What's Happening?

Covid Self-Tests To Be Offered By County Health Departments Tennessee Department of Health COVID-19 testing sites across the state will begin offering self-testing kits to adults three days a week December 21, to allow staff members to transition to vaccination of frontline health care providers and first responders. Local county health departments will continue to offer COVID-19 testing five days a week at no charge for anyone who wishes to be tested. “We’re making this transition so our Department of Health staff can assist with administration of safe and effective COVID-19 vaccines,” said Tennessee Health Commissioner Dr. Lisa Piercey. “State-run health departments currently collect an average of only 16 percent of all COVID-19 tests statewide, and our change will not affect the wide availability of testing through private providers in Tennessee. While the arrival of vaccines is welcome, it is imperative that we not let up on basic best practices and continue to protect each other by wearing masks, practicing social distancing and staying home when sick.” The new COVID-19 self-tests will be offered to adults on Mondays, Wednesdays and Fridays beginning Dec. 21. On these days, public health staff members at each TDH COVID-19 testing site will provide self-testing kits to adults who wish to be tested. Individuals will remain in their vehicles while completing paperwork and collecting their samples. Health departments will submit the samples for testing. Adults tested with the new self-tests will register and receive their results online. The self-tests are not approved for use in children under age 18. Children and

adults unable to register online can still receive the standard nasal swab COVID-19 tests on Tuesdays and Thursdays. Test results may be available within 72 hours of arrival at the lab, depending on the volume of tests the testing lab receives. Information will be provided to participants at testing locations on what they can expect after being tested. This information is also available online at www.tn.gov/content/dam/tn/health/documents/cedep/novel-coronavirus/TestedGuidance.pdf. COVID-19 testing is widely available in Tennessee from local health departments and other health care providers. A map of COVID-19 testing sites across the state is available at www.tn.gov/content/tn/health/cedep/ncov/remote-assessment-sites.html. Hours of operation and contact information are provided for each site. TDH county health departments will be closed and will not offer COVID-19 testing Dec. 24 – 25 and Dec. 31, 2020 – Jan. 1, 2021 in observance of the Christmas and New Year’s holidays.

at more than 80 American Job Centers across Tennessee, no matter the time or where they are located. "The Virtual AJC makes it convenient for people to learn about the different programs that can have a meaningful impact on their lives," said TDLWD Commissioner Jeff McCord. "In short, the Virtual AJC extends the reach of Tennessee's American Job Center network". Job planning, education services, skills sharpening and training, work-life support, and youth services are a few of the programs the VAJC provides detailed information about in an easily understandable format. When someone goes to the site, either on their desktop or mobile device, they can explore a list of services and programs that have the potential to improve their employment situation or provide financial assistance that will help them join the state's workforce. Each program page contains information on eligibility requirements, reviews documents needed to apply, and provides the next steps to take to participate in the program. If someone is unsure of which services could be most beneficial to them, the VAJC offers an interactive tool to navigate the different programs. The Service Matcher guides the user through a short series of questions to determine what assistance is available to them. The Service Matcher then populates the programs they are eligible to participate in and creates a QR code unique to the user that contains all the information needed to start their AJC journey. On the same page, the user can then make an appointment to meet with a career specialist in their area virtually, over the phone, or at the nearest American Job Center. The Service Matcher streamlines the process of evaluating program eligibility, which saves time when a person initially

meets with a career specialist. This tool will allow staff at the state's American Job Centers to provide faster and more efficient service to their customers. The Tennessee Virtual American Job Center is located at TNVirtualAJC.com. Users can visit the site on their schedule and at their own pace. Once they find the information they are looking for, they can take the next steps needed to improve their employment situation and their future.

Miss Pearl's Country Cookin'

Grilled Bacon-Wrapped Chicken Tenders

8 chicken tenders
1 tablespoon BBQ rub (such as McCormick)
8 slices center-cut bacon, cut in half lengthwise
2 tablespoons honey
1 teaspoon water

Preheat an outdoor grill for medium heat and lightly oil the grate. Season chicken tenders with BBQ rub. Wrap each tender with 2 thin strips of bacon, tucking in the ends to secure. Mix together honey and water in a small bowl. Set aside. Place chicken tenders on the preheated grill and reduce heat to medium-low. Close lid and grill tenders, turning every 2 to 3 minutes, until bacon is browned and chicken has reached an internal temperature of 165 degrees Fahrenheit. 12 to 14 minutes. For crispier bacon, increase heat during the last 2 minutes of cooking. Move tenders to indirect heat and brush with honey mixture. Transfer to a plate and serve.

S'more Ice Cream Pie

1 1/2 cups finely crushed graham cracker crumbs
1/4 cup white sugar
6 tablespoons butter, melted
1 (28 ounce) package chocolate ice cream, slightly softened
2 cups miniature marshmallows, or enough to cover the top

Place graham cracker crumbs into a bowl, add sugar and melted butter, and mix until well combined. Transfer mixture into a 9-inch pie dish. Gently press graham cracker mixture into the bottom and up the sides of the pie dish using a spatula. Pat the edge and inside of the crust smooth with your fingers. Refrigerate crust until thoroughly chilled, at least 30 minutes. Fill crust with chocolate ice cream using a small ice cream scoop. Smooth the ice cream with a spatula. Place a ring of mini marshmallows around the inside of the crust and cover top of ice cream with remaining marshmallows. Gently press marshmallows into the ice cream. Freeze until very firm, at least 2 hours. Use a propane blow torch to toast the marshmallows, moving the torch quickly to brown the marshmallows. Marshmallows should have small charred spots. Return to freezer to chill the marshmallow topping, at least 3 hours; slice and serve.
