*“I received excellent care—both in Henry County and in Jackson,” James says. “Everyone communicated so well with me.”*

**James Cook**  
*Cardiac Arrest Survivor*  
*57 years old*  
*Henry County Resident*

James Cook had no prior history of heart problems. He was helping a friend move some furniture when he suddenly collapsed mid-sentence. His friend called 911 and began performing CPR. Within minutes, Henry County EMS and Paris Fire Department had arrived on the scene and worked to stabilize James for transport to Henry County Medical Center.

James was soon transported to Jackson-Madison County General Hospital by Air Evac Lifeteam where the cardiac team was waiting. He was rushed into Cardiac Cath Lab where he received three stents in his heart. During his procedure, he had a light stroke, and his heart flat-lined for the fourth time. Thankfully, he was in the hands of the experienced Heart Team at West TN Heart & Vascular Center.

*“It’s amazing that I don’t have any damage,” says James. “I know I am supposed to be here.”*

## Miss Pearl's Country Cookin'

### Fudge Crinkles

original recipe makes 30-48 cookies  
1 (18 1/4 ounce) box devil's food cake mix  
1/2 cup vegetable oil  
2 large eggs  
confectioners' sugar or granulated sugar, for rolling

Preheat oven to 350°. Stir (by hand) dry cake mix, oil and eggs in a large bowl until dough forms. Dust hands with confectioners' sugar and shape dough into 1" balls. Roll balls in confectioners' sugar and place 2 inches apart on ungreased cookie sheets. Bake for 8-10 minutes or until center is JUST SET. Remove from pans after a minute or so and cool on wire racks.

### Garlic Rice

original recipe makes 4-6 servings  
2 tablespoons olive oil  
1 medium onion, chopped fine  
3 garlic cloves, minced fine  
1 cup long grain rice  
2 cups chicken broth  
1/2 teaspoon dried thyme  
1 bay leaf  
1/4 cup parsley, chopped

Put the oil in a skillet and saute the onions & garlic until golden. Add rice, broth, thyme & bay leaf. Bring to a boil uncovered, turn heat to low cover and simmer about 25 minutes or until the liquid is absorbed, give a little stir after 15 minutes. Remove bay leaf & stir in the parsley.

### Southwestern Egg Rolls

2 tablespoons vegetable oil  
1 skinless, boneless chicken breast half  
2 tablespoons minced green onion  
2 tablespoons minced red bell pepper  
1/3 cup frozen corn kernels  
1/4 cup black beans, rinsed and drained  
2 tablespoons frozen chopped spinach, thawed and drained

Rub 1 tablespoon vegetable oil over chicken breast. In a medium saucepan over medium heat, cook chicken approximately 5 minutes per side, until meat is no longer pink and juices run clear. Remove from heat and set aside. Heat remaining 1 tablespoon vegetable oil in a medium saucepan over medium heat. Stir in green onion and red pepper. Cook and stir 5 minutes, until tender. Dice chicken and mix into the pan with onion and red pepper. Mix in corn, black beans, spinach, jalapeno peppers, parsley, cumin, chili powder, salt and cayenne pepper. Cook and stir 5 minutes, until well blended and tender. Remove from heat and stir in Monterey Jack cheese so that it melts. Wrap tortillas with a clean, lightly moist cloth. Microwave on high approximately 1 minute, or until hot and pliable. Spoon even amounts of the mixture into each tortilla. Fold ends of tortillas, then roll tightly around mixture. Secure with toothpicks. Arrange in a medium dish, cover with plastic, and place in the freezer. Freeze at least 4 hours. In a large, deep skillet, heat oil for deep frying to 375 degrees F. Deep fry frozen, stuffed tortillas 10 minutes each, or until dark golden brown. Drain on paper towels before serving.

### Spaghetti Carbonara

1 pound spaghetti  
6 slices bacon, diced  
1 cup milk  
2 large eggs plus 2 egg yolks  
1/2 teaspoon salt  
1 tablespoon all-purpose flour  
3/4 cup grated Parmesan cheese  
1 1/2 teaspoons freshly cracked black pepper

Bring a pot of lightly salted water to a boil. Add spaghetti and cook 10 minutes or as per package directions. Drain, reserving 1 cup of the pasta water. Meanwhile, add bacon to a large saute pan. Cook over medium heat 6 minutes or until slightly crispy. Drain on paper towels, reserving 2 tbsp of the drippings. Blend milk, eggs, egg yolks and salt. Heat bacon drippings over medium heat. Whisk in flour; cook 1 minute. Quickly pour in milk mixture, whisking constantly to keep eggs from scrambling. Cook 2 to 3 minutes until thickened. Remove from heat and whisk in 1/2 cup of the cheese. Toss drained pasta with sauce, bacon, remaining 1/4 cup cheese and some of the reserved pasta water. Sprinkle with black pepper just before serving.

I would like if you were comfortable talking, but just as comfortable not having to talk and be ok with each other's silence. I am interested in what your likes are too. We don't have to be soulmates to enjoy each other's company, but wouldn't it be nice if it turned out that way? PTP 473

Widowed white female, 70 years old, looks 60, a little full figured. I'm blonde, green eyes, 5' 7" tall. I split my time between Jackson, TN and Springville, TN (camper). # Your Weekly Love Horoscope

**Aries**  
March 21-April 19  
Utopian dreams lure you into a world of fantasy but once you swing into motion your competence surprises everyone, most of all yourself. Your imagination is running wild now as the Pisces Full Moon floods your 12th House of Escapism. You can keep your visions to yourself or you can share them freely. Just remember, anything is possible if you put your mind to it. Frank Lloyd Wright said, I know the price of success: dedication, hard work and an unremitting devotion to the things you want to see happen.

**Taurus**  
April 20-May 20  
Maintaining the depth of a primary intimate relationship is rather tricky when you're trying to balance your one-on-one connections with your place in your community. Although the Pisces Full Moon lights up your 11th House of Networking, social media is not a substitute for face-to-face contact. Consider what you would say in person if you could raise any topic at all. The only thing holding you back today is you. Goethe wrote, For a man to achieve all that is demanded of him he must regard himself as greater than he is.

**Gemini**  
May 21-June 20  
Let your intuition, not your reason, be your guide today. But trusting your instincts doesn't mean you can skip out on your worldly obligations as the Pisces Full Moon shines in your 10th House of Public Responsibility. You know what you must do now to fulfill your promises. Within that framework, allow your fantasies to reveal a new path that can carry you into a brighter future. Albert Einstein said, Imagination is your preview of life's coming attractions.

**Cancer**  
June 21-July 22  
You're being asked to reach further than ever in your quest for meaning. But exploring new possibilities at home or at work doesn't negate your need for emotional security. Nevertheless, the Pisces Full Moon brings magic to your 9th House of Distant Horizons, urging you to extend your vision beyond your mundane concerns. There's no reason to resist the temptation to fantasize about things you never thought possible. Thankfully, you're not required to act on every dream; however, imagining your life without the restraints of reality could open doors that previously remained closed.

**Leo**  
July 23-August 22  
You have choices to make that will determine the tone of your life for the next couple of weeks. No longer must you demonstrate your dominance in the outer world; the Pisces Full Moon illuminates your 8th House of Transformation, shifting your focus inward in a search for deeper meaning. Nevertheless, external changes accompany your current spiritual work as deep emotional regeneration impacts all of your relationships. Deepak Chopra wrote, When you struggle with your partner, you are struggling with yourself. Every fault you see in them touches a denied weakness in yourself.

**Virgo**  
August 23-September 22  
Although you are determined to execute your agenda exactly as you imagined it, you are likely to run into complications. It might seem as if people are derailing your plans on purpose but you may be the real cause. The imaginative Pisces Full Moon reflects your 7th House of Others as they share their hopes with you. But it's not their words that distract you from your current work; it's your unfulfilled dreams that resonate so loudly you want to leave your responsibilities behind. Dr. Harriet Braiker wrote, Striving for excellence motivates you; striving for perfection is demoralizing.

**Libra**  
September 23-October 22  
You wish that your unfinished chores would somehow tie up their own loose ends today, so you didn't have to worry about them anymore. In fact, you might find it difficult to concentrate on your job while the Pisces Full Moon fogs your 6th House of Logistics. You may attempt to stick to your to-do list, but can't narrow your vision enough to shut out your dreams. However, it's much easier to fulfill your current obligations once you realize that completing a specific task will free you up to pursue less mundane goals. Oprah Winfrey said, You can have it all. Just not all at once.

**Scorpio**  
October 23-November 21  
Romantic fantasies may be the source of sweet enchantments or fearful visions. You can dream of idealistic futures while the psychic Pisces Full Moon shadows your 5th House of Love and Creativity. But your thoughts could also take you to darker and more complex places, too. The key to optimizing the power of your imagination is observing the fruits of your mental wanderings without being hooked into manifesting any one outcome. Practice detachment by pretending you're at the movies. Enjoy the magic of your mind without becoming a slave to its desires.

**Sagittarius**  
November 22-December 21  
Although you Archers are known to travel the world in search of adventure, you might be happily surprised to find your next destination close to home. The intuitive Pisces Full Moon conjures up dreams in your 4th House of Security, encouraging you to expand your horizons without venturing far. Although you must meet your social and professional expectations now, there are no limits to where your spirit can wander. Poet Rainer Maria Rilke wrote, The only journey is the one within.

**Capricorn**  
December 22-January 19  
No matter how compelling your goals are, you might let them slide for a day or two while you explore less practical matters. The Pisces Full Moon shimmers in your 3rd House of Distractions, temporarily luring you away from your chosen path. But all is not lost; there are many ways to find satisfaction today, and feeding your soul with intangible fantasies can bring a smile to your heart. Dr. Albert Schweitzer wrote, Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful.

**Aquarius**  
January 20-February 18  
Uncertainty about money matters adds to the complexity of a relationship, especially if the consequences of a current decision affect someone else, too. It's not easy to reconcile the actual dynamics with your dreams as the metaphysical Pisces Full Moon lands in your 2nd House of Possessions. You might adhere to spiritual beliefs about your finances, but the fallout is quite mundane. Consider what you need versus what you want. The Roman philosopher Seneca wrote, It is not the man who has too little, but the man who craves more, that is poor.

**Pisces**  
February 19-March 20  
It seems like everyone is on your case, telling you to be more practical in your thinking. But you're unwilling to acknowledge that your dreams are an escape from reality. In fact, the spiritual Pisces Full Moon stirs the waters in your 1st House of Personality, inspiring you to become a more self-actualized version of yourself. Don't allow other people to limit your potential if they criticize you for following your heart. Poet Henry Wadsworth Longfellow wrote, We judge ourselves by what we feel capable of doing, while others judge us by what we have already done.
