Refuge Discovery Series Program

"Rare Encounters" The Tennessee National Wildlife Refuge will once again hold its Refuge Discovery Series program this Saturday June 9th at 1pm. The program this time is "Rare Encounters" and will feature wildlife in the area that may not be so commonly encountered such as an Alligator Snapping Turtle, Northern Pine Snake, American Kestrel, and others. The program is free to the public. The Refuge Discovery Series was created by Friends of the Tennessee National Wildlife Refuge to help the public enjoy and interact with the refuge and its wildlife. Each considered a good family activity, the series presents wildlife related topics and guest speakers to help the public connect with nature. During your visit, take a stroll along the newest hiking trail, just adjacent to the Visitor Center. Along the trail are stations called Animal Olympics that encourage young visitors to learn about wildlife while exercising like them. The Center is located at 1371 Wildlife Drive in Springville and is open 8am to 4pm Monday thru Saturday. Call 642-2091 for more information. Be sure and like their Facebook page as well.

Miss Pearl's Country Cookin'

Pink Grapefruit Cheesecake

3/4 cup graham cracker crumbs
1 tablespoon plus 2/3 cup sugar, divided
1 teaspoon grated grapefruit zest
1/4 teaspoon ground ginger
2-1/2 tablespoons butter, melted

2 packages (8 ounces each) cream cheese, softened
1/2 cup sour cream
2 tablespoons pink grapefruit juice
2 large eggs, lightly beaten

Place a greased 6-in. springform pan on a double thickness of heavy-duty foil (about 12 in. square). Wrap foil securely around pan. Pour 1 in. water into a 6-qt. slow cooker. Layer two 24-in. pieces of foil. Starting with a long side, fold up foil to create a 1-in.-wide strip; roll into a coil. Place in slow cooker to form a rack for the cheesecake. In a small bowl, mix cracker crumbs, 1 tablespoon sugar, zest and ginger; stir in butter. Press onto bottom and about 1 in. up sides of prepared pan. In a large bowl, beat cream cheese and remaining sugar until smooth. Beat in sour cream and grapefruit juice. Add eggs and beat on low speed just until combined. Pour into crust. Place springform pan on top of coil. Cover slow cooker with a double layer of paper towels; place lid securely over towels. Cook, covered, on high 2 hours. Do not remove lid; turn off slow cooker and let cheesecake stand, covered, in slow cooker 1 hour. Center of cheesecake will be just set and top will appear dull. Remove springform pan from slow cooker; remove foil from pan. Cool cheesecake on a wire rack 1 hour. Loosen sides from pan with a knife. Refrigerate overnight, covering when completely cooled. Remove rim from pan. **CITRUS TOPPING:** Top cheesecake with orange and grapefruit section. **CHOCOLATE & PECAN TOPPING:** Melt 2 ounces semisweet chocolate with 1 teaspoon shortening and stir until smooth; drizzle over cheesecake. Top with glazed pecans. **SUGARED CRANBERRY TOPPING:** Lightly mist 1/2 cup fresh cranberries with water; toss with 2 tablespoons sugar. Place over cheesecake; top with orange peel curls.

Bacon Topped Meatloaf

1/2 cup chili sauce
2 large eggs, lightly beaten
1 tablespoon Worcestershire sauce
1 medium onion, chopped
1 cup shredded cheddar cheese
2/3 cup dry bread crumbs
1/2 teaspoon salt
1/4 teaspoon pepper
2 pounds lean ground beef (90% lean)
2 bacon strips, halved

In a large bowl, combine the first eight ingredients. Crumble beef over mixture and mix well. Shape into a loaf in an ungreased 13x9-in. baking dish. Top with bacon. Bake, uncovered, at 350° for 70-80 minutes or until meat is no longer pink and a thermometer reads 160°. Drain; let stand for 10 minutes before cutting. Yield: 8 servings.

She must want to do better and feel good about herself and she must want a man to treat like the woman that she is. Your Weekly Love Horoscope

 Aries March 21-April 19 You want to discuss your latest ideas with your peers today, hoping to weed out those thoughts which might not be very productive. Your friends are happy to listen with objective ears and tell you exactly what they think. But the feedback you receive might be less than useful if people don't truly understand your plans. If you want to benefit from the give and take of an open dialogue, you must take more time up front to explain your intentions and define your vision. Paul J. Meyer wrote, Communication - the human connection - is the key to personal and career success.	 Taurus April 20-May 20 You might think you're speaking with the power of authority today, but your words could soar right over the intended recipient's head. Don't waste everyone's energy if there is nothing important to say. Rather than talking in vague generalities, make sure your message is as concrete and practical as possible. Your innate common sense serves you well, yet you still may feel the need to embellish the truth just enough to tip the odds in your favor. Keep calm and remain honest. Poet George Herbert wrote, Good words are worth so much and cost so little.	 Gemini May 21-June 20 You could be put in the position of needing to defend your integrity, even if your behavior has been impeccable. However, someone may cast doubt on your reliability by citing examples of where your previous actions left something to be desired or missed the mark entirely. The bad news is you might not remain quiet long enough to hear the criticism. The good news is you can consciously place your verbal barrage on hold while you reframe your strategy for the days ahead. Author Dan Millman wrote, You don't have to control your thoughts. You just have to stop letting them control you.	 Cancer June 21-July 22 You're eager to share your feelings with anyone who will listen today. But when you finally have a candidate within earshot, you begin to realize that there are plenty of facets of your current circumstances you don't wish to reveal. Thankfully, no one will pressure you into confessing more than you want now; whatever you say must come willingly from your heart. Ralph Waldo Emerson, Self-trust is the first secret of success.	 Leo July 23-August 22 You really don't enjoy being in the company of know-it-alls, and today is very taxing if everyone claims to have a corner on the truth. You are particularly bothered if there's no agreement among the variety of responses. You want to trust someone to clear the air of all the ambiguity, but the more you seek reassurance, the less you know for certain. Living without clarity can be a spiritual experience as long as you can let go of your need for resolution. Gertrude Stein said, There ain't no answer. There ain't gonna be an answer. There never has been an answer. That's the answer.	 Virgo August 23-September 22 You may inadvertently say something that aggravates a coworker today, but you can easily clean up any misunderstanding if you take care of it right away. Don't let it will linger, even if you know that you were not to blame. Talking about any unresolved issues is a smart strategy now because healing can come in a flash. The longer a communication rift is left alone, the wider it grows. Peace of mind is attained not by ignoring problems, but by solving them.
 Libra September 23-October 22 Although you harbor big ideas for your future, you might be required to temporarily place them on the back burner so you can handle unfilled responsibilities. Fortunately, you know in your heart that you're not giving up on your dreams. You are simply reconsidering where your energy is needed the most now. Nevertheless, you still may be overly critical with your self-judgments. Cut yourself some slack and simply reframe your intentions to keep your mind on your work. Gandhi said, Action expresses priorities.	 Scorpio October 23-November 21 There are crucial subjects that must be discussed today, but you are not sure how to broach them gracefully. Instead of tackling the topic by opening with a direct statement, you may fidget around in circles until the real issue becomes unavoidable. Don't worry about the impact your words will have on others now; if you speak the truth, the end result will lead to the best possible outcome for all involved. Poet Walt Whitman wrote, All faults may be forgiven of him who has perfect candor.	 Sagittarius November 22-December 21 Philosophical debates can be entertaining, but too much talk leaves everyone feeling unfulfilled today. Unfortunately, conversations may run all over the map and won't necessarily lead to any constructive conclusions. Thankfully, you can dramatically change the outcome by gently guiding discussions toward practical considerations now. Don't wait until you've wasted time lost in idealistic dreams of potentials and possibilities. Tennis champion Arthur Ashe said, Start where you are. Use what you have. Do what you can.	 Capricorn December 22-January 19 You may think you're casually chatting about projects at work today, only to suddenly realize you're stepping into more personal realms. Normally, you might switch the conversation back to business as soon as you notice things have gone astray. However, the mood is different now, and it feels appropriate - maybe even necessary - to express your feelings. Trust your intuition and, if mutually acceptable, follow your heart. The cosmos is offering you a chance to deepen a relationship and you will regret letting this opportunity slip by without pursuing it.	 Aquarius January 20-February 18 You are developing a soft spot for someone at work and it seems like the right moment to tell them how much they brighten your day. The intensification of a relationship now won't likely lead to a romantic involvement; it's simply the result of two people who enjoy working together. Life is too short to let the possibility of friendship come and go without taking action. Harriet Beecher Stowe wrote, The bitterest tears shed over graves are for words left unsaid and deeds left undone.	 Pisces February 19-March 20 Unspoken thoughts can grow so loud today that they become the temporary center of attention. Shifting your focus from your inner world to the outer one has a powerful impact on your day. Rather than isolating yourself for the wrong reasons, use your feelings to fuel discussions that draw you closer to those around you. Thankfully, you might even feel as if you're being drawn back into a cozy place you can call home. Songwriter Colbie Corlay wrote, Be happy and comfortable with who you are, whoever it may be.

HENRY COUNTY MAYOR

A New Direction

Follow Garry on Facebook: Garry4Mayor Henry County Tennessee

www.garry4mayor.com

My name is Garry Phillips and I am a Republican seeking the office of Mayor of Henry County.

Henry County has a growing drug problem: illegal drugs and opioids are wrecking families. Statistics show that 80% of all the crime in Henry County is related – in one way or another – to drugs. Good paying jobs and a good educational mix will go a long way toward reducing drug use in the county. But the drug problem is a cultural and social ill that must be fought on many levels – including spiritual.

As Mayor I promise to bring together a coalition of local and state organizations dedicated to reducing the effects of illegal drugs on our citizens.

I ask for you to vote for me – Garry Phillips – on August 2nd. We need A New Direction for Henry County.

Paid for by the Garry Phillips for Mayor campaign. Catherine Herrera, Treasurer
