Ocktoberfest Saturday, October 1st, 11 am- 7 pm, Henry County Fairgrounds located at 517 Royal Oaks Dr. Oktoberfest is a parish and community-wide festival to provide fellowship, participation, and enjoyment for all. The secondary purpose is to generate funds for our charitable organizations within our community and Holy Cross Catholic Church.

Theatre Opportunity for Adults and Children “THE VELVETEEN RABBIT” is a straight play (not a musical) and features roles for adults and some children. 11+ excellent roles for adults/older teens 1 lead role for a child 8-11 years old 5+ roles for children This enchanting version of the classic story will touch your heart, and the hearts of the families in our audience. It seems there is a life to the playthings on the floor and in the toy cabinet when the lights go out in Andrew’s nursery. Timothy Lion, Train Engine, Skin Horse, Model Boat and Velveteen Rabbit all spring to life. Actors represent the ‘spirit’ of each toy-chattering, bickering and sharing their feelings in hilarious and touching interactions. With narration by the tender and grandfatherly Skin Horse Spirit, you’ll laugh and cry along with the characters as they manage the trials and tribulations of their unique experiences-especially the Rabbit Spirit, who learns about love when he gains the affection of a young child. “The Velveteen Rabbit” gives the audience a beautiful view of love as relationships change over time, yet love never fails to endure those changes. Audition - Saturday, October 1, Krider Performing Arts, 650 Volunteer Dr. - Just show up! Ages 10 to

Miss Pearl's Country Cookin'

Fudge Crinkles

original recipe makes 30-48 cookies

1 (18 1/4 ounce) box devil's food cake mix

1/2 cup vegetable oil

2 large eggs

confectioners' sugar or granulated sugar, for rolling

Preheat oven to 350°. Stir (by hand) dry cake mix, oil and eggs in a large bowl until dough forms. Dust hands with confectioners' sugar and shape dough into 1" balls. Roll balls in confectioners' sugar and place 2 inches apart on ungreased cookie sheets. Bake for 8-10 minutes or until center is JUST SET. Remove from pans after a minute or so and cool on wire racks.

Garlic Rice

original recipe makes 4-6 servings

2 tablespoons olive oil

1 medium onion, chopped fine

3 garlic cloves, minced fine

1 cup long grain rice

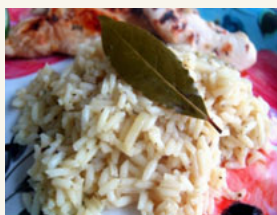

2 cups chicken broth

1/2 teaspoon dried thyme

1 bay leaf

1/4 cup parsley, chopped

Put the oil in a skillet and saute the onions & garlic until golden. Add rice, broth, thyme & bay leaf. Bring to a boil uncovered, turn heat to low cover and simmer about 25 minutes or until the liquid is absorbed, give a little stir after 15 minutes. Remove bay leaf & stir in the parsley.

Southwestern Egg Rolls

2 tablespoons vegetable oil

1 skinless, boneless chicken breast half

2 tablespoons minced green onion

2 tablespoons minced red bell pepper

1/3 cup frozen corn kernels

1/4 cup black beans, rinsed and drained

2 tablespoons frozen chopped spinach, thawed and drained

Rub 1 tablespoon vegetable oil over chicken breast. In a medium saucepan over medium heat, cook chicken approximately 5 minutes per side, until meat is no longer pink and juices run clear. Remove from heat and set aside. Heat remaining 1 tablespoon vegetable oil in a medium saucepan over medium heat. Stir in green onion and red pepper. Cook and stir 5 minutes, until tender. Dice chicken and mix into the pan with onion and red pepper. Mix in corn, black beans, spinach, jalapeno peppers, parsley, cumin, chili powder, salt and cayenne pepper. Cook and stir 5 minutes, until well blended and tender. Remove from heat and stir in Monterey Jack cheese so that it melts. Wrap tortillas with a clean, lightly moist cloth. Microwave on high approximately 1 minute, or until hot and pliable. Spoon even amounts of the mixture into each tortilla. Fold ends of tortillas, then roll tightly around mixture. Secure with toothpicks. Arrange in a medium dish, cover with plastic, and place in the freezer. Freeze at least 4 hours. In a large, deep skillet, heat oil for deep frying to 375 degrees F. Deep fry frozen, stuffed tortillas 10 minutes each, or until dark golden brown. Drain on paper towels before serving.

Spaghetti Carbonara

1 pound spaghetti

6 slices bacon, diced

1 cup milk

2 large eggs plus 2 egg yolks

1/2 teaspoon salt

1 tablespoon all-purpose flour

3/4 cup grated Parmesan cheese

1 1/2 teaspoons freshly cracked black pepper

Bring a pot of lightly salted water to a boil. Add spaghetti and cook 10 minutes or as per package directions. Drain, reserving 1 cup of the pasta water. Meanwhile, add bacon to a large saute pan. Cook over medium heat 6 minutes or until slightly crispy. Drain on paper towels, reserving 2 tbsp of the drippings. Blend milk, eggs, egg yolks and salt. Heat bacon drippings over medium heat. Whisk in flour; cook 1 minute. Quickly pour in milk mixture, whisking constantly to keep eggs from scrambling. Cook 2 to 3 minutes until thickened. Remove from heat and whisk in 1/2 cup of the cheese. Toss drained pasta with sauce, bacon, remaining 1/4 cup cheese and some of the reserved pasta water. Sprinkle with black pepper just before serving.

Your Weekly Love Horoscope

Aries
March 21-April 19

You might find yourself in an unavoidable confrontation with someone who is standing in the way of your dreams today. But don't take no for an answer since a potent Mercury-Pluto trine gives you the power of persuasion that can overcome the most rigid of resistance. You may have a surefire idea about making money, but you must fight for what you believe in with persistence. Fortunately, your perspective is likely to prevail if your argument is based on facts rather than fancy.

Taurus
April 20-May 20

You need all the patience you can muster today if someone purposefully places an annoying obstacle in your path. Thankfully, you have a second chance to explain your intentions when retrograde Mercury backs into a smooth trine with unwavering Pluto. Don't be afraid to say exactly what you mean because your words carry extra weight now. Ultimately, you may be unstoppable as long as you're willing to speak truth to power.

Gemini
May 21-June 20

You can surprise everyone with your practical methodology to solving a problem today. It's as if you are tied to reality as a Grand Earth Trine lets the excess air out of your creative balloon. Thankfully, using your common sense doesn't detract from your inspiration since a regenerative Mercury-Pluto trine enables you to recall vital information and tap into the magic that lurks just beneath the surface. Fantasy loses to pragmatism when it comes to getting things done.

Cancer
June 21-July 22

Confrontation doesn't come naturally to you, especially when you encounter dissension. However, you possess the willpower necessary to overcome formidable odds and defend your position now. Fierce Pluto is your ally while it harmonizes with Mercury in your 3rd House of Communication, strengthening your logic and infusing your message with unshakable conviction. There's no reason to consider withdrawing in defeat; simply hold your ground until the resistance begins to dissipate. Gandhi said, "Truth alone will endure; all the rest will be swept away before the tide of time."

Leo
July 23-August 22

You might be overwhelmed by the amount of work on your plate today. Fortunately, a resourceful Mercury-Pluto trine empowers you to concentrate your efforts and manage a difficult task with saintly patience and wise maturity. Meanwhile, the Moon's presence in earthy Taurus signals the need to seek simple solutions to finish your current tasks instead of piling on additional obligations. Inch by inch it's a cinch; yard by yard it's hard.

Virgo
August 23-September 22

Encountering setbacks to your plans is frustrating, but you can rebound quickly and establish new goals based on a deeper understanding of your purpose in life. Your ability to make long-term commitments is sound while logical Mercury harmoniously trines incisive Pluto in your 5th House of Self-Expression. Fortunately, you possess the stamina to overcome the resistance you face. As long as your data is in order, you can act on your conclusions with unflappable determination. Be persistent but not stubborn.

Libra
September 23-October 22

Circumstances test your commitment to others now, but you are resolved to handle any crisis you face. The stabilizing Taurus Moon's presence in your 8th House of Deep Sharing feeds into a grounded Grand Earth Trine with Mercury and Pluto, blessing you with the endurance you need to follow through with your intentions. Your ability to clearly communicate your points with power and precision safely sees you through this tricky territory. Leonardo da Vinci wrote, "Fix your course on a star and you'll navigate any storm."

Scorpio
October 23-November 21

You're not happy when others are overly insistent, especially if they're trying to coerce you to change your mind. You might need to dig in your heels today and make a stand against someone else's wishes. Thankfully, your key planet Pluto is part of an immovable Grand Earth Trine that strengthens your resolve and empowers you to defend your point of view no matter what happens. Don't admit defeat; you have cosmic support to overcome the current circumstances even if the outcome isn't looking good. Failure only occurs when you give up.

Sagittarius
November 22-December 21

Your future is looking prosperous and you want to tell everyone your good news while messenger Mercury harmonizes with powerful Pluto. You are inspired to set new goals and create an ambitious action plan now that the practical Grand Earth Trine is activated by the Moon's presence in your 6th House of Self-Improvement. Exercise self-control and stick to your agenda, even if reaching your destination takes longer than you expect. Run faster if the finish line doesn't appear to be getting closer.

Capricorn
December 22-January 19

If your progress is impeded by dogged resistance or even unexpected setbacks, it's a signal from the cosmos telling you to hurry up and get busy. If your creativity feels blocked, step back so you can solidify your thoughts and strengthen your plan of attack. Thankfully, the Moon and Mercury form trines to unrelenting Pluto in your industrious sign, empowering you to conquer any opposition you might face today. Although you may feel invincible, it's not wise to assume you are. Patience is a more effective tool than cleverness now; working smarter accomplishes more than working harder.

Aquarius
January 20-February 18

Everything seems to be falling back into place today after briefly spinning out of control. Thankfully, communicator Mercury's trine to intense Pluto enables you to address a difficult issue without being overwhelmed by your emotions. Hopefully, fundamental change is grounded in necessity and will prove to have lasting value because it's supported by a practical Grand Earth Trine. Nevertheless, finding satisfaction in the present moment can be a real challenge if you're always focused on the possibilities of what you can do tomorrow. Be here now.

Pisces
February 19-March 20

You're likely to push forward in your pursuit of knowledge and make your points with an unwavering determination today. You are impatient with someone else's inability to keep up with your logic. You can cut to the core of a complex issue, analyze it effectively and quickly move toward a solution as clever Mercury forms a productive Grand Earth Trine with the stubborn Taurus Moon and perceptive Pluto. Author Napoleon Hill wrote, "Ultimately action is the real measure of intelligence."
