Yard Sales in Historic Atkins-Porter Neighborhood There will be yard sales galore in the Historic Atkins Porter Neighborhood this Saturday, June 11, according to Rachel Terrell, vice-president of the Historic Atkins-Porter Neighborhood Association (HAPNA). The event, which includes 19 participants, is sponsored by HAPNA. “Most of the sales will begin at 8:00 am and will run until around 1:00 pm, however some participants may be starting and stopping at different times,” said Terrell, who added that there will be refreshments for sale at some homes. The historic neighborhood lies within the boundaries of Dunlap, Veterans Drive, Tyson Avenue and East Wood Street. In addition, there will be a map highlighting participants’ addresses on the association’s Facebook page and the City of

Paris Facebook page; hard copy maps will be available at sale sites. There will be plenty of signage, as well, according to Terrell. “I see this yard sale as a fun, annual project that will encourage more people to come enjoy our shady streets, our cool old homes and our friendly neighbors,” said Terrell. The neighborhood association was recently reactivated after the City of Paris began the Preserve Paris Program in conjunction with the USDA. “We have monthly meetings at the A.P. Rec Center on the third Wednesday of each month at 7:00 pm and invite all interested individuals to join us,” said HAPNA President Ed Roberts. The rain date for the event is Saturday, June 18. For more information, visit the group’s Facebook page or call 731-336-2917. The Historic Atkins-Porter Neighborhood Association is dedicated to preserving the history, integrity, safety and sense of community of the Atkins-Porter neighborhood.

Miss Pearl's Country Cookin'

Fried Sweet Bananas

original recipe makes 16 slices

3 firm bananas, halved lengthwise
1/2 cup white sugar
1 1/4 teaspoons ground cinnamon
3 tablespoons butter

Cut each banana half into 3 or 4 pieces. Mix sugar and cinnamon together in a shallow bowl. Melt butter in a skillet over medium-low heat; add banana slices and cook until golden brown, 5 to 10 minutes. Transfer banana slices to a paper towel-lined plate. Coat banana slices, 1 at a time, with cinnamon-sugar.

Hashbrown Sliders

original recipe makes 5 servings

1 (20 oz) package shredded hash brown potatoes
2 large eggs, beaten
1/2 cup shredded mozzarella cheese
1/4 teaspoon ground black pepper
1/2 teaspoon salt
2 teaspoons olive oil, divided
3 small avocados, peeled and pitted
1 pinch garlic salt
4 ounces thinly sliced serrano ham
8 ounces mozzarella cheese, sliced

Place hash browns, eggs, shredded cheese, pepper and salt in a large bowl. Mix the ingredients using your hands, making sure everything is well coated. Add 1 teaspoon of olive oil to a large nonstick saute pan over low to medium heat. Grab a handful of the potato mixture, about 1/4 cup, and create a ball. Place it down on the pan and carefully pat it down to create a flat disc shape. Cook for 3 to 4 minutes and then flip it over and cook for an additional 3 to 4 minutes. Remove and place on a paper towel. Repeat until all hash browns have been used. In a small bowl, mash the avocados and sprinkle with a little garlic salt. Place a spoonful of the mixture onto a hash brown stack. Top with half slice of Serrano ham and a slice of mozzarella cheese. Top it with another hash brown stack.

Quesadilla Burgers

Original recipe makes 4 Burgers

Southwest Sauce:

1/2 cup sour cream
1/4 cup ranch dressing
1/4 cup taco sauce

4 (4 oz) hamburger patties
1 dash Worcestershire sauce, or to taste
8 flour tortillas
2 cups shredded sharp Cheddar cheese
2 cups shredded Colby-Jack cheese
1/2 head lettuce, shredded, or to taste
3 tablespoons picante sauce, or to taste

Mix sour cream, ranch dressing, and taco sauce together in a bowl until Southwest sauce is smooth. Cover bowl and refrigerate for flavors to blend. Preheat an outdoor grill for medium-high heat and lightly oil the grate. Cook hamburger patties in the preheated grill for 5 minutes, seasoning with Worcestershire sauce. Flip patties. Arrange tortillas on the grill and lower heat to medium-low under tortillas. Add Cheddar cheese and Colby-Jack cheese to tortillas; cook until cheeses melt, 2 to 4 minutes. Continue cooking hamburger patties until cooked through, about 5 minutes more. An instant-read thermometer inserted into the center should read at least 160 degrees F. Spread Southwest sauce onto 1/2 of the tortillas; top with lettuce and picante sauce. Place 1 hamburger patty on top of picante sauce layer and top patty with a tortilla, creating a sandwich.

Ranch Baked Vegetables

original recipe makes 6 servings

1/2 cup olive oil
1 (1 oz) package dry ranch dressing mix
4 large potatoes, peeled and coarsely chopped
2 zucchini, coarsely chopped
3 stalks celery, coarsely chopped, or more to taste
1 onion, coarsely chopped (optional)
1/2 cup seasoned bread crumbs
1 pinch garlic salt

Preheat oven to 350 degrees F. Mix olive oil and ranch dressing mix together in an 8-inch square baking pan. Add 1/2 of the potatoes, 1/2 of the zucchini, 1/2 of the onion, and 1/2 of the onion; stir to coat. Add remaining potatoes, zucchini, celery, and onion; stir to coat. Sprinkle bread crumbs and garlic salt over the top. Bake in the preheated oven until vegetables are tender, 50 to 60 minutes.

Your Weekly Love Horoscope

Aries

March 21-April 19

Returning to work has its pros and cons today because people are so pleasant that all you want to do is chat with them. It seems too good to be true, but the promise of love is everywhere you look. Although your imagination is a powerful part of the equation now, there is no reason your fantasies must remain unrealized. Instead of setting someone on a pedestal, acknowledge the magic of connection as it occurs between equals. Relationships cannot grow without honest communication and mutual respect.

Taurus

April 20-May 20

You could emerge a champion in nearly any type of financial negotiation today. Closing a deal that's in your favor seems easier when everyone is so amenable to your perspective. However, you still must be cautious when it comes to your expenditures. Your optimism is not a permission slip to buy anything that strikes your fancy. As Will Rogers quipped, The quickest way to double your money is to fold it over and put it back in your pocket.

Gemini

May 21-June 20

You can do nothing wrong today, or so it seems. You are a people magnet that attracts one lovely social interaction after another. In fact, you could while away the hours in endless conversation, without having anything to show for all your fun at the end of the day. Unfortunately, there is more to life than just engaging in friendly chitchat. There's no need to curtail pleasurable activities as long as you leave enough time to pursue something of substance.

Cancer

June 21-July 22

You are an unsolvable puzzle today because others can't read your emotions, even if you're wearing them close to the surface. However, it's apparent from your behavior that you're not saying what's really on your mind. Fortunately, it's not your responsibility to communicate everything you feel all the time. In fact, sometimes words just dissipate the energy prematurely. Your current job is to maximize your experience by staying aware of your changing moods whether or not you choose to share them with anyone else.

Leo

July 23-August 22

It's not like you to withdraw from social interactions, but you may want privacy in order to lick your wounds today. People can easily misunderstand you because they think your positive nature means you have rhino skin. However, you're more sensitive now that the moody Cancer Moon has slipped into your 12th House of Invisibility. Nevertheless, you're unhappy when you're feeling emotionally isolated. Give others a chance to see the real you; honesty is a critical key to creating meaningful relationships.

Virgo

August 23-September 22

You may be experiencing an approach-avoidance conflict about whether or not you want to participate in a group activity. You seek out pleasant distractions with people you like but you wonder if this is the best use of your time, even if you can fit a social outing into your busy schedule. It's important to acknowledge the part of you that would rather steal some quiet time to dream about your future rather than acting frivolously in the present. Do what you must, but remember that happiness is always here and now.

Libra

September 23-October 22

Your people-pleasing skills are more apparent now than ever as charming Venus dances with the Sun in your 9th House of Philosophy. Your objectivity is your greatest strength and inspires you to help others see their current situation from a more logical perspective. However, it's still tempting to steer a conversation toward your preferred outcome today. Unfortunately, your bias detracts from your neutrality and weakens your effectiveness. Acknowledge your feelings, but maintain your balance by always reestablishing your center.

Scorpio

October 23-November 21

You want to get away from it all today, but you're not willing to sacrifice your emotional security in the process. It may be safer to talk about your fantasies of taking a life-changing journey than to go anywhere at all. Nevertheless, you can't deny your deep craving for adventure now and the sooner you acknowledge your current restlessness, the sooner you can integrate it into your life. The biggest risk is letting your dreams fade away without doing anything at all.

Sagittarius

November 22-December 21

It might feel as if you're running through an obstacle course today with intriguing people placed strategically, whose only goal is to distract you from your tasks. It's all too easy to fall into another fascinating discussion about an interesting subject. However, the hidden cost is revealed when you realize you're not progressing toward your goals. Fortunately, you can create an invisible shield around you to ward off energy that could lead you astray. It's simple; when you focus on your destination with unwavering intention, no one will get in your way.

Capricorn

December 22-January 19

Naturally, you don't want to hurt anyone's feelings. But everyone seems so sensitive today that you are afraid of generating unnecessary static by just saying what's on your mind. Ironically, the more careful you are in your delivery, the less effective you now are in making your point. In fact, you could use so many words in your attempt to be diplomatic that the impact of your message is lost. Being kind is admirable, but not if you sacrifice the truth in the process.

Aquarius

January 20-February 18

Creating clear boundaries can be tricky business today because you seem to have the right words to say in any situation. Your easygoing nature attracts others to interact with you. However, you have work to do on your own and want enough time to do your job well. Nevertheless, cutting off a pleasant conversation isn't as easy as it might sound. This dilemma is an opportunity to demonstrate your unwavering willpower. Step up to the plate and let others know what's on your mind before it's too late.

Pisces

February 19-March 20

The tides have shifted and refreshing waters are flowing into your world, stimulating your creativity and awakening your heart. Although you might be inclined to keep your thoughts to yourself, it's more productive to share your exhilaration with those you love. There's no reason to ramble endlessly about the subtle nuances of your feelings; just speak your truth succinctly and let your message settle in gradually. Sometimes silence is louder than words.
