Pictured Left: Frances Scott, owner, Paris Nutrition, Sarah Anderson, with Miss Paris Volunteer Pageant, Missy Hamilton, with Tomorrow's Hope.

Paris Nutrition and the employees of Tomorrow's Hope have combined their efforts to generate funds for a new scholarship. Paris Nutrition created a loaded tea named "Katie" in memory of Katie Williams-Dunning. Katie was known for being a strong advocate for women. \$1 was donated from each tea sold. A check for \$2,000 was presented to the Miss Paris Volunteer Pageant from the proceeds generated from the sales of the Katie Loaded Tea. "Someday her children will realize that mom's memory lives on through this pageant," said Hamilton.

STEP UP * MASK UP * WASH UP

This week, we saw the largest increase in COVID cases since the beginning of this Pandemic. Wearing a mask is a personal decision that saves lives and may very well save livelihoods in Henry County.

The City, County, Chamber of Commerce, and Healthcare Community have invested and are utilizing grant funds to purchase 10,000 custom masks that will be here within the next two weeks. We will have those available at no cost for people in our community. Other efforts are being organized to promote masking in a positive manner.

#MaskUp for our small businesses, for our schools, for our healthcare community, for our quality of life...

SPEND A DAY AT ONE OF OUR BEAUTIFUL LAKES

It just wouldn't be summer time in Northwest Tennessee without a visit to the lake! We are fortunate that we have so many lakes to choose from in our area. All of them are stocked and ready for fishing. And nothing takes the sizzle off a hot summer day like a dip in the cool water or a relaxing boat ride!

There are a few lakes in our area that are just so magnificent they need a special shout out! Like the Carroll County Thousand Acre Recreation Lake. Take Boyd's Landing Road in Huntingdon, Tennessee to one of the main entry ways to the lake parking

areas. The Thousand Acre Lake is a newer man made area built specifically for recreation of all sorts. There are boat ramps for easy access to the water. So it is a great place to spend the day fishing, or skiing or just boating leisurely around the lake.

Conveniently the lake is divided into two areas. Two thirds of the lake is dedicated to skiing and boating and jet skiing and one third is for fishing. If you want to take the risk, fishing is also permitted in the sporting area as well as from the shore. There are designated swimming areas, too.

Around the lake you will find beaches, picnic tables, pavilions, restrooms and concessions. If you are into RV camping there is also a RV park located at the lake with electricity and water available.

Reelfoot Lake covers 15,000 acres and is the largest naturally occurring lake in the state of Tennessee. It is located in Lake and Obion Counties in the Northwest part of the state. Reelfoot Lake is a huge attraction for that area. It is not only a boater's paradise but a great place for hunting as well. Reelfoot Lake State Park features all the amenities you would want

to find when you wanting to spend the day outside but necessarily wanting to rough it. There are boat ramps and beaches, picnic areas and restrooms. The State Park features events like one of the largest arts and craft's festivals in West Tennessee. They also hold duck blind drawings and a waterfowl festival here, too. You can camp on the primitive sites available or rent one of the rustic cabins. The Reelfoot Lake State Park office is located at 2595 Hwy 21E, Tiptonville, Tennessee.

Kentucky Lake is the largest man-made lake in the Eastern United States. It covers

KENTUCKY LAKE

nearly 160,300 acres, with more than 2,400 miles of shoreline. The lake itself is located in counties in Western Kentucky, Western and Middle Tennessee. It is surrounded by four state parks, two county parks and five municipal parks. There are 92 commercial recreational areas around Kentucky Lake, as well as, 10 campgrounds and 48 public access areas.

The wildlife also love to live around

Kentucky Lake. Two wildlife management areas, three small wildlife areas and the Tennessee National Wildlife Refuge are also located around the lake. The numerous boat docks not only make this an excellent site for fishing but is one of the most popular destinations for fishing tournaments in the Southeast United States.

Again there is nothing that you can want to do by or in the water that you can’t find to do

at Kentucky Lake. The beautiful water and surroundings are the perfect backdrop for your summer day. Take a pole and catch some fish, take a boat and do some skiing, take some trunks and swim all day or take a camera and make memories that you always have. There are endless pos-

sibilities for adventure and excitement at Kentucky Lake. It is a win win situation when visiting any of the lakes in this area. Rather you are spending the day with family or taking a day of solitude a day by the water is a day well spent! Enjoy the lakes in our area.

This fun park is made especially for the dogs

The dogs in your home are looking for something fun to do just like you are. They are stuck in the house all those hours, too. It's time to get out and have a good time. That's why Porter Atkins Dog Park was created. The dogs love it because it is fun and the humans love it because it is safe.

The Atkins Porter Dog Park is located at the corner of South Highland and Blythe Street, in Paris. Easy to find, located next to the Atkins Porter Auditorium on S. Highland. Dogs need to remain on a leash outside of the fenced area. Once inside your specified area you may unleash your animal.

The dog park is specifically created to provide exercise and fun, as well as, safety for your dog. The entire dog park is fenced in. The park is also separated into sections for large dogs and small dogs. Each side also has play equipment and obstacles set up for the dogs to play on. They are size appropriate

for the small or large dog. Lowe's recently renovated the equipment and obstacles at the dog park. The obstacles include things like tunnels, climbers, slides and agility equipment. There are also benches and picnic tables for the humans to use.

For your convenience there is also

a water fountain available for the dogs. Baggies are provided at the park for you to pick up your animal's waste. This is important to help keep the park clean and free from disease.

The Atkins Porter Dog Park is always clean and well maintained. It is the perfect place to take your dog for a few hours of running around and fun. Animals kept in apartments or on

properties close to the street without a fenced in area need a place like this to exercise and enjoy the fresh air. No reservations are required. Plenty of parking is conveniently located next to the dog park.

You pup can get cabin fever just like you. The Atkins Porter Dog Park is a safe and fun place to take your fur babies for a change of scenery and exercise. Check it out today!

WILD ANIMALS ROAM IN WEST TENNESSEE

Being under quarantine can get old really quick. When your family is ready for an adventure they won't soon forget, we know just the place you need to go... the Tennessee Safari Park, in Alamo. The Safari Park has more than 400 domestic and exotic animals waiting for you to come and visit.

Besides your native animals to West Tennessee, like goats, rabbits, pigs and ponies you will also see exotic animals from far away lands. The Safari Park has

one of the largest collection of animals in the United States.

The Tennessee Safari Park is actually two different experiences. There is a Petting Zoo and a two mile Driving Tour. It is the only place in West Tennessee that you can drive-thru and see zebras, llamas, emus, giraffes, kangaroos, warthogs and monkeys. The exciting thing about the driving tour is that you can purchase buckets of food and feed them right from your automobile. The animals will come

right up to your car. Don't be surprised if they stick their heads in the window, they can be pretty hungry some times. Because of consideration for the animal's health, the park asks that no outside food be fed to the animals.

The Petting Zoo is where you can get up close and personal with the animals. You get to walk among the more domesticated animals and pet and feed them. A family would have to travel hours to Memphis or Nashville to see animals like the ones at the

Safari Park.

According to the Trip Savvy Visitor's Guide there are some things you should take into consideration before attending the Safari Park. The cost is \$16 per adult and \$12 for children ages 3 to 12. You can purchase small buckets of feed for \$3 each or get a deal of 4 buckets for \$10. The Safari Park takes cash only, they do not accept credit or debit cards.

Depending on attendance you should plan to spend any where from one to two hours at the Safari Park. They suggest that the best time to attend is in the morning hours. The animals tend to be more hungry during the morn-

ing hours and are likely to be more engaging with the visitors.

Do not bring animals from home to the Safari Park. This is important due to the fact that animals from home can agitate the animals in the park.

The Tennessee Safari Park is open every day of the year, with the exception of Thanksgiving, Christmas Eve, and Christmas Day. The hours of operation are Monday thru Saturday, 10am to 4pm (the last time of day cars are permit-

ted in the park). The park closes completely at 5pm. Sunday hours are noon to 4pm with same admittance policy for cars.

A visit to the Tennessee Safari Park in Alamo will not be a trip you will soon forget. You

will have memories and fun photos for a lifetime. And the animals will totally love the treats you purchase for them at the park. Visit their website at tennesseesafaripark.com today and plan a day trip that you and your family will always cherish.

Let's remind people not to litter whether you be a fisherman or using the lake for recreational purposes. Some people haven't gotten the message yet! Go to the lake and walk along the shoreline especially when the lake is down and see the plastic, bottles, and tires and many more that is washed ashore. Fisherman will leave plastic wrappers from lures and bait at the water's edge. And, if you litter in your neighborhood, it will make its way to a storm drain and get into our streams and lakes. Finally, why not take it a step further and volunteer for a river or lake cleanup day project? Call for info 642-3162 to schedule your clean up. Preserve and Protect our Environment!

Take a trip through the stars at the Golden Pond Planetarium and Observatory at Land Between the Lakes. The Planetarium and Observatory is open seven days a week beginning at 10am. The Planetarium shows run about 40 minutes and has a new one beginning each

hour. The last show begins at 4pm and the center closes at 5pm.

The Planetarium is amazing with its 360 degree surround sound and its visuals projected onto the 40' dome. For your comfort, the chairs feature high backs and the temperature is

controlled perfectly for the season.

The Golden Pond Planetarium offers a wide variety of shows, each one of them educational and entertaining. Some of the more popular shows are Firefall, Laser Legends of the Night Sky and Tonight's Sky: Camping

Under the Stars. Firefall is all about asteroids, meteor showers, comets and shooting stars and their connection with our atmosphere. Legends of the Night Sky discusses the constellations and the stories behind them that have lived on thru the centuries. Also, there is a modern twist in a second part to the show on the Orion constellation. Tonight's Sky: Camping Under the Stars presents a night sky view that highlights and identifies the location of star constellations and planets that are visible from Earth at the present time. Something to take with you for you to follow up on during your next camping trip.

Admittance to the Planetarium are \$8 for laser shows, \$6 for ages 13 and up, \$3.50 for ages 5 to 12. Under age 5 enter at no charge. For a complete list of show offered and their schedule visit their website at landbetween-

thelakes.us or call 270-924-2233.

The Observatory has special telescopes to view the world and one designed specifically to safely view the sun. The Observatory also plans Star Parties where each visitor is given their own small telescope for viewing. These are held on the weekends and are free to the visitors that have already paid and attended a Planetarium show that day. Keep in mind that Observatory activities are weather dependent and can be canceled for that reason.

Children and adults both enjoy visiting the Golden Pond Planetarium and Observatory for its education and entertainment. You never know how fascinating the stars are until you are in the middle of them. Visit Land Between the Lakes today and discover the many ways to have fun outside!

The exciting news is that the Eiffel Tower Park Swimming Pool and the Paris Civic Center is open. Because of the COVID 19 Pandemic it is one of the few to be open in northwest Tennessee. Also, because of that there are some restrictions that you should be made aware.

When traveling down Volunteer Drive in the city of Paris you will spot the beautiful Eiffel Tower. Located just behind that is the public swimming pool and the fun super slides. Children and adults from Henry County and beyond have enjoyed this swimming area and with precautions can

continue to do so. Just down the street you will find the Paris Civic Center. The weight room, fitness room and indoor pool are open, and following social distancing precautions.

The Eiffel Tower Park pool hours have been modified from the normal schedule.

The hours now are 11am to 5pm, Monday – Saturday, and 1 to 5pm on Sunday. There will be a limit of 100 guests in the pool at one time. This will be determined by a first come first served basis. No summer passes will be sold this year due to that limitation.

The pool will also still be open for swim party rentals and swim lessons. Contact the Paris Civic Center for guidelines and pricing at (731) 642-2517.

The Paris Civic Center, located at 650 Volunteer Drive is open for workouts and swimming as well. The Fitness Room and the Weight Lifting Room is open from 6am to 8pm, Monday – Friday, 8am to 5pm on Saturday, and 1 to 5pm on Sunday. There is a limit of 7 participants in each room. The indoor pool also has modified hours and occupant limits so you may want to contact the Civic Center before your visit. Memberships, limited passes and

day rates are all available at the Paris Civic Center. At the present time the basketball court area is closed.

Being socially distant does not mean that you cannot work out and stay active. With precautions your fitness routine can continue business almost as usual. Contact the Paris Civic Center or visit the Eiffel Tower Park Swimming Pool and put a little excitement in your daily routine.

Experience the Tennessee River like Never Before Take the Ferry

It's not often that you come across such a unique attraction in Benton or Houston County, but they definitely share one. The Benton – Houston Ferry is currently the only Ferry on the Tennessee River and one of only two ferries operating in the entire state.

The ferry has become a very

important part of everyday life in that neck of the woods. Besides being a fun way to see the Tennessee River it can also have an economic impact on the area. For your convenience you can drive your vehicle right onto the boat for easy transportation across the water. A ferry ride across the river can cut as much as

90 minutes off of travel time between the two counties.

The ferry is open every day, unless there is severe weather. Hours of operation are Monday thru Friday, 5:30am to 6pm, Saturday and Sunday, 6am to 6pm. The fee to ride the ferry is .75 cents for residents of Benton, Henry and Houston Coun-
