City of Paris Mailing Out ESN122

Fee Notices The City of Paris will begin mailing out notices for ESN122 Fire Protection Fees on Thursday of this week. All property owners within in the ESN122 in Henry County should expect to receive those notices. Payment is due by September 30th. Fires in the ESN122 district, just outside the Paris City limits, are covered by the Paris Fire Department. Unlike City property owners who pay city taxes, property owners in ESN122 pay no taxes for this service. Annual fees have been established for residents based on their appraised property values. The amount charged for fire service is based on information from the Assessor of Property and State of Tennessee Division of Property Assessments. The billing amount will strictly follow the City Ordinance as adopted in 2008 and copy of the municipal code will be included with the billing or can be picked up at City Hall. Property owners inside the ESN122 who fail to get a notice from the City or who get a notice and no longer own property, are asked to call City Hall at 641-1402.

Decision on Friday's Patriot

Football Game Henry County Athletic Director Mike Poteete said a decision on when Friday night's home football game between the Patriots and Dyer County will be played will be made at 11am Friday morning. Poteete said the two options are to play at the regular scheduled time of 7pm Friday night, or to move the game to 2pm Saturday afternoon. The decision will be made at 11am after seeing what type of rainfall amounts the area has as the remnants of Hurricane Harvey move over us. We are under a flash flood watch from 7pm Wednesday night until 7pm Friday night. Forecasts call for the possibility of up to 7-9 inches of rain in the area before the system moves out late Friday night.

Miss Pearl's Country Cookin'

PB&J Bars

Original recipe makes 16 bars
1 (16.5 oz) package NESTLE' TOLL HOUSE' Refrigerated Chocolate Chip Cookie Bar Dough, divided
3/4 cup NESTLE' TOLL HOUSE' Delightfuls Peanut Butter Filled Morsels
1/4 cup strawberry or seedless raspberry jam
1 tablespoons all-purpose flour

Preheat oven to 350 degrees F. Line 8-inch-square baking pan with foil. Press 20 squares of dough into prepared pan. Place remaining 4 squares of dough back into refrigerator. Bake for 15 minutes. Cool on wire rack for 15 minutes. Stir jam to loosen and spread jam over cookie base. Sprinkle Delightfuls morsels over jam layer. Crumble remaining 4 squares of chilled dough into small bowl. Add flour; mix until crumbly. Sprinkle over morsels. Bake for 20 minutes or until top is golden brown. Cool completely in pan on wire rack. Lift out by foil edges to cutting board. Carefully remove foil. Cut into bars. Store in tightly covered container.

Cheese Blintzes

original recipe makes 8-10 servings
1 (1 lb.) loaf white bread
4 tablespoons white sugar
2 teaspoons ground cinnamon
2 (8 oz) packages cream cheese, softened
2 tablespoons milk
1 teaspoon vanilla extract
1/2 cup butter, melted
1 pint sour cream

Preheat oven to 350 degrees F. Spray a cookie sheet generously with non-stick cooking spray. Trim crusts from bread and roll the slices flat. In a small bowl combine sugar and cinnamon to make a mixture. In a large mixing bowl, mix softened cream cheese, milk and vanilla until smooth. Spread this mixture onto each slice of flattened bread. Roll each bread slice up. Dip bread/cream cheese rolls in melted butter, roll the blintzes immediately in the sugar-cinnamon mixture. Cut rolls into 1 inch pieces. Arrange the blintzes on the prepared cookie sheet. Bake for 10 minutes. Serve with sour cream.

BBQ Quesadillas

original recipe makes 4 servings
1/2 pound boneless skinless chicken breasts
3 (1/2 inch thick) slices peeled cored fresh pineapple
1 cup KRAFT Creamy Mexicana Shredded Cheese with a TOUCH OF PHILADELPHIA, divided
4 large flour tortillas
1/3 cup finely chopped red onions
1 fresh jalapeno pepper, seeded, finely chopped
2 tablespoons KRAFT Brown Sugar BBQ Sauce

Heat barbecue to medium heat. Grill chicken 6 minutes; turn. Add pineapple to barbecue; grill 6 to 7 minutes or until chicken is done (170 degrees F) and pineapple is heated through, turning after 3 minutes. Transfer chicken and pineapple to cutting board. Reduce barbecue to low heat. Cut chicken into thin strips, then cut pineapple into thin slices. Sprinkle 2 tablespoons cheese onto half of each tortilla. Top evenly with chicken, pineapple, onions, peppers, barbecue sauce and remaining cheese. Fold tortillas in half; press tops to flatten slightly. Grill 2 to 3 minutes on each side or until cheese is melted and quesadillas are lightly browned on both sides.

2 medium zucchini, quartered and cut into large pieces
4 medium potatoes, peeled and cut into large chunks
1 medium red bell pepper, seeded and chopped
1 clove garlic, sliced
1/2 cup dry bread crumbs
1/4 cup olive oil
paprika to taste
salt to taste
ground black pepper to taste

Preheat oven to 400 degrees F. In a medium baking pan, toss together the zucchini, potatoes, red bell pepper, garlic, bread crumbs, and olive oil. Season with paprika, salt, and pepper. Bake 1 hour in the preheated oven, stirring occasionally, until potatoes are tender and lightly brown.

Your Weekly Love Horoscope

Aries

March 21-April 19

It feels as if yesterday's siege is over. Everything at work that was shouting No! is now encouraging you by screaming Yes! Although this positive feedback sounds like good news, it might actually be too much excitement too fast. You may overreact to the bountiful reassurance, only to later realize that you've spread yourself too thin. Avoid problems by proactively resisting the temptation to promise to do it all. Novelist Charles Dickens wrote, Scattered will take a long time in picking up.

Taurus

April 20-May 20

A feast of good luck signals the temporary end to a difficult period of profound change. You are acutely aware of the many blessings in your life now; suddenly there are too many opportunities rather than none. Although the current bounty assuredly feels better than the recent scarcity, you still long for simplicity, however elusive it may be today. Economist E. F. Schumacher wrote, Any intelligent fool can make things bigger, more complex, and more violent. It takes a touch of genius -- and a lot of courage to move in the opposite direction.

Gemini

May 21-June 20

You may be concerned because there's nothing holding you back today, and you're secretly afraid of exhausting your energy. Ironically, you might feel as if you're freer to operate with self-determination if you're required to work within the sensible constraints of your limitations. Nevertheless, your I-can-do-it attitude still increases your chances of success as long as you don't push yourself too hard. Poet E.E. Cummings wrote, Once we believe in ourselves, we can risk curiosity, wonder, spontaneous delight, or any experience that reveals the human spirit.

Cancer

June 21-July 22

Every little challenge seems like a great adventure today, and you're eager to see where each one takes you. You have little doubt that you can accomplish your goals on the job, especially since your optimism is supported by your mental acuity. But don't get too cocky with your promises; there's probably more work now than you estimated. Pace yourself and you could surprise everyone with how much you finish in just one day. Google co-founder Larry Page says, Always deliver more than expected.

Leo

July 23-August 22

You can't figure out whether everything has changed permanently or if your current good luck is just a blip on your radar. Although it's too soon to make a clear call, the truth is probably somewhere in the middle. In fact, your actions today can stretch a passing opportunity into a long-term influence if you are willing to take a calculated risk. Roman poet Virgil wrote, Fortune sides with him who dares.

Virgo

August 23-September 22

Sometimes you can be so focused on one tiny detail of a project that you lose sight of the big picture. However, expansive Jupiter creates a dynamic connection with the Sun in your practical sign, widening your perspective and releasing you from the restraints of perfectionism. Balancing the very small with the very large enables you to maintain a high standard of quality in your work while exceeding production projections. Author David Allen wrote, You can do anything, but not everything.

Libra

September 23-October 22

Your schedule is probably packed to the max today, but you're eagerly anticipating the variety of activities on your calendar. Although you may be busier than you expected, you certainly won't be bored. However, you might be concerned that too many distractions will prevent you from finishing what you start. Don't let your fears shadow your productivity; just maintain your enthusiasm and do your best. Whatever you lose in efficiency now, you will compensate for with your positive attitude.

Scorpio

October 23-November 21

You aren't amused by someone's cavalier approach to life today. You may be frustrated when people don't seem to share the same commitment to follow-through as you. You understand that everyone varies greatly in their approach to work, but you find it difficult to cut them as much slack as they seem to need. However, relationships are two-way streets and you might be happier if there was compromise on both sides now. Giving people room to be themselves also motivates them to reach for higher levels of excellence. Lead by your actions, not your words.

Sagittarius

November 22-December 21

You are wrangling with one of your familiar bouts of wanderlust, making it tricky to stay on task at work today. The Moon's monthly visit to your travel-happy sign reminds you that adventure is just an airplane ticket away. But it may be less important to manifest your dream journey now than to understand why your current responsibilities and what you must do to be free of obligations. Don't worry about where you might go; instead handle what's in your immediate environment with the same passion you would give to an actual excursion. Sir Thomas Browne wrote, All wonders you seek are within yourself.

Capricorn

December 22-January 19

You have your eyes fixed on an ambitious goal that actually seems within your grasp now. Although opportunistic Jupiter in your 10th House of Career is activated by four planets today, you can also feel overwhelmed by the scope of your current plans. There's no need to rush the return of Saturn's realism; the black-and-white details will be obvious soon enough. In the meantime, enjoy dwelling in the realm of possibility instead of the land of calculated certainty. Coloring outside the lines is healthy for your heart.

Aquarius

January 20-February 18

It's nearly impossible to keep your mind on the present moment when you can see so much positive potential in the future. You may be sitting on pins and needles as you try to anticipate what you will discover around the next bend in the road. But instead of attempting to garner a glimpse of the shape of things to come, enthusiastically embrace the unknown. Poet Rainer Maria Rilke wrote, Have patience with everything that remains unsolved in your heart -- live in the question.

Pisces

February 19-March 20

There's little room for error as you calculate what you need to do to propel your life to the next level. Your current goal is to fully manifest your potential and take control of your trajectory -- no simple task, especially in these complex times. You don't need to accept other people's limited thinking or the restrictions they place on you now. Author Rasheed Ogunlaru wrote, You'll find that more doors open if you approach them with an open heart rather than a closed mind.
