[www.garry4mayor.com](http://www.garry4mayor.com)

My name is Garry Phillips and I am a Republican seeking the office of Mayor of Henry County.

I am a native Henry Countian, as were both sides of my family since before the Civil War. I was born in Buchanan, raised in India Community, and went to Grove High School before joining the Navy at 17 years old.

Memorial Day, instituted following the Civil War and originally known as Decoration Day, is set aside as a day of remembrance for all military members who died while serving this country. I salute those that have made the ultimate sacrifice to the United States of America. Please take time this weekend to remember these brave men and women.

**Chocolate Peanut Delight**

1 package chocolate cake mix (regular size)  
1/2 cup butter, melted  
1/4 cup milk  
1 egg  
1 cup chopped peanuts, divided  
1 package (8 oz.) cream cheese, softened  
1 cup peanut butter  
1 cup confectioners' sugar  
1 can (14 oz.) sweetened condensed milk  
1-1/2 teaspoons vanilla extract  
1 carton (16 oz.) frozen whipped topping, thawed, divided  
1/2 cup semisweet chocolate chips  
4-1/2 teaspoons butter  
1/2 teaspoon vanilla extract

In a large bowl, combine the cake mix, butter, milk and egg until well blended. Stir in 3/4 cup of peanuts. Spread into a greased 13-in. x 9-in. baking pan. Bake at 350° for 30 minutes or until a toothpick inserted in the center comes out clean. Cool on a wire rack. In a large bowl, beat the cream cheese, peanut butter, confectioners' sugar, condensed milk and vanilla until smooth. Fold in 3 cups whipped topping. Spread over the crust; top with the remaining whipped topping and peanuts. In a microwave melt chocolate chips and butter; stir until smooth. Stir in vanilla until smooth; drizzle over the dessert. Refrigerate for 2-3 hours before serving. Yield: 12-15 servings.

**Baked Mushroom Chicken**

4 boneless skinless chicken breast halves (1 pound)  
1/4 cup all-purpose flour  
3 tablespoons butter, divided  
1 cup sliced fresh mushrooms  
1/2 cup chicken broth  
1/4 teaspoon salt  
1/8 teaspoon pepper  
1/3 cup shredded part-skim mozzarella cheese  
1/3 cup grated Parmesan cheese  
1/4 cup sliced green onions

Flatten each chicken breast half to 1/4-in. thickness. Place flour in a resealable plastic bag; add chicken, a few pieces at a time. Seal and shake to coat. In a large skillet, brown chicken in 2 tablespoons butter on both sides. Transfer to a greased 11x7-in. baking dish. In the same skillet, saute mushrooms in the remaining butter until tender. Add the broth, salt and pepper. Bring to a boil; cook for 5 minutes or until liquid is reduced to 1/2 cup. Spoon over chicken. Bake, uncovered, at 375° for 15 minutes or until chicken is no longer pink. Sprinkle with cheeses and green onions. Bake 5 minutes longer or until cheese is melted. Yield: 4 servings.

**Your Weekly Love Horoscope**

<p><b>Aries</b> March 21-April 19</p> <p>It's time to stop running and face the music; fortunately, your reward for emotional honesty is more clarity about what you need and what you're willing to pay for it. Nevertheless, resistance from your boss or another authority figure slows you down today, but it's probably for the best. You will earn their support if you are precise about your intentions and your goals. There is work to be done and you can achieve more than you imagine if you harness your passion and focus your mental energy. You don't get what you wish for; you get what you work for.</p>	<p><b>Taurus</b> April 20-May 20</p> <p>The knotiest problems may be solved today by your willingness to look beneath the surface. Uncovering underlying causes is the first step toward untangling nearly any puzzle. Fortunately, you're wise to use your knowledge with a cool efficiency and a touch of restraint as previously hidden feelings are drawn out into the open now. Mercury trines steady Saturn, allowing you to share what's on your mind in a very matter-of-fact manner. Your straightforward communication enables you to regain the relationship security you recently lost.</p>	<p><b>Gemini</b> May 21-June 20</p> <p>Your nerves are fraying at the edges because coworkers seem impatient with your productivity today. You are certain you would wind up being the leader of the pack if only you could pick up the pace. Of course, you know the importance of engaging with your coworkers. However, you're not in the mood for games now, preferring to be left to your own devices. You're not interested in being controlled and might even consider leaving your job or revamping your current responsibilities. The urgency is yours; you're always one decision away from a different life.</p>	<p><b>Cancer</b> June 21-July 22</p> <p>You are more aligned with your life purpose now, but you still may need to face an unpleasant truth about money or love. In either case, you can magically transform a difficult moment into a happy memory if you're willing to reveal something you intended to keep secret. The Sun in your 11th House of Long-Term Goals harmoniously trines shadowy Pluto, empowering you with an unwavering certainty that you can predict your future. Be courageous and boldly move through this delicate situation, even if you're afraid of the dark.</p>	<p><b>Leo</b> July 23-August 22</p> <p>Contradictory cosmic messages bring surprise and stability at the same time. You're distracted by unexpected urges and unusual desires, and are at a loss as to how to handle them. Interactions with an authority figure may be strained at first but will likely resolve quickly in your favor if you keep a lid on your anger. Clarity of thinking is a top priority and self-expression is the ultimate key to your happiness now. Being true to yourself sets an example for those you love.</p>	<p><b>Virgo</b> August 23-September 22</p> <p>Your mental wheels are swiftly spinning, but sensible conclusions seem far away. Your intuition reminds you that it's critical to think in practical terms in order to counteract the fast speed at which events at work are moving now. Interpersonal interactions may seem confusing at first until you slow down to actually hear what one another are saying. Stephen Covey wrote, "Most people do not listen with the intent to understand; they listen with the intent to reply."</p>
<p><b>Libra</b> September 23-October 22</p> <p>Stepping forward to directly ask for what you need may bring better results than you expect, but you must be transparent when stating your intentions. Its tempting to expand your list and request more than you actually require. However, its possible to upset someone by going too far; making demands will not work. There's no reason to overextend your reach. This isn't a negotiation where both parties declare their opening position and then bargain from there. Mahatma Gandhi said, "I know no diplomacy save that of truth."</p>	<p><b>Scorpio</b> October 23-November 21</p> <p>Stretching your perspective to understand how others think is a healthy exercise today. However, don't attempt to be all-inclusive or you could lose touch with your own core beliefs and your sense of value. You must make more grounded assessments of the worth of various people and projects. Solidifying your personal relationships or finalizing business plans works out favorably for you, thanks to Mercury's trine to karmic Saturn. Singer Ani DiFranco said, "We negotiate with chaos for some sense of satisfaction."</p>	<p><b>Sagittarius</b> November 22-December 21</p> <p>Your ability to add urgency and clarity to any conversation commands attention today. Nevertheless, being a powerful communicator isn't enough to obtain the results you want. You are not being greedy and your needs are completely reasonable. However, rewards may be delayed by a less-than-generous Venus-Saturn connection. Your hard work might not be matched by the recognition you earn, but others will come to realize how much your contribution counts down the road. Don't give up what you want most for what you want now.</p>	<p><b>Capricorn</b> December 22-January 19</p> <p>You're ready to go to the mat with anyone who disagrees with your strategy today. You're uninterested in fomenting conflict, but you will not tolerate someone standing between you and your goal. Sensible Saturn blesses you with sound logic and the skill to organize details into a workable plan of action. Your efforts may come to fruition, bringing well-deserved rewards, as long as you can demonstrate your willingness to be patient. Leonardo da Vinci wrote, "One can have no smaller or greater mastery than mastery of oneself."</p>	<p><b>Aquarius</b> January 20-February 18</p> <p>You may grow sentimental today, sharing sweet words and artistic ideas as you sail the seas of stormy relationships. Its tempting to allow pleasant memories to blind you to the significance of the present moment - seeing beauty in every situation is a gift - yet it can be a costly and confusing one if your vision becomes too fuzzy. Martin Luther wrote, "Nothing in the world causes so much misery as uncertainty."</p>	<p><b>Pisces</b> February 19-March 20</p> <p>You have stepped into a leadership position, but you may not even know how you got there. Nevertheless, you must stand up and take responsibility for your newly acquired role. Thankfully, you can utilize your diplomacy skills now to interpret any sloppy communication you encounter. It might be incumbent on you to raise a delicate issue. If so, your reassuring tone goes a long way to persuade others to jump into the conversation. Playwright Robert Sherwood wrote, "Strive toward a more inclusive, caring and respectful community."</p>
