**Miss Pearl's Country Cookin'**

**Pink Grapefruit Cheesecake**

3/4 cup graham cracker crumbs	2 packages (8 ounces each) cream cheese, softened
1 tablespoon plus 2/3 cup sugar, divided	1/2 cup sour cream
1 teaspoon grated grapefruit zest	2 tablespoons pink grapefruit juice
1/4 teaspoon ground ginger	2 large eggs, lightly beaten
2-1/2 tablespoons butter, melted	

Place a greased 6-in. springform pan on a double thickness of heavy-duty foil (about 12 in. square). Wrap foil securely around pan. Pour 1 in. water into a 6-qt. slow cooker. Layer two 24-in. pieces of foil. Starting with a long side, fold up foil to create a 1-in.-wide strip; roll into a coil. Place in slow cooker to form a rack for the cheesecake. In a small bowl, mix cracker crumbs, 1 tablespoon sugar, zest and ginger; stir in butter. Press onto bottom and about 1 in. up sides of prepared pan. In a large bowl, beat cream cheese and remaining sugar until smooth. Beat in sour cream and grapefruit juice. Add eggs and beat on low speed just until combined. Pour into crust. Place springform pan on top of coil. Cover slow cooker with a double layer of paper towels; place lid securely over towels. Cook, covered, on high 2 hours. Do not remove lid; turn off slow cooker and let cheesecake stand, covered, in slow cooker 1 hour. Center of cheesecake will be just set and top will appear dull. Remove springform pan from slow cooker; remove foil from pan. Cool cheesecake on a wire rack 1 hour. Loosen sides from pan with a knife. Refrigerate overnight, covering when completely cooled. Remove rim from pan. **CITRUS TOPPING:** Top cheesecake with orange and grapefruit section. **CHOCOLATE & PECAN TOPPING:** Melt 2 ounces semisweet chocolate with 1 teaspoon shortening and stir until smooth; drizzle over cheesecake. Top with glazed pecans. **SUGARED CRANBERRY TOPPING:** Lightly mist 1/2 cup fresh cranberries with water; toss with 2 tablespoons sugar. Place over cheesecake; top with orange peel curls.

**Bacon Topped Meatloaf**

1/2 cup chili sauce
2 large eggs, lightly beaten
1 tablespoon Worcestershire sauce
1 medium onion, chopped
1 cup shredded cheddar cheese
2/3 cup dry bread crumbs
1/2 teaspoon salt
1/4 teaspoon pepper
2 pounds lean ground beef (90% lean)
2 bacon strips, halved

In a large bowl, combine the first eight ingredients. Crumble beef over mixture and mix well. Shape into a loaf in an ungreased 13x9-in. baking dish. Top with bacon. Bake, uncovered, at 350° for 70-80 minutes or until meat is no longer pink and a thermometer reads 160°. Drain; let stand for 10 minutes before cutting. Yield: 8 servings.

♈ Aries March 21-April 19	♉ Taurus April 20-May 20	♊ Gemini May 21-June 20	♋ Cancer June 21-July 22	♌ Leo July 23-August 22	♍ Virgo August 23-September 22
It feels like it is taking forever to reach your goals. There are so many details that need to be handled to get a functional system up and running now. Thankfully, your sharp perceptions and rational judgment enable you to set sensible priorities. Distractions that hold temporary value can pull you off track today, but you are quick to get back in the groove again. Your financial situation is likely to improve if you play your cards right. Author Jim Hohn wrote, "For every disciplined effort there is a multiple reward."	Out of the blue magic appears. You're not usually pleased with surprises, but this one might be just what you wanted. Thankfully, the cosmos delivers the right kind of answers just when you are ready. The current synchronicities make you realize you are not traveling this road alone. In this heightened state of awareness, you can see that everything exists for a reason and it all makes sense, even when it's hard to understand. In moments like this, all you need to do is to stop and appreciate the beauty of being alive.	You tend to get sloppy when you rush through your work. Misplacing your keys or your phone is a red flag reminding you that you're moving too fast. Reconnecting with your body is one way to ground your erratic energy. A little self-care goes a long way when you stop to honor the temple your spirit resides in. However, your psychic channels are wide open now and you must pay attention to the messages you receive. Listen with every fiber of your being. Jiddu Krishnamurti wrote, "Intuition is the whisper of the soul."	Some people can really rattle your self-confidence if you are secretly insecure about your skills. Be aware of how deeply sensitive you are to the suggestions of others. It's unhealthy to lean on someone for approval if they make you feel less than adequate. Unfortunately, it's challenging to stand up against a strong and dynamic nemesis. Allow yourself the time to work at a slower pace so you can resolve the conflict once and for all. Reclaiming your power garners the respect you deserve.	After a long and treacherous road you finally begin to see enough progress to put a smile on your face. However, if satisfaction is still elusive, you may need to take a firm stance against outdated family traditions. However, there might not be an easy way out; breaking with someone close to you could be your only choice today. Making peace with yourself is the first step to gaining closure with others. Aligning your head with your heart sets a shining example for everyone to follow.	A new layer is revealed just when you thought you had everything all figured out. There's no end to the depth of knowledge you can access now. However, you really don't need more data if it doesn't help you thrive in your daily life. Fortunately, the information you are gathering is more practical than it seems at first. Seeing the value of what you're currently learning requires you to modify your perspective. Dr. Bruce Lipton wrote, "The moment you change your perception is the moment you rewrite the chemistry of your body."
♎ Libra September 23-October 22	♏ Scorpio October 23-November 21	♐ Sagittarius November 22-December 21	♑ Capricorn December 22-January 19	♒ Aquarius January 20-February 18	♈ Pisces February 19-March 20
A dream is just a dream until it is realized. First of all, there has to be a clear vision. However, the creative process becomes ambivalent when there is confusion. Unfortunately, the result can be disorder. A constant reassessment is necessary, prompting an awakened examination of your own thought patterns. Make sure you are not clinging to hope; relying on luck is taking the circuitous route to your future. Arlene Earhart said, "Preparation, I have often said, is rightly two-thirds of any venture."	You need people around you who are willing to go emotionally deep for the sake of spiritual growth and a stronger connection. This is familiar territory for you swamp creatures; you know exactly how to survive in these murky waters. But accepting that it is impossible to maintain complete control is accepting life in its many intricacies. Fortunately, an important relationship may show up in your life, adding excitement and complexity. Perhaps that person is right in front of you, ready to offer you a fresh outlook and a new lease on life. Nevertheless, you need to open your heart and invite them in.	Staying true to the spirit of adventure, you always keep your options open. However, you are not the most practical person in the room. Nevertheless, your willingness to take a risk is one of your most reliable traits. It tempts you to be boxed in because you're afraid of losing an opportunity. But your wanderlust can make you miss out on the fun at home. Find the middle path and commit to that which you know gives results. Roman statesman Cicero wrote, "Never go to excess, but let moderation be your guide."	Children may be the source of your inspiration today. While they seem to be one-hundred percent involved in the here and now, you tend to use the present moment as a launching point for future goals. Nevertheless, being true to your heart requires you to master both being a child and an adult. Take your gifts seriously, but not so seriously that there's no room for play. Creativity is intelligence having fun.	Rejection is never fun, even if it's just someone giving you a skeptical look when you present your latest original idea. A simple unwelcome remark can make you question your worth and your will today. You're already tough enough on yourself, so don't shut off your heart to avoid being hurt. If your feelings are fragile now, take care of yourself as if you were a kid who needed a hug. You are hard to read so don't expect people to immediately understand your unique process. Nevertheless, being an open book keeps communication flowing in those relationships that are most important.	Maintain a solid connection with reality today, even if you are daydreaming about finding perfect love. But you could end up sacrificing your dignity if you simply set out to please others just to get what you need. Ultimately, you deserve love without trying to conform to someone else's expectations. A relationship shouldn't be built upon performance when vulnerability is the key to creating intimacy. The truth is you're not in the market for a pretender or a player; only those who are courageous enough to be themselves need apply.
