn now to improve your game.	 Leo July 22-August 22 You must acknowledge the amount of work in front of you as the deadline draws near. Although accomplishing everything in a timely manner might seem like a Herculean task, you actually have what it takes to come through this test like a superhero. Instead of wasting any energy complaining about your situation, make a list of those chores that are still incomplete and get to work. Your ability to concentrate while under pressure will fuel your success.	 Virgo August 23-September 22 You take your responsibilities to heart and therefore won't declare its the weekend until you've met all your obligations. However, you still might resent the fact that other people are heading out to play while you still have work to finish. But focusing on the activities of anyone else means you are missing the point. The only relevant issue is what you must do now in order to feel good about yourself. Fashion designer Karl Lagerfeld said, "Personality begins where comparison ends."
 Libra September 23-October 22 Practicing unconditional love is easy when the other person is living up to your expectations. However, you may reach a point when the only way you can demonstrate how much you care today is by issuing an ultimatum. The Moon is visiting rule-bound Capricorn where she joins judgmental Saturn in your 4th House of Foundations, urging you to lay down the law, along with the consequences of breaking it. Whether you must play a parental role in someone else's life or they must parent you, there are lessons to learn now about the relationship between cause and effect.	 Scorpio October 23-November 21 You're afraid of sending out more of a message than you intend today. Acting spontaneously is challenging because you must be cautious about everything you do and every thought you share now. However, the less you communicate, the more others might fill in the unknown with their own stories, enabling them to increase the distance between reality and their fantasies. Don't out your words short; tell your story exactly as you mean it. Theologian Martin Luther wrote, "You are not only responsible for what you say, but also for what you do not say."	 Sagittarius November 22-December 21 It feels as if you must continue to make the same decision over and over again. But acting prudently won't automatically set you down in a stable place where your work will be appreciated. The karmic Moon-Saturn conjunction occurs in your 2nd House of Personal Wealth, reminding you that even your best-laid plans can fall apart without much advance notice. However, the current setbacks you face are not about defeat; they are road signs, directing you to your future. Author Seth Godin wrote, "Be bold, make mistakes, learn a lesson, and fix what doesn't work."	 Capricorn December 22-January 19 You are so certain of a recent decision that no one is going to convince you to change your mind today. You did not reach your current conclusions in haste, nor will you set them aside without serious review. Nevertheless, your practical approach to life is so good at producing results that it leaves little room for wistful poetic. Although pragmatism can only take you so far, there's no way to jump into the unknown without jumping into the unknown. Mark Twain wrote, "Why not go out on a limb? That's where the fruit is."	 Aquarius January 20-February 18 You can list many reasons why you should stay out of the limelight today, but the most important one is you don't want all the attention. You may possess information that cannot be shared with anyone else, and the best way to keep a secret now is to remain physically isolated from others. You're quite happy with your temporary retreat, but it won't last as long as you wish. In the meantime, stop worrying about all the things that could go wrong and focus on what could go right.	 Pisces February 19-March 20 You're eager to take your show on the road now, but you're painfully aware of the harsh critics you are likely to encounter in the days ahead. Nevertheless, you might think you need more time to work out the logistics of your current performance. Leaning on your friends and family helps to spread your base of stability for and aside. Buying more time is not an option today. A head full of fears has no space for dreams.
