What's Happening?

Danger Soccer Team Holding Car Wash The Paris Danger '10 travel soccer team will be holding a car wash fundraiser at Carroll Bank on Mineral Wells Avenue this Saturday August 4th. Come out and support these girls as they raise money for travel and expenses.

HCSS Pre-K Screenings Beginning Friday August 3rd the preschool program of the Henry County School System will conduct screenings for the 2018-19 school year. Pre-schoolers will be screened to detect difficulties in speech, language, hearing, vision, motor and cognitive skills. Parents of children ages 3, 4, and 5 living in the Harrelson, Henry, or Lakewood School District are asked to call the school to schedule an appointment for their pre-schooler to be screened. For Harrelson call 247-3152, Henry call 243-7114, and Lakewood call 644-1600. These services are provided free of charge by the HCSS.

PLSP Waterfront Bar and Grille Ribbon Cutting On Aug. 10, Paris Landing State Park will host the grand

opening of Marker 66 Marina & Grille – a new waterfront restaurant housed at the park's marina. The restaurant will serve local guests and park visitors while the park inn undergoes a major improvement project. "Marker 66 will continue the tradition of lake view dining at Paris Landing State Park during construction of the new park inn," said Brock Hill, deputy commissioner of the Tennessee Department of Environment and Conservation. "Having a dining presence at the park to serve our guests and the local community will add to the overall park experience as we transition from the old inn to a vibrant new inn on the shores of Kentucky Lake." The name Marker 66 refers to the marina's address on the water – Tennessee/Kentucky Lake marker 66.2. The full-service restaurant and bar, with seating both indoors and outdoors on the marina dock, will be open seven days a week from 7 a.m.-9 p.m. Guests can enjoy a varied menu of local classics and healthy options for breakfast, lunch and dinner. Located in the former marina store location, the marina will continue to offer goods and services to visitors and boaters as well as Paris Landing State Park t-shirts and other souvenir clothing. The grand opening will kick off on Friday at 5 p.m. with a ribbon-cutting presided over by Hill, followed by door prizes and State Park merchandise giveaways, live music by Step N Tyme and sampling by Tennessee Brew Works of their State Park Blonde Ale from 5-7 p.m. Marker 66 is located at 41 Paris Landing Marina Dr., Buchanan TN 38222.

Chicken Garden Medley
1 pound boneless skinless chicken breasts, cut into strips
1 garlic clove, minced
1/4 cup butter, divided
1 small yellow squash, halved lengthwise and sliced
1 small zucchini, halved lengthwise and sliced
1/2 cup julienned sweet red pepper
1/2 cup julienned green pepper
1/4 cup thinly sliced onion
2 tablespoons all-purpose flour
1/2 teaspoon salt
1/4 teaspoon pepper
3/4 cup chicken broth
1/2 cup half-and-half cream
8 ounces angel hair pasta, cooked and drained
2 tablespoons shredded Parmesan cheese
In a large skillet, saute chicken and garlic in 2 tablespoons butter for 10-12 minutes or until chicken juices run clear. Add vegetables. Cook until crisp-tender; remove from skillet and set aside. In the same skillet, melt remaining butter. Add flour, salt and pepper; stir to form a smooth paste. Gradually add broth. Bring to a boil; cook and stir for 2 minutes or until thickened. Stir in cream and heat through. Add chicken and vegetables; stir until well mixed. Place pasta in a greased 2-qt. baking dish. Pour chicken mixture over top. Sprinkle with Parmesan cheese. Cover and bake at 350° for 15 minutes; uncover and bake 5 minutes longer.

Your Weekly Love Horoscope

Aries	Taurus	Gemini	Cancer	Leo	Virgo
 Aries March 21-April 19	 Taurus April 20-May 20	 Gemini May 21-June 20	 Cancer June 21-July 22	 Leo July 23-August 22	 Virgo August 23-September 22
Leadership requires clear vision. Ask probing questions to fully understand your options, so you can make informed choices. Face your fears now and resolve any lingering issues instead of walking blindly into a lion's den. Service is the way; lead by example. If someone makes a mistake or you misjudge another, forgiveness is the answer. Revealing your vulnerability endears you to others. Unite your mind, heart, and spirit for the sake of serenity; choose to see peace no matter what you encounter.	Cultivate calmness within so you can get crystal clear on who you are now. Cosmic alignments are changing the landscape in which you operate, so take time to reassess your current likes and dislikes. Share your opinions but maintain your non-negotiables so you don't lose yourself in the crowd. Staying in touch with your feelings empowers you to be your genuine and best self. People treat you with respect and honor when you let them know how to access the real you.	Wake up and look at your world as a place of safety and peace. You are only heir to the laws of the ideals to which you subscribe. The level of comfort you feel at home or at work is analogous for what is building inside of you. Despite any chaos or discord, continue to move along on your spiritual path. Running from who you are always brings you face to face with yourself again. Your connection with yourself defines your relationship with the cosmos. Maybe you do belong, after all.	Look beyond physical appearances and tune into spirit identification. The truth is bodies which contain souls are but empty vessels filled with infinite light. Honor your feelings, but watch what you consume -- media, food, or conversation -- so you are not swept up by the madness of the day. Center yourself and calm your mind before interacting with others now. The greatest vow is to love one another and to spread kindness wherever you go.	Behind everyone's masks are their true selves. Happily, you can celebrate your sexy glow and magnetism today without overcompensating for hidden inadequacies. Spiritual Neptune offers gifts of rose-colored glasses, role playing, and romantic fantasies. Choose your characters wisely, but enjoy the masquerade for what it is. Honor the full spectrum of your feelings and know you were not created to be alone.	You might inadvertently drive partners away today instead of drawing them near. People may subconsciously feel your disapproval even if you are outwardly encouraging them to pursue their dreams. Your unexpressed judgment takes on a life of its own, prompting others to shut down. Ultimately, you both play a role in hindering further intimacy. Honor the intention that your relationship may always serve the soul growth of all involved.

Libra	Scorpio	Sagittarius	Capricorn	Aquarius	Pisces
 Libra September 23-October 22	 Scorpio October 23-November 21	 Sagittarius November 22-December 21	 Capricorn December 22-January 19	 Aquarius January 20-February 18	 Pisces February 19-March 20
You're not a prisoner to anyone's expectations. Naturally, you are allowed to evolve as you adapt to the changing circumstances of your life. It is okay to disappoint people if their perceptions of you are limited. Strive to stay connected to your core beliefs and maintain integrity in your actions, even in the midst of a paradigm shift. Believing in any other way prevents others from seeing the real you. William Shakespeare wrote: This above all: to thine own self be true.	Your romantic ideals take on a more fluid essence today as your daydreams grow more vivid. But rather than reacting to a current situation based on your vision of perfection, accept each moment as an opportunity to express love to the best of your ability. Relationships are not a test; it is counterproductive to constantly grade someone's performance. If you're willing to open your heart, your magnanimity is powerfully felt and seen by the world.	One of your gifts is your ability to allow others the same freedom you wish to have yourself. Your generosity has the opposite effect of judgment because you wield an axe of guilt or obligation. Giving people the benefit of the doubt benefits everyone. Put your attention toward creating what you want, rather than complaining when someone falls short of your expectations. Author George Orwell wrote: Happiness can exist only in acceptance.	Paradoxically, your good intentions may stand in the way of reaching your goals today. You might be so resistant to change that it seems more important to defend your behavior than to be effective. Harness the power of your internal strength and higher insight to communicate your ideas peacefully. Someone's failing to meet your expectations isn't very significant in the bigger picture; no one owes anyone anything. The miracle of any healthy connection lies in your ability to let everything be what it is. Embrace your sovereignty and practice your precision.	If you're feeling out of bounds or like you're running out of time, know that you're not the only one. Travel to your interdimensional portal and bring things of value back to this moment of now. Draw on your silver-lined playbook for internal access to your best practices of navigating an illusory world. The universe is not solid, walls and limits don't exist, and you are here to lead the way to higher realms of operation. Love sets you free.	The nature of being human is to be wired for connectedness. Reevaluate your priorities if you lose yourself in another or take on baggage that's not yours to carry. Think about a few things in your life about which you are not happy, then ask yourself if you are overstepping your own boundaries. Be firm in telling others what you want, so nothing unwanted enters your sphere. You may be one with the world, but you still have the right to speak of your own individual experiences.
