will be a fundraiser on May Day Friday May 19th at Harrelson Elementary from 8am to 11:45am. Well trained teams of Apex Fun Run athletes spend time on campus for the full length of the program to teach students valuable leadership lessons, raise pledges, and serve the teachers. Students will accept pledges as a fundraiser for the school and during May Day on the 19th students get to run laps around the Apex Raceway set-up around the school. Middle School students will participate in a color run. “Apex Fun Run empowers schools to host fundraisers that raise more money than most over conventional fundraisers have in the past.

All while developing student leaders and inspiring athleticism- it’s a win-win,” said Cathy Robinson, Clarksville Apex Fun Run Franchisee. In the last 6 years, Apex has served over 1M students at 1500 schools Nationwide, resulting in over \$25M raised for schools. The program is set up to promote fitness and leadership traits to students. Apex has transformed the traditional idea of product sale into a fun, fitness-centered event that students and teachers enjoy. For more information, visit www.apexfunrun.com, or contact Cathy Robinson, 931-320-9823 or email cathy@apexfunrun.com.

The Henry County Relay for Life held their Annual Survivor’s Dinner on Saturday, May 13th at the First United Methodist Church in Paris. The Paris Elks Lodge hosted the Survivor’s Dinner for more than 17 years and the dinner was free to every survivor and one guest. There were over 175 survivors along with their guests who attended the dinner. The Henry County Relay for Life Survivor’s Dinner is held every year to honor all of those who have survived and persevered past cancer in order to celebrate another birthday and help others who are fighting to defeat cancer. A special thanks goes out to the Paris Elks Lodge, the First United Methodist Church, the HC Relay for Life and all of the volunteers who helped put on the Henry County Relay for Life Survivor’s Dinner.

Butterfinger Pie

6 (2 1/8 oz.) butterfinger candy bars, crushed
1 (8 oz.) package cream cheese
1 (12 oz.) carton Cool Whip
1 graham cracker crust

Mix first three ingredients together. Put it in pie crust. Chill.

BLT Past Salad

1 cup mayonnaise or 1 cup salad dressing
1/4 cup lemon juice concentrate
2 teaspoons sugar
2 teaspoons chicken flavor instant bouillon
1 (7 oz.) package rotini pasta, cooked and drained
8 slices bacon, cooked and crumbled
1 large tomatoes, seeded and chopped
1/4 cup green onion, sliced
4 cups lettuce, thinly sliced

Combine mayonnaise, lemon juice, sugar and bouillon for the dressing. Combine rotini, bacon, tomato, and green onion. It's recommended to wait until you are ready to serve before mixing in the lettuce.

Honey Pecan Chicken

1 lb skinless chicken piece
1/2 cup all-purpose flour
3 tablespoons margarine, divided
1/4 cup honey
1/4 cup chopped pecans

Dredge the cutlets in flour, shaking off excess. Heat two tablespoons margarine in a heavy skillet over medium heat. Add the cutlets and brown on both sides, about 5-6 minutes. Stir together the remaining tablespoon margarine, honey and pecans. Add to the skillet, stir gently. Cover and simmer gently for 7-8 minutes. Remove cutlets from skillet, pour sauce over and serve.

No Bake Granola

2 1/2 cups crispy rice cereal
2 cups quick-cooking rolled oats
1/2 cup raisins
1/2 cup firmly packed brown sugar
1/2 cup light corn syrup
1/2 cup peanut butter
1 teaspoon vanilla

In large bowl, combine cereal, rolled oats and raisins; set aside. In small saucepan, combine brown sugar and corn syrup. Bring to a boil, stirring constantly. Stir in peanut butter and vanilla; blend until smooth. Pour over cereal mixture; mix well. Press into ungreased 13"x9" pan. Cool; cut into 24 bars.

Cheesy Garlic Bread

1 loaf French bread, unsliced
1/2 cup butter
2 garlic cloves, halved
1 teaspoon dried parsley
1/3 cup grated parmesan cheese
Preheat oven to 375F degrees. Cut slices down the length of bread loaf at 1 inch intervals, without cutting all the way through. Rub slices and top of loaf with cut sides of garlic. Mince garlic. Combine butter, garlic, parsley and Parmesan. Spread butter mixture between bread slices and on top of loaf. Wrap bread in foil leaving top partially uncovered. Bake until heated through, about 15 minutes.

Your Weekly Love Horoscope

Aries
March 21-April 19

Your mind is so powerful today that believing is seeing. Positive thoughts are strong enough to manifest in the real world. However, fear of failure may be enough to make you fail. If self-doubt sends you into a downward spiral, you can overcome your negativity by asking for help. But don't expect anyone to show up ready to work; people are more valuable now as listeners and advisors. Thankfully, expressing your feelings temporarily alleviates your uncertainty. The biggest mistake you could ever make is being too afraid to make one.

Taurus
April 20-May 20

Everything you touch turns to gold today. Luckily, you can escape from the curse of King Midas, but there's no reason to tempt fate by allowing greed to influence your decisions. You might just get what you want, assuming you're realistic about the energy you're willing to expend now. A bad judgment call earlier in the day could create a major energy drain by evening. Thankfully, your common sense rides to the rescue if you allow it to guide your choices. Aristotle wrote, "Knowing yourself is the beginning of all wisdom."

Gemini
May 21-June 20

You could be so sure of your plan today that you skip going over it one last time. Unfortunately, a lack of attention to the details is the fastest way to squander the current opportunity. Although it's imperative to have your ducks in a row, it also helps if you are enjoying the pursuit of your goals. Ironically, there's a direct connection between being ready and having fun. Novelist Joe Poyer wrote, "Thorough preparation makes its own luck."

Cancer
June 21-July 22

Your self-confidence is a powerful tool today, but you hold it close to your chest. It's as if it might become less useful if everyone knows how sure of yourself you are now. However, someone else's knowledge can, in turn, catalyze yours. There's no reason to be cocky; you don't know everything. In fact, there's an excellent chance that if you ask the right question, you'll discover something very important. As philosopher Antonio De Nicolas said, "The search creates the reality."

Leo
July 23-August 22

You're finally feeling secure enough to express radical ideas that would normally make you anxious. Although your current zest for life is inspirational to your friends and associates, you might become more contemplative later this evening. Nevertheless, going overboard with enthusiasm doesn't help your cause, especially if your bravado is covering issues of deeper concern. It's no simple matter to balance the wild abandon of seeking an adrenaline rush with the never-ending requirements of moral responsibility. Your willingness to delay pleasure for a greater cause is a sign of emotional maturity.

Virgo
August 23-September 22

You may be reconsidering a recent decision where you placed common sense over your passion. The tables have turned and you're no longer willing to let your self-restraint kick in, causing you to miss the fun that's bubbling around you. However, your heart is ultimately aimed at getting ahead professionally. Thankfully, you can channel your career aspirations into an enjoyable activity. Promoting a new project creates progress, as long as you're willing to stick with your efforts. Ultimately, your level of success is determined by your level of discipline and perseverance.

Libra
September 23-October 22

Everyone appears to be caught up in a wave of enjoyment, but you can tell something's stirring beneath the surface. Interpersonal dynamics are not as copacetic as they seem now. Although you don't like to drag out the bad news, the responsibility may fall on you to be the one to issue a reality check today. However, there's no reason to approach the situation with anything but positive vibes. Share your ideas about the future as you see it and then let go of your attachments to make room for magic to happen.

Scorpio
October 23-November 21

You're in touch with the power of love but you won't likely reveal your deepest passion now, especially if the thought of exposing your desires makes you twinge with discomfort. Although there's no need to let your irrational fears stand in the way of a potentially sweet experience, you still might avoid demonstrating your emotional vulnerability. Nothing will be gained by trying to control the process; instead, just share what makes you human without expecting anything in return.

Sagittarius
November 22-December 21

You know all the intelligent reasons to cooperate with others now. No matter how much data you have at your fingertips, you continue to collect more facts so you don't make faulty assumptions. Nevertheless, it's quite tempting to avert your eyes away from the largest issues that seem to be beyond your control. Nevertheless, it's prudent to be rational and maintain a solid handle on reality today. Follow your instincts when it comes to making business decisions; believing in yourself is the secret to success.

Capricorn
December 22-January 19

Your competence shines brightly at work; you possess an apparently inexhaustible amount of energy today, prompting you to reach for the distant stars. Thankfully, you can make steady progress by concentrating on your career objectives now. There's absolutely nothing wrong with establishing ambitious goals. Just make sure you are willing to demonstrate your drive by working harder than everyone else. Salesman Joe Girard taught, "The elevator to success is out of order. You'll have to use the stairs one step at a time."

Aquarius
January 20-February 18

Your cheerful exuberance is obvious to everyone as long as you are expressing your creativity today. Thankfully, you can hold onto this unwavering sense of hope by focusing on the future. Unfortunately, old fears might trigger lingering insecurities about your ability to finish whatever you start. Share your concerns with a loyal friend now, rather than denying your emotional struggle. One way or another, getting the issues out in the open makes it much easier to move forward. The sky is the limit once you're no longer shouldering the weight of karmic baggage.

Pisces
February 19-March 20

Your unflagging optimism inspires others today, but an unexpected case of self-doubt could secretly gnaw away at your confidence. Fortunately, there's a lot to learn from your explorations while adventurous Jupiter boosts enterprising Mars in your 4th House of Emotional Security. However, your current bout with negativity could end up being a passing thought if you're flexible enough in your thinking. Acknowledging the source of your anxiety enables you to let go, so you can refocus on the opportunities at hand. Ralph Marston wrote, "Excellence is not a skill. It is an attitude."
