least 5 days in advance. Adopt-A-Highway is a free program for the public to volunteer to clean up a 2 mile stretch of local state highway. Cleanups are conducted quarterly and reported to TDOT. Local department staff provides safety equipment, trash grabbers and bags. For the effort, TDOT installs free roadside recognition panels along every adopted area, naming the adoptive individual, group, or organization. For help getting started, program resources are available electronically on the TDOT website. TDOT's Adopt-A-Highway program began statewide on October 11, 1989, as a means for individuals, community groups and civic organizations to clean up their community and receive roadside recognition. The completely free program has grown over time, removing more than 12 million pounds of litter from Tennessee roadsides. Litter is an ugly, expensive problem for Tennessee, and TDOT is working hard to increase adopted roadside mileage. Today, more than 550 miles of roadside across the state have been adopted. For more information about TDOT's Adopt-A-Highway program, visit: <https://www.tn.gov/tdot/environmental-home/environmental-highway-beautification-office/adopt-a-highway.html>.

## WOULD APPRECIATE YOUR VOTE

# HENRY COUNTY SHERIFF

Citizens of Henry County:

As early voting and Election Day approaches I would like to first and foremost extend my deepest and sincerest gratitude to the outpouring of support I have received during this process of seeking the office of Sheriff. During my campaign I have made every effort to reach as many Henry Countians as possible and while I have spoken with countless members of the community it is virtually impossible to speak to everyone in such a brief amount of time. I would like to take this opportunity to ask you for your vote and support in the upcoming election. During my 34 plus years of service with the Henry County Sheriff's Office I have worked in every position within the department. This experience along with serving as chief deputy has prepared me for the task ahead. As many of you know, I have been filling in as interim Sheriff these past couple of months. While these are big shoes to fill I have gladly accepted the challenge and have stepped in and ran the day to day operations at the Sheriff's Office. Our Sheriff's Office is in a good place. For those not as familiar with the law enforcement community I can attest first hand that we are the envy of West Tennessee. We are on the forefront and cutting edge in many areas of law enforcement. During my time as chief deputy, I have invested countless amounts of time to grow public relations, implement new and innovative programs and gain the support of the community. I want to keep this trend moving in the right direction and continue down this path. Simply put, I will continue to lead, serve Henry County and retain these invaluable initiatives. If you agree with my vision for the Henry County Sheriff's Office then I would ask for your vote in the upcoming election. I vow to serve you all and to hold myself and the Henry County Sheriff's Office to the highest of standards.

## BREAST CANCER AWARENESS

Month

Most  
common  
cancer in women  
worldwide.

1 in 8 women will develop breast cancer in their lifetime.

2nd  
leading cause  
of cancer  
death in  
women.

Every

2 to 3

minutes a case of  
breast cancer is  
diagnosed.

Different types of staging systems are used for different types of cancer. Below is an example of one common method of staging:

- **Stage 0** - indicates that the cancer is where it started (in situ) and hasn't spread.
- **Stage I** - the cancer is small and hasn't spread anywhere else.
- **Stage II** - the cancer has grown, but hasn't spread.
- **Stage III** - the cancer is larger and may have spread to the surrounding tissues and/or the lymph nodes.
- **Stage IV** - the cancer has spread from where it started to at least one other body organ; also known as "secondary" or "metastatic" cancer.

# CANCER TERMS To know

The following are some common cancer terms courtesy of the American Cancer Society and Cancer.net. Knowing the terminology physicians and their staffs use to discuss diagnosis and treatment will help lessen confusion and ensure cancer patients and their families are as informed as possible.

- **Ablation:** Also called ablative therapy, is treatment that removes or destroys all or part of a cancer. Ablation may also refer to removing or stopping the function of an organ, such as when ovaries are removed to prevent them from making hormones.
- **Adhesions:** Scar tissues that form after surgery or injury. If this scar tissue tightens, it can bind together organs that would normally be separate.
- **Alopecia:** Hair loss, that in instances where cancer is present and being treated, can result from chemotherapy or radiation therapy treatments.
- **Bilateral:** Present on both sides of the body. May be used to describe when breast cancer is in both breasts.
- **Biopsy:** The removal of a small amount of tissue for examination under a microscope to determine if cancer is present.
- **Bone marrow:** Soft tissue found in the center of large bones where blood cells are formed.
- **Cancer cell:** A cell that divides and reproduces abnormally and is capable of spreading throughout the body.
- **Carcinogen:** Any substance that causes cancer or helps it to grow.
- **Carcinoma:** Cancer that begins in the lining layer of organs. The ACS notes that 80% of all cancers are carcinomas.
- **Chemotherapy:** A form of cancer treatment that employs drugs to kill cancer cells.
- **Five-year survival rate:** The percentage of people with a particular cancer who are alive five years or longer after diagnosis. Rates generally improve the earlier the cancer is detected.
- **Hemoglobin:** The part of a red blood cell that carries oxygen and is often measured in complete blood count. The count can get very low in people who have cancer.
- **In situ:** Refers to cancer that has not spread from its point of origin to nearby tissue.
- **Invasive cancer:** Cancer that has spread outside the layer of tissue in which it started and can potentially spread to other parts of the body.
- **K-ras:** A gene that can mutate into a cancer accelerator and allow certain types of cancer to grow.
- **Metastasize:** The spread of cancer cells to one or more sites elsewhere in the body, often via the lymph system or bloodstream.
- **Oncologist:** A doctor who specializes in treating patients with cancer.
- **Precancerous:** Cells that have the potential to become cancerous.
- **Sarcoma:** Cancer that develops in the tissues that support and connect the body, including fat and muscle.
- **Stage:** A way to describe cancer that may refer to its location, where it has spread, and whether or not it is affecting the function of other organs in the body.

## Miss Pearl's Country Cookin'

### Lemon Cream Pasta w/ Chicken

3 skinless, boneless chicken breast halves  
1 lemon, quartered  
2 teaspoons garlic powder, divided  
1 teaspoon ground black pepper, divided  
2 (14.5 ounce) cans chicken broth  
1/4 cup fresh lemon juice  
1 (8 ounce) package rotelle pasta  
1 cup heavy cream  
1 teaspoon grated lemon zest

Preheat oven to 350 degrees F. Place chicken in a lightly greased baking dish. Squeeze lemon over both sides of the chicken breasts and season both sides using 1 1/2 teaspoons garlic powder and 3/4 teaspoon pepper. Bake for 40 minutes, or until juices run clear and chicken is no longer pink inside. Meanwhile, in a large saucepan, season the chicken broth with the remaining 1/2 teaspoon garlic powder and 1/4 teaspoon pepper. Bring to a boil and add lemon juice and pasta. Cook over medium heat, stirring occasionally, until all liquid is absorbed, about 25 minutes. Cut cooked chicken into bite-sized pieces and stir into cooked pasta, along with the cream and lemon zest. Cook, stirring, over low heat for 5 minutes. Remove from heat and let stand 5 minutes. Stir thoroughly before serving.

### Country Apple Dumplings

2 large Granny Smith apples, peeled and cored  
2 (10 ounce) cans refrigerated crescent roll dough  
1 cup butter  
1 1/2 cups white sugar  
1 teaspoon ground cinnamon  
1 (12 fluid ounce) can or bottle Mountain Dew™

Preheat the oven to 350 degrees F. Grease a 9x13 inch baking dish. Cut each apple into 8 wedges and set aside. Separate the crescent roll dough into triangles. Roll each apple wedge in crescent roll dough starting at the smallest end. Pinch to seal and place in the baking dish. Melt butter in a small saucepan and stir in the sugar and cinnamon. Pour over the apple dumplings. Pour Mountain Dew(TM) over the dumplings. Bake for 35 to 45 minutes in the preheated oven, or until golden brown.

DWF, 60 yrs old, approx. 5'4" inches tall, not skinny but working on the extra weight that I have. Good personality, sense of humor. Kind hearted, compassionate. Honest and respectful. Would like to meet a man with same qualities. Doesn't smoke or drink. Loves animals. If you would like to spend time and get to know me please write, will answer all replies. PTP 462

I'm 6'2", about 220lbs. I'm very tall and country type of guy. I love to fish at KY lake or anything. I don't smoke, go to bars, or drink, but if I did it would be wine. I lost my dad this last year and moved back in with my mom. I don't work, I'm on disability month by month. I'm a slow learner on certain things in life. I'm very outgoing and loveable, laughable person. I rather tell the truth about me instead of lying to you. I'm 40 years old. and I have one son. I get my son every other weekend but no ex drama whatsoever. I do love to slow dance and I enjoy cuddling, kissing, and holding hands. I do enjoy taking walks. I want someone to love me for me and me love them for them. I don't have a current picture of me but I'll send you a old picture that is like 2 years old. I have changed a lot since then. Please send me a picture of you and your number if you are interested in talking to one another. PTP 461

DWM, 35 years old, seeking D/SWF with a good heart and of similar age. Would like an intelligent woman, open to a one-on-one relationship. I smoke cigarettes but don't drink and prefer staying home over going out. PTP 460

DWM, 6", 175lbs, 62 years old, blue eyes, looking for slender type lady between 45 and 55 years old, prefer non-smoker, someone who likes hunting, fishing, gardening, and just good plain country living. Send photo and phone number. PTP 463

I am a 48 years of age, looking for true love, i like slender type women, I own my own home, was divorced for twenty years - raised 5 kids by myself, to the 1st woman to answer my ad - see I am a man of myself. Please send picture & phone number AND a man I am. PTP 464

DWF, 35, pretty, slim, looking for man in 40s with positive mental attitude, who enjoys good times, likes people, and is not to hard to please. Outgoing, have a business of my own, and not asking for a sugardaddy, but a liberal, intelligent man who enjoys lively debate and doesn't take things to personally. PTP 465

SWF, Birthday 1987, West KY. I am a large woman looking for friends and LTR. No smoking, no alcohol, I want "no" ex's to deal with. No cheaters, no liars, prefer someone who's never been married. Thanks! We can text to get to know each other. PTP 487

DWF, age 72, 5' tall, 123lbs. I am retired and looking for a male phone a friend of similar age to talk to and visit with. Maybe combat some of the winter blues. If we can get to know each other that way then we can go from there. I'm not looking for love - just kindness and a smile. I smoke but don't drink. If you are a social drinker now & then, that is ok. Paris or Murray Area preferred. PTP 466

I am a WM, 37 years old, look for a WF, 21-40 years old. I am a recent stroke victim looking for a white female. Must enjoy the outdoors. I know how to treat a real lady. Please send a photo. PTP 467

Elderly, single gentleman, healthy, 6ft. tall, 180 lbs, seeks Hispanic or white female any age to 65, not obese, hefty ok, for happy relationship and perhaps permanent. I'm a working person, like to find a lady whom wants to fish a little and be with a great guy, plus dine out and ride looking at the scenery some. If you're between the ages of 45 through 65, and bored with your everyday, looking for new things to do. Write me, let me know your interests, and we could have things in common. Waiting to hear from you sexy ladies. I'll answer all replies. PTP 470

Hi! I'm a nonsmoker and non-drinker. I love animals of all kinds and have a few. Looks are not important to me, the heart is. I would like if you were comfortable talking, but just as comfortable not having to talk and be ok with each other's silence. I am interested in what your likes are too. We don't have to be soulmates to enjoy each other's company, but wouldn't it be nice if it turned out that way? PTP 473
