Miss Pearl's Country Cookin'

Fudge Crinkles

original recipe makes 30-48 cookies

1 (18 1/4 ounce) box devil's food cake mix
1/2 cup vegetable oil
2 large eggs
confectioners' sugar or granulated sugar, for rolling

Preheat oven to 350°. Stir (by hand) dry cake mix, oil and eggs in a large bowl until dough forms. Dust hands with confectioners' sugar and shape dough into 1" balls. Roll balls in confectioners' sugar and place 2 inches apart on ungreased cookie sheets. Bake for 8-10 minutes or until center is JUST SET. Remove from pans after a minute or so and cool on wire racks.

Garlic Rice

original recipe makes 4-6 servings

2 tablespoons olive oil
1 medium onion, chopped fine
3 garlic cloves, minced fine
1 cup long grain rice
2 cups chicken broth
1/2 teaspoon dried thyme
1 bay leaf

1/4 cup parsley, chopped
Put the oil in a skillet and saute the onions & garlic until golden. Add rice, broth, thyme & bay leaf. Bring to a boil uncovered, turn heat to low cover and simmer about 25 minutes or until the liquid is absorbed, give a little stir after 15 minutes. Remove bay leaf & stir in the parsley.

Southwestern Egg Rolls

2 tablespoons vegetable oil
1 skinless, boneless chicken breast half
2 tablespoons minced green onion
2 tablespoons minced red bell pepper
1/3 cup frozen corn kernels
1/4 cup black beans, rinsed and drained
2 tablespoons frozen chopped spinach, thawed and drained

Rub 1 tablespoon vegetable oil over chicken breast. In a medium saucepan over medium heat, cook chicken approximately 5 minutes per side, until meat is no longer pink and juices run clear. Remove from heat and set aside. Heat remaining 1 tablespoon vegetable oil in a medium saucepan over medium heat. Stir in green onion and red pepper. Cook and stir 5 minutes, until tender. Dice chicken and mix into the pan with onion and red pepper. Mix in corn, black beans, spinach, jalapeno peppers, parsley, cumin, chili powder, salt and cayenne pepper. Cook and stir 5 minutes, until well blended and tender. Remove from heat and stir in Monterey Jack cheese so that it melts. Wrap tortillas with a clean, lightly moist cloth. Microwave on high approximately 1 minute, or until hot and pliable. Spoon even amounts of the mixture into each tortilla. Fold ends of tortillas, then roll tightly around mixture. Secure with toothpicks. Arrange in a medium dish, cover with plastic, and place in the freezer. Freeze at least 4 hours. In a large, deep skillet, heat oil for deep frying to 375 degrees F. Deep fry frozen, stuffed tortillas 10 minutes each, or until dark golden brown. Drain on paper towels before serving.

Spaghetti Carbonara

1 pound spaghetti
6 slices bacon, diced
1 cup milk
2 large eggs plus 2 egg yolks
1/2 teaspoon salt
1 tablespoon all-purpose flour
3/4 cup grated Parmesan cheese
1 1/2 teaspoons freshly cracked black pepper

Bring a pot of lightly salted water to a boil. Add spaghetti and cook 10 minutes or as per package directions. Drain, reserving 1 cup of the pasta water. Meanwhile, add bacon to a large saute pan. Cook over medium heat 6 minutes or until slightly crispy. Drain on paper towels, reserving 2 tbsps of the drippings. Blend milk, eggs, egg yolks and salt. Heat bacon drippings over medium heat. Whisk in flour; cook 1 minute. Quickly pour in milk mixture, whisking constantly to keep eggs from scrambling. Cook 2 to 3 minutes until thickened. Remove from heat and whisk in 1/2 cup of the cheese. Toss drained pasta with sauce, bacon, remaining 1/4 cup cheese and some of the reserved pasta water. Sprinkle with black pepper just before serving.

White female, brown hair, green eyes, 5'4", 122 lbs., non-drinker, I do smoke. Interested in man wanting a long term relationship. Man between 55 to 69. I like playing Texas Hold 'Em, yard sales, fishing, taking rides together. Must like animals, I have a dog - part wolf. I have my own home. No cheaters or goldiggers - had one of those and he broke my heart. No bald men, no heavy set men, no salesmen. I live in Big Sandy, TN. Please be a nice man - send phone number. PTP 477

WWF, 55, strawberry blonde hair, green eyes, 5ft. plump. Looking for friendship for now, maybe something serious later. Any WM looking for some, will answer all. Any man who has old values that we grew up with, but somehow have forgotten. Honesty, truthfulness, faithfulness, respect. I smoke, so smokers okay, don't drink, but I don't mind social drinkers. Get in touch and find out how much we have in common. PTP 478

SWF, looking for a SWM for a honest relationship. I'm 58, no children, old Southern woman, like the old music and loves to be outdoors. Tired of all the games and the cheaters, if you don't want a good woman then don't answer me. But if you want a good person from the old school who will be there for you then you need to talk to this pretty blonde, blue eyed woman. I live in Erin, TN, close to Dover and Paris. Your Weekly Love Horoscope

Aries

March 21-April 19

The workweek ahead appears to be turning into a stew that gets better and better as it simmers. The Sun and Mercury's visit to your sign inspires you to be at the very top of your game over the next several weeks. The energetic buzz is heating up your imagination, even if the weather is still cool. You can visualize the myriad of possibilities that stretch out in front of you. If the current situation isn't exactly your cup of tea, be courageous and take a few bold steps in the direction of your dreams.

Taurus

April 20-May 20

A significant project is drawing to an end, yet this isn't necessarily bad news. Perhaps you were working as part of a team on a major initiative that is finally coming to completion. However, you could be tempted to dig in your heels and hold onto the recent past, especially if you have grown to enjoy the sense of camaraderie. No matter what, you can still share common goals and cultivate a support network; but don't be afraid of heading off to a destination that is more aligned with your own individual needs.

Gemini

May 21-June 20

Your career objectives are undergoing a metamorphosis and you must change with the times. You were quite involved recently with your profession or your community, but your drive for success is currently being replaced with a stronger emphasis on family matters and personal dreams. Wrap up loose ends on the job so you can have time to reestablish significant friendships that have fallen to the wayside. Share your hopes for the future with those you trust and bask in the loving support showered upon you.

Cancer

June 21-July 22

You might be coerced to directly face an old fear of moving into the future, or memories of the past could hold you back for unknown reasons. Either way, dynamics at work are changing quickly now and you can shift gears with ease when the timing is right. You know what you need to do, so summon up enough courage to ride these emotional tides with awareness and intention, instead of being pulled under by self-doubt. Nothing will stop your pursuit of success if only you believe in yourself.

Leo

July 23-August 22

You may assume you're in a very delicate position now because your heightened sense of vulnerability tosses you one way or another. You could subconsciously react to the current pressures by protecting yourself and hiding your softer side. Unfortunately, this classical defense mechanism only isolates you from loved ones and might even push your closest allies away. On the other hand, you can set the stage for real intimacy by opening up your heart, even if it hurts. The choice is all yours, whether you realize it or not.

Virgo

August 23-September 22

It's apparent that you're on the edge of something entirely new today, yet it's too early in the game to see how everything is going to fall into place. Instead of being frightened by the intensity of your emotions, you're intrigued by all the possibilities and thrilled to explore new territory now. Although you excel at knowing how to apply your analytical skills, you may also be required to trust your intuition. Logic is a masterful tool, but it might not be sufficient to get you through these illogical times.

Libra

September 23-October 22

Managing relationship dynamics is an ongoing dance for most socially adept Libras. The action-packed visit of the Sun and interactive Mercury to your 7th House of Partners radiates additional warmth onto nearly everyone in your life. Although you may feel as if your emotional ground is shaky, honest communication can help you regain stability. Luckily, you won't be forced to bring up new topics for discussion today; instead, revisit a recent conversation with an open mind and a forgiving heart.

Scorpio

October 23-November 21

The details of your life are brought into sharp focus today as the radiant Sun and messenger Mercury shift into your 6th House of Daily Routine. Unfortunately, this dance of tiny steps could be problematic if others find your desire to fine tune reality a bit too obsessive. Remember, there are multiple ways to look at nearly every situation, even if you feel sure about your current perspective. There's no harm in listening to different opinions before making up your mind.

Sagittarius

November 22-December 21

It's not that easy to get your plans off the ground today, even if you're on a creative roll. Although mental Mercury and the wilful Sun are traveling through your 5th House of Self-Expression, they encounter a fair share of resistance now, requiring you to review your ideas and edit your words before speaking them out loud. Paradoxically, your confidence is still running strong. Instead of just giving up, rest assured the outcome will be even better if you're not in a hurry. Perseverance is your friend.

Capricorn

December 22-January 19

You can sense a change in the energetic tide and you want to capitalize on the shift. You're not one to alter your plans on a whim, but you may be quick to head off in a new direction now if you think there's potential to get ahead of the curve. Nevertheless, you aren't interested in temporary distractions or quick fixes; you seek long-term solutions that will stand the test of time. Work methodically to maximize your chances of success.

Aquarius

January 20-February 18

All kinds of activities in your immediate environment are placing a heavy burden of demands on you now. If you feel pressured to respond to a developing situation at home or work today, remember that you can't force events to conform to your personal preferences. However, you can change your reactions to the evolving circumstances. It won't hurt to try a radical strategy, especially if the old one isn't really working anymore. Fortune favors the bold.

Pisces

February 19-March 20

You might think you're ready to make your move today, but you would be wise to wait a few more days before starting anything new. You may know exactly what you want to do, but your plans won't begin to solidify until later in the week. Be prepared to scale back your goals because you'll be more effective if your coworkers applaud your efforts. Adopting a more conservative approach makes it difficult for others to justify withholding their support.
