Miss Pearl's Country Cookin'

Loaded Cauliflower Casserole

original recipe makes 8 servings
6 slices turkey bacon, or more to taste
1 large head cauliflower, cut into florets
1/2 cup sour cream
1/2 cup mayonnaise
1 clove garlic, minced
1/2 teaspoon salt
1/4 teaspoon ground black pepper
2 cups shredded Colby-Monterey Jack cheese, divided
1 (8 oz) package baby bella mushrooms, roughly chopped
6 tablespoons chopped fresh chives, divided

Preheat oven to 425 degrees F. Grease a 9x13-inch baking dish. Place turkey bacon in a large skillet and cook over medium-high heat, turning occasionally, until evenly browned, about 10 minutes. Drain the bacon slices on paper towels and crumble. Place a steamer insert into a saucepan and fill with water to just below the bottom of the steamer. Bring water to a boil. Add cauliflower, cover, and steam until tender, 15 to 20 minutes. Combine sour cream, mayonnaise, garlic, salt, and black pepper in a large bowl; add cauliflower, 1/2 of the bacon, 1 cup Colby-Monterey Jack cheese, mushrooms, and 3 tablespoons chives and mix well. Transfer mixture to the prepared baking dish and top with remaining bacon and cheese. Bake in the preheated oven until bubbling and cheese is melted, about 20 minutes. Sprinkle remaining chives over casserole.

Chicken Saltimbocca

Original recipe makes 8 servings
6 slices turkey bacon, or more to taste
1 large head cauliflower, cut into florets
1/2 cup sour cream
1/2 cup mayonnaise
1 clove garlic, minced
1/2 teaspoon salt
1/4 teaspoon ground black pepper
2 cups shredded Colby-Monterey Jack cheese, divided
1 (8 oz) package baby bella mushrooms, roughly chopped
6 tablespoons chopped fresh chives, divided
Preheat oven to 425 degrees F. Grease a 9x13-inch baking dish. Place turkey bacon in a large skillet and cook over medium-high heat, turning occasionally, until evenly browned, about 10 minutes. Drain the bacon slices on paper towels and crumble. Place a steamer insert into a saucepan and fill with water to just below the bottom of the steamer. Bring water to a boil. Mushroom Turnovers

original recipe makes 10 servings
1 (8 oz) package cream cheese
1 cup butter
1 1/2 cups all-purpose flour
2 tablespoons butter
3/4 pound fresh mushrooms, finely chopped
1/2 medium onion, chopped
1/8 teaspoon dried thyme
1/4 teaspoon salt
1/2 teaspoon ground black pepper
1 1/2 teaspoons all-purpose flour
1/2 cup sour cream
In a medium bowl, mix together the cream cheese and 1 cup of butter until well blended. Mix in the flour until fully incorporated. Pat into a ball, and refrigerate while you make the filling. Melt 2 tablespoons of butter in a large skillet. Add the mushrooms and onion. Season with thyme, salt and pepper. Cook and stir until tender, about 5 minutes. Sprinkle the flour over everything then reduce the heat to low, and stir in the sour cream. Heat just until thickened, then remove from the heat. Preheat the oven to 350 degrees F. On a lightly floured surface, roll the dough out to about 1/4 inch thickness. Cut into 3 inch rounds. Place a small amount of the mushroom mixture on one side of each circle, then fold the dough over and press to seal. Prick the tops with a fork to vent steam, and place the pastries on a baking sheet. (They can also be frozen at this time until needed.) Bake for 15 minutes in the preheated oven, or until golden brown. If baking frozen turnovers, it may take an additional 5 minutes.

Cherry Limeade Pie

original recipe makes 1 8-inch pie
2 (8 oz) packages cream cheese, softened
4 ounces frozen limeade concentrate, thawed
2 tablespoons white sugar
1 (9 in) prepared graham cracker crust
1 (21 oz) can cherry pie filling
1/2 cup whipped cream, or to taste

Beat cream cheese in a bowl using an electric mixer until smooth and creamy. Add limeade concentrate and sugar and beat until light and fluffy, at least 5 minutes. Spoon mixture into graham cracker crust; refrigerate until chilled, at least 4 hours. Top pie with cherry pie filling and whipped cream.

REAL ESTATE

The Real Estate consists of a 106.04 acre tract located on the corner of Hwy 50 (Old Williamsport Pike) and Bratton Lane in the eastern portion of Hickman County (approx. 3 miles from Maury County). This beautiful farm has approximately 60 acres of gently rolling open land that is fenced and cross-fenced. It has previously been used as a cattle farm, but more recently used for row crop production. The balance of the land is in mature hardwood timber. Buck Branch meanders along the western border. The property has approx. 975 ft. of Duck River frontage with excellent elevated building sites overlooking the river. The property also has approximately 1,949 ft. of frontage on Hwy 50 and 1,925 ft. of frontage on Bratton Lane. Electricity and city water are available. This beautiful Middle TN Farm will be offered in 9 tracts, in combinations or as a whole, ranging in size from 5.18 acres to 24.03 acres each. New survey!

House Tract

The house tract consists of 20.96 acres having both open land and mature hard woods. This tract is improved with a Plantation Style two-story home. The exterior has 2"x6" outer walls with R-19 insulation, vinyl siding & a new metal roof. Large mature shade trees line the gravel drive. Approaching the front yard, the admirable scenery gives a historical feel of the past, the Old South. Contributing to this picturesque view from the drive, is the beautiful Antebellum two-story home with large Grecian Style columns.

The interior of the home has approximately 3,865 SF of living area including 5 bedrooms, 4 full baths & 2 half baths. The interior has Brazilian Cherry hardwood flooring and custom trim. The formal front entry is finished with a marble floor, an elegant oak staircase and large hanging chandelier. A formal dining room is to the left of the entry and a formal living room to the right, both having large windows with nice views overlooking the farm. The spacious kitchen has both tiled counter-tops and flooring, built-in double ovens, flat-top range, dishwasher, & beautiful cherry cabinetry. This area also has a ½ bath and an entrance door from the attached 2-car garage. The large master bedroom features a Buck Wood Stove with brick surround, 2 walk-in closets and a large master bath. The huge den is situated in the center of the home having three sets of full glass french doors leading out to a 12"x36' sunroom finished with ceramic tile flooring and large windows. The upper level of the home features four large bedrooms, each having a double closet. Two of the bedrooms have private baths while the other two have a shared "Jack & Jill" bathroom. The home is serviced by city water, 2 central heat & air conditioning units and an On-demand hot water heater system.

Additional amenities on this tract include a concrete parking area/ sidewalk, and a detached 40'x50' garage/shop having electricity, a concrete floor, two 14' roll-up doors, and a 16'x38' side shed. The orchard, 30x40 barn and barn lot are also included on this tract.

Your Weekly Love Horoscope

Aries
March 21-April 19

Maintaining a cool and calm attitude can be a challenge today, especially if you already know what you want. Regardless, your feelings continue to intensify throughout the day, making cooperation with others at work less likely. Although the graceful Libra Moon urges you to establish equilibrium in all your relationships, it's doubtful that you will be able to hold onto a dispassionate point of view. Letting go of your previous expectations creates room for something new and exciting to enter your life.

Taurus
April 20-May 20

Although you foresee big changes unfolding at work, your smartest strategy is to simply do your job today without getting caught up in uncertain possibilities. The Moon's monthly visit to your 6th House of Daily Routine signals a return to normalcy, but you might be worried that the current peace and quiet won't last. It's impossible to know how everything will play out in the long run, so concentrate on keeping your life as stable as you can for now and forget about the rest. The future will arrive soon enough on its own.

Gemini
May 21-June 20

Conflicting emotions may tug at you until you begin to feel a knot in the pit of your stomach today. On one hand, you can clearly see the positive benefits of pursuing a friendship or a romantic connection with someone you admire. But on the other hand, it's much less complicated to keep your feelings quiet to avoid the possibility of rejection. Instead of getting lost in endless analysis and worrying about your next relationship move, listen to your instincts now. Ultimately, following your heart is your best choice as long as you remember to bring your common sense with you.

Cancer
June 21-July 22

It seems like someone is trying to convince you to do something that benefits others more than you. However, your resistance to making concrete plans now might appear selfish to your peers, even if you believe you're pursuing an honorable course of action. Don't be afraid to stand up for your convictions. Even if your choice is an unpopular one, you will gain respect for being honest instead of just trying to please everyone. One of the truest tests of integrity is its blunt refusal to be compromised.

Leo
July 23-August 22

Your creative prowess is readily apparent at work today, emboldening you to share your plans. Although your coworkers might make unreasonable demands on your schedule, your personal ambitions require a fair amount of time and effort. However, you aren't required to put on a show for anyone else just to demonstrate that you're capable of doing your job. Instead of setting your agenda aside, make a commitment to prioritize your goals. Determination and follow-through are the not-so-secret ingredients in your current recipe for success.

Virgo
August 23-September 22

You might think your practical approach to financial matters is a well-balanced one, but you could be easily misled by your own ideals now. Even if clouds are gathering to obscure your vision, you can still visualize a bright blue sky in your mind's eye. Normally, positive thinking works in your favor, but it's crucial to acknowledge reality as it is today and not as you wish it to be. Facing the truth places you in a position of power.

Libra
September 23-October 22

Although you're fully capable of understanding both sides of a complex disagreement, people might see you as more ambivalent today than you are in reality. You may have an accurate perspective of other people's motives, yet you recognize the practical wisdom in keeping your opinions to yourself until everyone has a chance to speak. An honest dialogue is necessary to clear the air before you tell others exactly what you think. Conversation is food for the soul.

Scorpio
October 23-November 21

Your imagination is running wild today, but you seem so pragmatic that no one would ever guess what's going behind your smile. Thankfully, you can hide your fantasies without much effort but keeping your secrets grows more challenging later in the day. Ultimately, your actions reveal your true feelings, especially if you are tired of pretending everything is fine. The truth, little by little, is wiser now than blurring it out all at once. Sometimes the smallest step in the right direction ends up being the biggest step of your life.

Sagittarius
November 22-December 21

Share your plans with your closest supporters before it becomes too complicated to say anything at all. You know exactly where you want the conversation to go and might manipulate the circumstances at work to push your agenda forward. It's relatively easy to just convey an abstract idea to a friend. However, conflicting intentions become entangled if you are overly attached to your goal. Remaining open to whatever happens today offers you more options; but don't be so eager to compromise that you sacrifice your self-esteem in the process.

Capricorn
December 22-January 19

You are highly strategic in your planning because your professional objectives are well-defined and you are prepared to do whatever it takes now to fulfill your destiny. Unfortunately, nothing is as simple as it seems at first glance; you must balance your own needs with the wishes of those you love. Don't just assume that your unspoken dreams are identical to anyone else's. Continue to clarify your ambitions and work steadily toward success. Clear communication keeps you on the same page.

Aquarius
January 20-February 18

You clearly comprehend the measurable benefits of your current plan and the possible pitfalls of a faulty execution. Unfortunately, positive thinking grows elusive as the plot thickens and people realize how important your goals are to you now. Nothing is gained by backing down just because you're worried about what others think. Your unrelenting persistence is the best guarantee of your success. Don't stop believing in your dreams just because someone else lacks imagination.

Pisces
February 19-March 20

Your stellar presentation enables everyone to witness your determination today, yet you have more simmering beneath the surface than meets the eye. Even if a powerful friend accuses you of trying to impress others, the truth is that you're just pushing to accomplish as much as you can while you feel so inspired. Although everything seems quite intense now, you actually have enough time to put your life in order before the current window of opportunity closes.
