Chamber Stevens Acting Workshops Chambers will be conducting two 4-hour actors’ workshops on Saturday, September 17th. Ages 6-10, 8 am- Noon and ages 11-18 from 1 pm- 5 pm. The workshops give students the opportunity to receive instruction and evaluation from one of the most respected acting coaches in Hollywood. Many of his former students are now working actors being cast in television, film and commercials. The cost of the seminar is \$80 and includes a ticket for the student and one parent/guest for Chambers one man show, “It’s Who You Know” to be performed at KPAC at 7:30 pm later on the Saturday evening. Additional tickets may be purchased for \$15 each. Enrollment is limited to 25 students per workshop so register today. To enroll or for more information, contact Rhonda Stanton at rhonda.stanton@parissd.org or 731-644-2517. “It’s Who You Know” with Chambers Stevens Maverick Entertainment Partners, LLC presents America’s Storyteller and Tennessee native, Chambers Stevens, for a special performance Saturday, September 17th, 7:30 pm at Krider Performing Arts Center. Stevens provides audiences with a rare first person journey through the “Human Side of Celebrity” in his touring one man show, “It’s Who You Know”. Stevens, a veteran actor, renowned acting coach and playwright, reveals his own lighthearted, sometimes hilarious, personal encounters with some of Tinsel Town’s biggest and most powerful star power during his 25 years as a Hollywood insider. The

premise for the show (originally titled “Close Encounters of the Celebrity Kind”) began in Steven’s youth growing up just outside Nashville, TN where he was neighbors with the Mandrell Sisters, took acting classes with Faith Hill and had his Little League Baseball team sponsored by Johnny Cash. Upon making the move to Hollywood, his circle of celebrity friends and associates broadened to the point that he knows most “everybody that’s anybody” in the business. Tickets are available on line through the shows website. www.itswheyouknowontour.com or www.maverickentertainmentpartners.com and local ticket partners Leach’s Music and Merison’s Furniture (cash or check only). Tickets can also be purchased via phone at 615-734-9932. To purchase by debit or credit in Paris, contact Rhonda Stanton 731-644-2517. Tickets are \$15.

Miss Pearl's Country Cookin'

Ham & Cheese Quiche

Original recipe makes 1 9-inch pie

- 1 (9 inch) pastry for a 9-inch pie crust
- 1 cup shredded Cheddar cheese, divided
- 1/2 cup shredded Swiss cheese
- 2 tablespoons all-purpose flour, divided
- 1/2 cup diced cooked ham
- 2 tablespoons honey mustard
- 1 1/4 cups half-and-half
- 5 eggs, beaten
- 1/4 cup green onions
- 1/4 teaspoon salt

Preheat oven to 400 degrees F. Press pie paste into the bottom of a 9-inch pie plate. Bake pie crust in preheated oven for 5 minutes, use a fork to poke holes into the crust, and continue cooking until lightly browned, about 5 minutes more. Reduce oven heat to 350 degrees F. Mix 1/2 cup Cheddar cheese, Swiss cheese, and 1 tablespoon flour in a bowl; spread over the warm pie crust. Stir ham and honey mustard together in a bowl to coat the ham completely; spoon over the cheese mixture. Mix half-and-half, eggs, green onions, 1 tablespoon flour, and salt together in bowl. Pour mixture carefully over the ham layer; top with remaining Cheddar cheese. Bake in preheated oven until set in the center, 40 to 50 minutes. Cool for 10 minutes before cutting.

Cinnamon Apples

original recipe makes 4 servings

- 2 apples, diced
- 1 teaspoon white sugar
- 1/2 teaspoon ground cinnamon

Place apples in a microwave-safe bowl; heat in microwave for 30 seconds. Sprinkle sugar and cinnamon over apples and stir to coat. Heat apples in microwave until soft and warm, about 1 minute more.

Buffalo Chicken Stuffed Mushrooms

Original recipe makes 10 servings

- 10 large mushrooms, stems and insides removed
- 1 teaspoon olive oil, or as needed
- 1 celery stalk, diced
- 1/4 cup blue cheese dressing
- 1/4 cup ranch dressing
- 1/4 cup buffalo wing sauce
- 2 ounces cream cheese
- 2 cooked chicken breasts, shredded
- 1/2 cup shredded Cheddar cheese

Preheat oven to 350 degrees F. Arrange mushrooms, open-side up, in a baking dish. Heat olive oil in a small skillet over medium heat; cook and stir celery until tender, about 5 minutes. Add blue cheese dressing, ranch dressing, buffalo wing sauce, and cream cheese to celery; cook and stir until cream cheese is melted and buffalo sauce is smooth, about 5 minutes. Mix chicken and buffalo sauce together in a bowl until chicken is coated; spoon into mushrooms. Sprinkle Cheddar cheese over buffalo sauce. Bake in the preheated oven until cheese is melted and golden, about 20 minutes.

Strawberry Marshmallow Blondies

original recipe makes 1 9-inch square dish

- 3/4 cup all-purpose flour
- 1 tablespoon all-purpose flour
- 1/3 cup cake flour
- 1 teaspoon baking powder
- 1/2 teaspoon salt
- 1 cup brown sugar
- 1/2 cup butter, softened
- 1 egg, beaten
- 1 tablespoon vanilla
- 3/4 cup chopped strawberries
- 1/2 cup miniature marshmallows
- 2 tablespoons miniature marshmallows, or to taste

Preheat oven to 350 degrees F. Grease a 9-inch square baking dish. Sift all-purpose flour, cake flour, baking powder, and salt together into a bowl. Beat brown sugar and butter together with an electric mixer in a large bowl until smooth. Beat egg and vanilla extract into the creamy sugar mixture until smooth. Add the flour mixture and stir until just incorporated. Stir strawberries and 1/2 cup marshmallows into the batter; pour into the prepared dish. Sprinkle 2 tablespoons miniature marshmallows atop the batter. Bake in preheated oven until set in the center, about 25 minutes.

I lost my dad this last year and moved back in with my mom. I don't work, I'm on disability month by month. I'm a slow learner on certain things in life. I'm very outgoing and loveable, laughable person. I rather tell the truth about me instead of lying to you. I'm 40 years old. and I have one son. I get my son every other weekend but no ex drama whatsoever. I do love to slow dance and I enjoy cuddling, kissing, and holding hands. I do enjoy taking walks. I want someone to love me for me and me love them for them. I don't have a current picture of me but I'll send you a old picture that is like 2 years old. I have changed a lot since then. Please send me a picture of you and your number if you are interested in talking to one another. PTP 461

Your Weekly *Love* Horoscope

Aries

March 21-April 19

You act as if you are a free-spirited being today, but once you swing into motion you are confronted with unexpected resistance. At first, you're certain that your allies will applaud whatever you choose to do. Nevertheless, you see signs that your support system isn't as strong as you expected. Although you might be annoyed that your friends aren't standing by you now, consider the possibility that you are simply pushing the limits too far. Sometimes, when others can't keep up with you it's best to slow down.

Taurus

April 20-May 20

You may have recently adopted a whole new set of professional goals that set you off in a different direction. Unfortunately, you might not see the difficulties associated with your chosen path until you're already well on your way. Ironically, the better an opportunity looks now, the more problems you could encounter. For the biggest decisions, wait until after the Solar Eclipse on Friday. In the meantime, reevaluate your priorities and modify them as needed, even if it means a departure from your previous agenda.

Gemini

May 21-June 20

Try as you might, you can't get rid of a crazy idea about embarking on a journey of a lifetime. It could begin with something you learn about another culture or a philosophy from a different civilization. In any case, a passing curiosity can turn into a full-blown obsession. Don't try to overpower it with logic; instead, surrender to the excitement. Whether or not your adventure ever materializes is not important at this time. Continue your explorations by mentally pursuing every possible avenue until Mercury turns direct later this month.

Cancer

June 21-July 22

Big ideas and high hopes capture your imagination at work today. Although emotions may fully envelop you like water, you can approach your feelings from a detached intellectual perspective now. You might seem as if you're not fully engaged in the moment, but a more cerebral mindset gives you the ability to analyze all the nuances of interpersonal dynamics before committing to a specific plan. Don't be in such a hurry to set your agenda in stone. Giving yourself some leeway in how you react improves your chances for success.

Leo

July 23-August 22

Don't be concerned if your friends and associates appear to be a bit aloof today. It's a mistake to take their coolness personally, since chances are it's really not about you. Instead of counterbalancing the awkward tension by trying to close the emotional gap, allow it to widen without resistance. There is a normal process occurring that's like the inhalation and exhalation of your breath. The Aquarius Moon encourages independence and allowing it to flourish ensures that interdependence will follow.

Virgo

August 23-September 22

You have ingenious new ideas that you want to bring to the workplace today, but you're not sure how others will react to your out-of-the-box concepts. Luckily, you might be quite surprised with the positive reactions you receive. It's as if everyone is rooting for you because they know that your success will ultimately benefit them, too. But don't worry about their motives now; just free up some time and space to begin working on the realization of your dreams while you are lucky enough to have the support of the universe on your side.

Libra

September 23-October 22

You're attracted to the concept of going deeper in a current relationship or starting up a new romance. However, stern Saturn can be a bit of a spoiler now, demanding that you manage your life in the three-dimensional world before taking your search for meaning into more irrational realms. It's not wise to ignore Saturn's cool-but-effective approach to life by trying to do an end run around your responsibilities. As Gandhi said, "Action expresses priorities."

Scorpio

October 23-November 21

You might choose to stay at home today on the assumption that you can still accomplish your fair share of work. Nevertheless, it's quite difficult to get motivated now, especially if you like the quiet comfort of your own familiar surroundings. And although this sweet serenity may sound enticing, you'll likely grow bored once you settle into a contemplative state of mind. Don't get trapped by your expectations of a perfect life. Martin Luther King said, "We must accept finite disappointment, but never lose infinite hope."

Sagittarius

November 22-December 21

The road ahead appears unobstructed today, but you instinctively already know that this heightened clarity won't last. However, you can learn an important lesson as you realize the milestones you use to measure your progress are created within your mind. Although you're given a reprieve now, budget your time wisely. Instead of scattering your energy, pick a goal and make it happen. Focus on whatever you want to do and don't let the bright lights distract you from your true destiny.

Capricorn

December 22-January 19

You might think that distinguishing yourself at work will be easy, but it seems as if others are angling to be major players, too. Luckily, you have an uncanny ability to combine original thinking with a cautious conservative approach. Your current uncharacteristic eclectic style is right on point now, even if you are overly concerned that someone will judge you by your appearance. But don't let your worries about the approval of anyone else stop you. Librarian President Ellen Johnson Sirleaf wrote, "If your dreams do not scare you, they are not big enough."

Aquarius

January 20-February 18

Your easygoing nature is your greatest strength now while the receptive Moon is camped out in your social sign. But you're not interested in wasting time; there are too many responsibilities weighing on your shoulders and you want to get to work before you lose your chance. Don't slow down to make apologies when you could be using your talents to actually finish up an incomplete job. There will be plenty of opportunities for fun in the days to come if you stay on track and fulfill your promises. Work now, play later.

Pisces

February 19-March 20

You may be caught in a web of complicated emotional dynamics that make your interactions with others a bit awkward today. You might even pull off a disappearing act that would make Houdini look twice while others wonder where you went. But your work is not about satisfying anyone else's curiosity now; your job is to take care of your own well-being by setting limits on your accessibility. A lack of boundaries invites a lack of respect.
