Celebrating 100 Years with THE Toggery

FINE MEN'S WEAR SINCE 1917

Charles and Edna Hopkins, of the Toggery in Paris, got a big surprise on Friday afternoon, during Downtown Paris Week! A surprise many around town have been keeping for months. The Toggery, one of the cornerstones of retail business in Henry County, is celebrating 100 years in operation in 2017! In honor of this prestigious achievement, County Mayor Brent Greer declared June 9th as Toggery Day. Kathy Ray, Executive Director of the Downtown Paris Association, also presented Mr. Charles with a plaque, featuring one of his signature Toggery labels, in appreciation of his commitment to Downtown Paris.

More than 50 customers, family members and friends attended the celebration on the Court House steps. In commemoration there were 100 delicious cupcakes, 100 chocolate tie pops and 100 colored balloons! The ceremony was topped off with a song from Chamber Director, Mark Johnson, specially written for the occasion. The Toggery has been in business since 1917, named Business of the Year by the Chamber of Commerce in 2012, and is located at 120 West Washington Street in Downtown Paris.

Miss Pearl's Country Cookin'

Butterfinger Pie

6 (2 1/8 oz.) butterfinger candy bars, crushed
1 (8 oz.) package cream cheese
1 (12 oz.) carton Cool Whip
1 graham cracker crust

Mix first three ingredients together. Put it in pie crust. Chill.

BLT Past Salad

1 cup mayonnaise or 1 cup salad dressing
1/4 cup lemon juice concentrate
2 teaspoons sugar
2 teaspoons chicken flavor instant bouillon
1 (7 oz.) package rotini pasta, cooked and drained
8 slices bacon, cooked and crumbled
1 large tomatoes, seeded and chopped
1/4 cup green onion, sliced
4 cups lettuce, thinly sliced

Combine mayonnaise, lemon juice, sugar and bouillon for the dressing. Combine rotini, bacon, tomato, and green onion. It's recommended to wait until you are ready to serve before mixing in the lettuce.

Honey Pecan Chicken

1 lb skinless chicken piece
1/2 cup all-purpose flour
3 tablespoons margarine, divided
1/4 cup honey
1/4 cup chopped pecans

Dredge the cutlets in flour, shaking off excess. Heat two tablespoons margarine in a heavy skillet over medium heat. Add the cutlets and brown on both sides, about 5-6 minutes. Stir together the remaining tablespoon margarine, honey and pecans. Add to the skillet, stir gently. Cover and simmer gently for 7-8 minutes. Remove cutlets from skillet, pour sauce over and serve.

No Bake Granola

2 1/2 cups crispy rice cereal
2 cups quick-cooking rolled oats
1/2 cup raisins
1/2 cup firmly packed brown sugar
1/2 cup light corn syrup
1/2 cup peanut butter
1 teaspoon vanilla

In large bowl, combine cereal, rolled oats and raisins; set aside. In small saucepan, combine brown sugar and corn syrup. Bring to a boil, stirring constantly. Stir in peanut butter and vanilla; blend until smooth. Pour over cereal mixture; mix well. Press into ungreased 13"x9" pan. Cool; cut into 24 bars.

Cheesy Garlic Bread

1 loaf French bread, unsliced
1/2 cup butter
2 garlic cloves, halved
1 teaspoon dried parsley
1/3 cup grated parmesan cheese

Preheat oven to 375F degrees. Cut slices down the length of bread loaf at 1 inch intervals, without cutting all the way through. Rub slices and top of loaf with cut sides of garlic. Mince garlic. Combine butter, garlic, parsley and Parmesan. Spread butter mixture between bread slices and on top of loaf. Wrap bread in foil leaving top partially uncovered. Bake until heated through, about 15 minutes.

Your Weekly Love Horoscope

Aries
March 21-April 19

Convincing yourself that you're heading in the right direction is easy, but you can't get others to buy your story so quickly now. Nevertheless, sharing your plans with friends and associates is your smartest move because they will spot any faulty reasoning or missing detail. Keep in mind that your cleverness might backfire in an instant if you are overly confident in your delivery. It's better to confront the shortcomings of your strategy sooner than later or you could waste precious time. Starting an honest dialogue leads to a successful outcome.

Taurus
April 20-May 20

You are typically straightforward, yet your current tendency is to embellish the facts. The truth is you aren't intentionally trying to mislead anyone now; it's just that you could easily get mixed up between what you want and what is real. There's nothing wrong with chasing your dreams or taking a quick trip to Fantasyland as long as you inform everyone of your plans. After all, your imagination is a rich garden where your most creative ideas can take root.

Gemini
May 21-June 20

Your charming wit impresses people so much they rally to your support, only to realize your plans aren't nearly as practical as they thought. Mischievous Mercury aligns with dreamy Neptune, enhancing the colors of your fantasies while blurring your connections to the real world. Rather than needing to retell your story later on, just stick with the facts right from the beginning. Save your tall tales and word games for another day. Being honest keeps your integrity intact.

Cancer
June 21-July 22

Untangling a problem today won't lead to satisfaction if your solution is anything less than enchanting. This is what Keats meant when he wrote, "Beauty is truth; truth beauty." Nevertheless, you could easily mislead yourself into believing you know where you want to go when you're actually heading somewhere else. Don't wait; it's time to put on the most practical pair of glasses you can find. The most reliable answers are revealed now once you see the world exactly as it is.

Leo
July 23-August 22

You won't likely realize how aggressive your actions are today as you strive to get what you want. Although you mean well, your friends could misinterpret your pushy behavior, setting the stage for an unnecessary confrontation. But an argument is a total waste of energy because you're probably closer to agreement now than you realize. Consciously toning down your approach makes everyone happier, in spite of the confusion. For the fastest resolution, listen more than you talk.

Virgo
August 23-September 22

Your resources are overextended now because a recent burst of enthusiasm inspired you to agree to participate in one-too-many projects. Don't wait until mental exhaustion sets in before making a change. Instead, exercise sensible restraint; it's more important to follow through on what's already been started, even if you're tempted to head out on a search for the next big thing. Part of your natural charm is your dependability, so fulfill your commitments before you do anything else.

Libra
September 23-October 22

You're deeply engaged in a weird dance between the old and the new. Your close friends and associates urge you to leave an annoying habit behind, but you may not be ready to move beyond your attachment to the past. Paradoxically, the more you logically analyze your current affairs, the more confusing they become. Stop thinking long enough to act on your feelings instead of what someone else is telling you. Forget about finding the right answer. Author Bryant McGill wrote, "Dare to believe that good things are possible when you follow your heart."

Scorpio
October 23-November 21

Although there are special people in your life that you lean on when you need them, it's disconcerting if they're not readily available today. You could feel as if you have been abandoned now, but that's not what is happening at all. Your friends probably don't even realize the intensity of your current process. Luckily, you can turn this moment into an opportunity to explore your dreams without any interference from others. Sometimes those who fly solo have the strongest wings.

Sagittarius
November 22-December 21

You won't likely find happiness by tenaciously clinging to your preferred outcome today. You could come frustratingly close to reestablishing your lost sense of emotional security, but it quickly slips out of your grasp as you approach the magic moment of fulfillment. It's a waste of energy to build your hopes up only to have them dashed; instead, keep bringing your concentration back to the present. Allow cosmic opposites to exist simultaneously without trying to take a position now. Let the uncertainty hang in the balance until your clarity returns.

Capricorn
December 22-January 19

You are distracted by watching your fantasies unfold on the cerebral silver screen inside of your head now. Although every individual scene represents a distinct possible turn of events, you would prefer to deal with the hard facts and not these dreamy illusions. But you can't put a stop to your thoughts by official decree. Rather than trying to force change, acknowledge that today's mental excursions are an effective way to explore the potential of the present moment. John Muir wrote, "The power of imagination makes us infinite."

Aquarius
January 20-February 18

You may be experimenting with a more poetic style of expression that requires you to set aside your logical perspective on life. There's less need to worry about your productivity today, since your real work is about reconnecting with your soul. Although you might not be able to explain your current spiritual yearnings to anyone else now, rest assured that the right words will come later. But the magic won't happen on its own; you must take the time to cultivate your dreams and exercise your creativity. Lewis Carroll wrote, "Imagination is the only weapon in the war against reality."

Pisces
February 19-March 20

You are blessed with the ability to commune with your spiritual nature, even if you're too busy to pursue more social interests. Satisfaction has nothing to do with how long you can escape from your hectic schedule now; it's more to do with how you use whatever time you have available. Simply setting aside a few minutes for meditation or relaxation could be sufficient to get you back in a more peaceful groove. Reestablishing your center empowers you to reach for the stars.

Looking for square dance partners: for much of our history communities have come together in social gatherings and a prominent feature was the square dance. These were family friendly places and events, where folks could enjoy fellowship with other in the community. Safe places for single people to get to know each other too and without the pressure that modern dating has. Well, we are fortunate that Paris/Henry Co. has a square dance, Monday evenings 7PM til 9PM each week. So if you know how, you are welcome to join in free of charge. And if you don't know how to dance in a square a free 20 week (1 evening per week) class will be offered in the fall and winter. So you can visit now and/or join the class. Easy to learn, if you can walk you can learn to square dance. We dance for fun, not competition. Better than sitting at home with nothing to do. Come and join the fun. If you are single, come alone or bring a friend or other family members. If you are married bring the whole family, kids enjoy it as much as adults. You may find good friends you didn't know before. And you may find that special someone for life long friendship. Interested in meeting new friends? PTP 506
