Bella Says

"Thank you to Stacy Foy and 4H Youth Development for the photos in our Tribute to the Henry Co. Fair!"

What's Happening?

There were lots of two-legged and four-legged attendees at the ribbon cutting for the Paris Paws & Rec Dog Park (Atkins Porter Dog Park) on August 18th.

Safety Guidelines Set At Patriot

Stadium Safety guidelines will be in place at Henry County High School Patriots Stadium this season. Temperature checks will be required for entry to the stadium and all spectators will be required to wear masks and maintain social distancing from anyone other than those living in the same household. Athletic Department officials are asking fans not to congregate. Officials ask, "Help keep our schools open and our teams on the

field. Don't be the reason our schools close and sports are cancelled. Play by the rules." Signs with the new guidelines will be placed at the stadium for fans to see as they enter. They also ask anyone to not enter who is experiencing a long list of symptoms, including fever, cough, shortness of breath, chills, chest pains, fatigue, racing heart rate, etc. The Patriots will play Haywood County at 7 p.m. Friday, August 21st at Patriot Stadium.

A ribbon cutting was held August 18th at Andrews on the Square presented by the Paris, TN-Henry County Chamber of Commerce.

OPEN SEVEN DAYS A WEEK
TEMPORARY STORE HOURS:
8am-8pm

Back TO SCHOOL

- Stay seated at all times and keep your heads and arms inside the bus while riding. When exiting the bus, you should wait until the bus comes to a complete stop, exit from the front using the handrail to avoid falls and cross the street at least 10 feet (or 10 giant steps) in front of the bus.
- Know your home phone number and address, work numbers of parents and family members, the number of another trusted adult and how to call 911 for emergencies.
- If you walk to school, walk on the sidewalk; if there is no sidewalk and you must walk in the street, walk facing traffic. Before crossing the street, stop and look left, right and left again to see if cars are coming. Never dart out in front of a parked car.
- If you drive or are driven to school, don't block cross walks, yield to pedestrians in crosswalks, and take extra care in school zones.
- Never walk while texting or talking on the phone or while using headphones.
- When choosing a backpack, choose a style that is never wider or longer than your or your child's torso and never hanging more than 4 inches below the waist.
- If you ride a bicycle to school, know the rules of the road. Ride single file on the right side of the road, come to a complete stop before crossing the street and walk the bike across.
- If walking or biking, wear bright-colored clothing or have reflective surfaces on your backpack.
- If driving, never pass a vehicle stopped for pedestrians and never pass a bus loading or unloading children.
- Don't bend down in front of the bus to tie shoes or pick up objects, as the driver may not see you before starting to move.

Safety Tips

Stay Safe, Stay Healthy

- **Wash your hands.** Use soap and water. Wash for 20 seconds. You can count slowly to 20. Or you can sing the happy birthday song twice. Be sure to wash the tops of your hands and between your fingers. Get your thumbs, and even your fingernails.

Always wash your hands after you use the bathroom. Wash them whenever you come in from outside, before you eat, after you play with a pet. Wash your hands after you blow your nose, sneeze, or cough.

- **Cover your sneeze or cough.** Sneeze or cough into your elbow, not your hand. Then wash your hands anyway.
- **Only do the activities that your parents and the local people in charge say are safe.** This can help slow down the spread of germs. Wear a mask and keep your distance.

- **Wear a mask or cloth face covering when you go out.** Kids younger than 2 years old shouldn't cover their faces. But everyone else should because this helps prevent the spread of the virus. It's also important to stay at least 6 feet away from people you don't live with when you're out in public.

- **Learn your school's new safety rules.** Chances are your school will have some new rules in place this year to help keep everyone safe. Learn and practice them at home to get used to the changes.

- **Don't worry.** It's completely normal to be anxious or a little scared about the new rules. Don't be scared to talk to your parents or teachers about how you are feeling.

STEP UP * MASK UP * WASH UP

This week, we saw the largest increase in COVID cases since the beginning of this Pandemic. Wearing a mask is a personal decision that saves lives and may very well save livelihoods in Henry County.

The City, County, Chamber of Commerce, and Healthcare Community have invested and are utilizing grant funds to purchase 10,000 custom masks that will be here within the next two weeks. We will have those available at no cost for people in our community. Other efforts are being organized to promote masking in a positive manner.

#MaskUp for our small businesses, for our schools, for our healthcare community, for our quality of life...
